COMMERCIAL STRUCTURE FIRE AT BURGER KING RESTAURANT

Garden Grove, CA – Fire fighters responded to the 12000 block of Brookhurst Street for a commercial structure fire shortly before 8:00 a.m. this morning. The first-arriving engine found smoke showing from a Burger King restaurant, and initiated an attack of the fire. A search of the structure confirmed all occupants made it out safely. Crews were able to isolate the fire to cooking equipment and ducting, and were able to get the fire under control in under 20 minutes.

Damage to the structure was estimated at \$20,000 and \$5,000 to contents. The Orange County Health Department was requested due to a restaurant being involved. The business will be closed until further notice. There was no report of injury to civilians or fire fighters. The cause of the fire is currently under investigation.
