## **MOTOR HOME FIRE EXTENDS TO GAS STATION STRUCTURE**

Fire fighters responded to the 10000 block of Westminster Avenue for a vehicle fire at a gas station shortly after 9:00 a.m. this morning. The initial engine company found a fully-involved motor home fire with extension to the awning structure and another vehicle. The incident was upgraded to a working structure fire, and fire fighters initiated an attack of the fire to prevent further spread. Crews were able to get the fire under control in approximately 20 minutes. Damage to the motor home is estimated at \$50,000 and \$100,000 to the gas station structure. The cause of the fire is under investigation. There were no injuries on scene. The Garden Grove Building Department responded, and red-tagged the gas pump area and awning structure.
