INCIDENT: Structure Fire
TIME: 3:20 a.m.
LOCATION: 11400 Block of Baggett Street

The Garden Grove Fire Department was dispatched to the 11000 block of Baggett Street early this morning for a residential structure fire. The first-arriving crew found a single story house with a well-involved garage fire. Firefighters made entry to attack the fire and search for residents, and later confirmed everyone was out. They were able to get the fire under control in 20 minutes, and confine it to the garage. Damage to the structure is estimated at \$80,000 and \$5,000 to contents. An investigation found the cause of the fire to be undetermined.

There were three adults and three minors in the house at the time of the fire. No one sustained injury. One resident was awoken by the smell of smoke. He went to check and discovered there was a fire in his garage where his dogs were kept. He was able to remove his pets without injury and evacuate his family. The residents were displaced and were going to stay with family members.
