MDA FILL THE BOOT EVENT IS A SUCCESS

Fire Department and Garden Grove Fire Fighters joined the MDA on Saturday at the Grove District – Anaheim Resort at this year’s Fill The Boot event. The event was held at the intersection of Harbor Boulevard and Chapman Avenue from 9:00 a.m. – 1:00 p.m. This event was a success largely in part to Engineer Steve Fellner who worked with the MDA to coordinate the event. 25 fire fighters along with the fire chief took to the streets with turnout boots to accept donations from the public. Due to the generosity of the community, the total for the event exceeded the previous record of \$7,000, coming in at over \$9,000.

“On behalf of the Fire Department, I would like to thank everyone who came out and supported such a worthy event. It shows that people in our community really do care,” said Fire Chief Tom Schultz.

The Fill The Boot event raises money for the MDA in their fight against muscular dystrophy. According to the MDA, 77 cents of every dollar goes to their mission to save and improve lives of people fighting muscle disease, which includes research to find treatments and cures. All funds raised in Orange County stay in the local communities to support MDA programs.
