**INTER-DEPARTMENT MEMORANDUM**

Dept: Public Works  
Subject: HARBOR BLVD IMPROVEMENTS FROM WARNER AVE. TO SR-91 PROJECT NO. 7238, RECOMMENDATION TO ADOPT RESOLUTION REQUESTING RIGHT-OF-WAY FUNDING DISBURSEMENT BY OCTA.  
Date: September 9, 2008

OBJECTIVE

To adopt the resolution requesting the Orange County Transportation Authority (OCTA) to disburse the right-of-way funds to the City of Garden Grove for the improvement of Harbor Boulevard from Warner to SR 91, specifically the widening of Harbor Boulevard at Trask Avenue.

BACKGROUND/DISCUSSION

OCTA through the Combined Transportation Funding Programs (CTFP), allocated \$154,837 for right-of-way costs for the improvement of Harbor Boulevard from Warner to SR91. The Harbor/Trask intersection improvement project will widen the west side of Harbor Boulevard to its "Smart Street" designation at its intersection with Trask Avenue, and therefore qualifies for the use of this right-of-way funding. The City will need to adopt the attached resolution for disbursement of 90% of eligible right-of-way costs to the City of Garden Grove. The remaining 10% will be transferred to the City when right-of-way acquisition is completed.

FINANCIAL IMPACT

The proposed action has no impact on the General Fund. Funding for this project has been made available through Measure "M" funds.

COMMUNITY VISION IMPLEMENTATION

This project is consistent with the community vision for improving the transportation system to ensure the safe and efficient flow of traffic.
