FINANCIAL IMPACT

The financial impact is \$21,105.98 to the Vehicle Maintenance Replacement Fund. The amount for this purchase is provided by funding assessed over the last ten years from the General Fund and deposited into the Vehicle Maintenance Replacement Fund. This fund was developed to ensure funding for equipment when the equipment has fully depreciated and is no longer cost effective to maintain. The vehicle being replaced will be sold at public auction.

COMMUNITY VISION IMPLEMENTATION

Dependable safe vehicles are essential to ensure the Public Works Department remains an efficient, high-quality service provider, as outlined in the City of Garden Grove's strategic plan.
