# TABLE OF CONTENTS

## CHAPTER 1 INTRODUCTION

1.1 Introduction ................................................................. 1-1
1.2 General Plan Process ..................................................... 1-1
1.3 Community Participation ............................................... 1-2
1.4 Garden Grove Community Vision .................................... 1-4
1.5 Requirements of the General Plan ................................. 1-5
1.6 Use and Purpose of the General Plan ............................ 1-6
1.7 Administering the General Plan ...................................... 1-7
1.8 Amending the General Plan ........................................... 1-8

## CHAPTER 2 LAND USE ELEMENT

2.1 Introduction ................................................................. 2-1
2.2 Authority for Element .................................................... 2-1
2.3 Key Themes and Vision for General Plan ....................... 2-2
2.4 Description of the Land Use Plan ................................... 2-18
2.5 Goals, Policies, and Implementation Programs ................ 2-30

## CHAPTER 3 COMMUNITY DESIGN ELEMENT

3.1 Introduction ................................................................. 3-1
3.2 Authority for Element .................................................... 3-2
3.3 Key Themes and Vision for General Plan ....................... 3-2
3.4 Goals, Policies, and Implementation Programs ................ 3-19

## CHAPTER 4 ECONOMIC DEVELOPMENT ELEMENT

4.1 Introduction ................................................................. 4-1
4.2 Authority for Element .................................................... 4-1
4.3 Key Themes and Vision for General Plan ....................... 4-1
4.4 Goals, Policies, and Implementation Programs ................ 4-3

## CHAPTER 5 CIRCULATION ELEMENT

5.1 Introduction ................................................................. 5-1
5.2 Authority for Element .................................................... 5-2
5.3 Relationship to Other Plans ............................................ 5-2
5.4 Existing Circulation System (2007/2008) ......................... 5-3
5.5 Existing Volumes and Levels of Service ......................... 5-6
5.6 Buildout Volumes and Levels of Service ......................... 5-10
5.7 General Plan Buildout Circulation Map .......................... 5-23
5.8 Neighborhood Traffic Management ............................. 5-24
5.9 Traffic Signals and ITS .................................................. 5-24
5.10 Rail Freight ............................................................... 5-25
5.11 Truck Routes ............................................................. 5-25
5.12 Public Transit ............................................................ 5-26
5.13 Bikeways and Trails .................................................... 5-27
5.14 Key Themes and Vision for General Plan ..................... 5-30
5.15 Goals, Policies, and Implementation Program ............... 5-31
