

January 5, 2016

To Whom It May Concern:

Forkert Engineering & Surveying Inc. (FES) is authorized to act on behalf of Southern California Edison in matters pertaining to the acquisition of existing and proposed underground substructure maps showing size and location of all facilities and/or utilities within the franchise area throughout Southern California Edison service territory. The information is required for the purpose of creating construction drawings for various overhead to underground conversion and system upgrade projects.

Sincerely,

Kristina Hollenbeck
Supervisor
New Development Project Design
Southern California Edison
