Dear Mayor and City Council;

I am a 43 year resident of West Garden Grove.

We were recently informed of the potential redevelopment near Valley View and Chapman. Just so you know, I vehemently oppose any re-zoning of that property from commercial to residential.

The existing buildings and businesses on that property include a theater, a bowling alley and an empty restaurant. Those businesses are frequented by my family and I and have been for years. The empty building is an eyesore and creates problems with the homeless population, but re-zoning that property for residential is not the answer.

The traffic on Valley View is during peak hours is a nightmare currently and adding apartments will make it much worse. Please continue working with the owner to add a restaurant back into our community.

Thank you....., Sharon Monarres

Subject: Can you sign onto the DAPA/DACA+ Supreme Court Amicus Brief?

Good afternoon Mayor Bao Nguyen,

I'm reaching out to see if the **City of Garden Grove** will support immigrant families and local economies by joining a national coalition of municipalities in an amicus brief to the Supreme Court in the case of Texas V. United States.

As you may already know, the Supreme Court recently announced it will hear a case against the President's executive actions on immigration -- actions that would provide nearly 5 million hardworking immigrants with temporary relief from deportation and work authorization.

The cities of New York, Los Angeles, Atlanta and Birmingham are excited to highlight the local perspective in the form of an amicus brief for the Supreme Court at this critical stage in the case (**details in the attached PDF**). In this, your support is crucial and illuminating. In December, over 80 cities and counties signed onto the amicus brief filed with the Supreme Court, urging the Justices to take the case. We look to broaden this coalition even further for our next submission to the Supreme Court during the "merit" stage.

A briefing schedule has not been issued in this case yet, but we expect the filing deadline for amicus briefs to be in late February/early March. **To meet this timeframe, we are asking cities and counties to sign on to the amicus brief on behalf of cities and counties by February 22nd (there will likely be some wiggle room with that date).**

FWD.us strongly encourages **you and the City of Garden Grove** to join forces with other cities across the nation in supporting families and defending these important immigration programs.

Thank you for your support. I look forward to hearing from you.

**CITIES AND COUNTIES PROPOSED AMICUS BRIEF:
SUPREME COURT APPEAL ON IMMIGRATION EXECUTIVE ACTION**

New York City, Los Angeles, Atlanta, Birmingham and a coalition of local governments are preparing an amicus brief to the U.S. Supreme Court supporting the President's executive action on immigration. We expect the brief to be due in early March. This memo provides instructions for how your city, county, mayor, or county leader can sign on to the brief. It also includes specific requests for information from participating cities, counties, and local government leaders.

Background: On January 19, 2016, the Supreme Court agreed to review a preliminary injunction blocking the nationwide implementation of the President's executive action on immigration. The executive action provides important humanitarian relief to an estimated 4 million undocumented immigrants who have been in the country since January 2010 and who have children who are citizens or permanent residents or who came to the United States as children and meet certain educational requirements. The executive action prevents families from being split apart and harmed by allowing qualifying parents and young people who merit a favorable exercise of discretion to stay in the United States temporarily and work lawfully.

Cities and counties play a key role in explaining how our local residents, families, and communities are harmed by the preliminary injunction. Earlier in the case, a coalition of cities, counties, and local government leaders filed amicus briefs in the district court (over 30 signatories), the circuit court (over 70 signatories), and the Supreme Court at the certiorari stage (over 80 signatories). The cities of New York, Los Angeles, Atlanta, and Birmingham are again preparing an amicus brief supporting the executive action. It is crucial that the Supreme Court hear the voices of local governments as the Court prepares to review the injunction blocking the executive action.

Focus of the brief: The brief will provide a powerful counterpoint to the plaintiff states' claim of harm by outlining the immense local benefits of the

executive action: promoting family unity and child welfare; strengthening local communities and economies; and encouraging open communication and engagement between residents and local authorities.

On the standing question, the brief will also argue that plaintiff states failed to represent the interests of the cities and counties (and millions of residents of those cities and counties) that support the executive action, and that a nationwide injunction was unjustified.

Based on feedback from other cities and counties, additional points may be added.

Timing: The exact filing date has not been set, but we anticipate filing in early March. *Due to the compressed timeline, we encourage you to immediately engage your colleagues, including your city or county attorney, and take steps to obtain authorization to sign on to the brief as soon as possible.*

Sign ons: We will need written confirmation that your city, county, mayor, or county leader will sign on, as well as the signature block of the attorney representing them in their public capacity. The deadline for sign-ons will be set when we have a firm filing date, likely early March, but you should not delay in making arrangements to sign on. A sample signature block is below.

Sample signature block:

of the City of New York*
100 Church Street
New York, New York 10007

Requests for information:

Mayor,

I would have just put it at the same time on Thursday, but there is the badge pinning ceremony at Fire. So how about 10:30am after speaking to the touring Korean group? It works on the other calendars, although I still need to check with Sal. Thanks.

Subject: Information Re: Passing of Stacy Margolin

Dear Garden Grove Family:

It is with a heavy heart that we share with you the passing of Stacy Margolin. As many of you knew, Stacy had been very sick since October, and while she fought a valiant battle, she ultimately lost to the disease and left us peacefully on Sunday afternoon.

Stacy originally became a member of our Garden Grove family in 1991 as a part-time Records Clerk in the Police Department. In 1994, Stacy left for ten (10) years and joined the City of Tustin with their PD, but later returned to the City of Garden Grove in 2004 as part of our Economic Development team. In 2011, she joined Community Services and served as staff to the Garden Grove Community Foundation.

Beyond her rich and productive work with the cities of Garden Grove and Tustin, Stacy dedicated herself to the many non-profits and service clubs in which she served. It was in her DNA to volunteer, and better the community. This is a Margolin trait that she embodied daily, and inherited courtesy of her parents, Connie and Jerry. The lengthy list of groups that benefited from the endless charity in Stacy's heart include: The Boy Scouts of America, Special Olympics, California Crime Prevention Officers Association, Elks Lodge #1952, Strawberry Festival Association, Soroptomist International of Garden Grove, and the Boys and Girls Clubs of Garden Grove. And of course, the Margolin monarchy is synonymous with the Miss Garden Grove Scholarship Pageant. Stacy has been involved since 1984, and took the reigns as executive director ten (10) years ago. She took tremendous pride in each and every pageant and candidate, three of whom have gone on to capture the Miss California Pageant crown.

As anyone who has ever had a conversation with, or been blessed to call her friend knows, Stacy was smart, witty, and funny, with tireless energy. Her self-deprecating humor always had us laughing, and she truly thrived with an over-the-top, to-do list. Every special event or pageant Stacy coordinated had touches of that Margolin magic, with no detail ever left unattended. Stacy gave her heart and soul to this organization, as well as to the Garden Grove community. There is a permanent void with her passing, but the legacy of her passion to see this city realize its full potential will forever remain. (Special thanks to Jennifer

Goddard-Nye for preparing this bio)

Stacy will be laid to rest this Thursday, February 18, 2016 at:

Councilmembers:

I hope this finds you all well.

I am writing a story ahead of the Waterpark Hotel Resort's grand opening this week about the resort's prospects for success (and subsequently, payoff to Garden Grove taxpayers).

I'm reaching out because I am looking for your input into what you see as challenges to the hotel becoming a success and whether you see value in using public dollars toward hotel projects.

Are you concerned about the project's proximity to the coast/beach and its ability to compete with the Anaheim Resort? Given the cost to stay at the hotel, what kind of clientele do you think will choose to stay at the resort? Do you see it a competitor or complement to Disneyland?

The general criticism of hotel subsidies -- the city spent \$20.8 million to acquire the properties and paid an additional \$47 million to the developer -- is that they are funds that could go elsewhere: parks, public improvements, etc.

Do you think the public will receive a return on its investment in this project? What would you say to those who criticize the city for not spending more on neighborhoods, parks and other public facilities?

Please give me a call or email me before Thursday at 10 a.m. if you are interested in commenting for my story. I look forward to hearing from you.

Best,

Hi Pam,

Could you send this out to all of the City Council for any media interviews about the GWL they may have. I will add some additional points and send those to you as soon as I can, but I wanted to get something to them now. The Mayor already has these points, but I want to make sure he does receive the updated info I'll send soon.

GREAT WOLF LODGE SOUTHERN CALIFORNIA TALKING POINTS

Most reporters have questioned the financial investment that has gone into the Great Wolf Lodge Southern California project. Here is the financial breakdown and other supporting information.

- **The total investment into the project is:**
 - \$42 million bond, payable 30 days after the hotel opens**
 - \$5 million for construction of parking structure**
 - \$22 million maximum for land**
 - APPROXIMATE TOTAL IS \$69 MILLION**
- **The project is expected to generate \$8.5 million a year in general fund money for the City. That means in about 8 ½ years, the project will pay for the \$69 million investment.**
- **City did not pay for this project. The \$42 million bond money and \$5 million for the parking structure comes from the redevelopment agency trust fund. Another \$5.9 million comes from an EDA grant. The general fund is not impacted.**
- **Had the City not advocated for this project at the time of redevelopment dissolution, the state would have taken the agency trust money to use for other state purposes.**
- **This project was only 1 of 2 or 3 projects in Orange County that the state approved as meeting all of their criteria to receive redevelopment funding.**

IF THIS PROJECT DID NOT EXIST:

- **City would have lost the bond money to the state, and would not be reaping the \$8.5 million every year, that alone will represent about a quarter of the City's entire tax revenues.**
- **750 jobs that the hotel creates would be lost (nearly 10,000 people applied for these jobs).**

IF THIS PROJECT DID NOT EXIST (continued):

- **City would lose a critical funding source for increased Police and Fire personnel and equipment, as well as maintaining streets, parks, infrastructure, etc. and other services for the community.**
- **The businesses the hotel replaced were the Fire Station Motel and the Humdinger Bar. Two of the most ill-reputed businesses that existed in the City that attracted high criminal activity. (*Also the Town & Country RV park which had some controversy when tenants were relocated*).**
- **Garden Grove would not be in the position it is in to continue attracting tourism and tourist dollars that represent a main source of the City's general fund dollars.**

OTHER FACTS ABOUT THE PROJECT:

- **Great Wolf Lodge has a history of successful projects. They promote the importance of spending time with family and are very environmentally conscious. They chose Garden Grove as the place to build their largest hotel. That is very prestigious for our city.**
- **The hotel is already booked at 90% capacity.**
- **This project is a win-win for the community and the City for many future years.**

- **This project is a win-win for the community and the City for many future years.**

Comments from Great Wolf Lodge:

- **The hotel is a "complete destination" in that everything is under one roof.**
- **Great Wolf Lodge Southern California is something new and different for visitors to experience---something Southern California doesn't have.**
- **The entire resort area, from the Disney parks to the Great Wolf Lodge, focuses on the family experience, with venues complementing rather than competing with each other.**

Hi,

My name is Andy Ngo. I am a residence of City of Garden Grove. As for the next City Council Meeting on February 23, 2016; I would like to make a comment on the Meeting Agenda item 10b Excerpt from the Agenda:

"10.b. Discussion regarding letter of support for the City of Westminster and the City of Garden Grove's Project V application to OCTA for a new shuttle route in the Little Saigon area, as requested by the City Manager."

My comment is as follow:

I am in support of this Project V. However, Garden Grove Boulevard. was not including in the new shuttle route. City of Garden Grove is benefits financial from 2 business communities, Vietnamese community and Korean community. Garden Grove Blvd is a main business corridor of the Korean community. I think if you include Garden Grove Boulevard into the new shuttle bus route this will be an international recognition for tourist destination, including ease of traffic congestion for residences, and an environment friendly project

Please include Garden Grove Boulevard route from Westminster Avenue to Brookhurst Street in to your "City of Garden Grove Project V" application to OCTA

Thank You for your consideration.

Sincerely,

Andy Ngo

Greetings, distinguished guests.

We are delighted that you will be able to join us for the 17th Annual Holocaust Art & Writing Contest Awards Ceremony at Chapman University on Friday, March 4.

For your convenience I am attaching an electronic visitor parking permit which you must print and place directly on your dashboard. We kindly request that you park in the Lastinger underground structure (LA on the attached campus map) located off Glassell and Walnut Ave. If the Lastinger structure is full, alternative parking is available in the Barrera structure located behind the Law School off Glassell and Sycamore.

VIP registration and check-in begins at 10:30 a.m. In the Memorial Hall lobby (building #30 on the attached campus map). We will have greeters stationed in the lobby area to welcome you to the ceremony and escort you to the reserved seating section in front. Our program begins promptly at 11 a.m. and will be followed by an informal reception on the Bert Williams Mall which should conclude around 2:00 p.m.

Please feel free to contact me directly if you have any additional questions or concerns.

We look forward to welcoming you to our campus next week for what should be a truly memorable occasion.

Drug awareness and education are vital and key elements in the Young Marine's fight against illicit drug use and trafficking in our communities. To win this war on drugs, we must reduce the demand for illicit drugs and one of the best ways to accomplish this mission is through education and awareness. Red Ribbon Week is an

excellent opportunity to promote illicit drug Awareness and we hope that you will join with us in this campaign. Young Marines will actively and aggressively participate in the Red Ribbon Week campaign. Having our Mayor's support in this Young Marine project will greatly assist us in getting our anti-drug message out. In addition to showing your support with your proclamation, your participation by wearing a red ribbon is even more important. I will be sending red ribbons for you and some of your staff. Please wear your ribbon, show your support, and let's work together to rid our communities of illicit drug use and those that traffic and profit from them The Young Marine program is having a positive impact in our youth and our communities; we are developing responsible citizenship in our youth.

I Was Working For *More Than Just A Piece of Paper*

By YM/Cpl Jake Flynn
Upstate (SC)

Each year we celebrate Red Ribbon Week, and each year I speak to a local elementary school on the importance of living a drug-free lifestyle. I speak from that heart, hoping that my message to the students I encounter is clear and something they will remember.

This year I decided that I would seek a proclamation from the city where I live and go to school. So, I requested a proclamation for the City of Easley, SC from Mayor Bagwell. In my request, I told him about Young Marines, our beliefs, our

mission, and why Red Ribbon Week was important to me and the community.

I was able to receive the proclamation, just as many other Young Marines do each year; However, this was not just a piece of paper to me. It was a learning experience. It was a chance to be involved on a larger scale with my community. I believe in everything that the Young Marines do to promote Red Ribbon Week, but this year, I understood that the words on the paper were important in bringing together young people and city leaders to address the nation's drug problem and bring awareness. If I were not involved in the Young Marines, I may have never spoken out on behalf of the youth of my city. It was an honor and an unforgettable experience.

Self-Respect: A Key Part of Living a Drug-Free Lifestyle

By YM/SSgt Tyler Smith
Chino Valley (CA)

Self-respect is very important, and something everyone should have. I believe that for many teenagers, self-respect is something they struggle to find. When you are young, you try so hard to fit in or be accepted by your peers that you'll do anything at all, even drugs, in order to fit in. Often, you forget about the values that matter, and if you lose sense of these values, it's difficult to have self-respect.

This year, as units across the nation participated in Red Ribbon week activities, I brought an idea to my dad and with his help, we began working on implementing the idea.

When this project started, I was with the Tustin (CA) unit and within the unit, there are Young Marines from many different cities. My idea was to contact each mayor of each city that our Young Marines represent and ask the mayor to

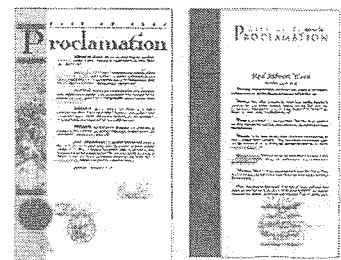

support us with a proclamation. We saw each mayor and their cities learning about our efforts at "Closing the Gate on Drugs".

By the end of Red Ribbon Week, we were able to get the following mayors and their cities to support the Young Marines with their proclamations: Mayor Tait, City of Anaheim; Mayor Brown, City of Buena Park; Mayor Simonoff, City of Brea; Mayor Mensinger, City of Costa Mesa; Mayor Nguyen, City of Garden Grove; Mayor Pulido, City of Santa Ana; Mayor Puckett, City of Tustin; Mayor Ta, City of Westminster; Mayor Hernandez, City of Yorba Linda.

For me, I'll always remember attending these city council meetings and personally receiving the proclamations. It showed me that our public officials are willing to make a difference in the war against drugs.

It was a pleasure to stand together with my fellow Young Marines, not only

in my unit but across the nation in honoring Enrique "Kiki" Camerena; his sacrifice was the reason why Red Ribbon Week began. Since then, I'm now with the Chino Valley (CA) Young Marines. This unit worked very hard in putting together a video that is very moving; The video can be seen on YouTube: Chino Valley Young Marines Red Ribbon Week Project (*Be a Hero not a Zero*). I hope that everyone will view it. So, respect yourselves and continue to live a drug free lifestyle.

Just two of many proclamations from communities in California.

OPSO YMs Receive a Proclamation

Last November was special for the Orleans Parish Young Marines, who were presented with a Proclamation for excellence in drug prevention and youth services by the City of New Orleans. This was presented by Julius Feltus, Senior Advisor for community relations, to Latoya Cantrell, Council Member, District B.

Our Young Marines and staff were very motivated after receiving Proclamation from Mr. Feltus and the City Of New Orleans as proof positive that we are contributing to our community.

Subject: Read Across America Day

Good Morning,

Garden Park is planning to honor Dr. Suess' birthday by celebrating Read Across America Day on March 2nd. As part of our celebrations, we are inviting selected guests to choose a book that has had an impact on their lives and bring it in to share with a classroom from 8:15-9:00. We would love to have you come and be a reader! We would like to have readers select their own books and come in to read the book as well as share why it has a special place in their heart. For older grades, a longer book may be appropriate. In this case, please choose a chapter or selection from the book you would like to read aloud from. If you are able to come and share, please plan to share with 2 classrooms for about 20 minutes each. If you are only able to commit to a 20 minute time period, that is also greatly appreciated, just let me know.
:)

Thank you so much for considering coming to spend a bit of time with us to share your love of reading!

Hello Pam,

The charge is for other guests who want to attend our event. The Mayor and his lady are our guests of honor. There are no charge for guests of honor.

Last year, Councilman Phan was so gracious in hosting a lunch for two as his donation to the Gala. There was a bidding war for that! Would you please check if Mayor Nguyen is willing to host a dinner for 2 to 4 this time? I would dare to rank that at the top demand as Dinner with the Bishop if he would go for it.

As a matter of fact, if you have no plan that night, we would love to have you and a guest too, Pam. Last year was a blast!

Well, last year Auction Gala was so successful and you were such a hit that Christ Cathedral is begging to have you back again for this year. Not only we would like to have the privilege to invite you, but also we would like to invite other City Officials whom you would refer us to. T

This year Gala will be held on Saturday, March 19th, 2016 at 7:00 PM. Would you please let me know if you and Mrs. Phan will be able to attend? We will send the official invitation to you and anyone recommended by you, Chris.

Sincerely,

Councilmembers and mayor,

I hope you're all well.

I just wanted to reach out for a comment on the DA's report today that concluded council members violated the Brown Act with the approval of the settlement agreement of David Barlag. The report said the city manipulated the law in order to delay the public release of information regarding that deal.

I'm also wondering if you feel there was adequate information from the city attorney or city manager at the time for you to make the right decision. According to the report, they did not discuss with you the merits to Mr. Barlag's legal threat.

What would you say to members of the public who lack trust or confidence in their city leaders as a result?

Subject: PRESS RELEASE: ACC-OC CEO Transition

ASSOCIATION OF CALIFORNIA CITIES
ORANGE COUNTY

February 26, 2016 (Orange, Calif.) - The Association of California Cities - Orange County (ACC-OC) Board of Directors announced earlier this month the hiring of Heather Stratman as their next Chief Executive Officer. She was selected unanimously by the Board to become just the second CEO in the organization's history.

She succeeds the ACC-OC's founding CEO Lacy Schoen, who announced her retirement from the organization late last year.

"Since Lacy's announcement, the Board and I have spent several months developing a succession plan to ensure the future of this organization remains steadfast," said Al Murray, President of the ACC-OC Board and Tustin Councilman. "We knew exactly the type of leader the organization needed to continue to grow and thrive. Heather is the perfect individual and we are tremendously excited for her leadership."

Heather comes to the ACC-OC after nearly 20 years of local government and legislative advocacy, private-sector management and policy development. Most recently, Heather was CEO of Principle Strategic Advisors, a local government advocacy firm. She's held executive and management roles for the Orange County Water District, League of California Cities and one of California's leading advocacy firms where she represented over 50 municipalities throughout California.

"I am very enthusiastic about this opportunity," said Stratman. "I know that my experience in representing the interests of both Cities and local government organizations as well as my years of working closely with elected officials in a bi-partisan manner, will serve the organization well."

As a committed servant leader, Heather seeks to focus on the core issues confronting Orange County.

"Pension reform, homelessness, sober living facilities, economic development, housing, workforce development, water and the mentoring of the next generation of public employees are just a few issues that I believe will continue to elevate the County in prominence," continued Stratman.

During her near 20-year career, Stratman has earned the respect and trust of city leaders across the State. The ACC-OC Board is eager to tap into this reservoir of goodwill to expand the organization's impact.

"Heather has tremendous trust and credibility with both sides of the aisle in Sacramento, city management and city electeds. That's rare and it's what has led to her success," said Fullerton Mayor Jennifer Fitzgerald, the ACC-OC's Vice President. "Throughout her career, she's secured hundreds of millions of dollars for cities, passed critical pension reform legislation, and managed a multi-million dollar private-sector business. She's the whole package."

Heather holds her Bachelor's degree from the University of Nevada, Reno and her Master's in Public Administration from California State University, Long Beach.

Ana,

Veronica gave me your information. I'm the principal of Excelsior Elementary and we are planning a career day for April 7. Attached you'll find a letter that I am sharing with the businesses in my community. I'd like to have 20 career volunteers that would share about what they do. I'm pursuing avenues through my parents, through local businesses, and through you.

Any help would be great.

OUR SHARED GGUSD VISION

We are committed to preparing all students to be successful and responsible citizens who contribute and thrive in a diverse society.

OUR SHARED GGUSD MISSION

To ensure student success, we will provide a rigorous and supportive academic experience that motivates all learners to meet high expectations.

March 9, 2016

Dear Community Member:

Excelsior Elementary, in Garden Grove Unified, would like our students to know about the different jobs and careers that are available to them.

To do this, we are having a career day on Thursday, April 7, 2016, from 8:00-10:30. We are looking for volunteers from our community to come and share about their career.

Would you consider being one of our career volunteers? The day will run in rotations. This means that you would be sharing about what you do for 10 minutes. The students will ask you questions for about 5 minutes. Then they will record a short note on a worksheet about your career. This totals about 20 minutes. Then the students will have 5 minutes to rotate to the next class where they will hear from another career. You would then present your same information to another group of students. These rotations will continue until students have completed 4-5 sessions.

8:15 session 1
8:40 session 2
9:05 session 3
9:30 session 4
(9:55 session 5 possibly)

We would like you to be one of our career volunteers! We want to hear how your position contributes to our community! Please call me at (714) 663-6106 or email me at smershon@ggusd.us. I will follow up with you regarding how you can prepare for event when I hear from you.

Subject: Kaye Silva's Funeral

To all GGDBA Members and Friends of Main Street,

It is with much sadness and regret that I announce the funeral of one of our long time Main Street Matriarch's; Kaye Silva. Kaye and John operated Kaye's Kitchen for many years, having inherited it from John's father, Tony Silva who originally opened it as Tony's Restaurant back in the early 1950's.

For those of you who knew her, she was always a pleasure to be around, especially when she was on-duty, running the restaurant. She always greeted everyone, whether she knew them or not, as if they were her best customers and life-long friends. She was a wonderful employer as well. I

personally had the pleasure of working for the family as a busboy while I was in high school and have many fond memories of my time spent there with John, Kaye and Jim Schierberl when he was their lead chef. She will be greatly missed. Service will be next Friday, March 18th at 11:00 am at the Baptist Church at Euclid and Stanford. Our thoughts and prayers go out to Kaye's surviving family. They have asked me to put out this notice and personal invitation to all of you to attend.

Event Location is:

Geneva Presbyterian Church

Laguna Woods

If it's possible to get "Certificate of Appreciation" for our Vietnam Veterans who will be honored at the event, that would be awesome.

We can send you a list of veteran names for the certificates once we confirmed our guest attendance. How much lead time would you need?

As a matter of fact, if you have no plan that night, we would love to have you and a guest too, Pam. Last year was a blast!

Hello Pam,

The charge is for other guests who want to attend our event. The Mayor and his lady are our guests of honor. There are no charge for guests of honor.

Last year, Councilman Phan was so gracious in hosting a lunch for two as his donation to the Gala. There was a bidding war for that! Would you please check if Mayor Nguyen is willing to host a dinner for 2 to 4 this time? I would dare to rank that at the top demand as Dinner with the Bishop if he would go for it.

As a matter of fact, if you have no plan that night, we would love to have you and a guest too, Pam. Last year was a blast!

Hello Chris,

I hope 2016 starts out well with you and your family. How is your baby daughter (please excuse me if I am mistaken)? Please tell me about your experience as the new father.

Well, last year Auction Gala was so successful and you were such a hit that Christ Cathedral is begging to have you back again for this year. Not only we would like to have the privilege to invite you, but also we would like to invite other City Officials whom you would refer us to. T

This year Gala will be held on Saturday, March 19th, 2016 at 7:00 PM. Would you please let me know if you and Mrs. Phan will be able to attend? We will send the official invitation to you and anyone recommended by you, Chris.

Sincerely,

Hi Pam,

Thank you and thanks to the Mayor for his interest of attending our party for Vietnam Veterans on March 26th. Unfortunately the seating arrangement and guest list had been set once the March 12 dateline passed last Saturday.

The veterans have many activities within their Chapters in Southern California. We are sure if Mayor Bao Nguyen want to pay them a visit then Bob can help to arrange that.

Best regards,

Hi Pam!

It was great chatting briefly with you on the phone just now.

I hope this email finds you well.

We would like to invite the Mayor to attend the Earth Friendly Products Grand Opening in Cypress, California on April 21, 2016 (the day before Earth Day). The Earth Friendly Products manufacturing facility was in Garden Grove, CA for several years, and they recently grew out of their space and moved to their new location in Cypress.

As a primary manufacturer with five facilities strategically located throughout the U.S., Earth Friendly Products is a carbon neutral manufacturer that saves over 53 million pounds of carbon dioxide annually. Earth Friendly Products received the U.S. EPA's coveted Safer Choice Partner of the Year award for its innovations in safer chemistry, and it makes more Safer Choice-certified products than any other company. Earth Friendly Products also received the California Governor's Environmental and Economic Leadership Award for Sustainable Building Measures in 2010 for their Garden Grove facility. Family owned and operated since 1967, Earth Friendly Products is dedicated to providing environmentally friendly products with superior cleaning results. Earth Friendly Products distributes ECOS laundry detergent and over 150 other green cleaning products throughout the United States and to over 60 countries. Earth Friendly Products makes all its household and commercial cleaners using plant-based ingredients and environmentally friendly production processes.

Please see attached for a save the date and please let us know if the Mayor will be able to attend. Looking forward to hearing from you!

Thank you.

Mona

40th ANNIVERSARY REDEDICATION CEREMONY
TUESDAY, MARCH 22, 2016
5:00 p.m.
11300 STANFORD AVE.

- Good afternoon everyone.
- On behalf of the City of Garden Grove, I would like to officially welcome everyone to the Garden Grove Community Meeting Center's 40th anniversary rededication celebration.
- After 40 years of providing daily services and facilities to the community, it was time to give the center a makeover.
- After months of construction, the Garden Grove Community Meeting Center is re-opening today.
- The newly renovated facility includes a replaced skylight roof, new flooring finishes, updated lighting and technological advances. It is ideal for hosting business meetings, conferences, seminars, programs, classes and banquets.

-more-

- Along with our Community Meeting Center, we are also commemorating the 40th anniversary of the H. Louis Lake Senior Center.
- Our Senior Center was named in honor of Garden Grove's first Mayor, H. Louis Lake, to recognize his contribution to the community.
- Not only does it serve as a comfortable, quiet place to stay and play, the facility is outstanding at responding to the community's concerns by coordinating programs and activities for local seniors.
- Open four decades ago, the Senior Center continues to offer seniors a multitude of services and activities, and serves an average of 175-200 seniors daily.
- Here, senior citizens find comfort in sharing quality time with friends.
- The two facilities play an important role in our multi-cultural, multi-generational community.
- It's another indication of Garden Grove's commitment to making our city stronger, more attractive, and unsurpassed in our community services.

-more-

- So everyone is encouraged to make an appointment to tour the facilities.
- Congratulations to the Garden Grove Community Meeting Center and the H. Louis Lake Senior Center for 40 years of innovation and service excellence to the community.
- Thank you and enjoy tonight's program.
