RE: Records Search for 10201 Garden Grove Blvd., Garden Grove CA

Dear Eric Young:

Enclosed are the records found concerning the history of the above-mentioned site(s), especially as it pertains to fire code violation history, permits, the use, storage, or disposal of hazardous substances, and the installation or removal of underground flammable or combustible liquid storage tanks.

The City of Garden Grove Fire Department has utilized its best efforts to locate the records requested. However, the City makes no representation as to the accuracy of the records or that all records requested were retained or located. The City does not provide records on spills, leaks or clean-up, as that information is provided through the County of Orange Health Department.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thanh-Nguyen', with a long horizontal flourish extending to the right.
