## AGREEMENT

This Agreement ("Agreement") is entered into to be effective as of the 1<sup>st</sup> day of July, 2010, by and between the City of Garden Grove, a municipal corporation ("City"), Garden Grove Sanitary District, a subsidiary special district formed and existing pursuant to the Sanitary District Act of 1923, California Health & Safety Code Section 6400, et seq. ("District") and Republic Waste Services of Southern California, LLC, a Delaware Limited Liability Company dba Garden Grove Disposal ("Republic") (collectively, the "Parties") to provide an exclusive franchise for Solid Waste Handling Services within the City.

### R E C I T A L S :

A. The Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989 ("AB 939"), has declared that it is in the public interest to authorize and require local agencies to make adequate provision for the disposal of all Solid Waste within their jurisdictions.

B. For purposes of this Agreement and the convenience of all persons, the term "City" shall mean either or both the City of Garden Grove and/or the Garden Grove Sanitary District. District, being a subsidiary district as defined in Government Code Section 56078, is governed by City's City Council as the ex officio Board of Directors of District. The terms "City" and "City Council" when used herein singularly shall refer to the powers, rights, duties or actions of both City and District, unless the content indicates otherwise. When both agencies are listed, e.g., "City and/or District", there is no legal distinction intended from the use of the term "City" alone. They are so phrased solely for emphasis.

C. Pursuant to California Public Resources Code Section 40059(a)(1), the City Council of the City has determined that the public health, safety and welfare require that an exclusive franchise agreement be awarded to a qualified solid waste enterprise for Solid Waste Handling Services within the City and District Limits.

D. District, acting as a subsidiary district of City, previously entered into a Second Updated and Restated Franchise Agreement for the provision of solid waste handling services, with Garden Grove Disposal, a Division of Taormina Industries, LLC, on November 30, 1999 (the "Prior Agreement"). It is the intent of the Parties by entering into this Agreement to supersede the Prior Agreement, except with respect to certain continuing obligations as more specifically set forth herein.

E. It is the intent of the Parties that Republic, and not City or District, shall be solely responsible for establishing and collecting all charges for Solid Waste Handling Services provided by Republic pursuant to this Agreement.

F. City, District and Republic are mindful of the provisions of the Federal and State of California laws governing the safe collection, transport, recycling, and disposal of Solid Waste, including the California Integrated Waste Management Act of 1989, commonly referred to as AB 939 (California Public Resources Code Sections 40000, et seq.), the Resource

Conservation and Recovery Act of 1976 also known as the Solid Waste Disposal Act (42 USCA Section 6901 et seq.) ("RCRA"), and the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 USC Section 9601 et seq.) ("CERCLA"). City and Republic desire to leave no doubts as to their respective roles, and to memorialize that by entering into this Agreement, City is not thereby becoming an "arranger" or a "generator" as those terms are used in CERCLA, and that it is Republic, not City, who is "arranging for" the collection, transport for disposal, composting, and recycling of municipal Solid Waste in the City which may contain Hazardous Contaminants. City and Republic understand and agree that it is Republic, and not City, who will arrange to collect Solid Waste, that City has not, and, by this Agreement does not, instruct Republic on its collection methods, nor supervise the collection process, nor do the Parties intend to place title to such Solid Waste in City, but rather intend that whatever, if any, title in and to such Solid Waste that otherwise might exist in or with City in the absence of this Agreement is hereby transferred to Republic, and further that if Republic gains title to such Solid Waste it is by operation of law and agreement with its Customers and is not the result of this Agreement. By entering this Agreement City and Republic further desire to confirm that Republic has agreed to indemnify the City in connection with any claims relating to the inadvertent or intentional collection, transportation and/or disposal of Hazardous Contaminants as defined in Section 2.22 that may occur in connection with Republic's performance under this Agreement.

G. Republic has agreed, as part of this Agreement, to provide such services as are necessary or desirable to ensure City complies with the requirements of AB 939.

H. City desires, among other things, to ensure adequate landfills remain available to meet the public's need for the safe handling and disposal of Solid Waste, and further desires to ensure its citizens do not incur undue costs in safely disposing of Solid Waste they generate, and has thus entered into the County Agreement. Republic has agreed, as part of this Agreement, to provide such services and take such actions as are necessary or desirable to ensure City complies with its obligations pursuant to the County Agreement.

#### **C O V E N A N T S:**

Based upon the foregoing Recitals and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by each of the Parties, City and Republic hereby agree as follows:

#### **SECTION 1. RECITALS**

The Parties acknowledge the above recitals are true and correct and incorporate them herein as if they were fully restated.

#### **SECTION 2. DEFINITIONS**

Whenever any term used in this Agreement has been defined by the California Public Resources Code, the definition of such term set forth therein shall apply unless the term is otherwise defined in this Agreement.

## 2.1 AB 939

For purposes of determining whether an indirect ownership interest exists, the constructive ownership provisions of Section 318(a) of the Internal Revenue Code of 1986, as in effect on the date of this Agreement, shall apply; provided, however, that (i) "ten percent (10%)" shall be substituted for "fifty percent (50%)" in Section 318(a)(2)(C) and in Section 318(a)(3)(C) thereof; and (ii) Section 318(a)(5)(C) shall be disregarded. For purposes of determining ownership under this paragraph and constructive or indirect ownership under Section 318(a), ownership interest of less than ten percent (10%) shall be disregarded and percentage interests shall be determined on the basis of the percentage of voting interest or value which the ownership interest represents, whichever is greater.

Bulky Items do not include car bodies, Construction and Demolition Debris or (with the exception of appliances/white goods

described above) items that cannot reasonably be moved with equipment of the type which, pursuant to industry standards would normally be carried in a truck Collecting Bulky Items. In the event a question arises as to whether a specific item, or category of items meets the definition of Bulky Items, City shall be responsible to determine whether said definition shall apply, which determination shall be final and binding on the Parties.

Coverage shall state that Republic's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

#### 15.4.2 Workers' Compensation and Employers Liability Coverage

The insurer shall agree to waive all rights of subrogation against City, as well as its elected and appointed officials, officers, employees, agents or volunteers, for losses arising from work performed by Republic for City and District.

#### 15.4.3 All Coverages

Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, amended, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to City and District.

#### 15.5 Acceptability of Insurers

The insurance policies required by this Section shall be issued by an insurance company or companies authorized to do business in the State of California and with a rating in the most recent edition of Best's Insurance Guide Reports of size category VII or larger and a rating classification of A or better, unless otherwise approved by the City Manager.

#### 15.6 Verification of Coverage

Republic shall furnish City with certificates of insurance and with original executed endorsements affecting coverage required by this Article. The certificates and endorsements for each insurance policy are to be signed by a Person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms provided by or acceptable to City and District and are to be received and approved by City and District before work commences. City and District reserve the right to require complete, certified copies of all required insurance policies, at any time.

#### 15.7 Loss or Reduction in Insurance

In the event that Republic fails to retain or maintain insurance with the scope and amounts of coverage required hereunder, City and/or District shall have the right, but not the obligation to either terminate this Agreement, or obtain insurance coverage as required herein on behalf of Republic and utilize funds from the Surety defined in Section 14 to pay the cost of providing such coverage.

**SECTION 16. ASSIGNMENT, SUBLETTING, AND TRANSFER;  
REQUIREMENTS AND LIMITATIONS**

16.1 General

Republic shall not assign its rights, nor delegate, subcontract or otherwise transfer its obligations under this Agreement (collectively referred to as an "Assignment") to any other Person without the prior approval by the City Council of the City. Any such Assignment made without the approval by the City Council of the City shall be void and the attempted Assignment shall constitute a material breach of this Agreement.

16.2 "Assignment" to be Broadly Interpreted

For purposes of this Section the term "Assignment" shall be given the broadest possible interpretation, and shall include, but not be limited to: (i) a sale, exchange or other transfer of substantially all of the Republic's assets dedicated to service under this Agreement to a third party; (ii) a sale, exchange or other transfer of any ownership interest of Republic to a third party; (iii) any dissolution, reorganization, consolidation, merger, re-capitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction which results in a change of ownership or control of Republic; (iv) any assignment by operation of law, including those resulting from mergers or acquisitions by or of Republic of any of its Affiliates, insolvency or bankruptcy, making assignment for the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of Republic's property, or transfer occurring in the event of a probate proceeding; and (v) any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any such transfer or change of ownership, or change of control of Republic.

16.3 Nature of Agreement – Personal to Republic

Republic acknowledges that this Agreement involves rendering a vital service to City's residents and businesses, and that City has selected Republic to perform the services specified herein based on (1) Republic's experience, skill and reputation for conducting its Solid Waste Handling Services in a safe, effective and responsible fashion, at all times in keeping with applicable Environmental Laws, regulations and best Solid Waste management practices, and (2) Republic's financial resources to maintain the required equipment and to support its indemnity obligations to City under this Agreement. City has relied on each of these factors, among others, in choosing Republic to perform the services to be rendered by Republic under this Agreement.

16.4 Procedure for Consideration of Assignment

If Republic requests City's consideration of and consent to an Assignment, the City Council of City may deny, approve or conditionally approve such request in its sole and absolute discretion. Under no circumstances shall City be obliged to consider any proposed Assignment if Republic is in default at any time during the period of consideration. Should the City consent

to any Assignment request, such Assignment shall not take effect until all conditions relating to the City's approval have been met. Any request for an Assignment shall be made in a manner to be prescribed by the City Manager, and no request by Republic for consent to an Assignment need be considered by City unless and until Republic has met (or with respect to matters that would only occur upon completion of the Assignment if approved, made reasonable assurances that it will meet) the following requirements:

(A) Prior to City's consideration of any assignment request, Republic shall pay City a non-refundable assignment fee in the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00) as additional consideration and in order to reimburse City for its reasonable direct and indirect expenses, including administrative, investigative, consulting, and attorney's fees and costs necessary to investigate the suitability of any proposed assignee, and to review and finalize any documentation required as a condition for approving any such Assignment.

(B) If requested to do so, Republic shall furnish City with audited financial statements of the proposed assignee's operations for the immediately preceding three (3) operating years.

(C) Republic shall furnish City with satisfactory proof: (i) that the proposed assignee has at least ten (10) years of Solid Waste management experience on a scale equal to or exceeding the scale of operations conducted by Republic under this Agreement; (ii) that in the last five (5) years, the proposed assignee has not suffered any significant citations or other censure from any federal, state or local agency having jurisdiction over its Solid Waste management operations due to any significant failure to comply with state, federal or local laws, including the Environmental Laws and that the assignee has provided City with a complete list of such citations and censures; (iii) that the proposed assignee has at all times conducted its operations in an environmentally safe and conscientious fashion; (iv) that the proposed assignee conducts its Solid Waste management practices in accordance with sound Solid Waste management practices in full compliance with all federal, state and local laws regulating the Collection and disposal of Solid Waste including Hazardous Substances; and, (v) of any other information required by City to ensure the proposed assignee can fulfill the terms of this Agreement in a timely, safe and effective manner.

(D) The proposed assignee shall execute an agreement assuming all of Republic's rights and liabilities under this Agreement.

## **SECTION 17. REVIEW OF SERVICES AND PERFORMANCE**

### **17.1 Performance Hearing**

(A) Commencing on or about July 1, 2012, and on a biennial basis thereafter, City may hold a hearing to review Republic's Solid Waste Collection efforts, source reduction, processing and other diversion services and overall performance under this Agreement (the "Solid Waste Services and Performance Review Hearing" or "Performance Hearing"). The purpose of the Performance Hearing is to provide for a discussion and review of technological, economic, and regulatory changes in Collection, source reduction, recycling, processing and disposal to achieve a continuing, advanced Solid Waste Collection, source reduction and

recycling and disposal system; and to ensure services are being provided by Republic with adequate quality, effectiveness and economy and in full compliance with the terms of this Agreement. Topics for discussion and review at the Performance Hearing shall include, but shall not be limited to, services provided, feasibility of providing new services, application of new technologies, Customer complaints, amendments to this Agreement, developments in the law, new initiatives for meeting or exceeding AB 939's goals, regulatory constraints and Republic performance. City and Republic may each select additional topics for discussion at any Performance Hearing.

(B) In addition to the Performance Hearings City may hold in accordance with the immediately preceding paragraph, if the number of Customer complaints regarding Republic's Solid Waste Handling Services are deemed by City to be excessive, City may, at any time (subject to the paragraph immediately below), hold a Performance Hearing.

(C) City shall notify Republic of its intent to hold a Performance Hearing at least ninety (90) days in advance thereof. The notice will indicate whether the hearing will occur before City staff, the City Council, or such other body as the City may designate in the notice. Forty-five (45) days after receiving notice from City of a Performance Hearing, Republic shall submit a report to City which may contain such information as it wishes to have considered, and shall contain the following:

- (1) Current diversion rates and a report on Republic's outreach activities for the past year.
- (2) Recommended changes and/or new services to improve the City's ability to meet the goals of AB 939 and to contain costs and minimize impacts on rates.
- (3) Any specific plans for provision of changed or new services by Republic.

(D) The reports required by this Agreement regarding Customer complaints shall be used as one basis for review of Republic's performance, and Republic may submit other relevant performance information and reports for consideration at the Performance Hearing. In addition to the above, City may request Republic to submit any other specific information relating to its performance for consideration at the Performance Hearing, and any Customer may submit comments or complaints during or before the Hearing, either orally or in writing. Republic shall be present at and participate in the Performance Hearing.

## 17.2 Performance Satisfaction Survey

If requested by the City, Republic will create and conduct a survey at Republic's expense in preparation for any Solid Waste Services and Performance Review Hearing held pursuant to Section 17.1, except no more than three (3) surveys may be requested during the Term of this Agreement. City shall notify Republic of its desire for such a survey at least ninety (90) days in advance of the Solid Waste Services and Performance Review Hearing. The purpose of the survey is to determine Customer satisfaction with current Collection services and Customer service provided by the Republic. The Survey will be distributed to a minimum of ten percent

(10%) of the Customers, selected at random. Republic shall obtain City's approval of the survey's content, format, and mailing list prior to its distribution. The City may require that Republic have Customer responses to the survey returned directly to the City. The Survey results shall be made available to the City thirty (30) days prior to the Solid Waste Services and Performance Review Hearing.

## **SECTION 18. CITY'S REMEDIES; DEFAULT AND TERMINATION**

### **18.1 Notice of Default**

If the City Manager determines that Republic has defaulted in the performance of any obligation hereunder, or that Republic's performance pursuant to this Agreement with respect to such matters has not been in conformity with reasonable industry standards which are obtained in similar cities in Southern California, the provisions of this Agreement, the requirements of the Municipal Code or District Regulations, the requirements of CalRecycle, including, but not limited to, requirements for source reduction and recycling or any other applicable Federal, State, or local law or regulation, including but not limited to the laws governing transfer, storage, or disposal of special wastes, or hazardous wastes, the City Manager may provide written notice to Republic of such default. The City Manager may, in such written notice, set a reasonable time within which correction of such cure shall be made. Unless a longer or shorter time is otherwise specified by the City Manager, a reasonable time for cure shall be thirty (30) days from the date such written notice is given.

### **18.2 Failure to Cure**

If Republic fails to cure, to the satisfaction of the City Manager, all deficiencies contained in the written notice thereof within the specified time, or if it is not reasonably possible to cure such deficiencies within the specified time, and Republic fails to commence to cure or remedy such deficiencies within the specified time and diligently effect such cure or remedy thereafter, then the City Manager may refer the matter to the City Council for review, or review the matter himself.

### **18.3 Review by City Manager**

If the City Manager reviews the matter and determines that Republic has failed to properly or adequately cure any default set forth above, the City Manager may recommend termination of the Agreement to the City Council and District Board. If the City Manager refers the matter to the City Council, the City Council shall set the matter for consideration before the City Council as an agenda item.

### **18.4 City Council Review**

In reviewing the matter the City Council may consider any information reported by the City Manager regarding the deficiencies, and shall give Republic, or its representatives and any other interested person, a reasonable opportunity to be heard. The Council shall determine

whether Republic has failed to properly or adequately perform as set forth above, and if so whether to terminate the Agreement, or to pursue any other remedy available to City.

#### 18.5 Performance During Reviews

Republic's performance under this Agreement is not excused during any period of time when its performance is under review as set forth above, including at any time prior to a final decision as to whether such performance is deficient.

#### 18.6 Termination without Right to Cure

The above right of termination as a result of Republic's failure to timely cure any deficiency is in addition to City's right to terminate this Agreement without affording Republic an opportunity to cure in circumstances where Republic is determined by City to have materially breached this Agreement. City shall thus be afforded the right to terminate this Agreement in the event of any material breach hereof by Republic without affording Republic the right to cure as a result of any action, inaction or circumstance which is a legally defined material breach, or is defined herein as a material breach, and/or under any of the following circumstances which are hereby specifically defined as material breaches:

- (A) If Republic practices, or attempts to practice, any fraud upon City.
- (B) If Republic becomes insolvent, unable, or unwilling to pay its debts, or upon listing of an order for relief in favor of Republic in a bankruptcy proceeding.
- (C) If Republic willfully violates any orders or rulings of any regulatory body having jurisdiction over Republic relative to this Agreement. So long as City's rights are not prejudiced during the pendency of any challenge to such orders or rulings by Republic, Republic may contest any such orders or rulings by appropriate proceedings conducted in good faith, in which case no material breach of this Agreement shall be deemed to have occurred until a final ruling has been rendered.
- (D) If Republic ceases to provide Solid Waste Handling Services, including Collection of Solid Waste and/or Recyclable Material, as required under this Agreement over all or any portion of the Franchise Area for a period of seven (7) days or more, for any reason not specified as a force majeure event hereunder.
- (E) If Republic fails to materially comply with any insurance or indemnification requirement set forth in this Agreement.
- (F) If City is required to pay any fine or penalty, which is not paid on its behalf by Republic or which Republic fails, refuses, neglects or is unable to pay or indemnify City against, relating to any diversion or other requirement of AB 939.
- (G) If Republic, or any management level employee of Republic is convicted of a Criminal Matter (as defined herein). For purposes of this Section the term Criminal Matter refers

to any felony or misdemeanor offense having any relationship to either Solid Waste Handling Services or public corruption (including, without limitation, bribery, conflict of interest related allegations, vote selling, or any similar type charges).

## 18.7 Liquidated Damages

### 18.7.1 General

The City finds, and Republic agrees, that as of the time of the execution of this Agreement, it is impractical, if not impossible, to reasonably ascertain the extent of damages which shall be incurred by City as a result of a breach by Republic of certain specific obligations under this Agreement. The factors relating to the impracticability of ascertaining damages include, but are not limited to, the fact that: (i) substantial damage results to members of the public who are denied services or denied quality or reliable service; (ii) such breaches cause inconvenience, anxiety, frustration, and deprivation of the benefits of the Agreement to individual members of the general public for whose benefit this Agreement exists, in subjective ways and in varying degrees of intensity which are incapable of measurement in precise monetary terms; (iii) the services that are the subject of this Agreement might be available at substantially lower costs than alternative services and the monetary loss resulting from denial of services or denial of quality or reliable services is impossible to calculate in precise monetary terms; and (iv) the termination of this Agreement for such specific breaches, and other remedies are, at best, a means of future correction and not remedies which make the public whole for past breaches.

### 18.7.2 Service Performance Standards; Liquidated Damages for Failure to Meet Standards

The parties further acknowledge that consistent, reliable Solid Waste Handling Service is of utmost importance to City and that City has considered and relied on Republic's representations as to its quality of service commitment in entering this Agreement with it. The parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent and reliable service and performance. The parties further recognize that if Republic fails to achieve the performance standards, or fails to submit required documents in a timely manner, City and its residents will suffer damages and that it is and will be impractical and extremely difficult to ascertain and determine the exact amount of damages which City will suffer. Therefore, without prejudice to City's right to treat such breaches as an event of default, the parties agree that the following liquidated damage amounts represent a reasonable estimate of the amount of such damages for such specific breaches, considering all of the circumstances existing on the date of this Agreement, including the relationship of the sums to the range of harm to City that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or impractical. In placing their initials at the places provided, each party specifically confirms the accuracy of the statements made above and the fact that each

party has had ample opportunity to consult with legal counsel and obtain an explanation of the liquidated damage provisions at the time that the Agreement was made.

18.7.3 Calculations for Liquidated Damages

Republic agrees to pay (as liquidated damages and not as a penalty) the amounts set forth below for each type of action warranting such damages:

18.7.3.3 Customer Responsiveness

(A) For each failure to initially respond to a Customer complaint within one (1) business day, which exceeds five (5) such Franchise Area wide occurrences annually, and for each additional day in which the complaint is not addressed: \$250.00.

- (1) Monthly Reports: \$100.00 per day
- (2) Quarterly Reports: \$250.00 per day
- (3) Annual Reports: \$350.00 per day

18.7.4 Process for Assessment of Liquidated Damages

(A) City may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representatives or investigation of Customer complaints. It is the desire of the parties to work together to avoid the imposition of liquidated damages and accordingly City will endeavor to timely communicate to Republic any information that it receives which might give rise the imposition of liquidated damages in order to facilitate Republic's ability to correct any deficiency, or prevent the recurrence of any conduct for which liquidated damages might eventually be imposed.

(B) Prior to assessing liquidated damages, City shall give Republic notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. Republic may review (and make copies at its own expense) all information in the possession of City relating to incident(s)/non-performance. Republic may, within ten (10) days after receiving the notice, request a meeting with City. Republic may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. City will provide Republic with a written explanation of its determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of City shall be final.

(C) City may assess liquidated damages for each calendar day or event, as appropriate, that Republic is determined to be liable in accordance with this Agreement.

#### 18.7.5 Timing of Payment

Republic shall pay any liquidated damages assessed by City within ten (10) days after they are assessed. If they are not paid within the ten (10) day period, City may proceed against any security required by this Agreement to obtain payment, deduct amounts due from any amounts collected from Customers by City on behalf of Republic which would otherwise be due Republic, and/or find Republic in default and exercise its right to terminate this Agreement as set forth herein.

### **SECTION 19. CITY'S ADDITIONAL REMEDIES FOR BREACH BY REPUBLIC**

In addition to any other remedies set forth herein, City shall be entitled to any or all of the following rights and remedies in the event of a breach of this Agreement by Republic:

(A) The right to use Republic's equipment for the purpose of providing Solid Waste Handling Service, including Recyclable Material, for a period not to exceed six (6) months. In the case of equipment not owned by Republic, Republic shall assign to City, to the extent Republic is permitted to do so under the instruments pursuant to which Republic possesses such equipment, the right to use and possess the equipment. If City exercises its rights under this Section, City shall pay to Republic the reasonable rental value of the equipment for the period of City's possession thereof (although payment may, if appropriate, occur in the form of a setoff against damages otherwise owed by Republic pursuant to the terms hereof);

(B) The right to license others to perform the services otherwise to be performed by Republic hereunder, or to perform such services itself; and

(C) The right to obtain damages and/or injunctive relief. Both parties recognize and agree that in the event of a breach of this Agreement by Republic, City will suffer irreparable injury and incalculable damages sufficient to support injunctive relief, to specifically enforce the provisions of this Agreement, and to enjoin the breach hereof.

### **SECTION 20. REPUBLIC'S REMEDIES FOR BREACH BY CITY; ADMINISTRATIVE HEARING**

#### 20.1 Administrative Hearing

Should Republic contend that City is in breach of any aspect of this Agreement, it shall give notice to the City Manager requesting an administrative hearing on the allegation. The hearing shall occur as soon as reasonably possible, or on such date as mutually agreed by the parties, and shall be held before an impartial hearing officer to be determined by the City Manager. The hearing officer shall make an advisory ruling on Republic's allegations, and suggest a remedy to the Parties if a breach by City is determined to exist. The hearing officer's ruling and recommendations shall become final and binding if the parties so agree in writing

within thirty (30) days of the date notice of the decision is given to both parties. Otherwise, the hearing officer's ruling shall have no further force or effect.

#### 20.2 Other Remedies; Claims

Republic shall be entitled to all available remedies in law or equity for City's breach of this Agreement; provided, however, Republic shall not file or otherwise commence any action against City, in law or equity, in any court, until after an administrative hearing as set forth above has been completed, and the above noted thirty (30) day period to accept the hearing officer's decision has passed, or either City or Republic has given timely written notice to the other that it will not accept the hearing officer's decision.

#### 20.3 Actions for Damages

As a prerequisite to the filing and maintenance of any action for damages by Republic against City arising out of this Agreement, Republic shall present a claim to City, as required by Government Code Section 910 et seq., within 30 days of the date of the occurrence giving rise to the claim for damages.

### **SECTION 21. RIGHTS OF CITY TO PERFORM DURING EMERGENCY**

#### 21.1 Provision of Service

Should Republic, for any reason whatsoever, fail, refuse or be unable to provide Solid Waste Handling Services for a period of more than seventy-two (72) hours, and if as a result thereof, Solid Waste should accumulate in City to such an extent or in such a manner that the City Manager finds that such accumulation constitutes a public emergency endangering or menacing the public health, safety, or welfare, City shall have the right, but not the obligation, upon twenty-four (24) hours prior written notice to Republic, during the period of such emergency, to temporarily take possession of any or all equipment and facilities of Republic previously used in providing Solid Waste Handling Services and provide, through its own forces or otherwise, Solid Waste Handling Services which Republic otherwise would be obligated to provide pursuant to this Agreement. Republic agrees that in such event it shall fully cooperate with City to affect such a transfer of possession for City's use.

#### 21.2 Possession of Equipment

Except as provided in Section 21.3, Republic agrees, that in the event of circumstances described in Section 21.1 above, and City determines that Republic has defaulted as provided in Section 18 above, City may take temporary possession of and use all of said equipment and facilities without paying Republic any rental compensation or other charge during the time of possession. Upon Republic giving City notice that it has cured the default and is able to resume its normal responsibilities under this Agreement City shall relinquish possession of all of the above mentioned property to Republic.

### 21.3 Exclusions from Right to Possession of Equipment without Compensation

Specifically excluded from the circumstances in which City may possess and utilize Republic's equipment without compensation are circumstances in which Republic fails or refuses to provide Solid Waste Handling Services hereunder for any reason which is a force majeure event as defined in Section 30.1 herein. In such circumstances City's right to utilize and possess Republic's equipment shall be subject to the provisions of Section 19 above.

### 21.4 City's Exercise of Rights

City's exercise of its rights under this Section 21 (i) does not constitute the taking of private property for which compensation must be paid; (ii) will not create any contract, tort or common law liability on the part of City to Republic; and (iii) does not exempt Republic from the indemnity provisions of Section 27, which are meant to extend to the circumstances arising under this Section, provided that Republic is not required to indemnify City against claims and damages arising from the active negligence or willful misconduct of City officers, employees, agents or volunteers acting under this Section.

## **SECTION 22.           PRIVACY**

Republic shall strictly observe and protect the privacy rights of Customers. Information identifying individual Customers or the composition or contents of a Customer's Solid Waste stream, or any of the billing information pertaining to any Customers, shall not be revealed to any person, governmental unit, private agency, or company, unless upon the authority of a court of law, by statute, ordinance, or regulation of a governmental agency having jurisdiction, or upon valid authorization of the Customer. This provision shall not be construed to preclude Republic from preparing, participating in, or assisting in the preparation of waste characterization studies or waste audits which may be required by AB 939 or this Agreement. Republic shall not market or distribute, outside the normal course of its business, mailing lists with the names and addresses of Customers. The rights afforded Customers pursuant to this Section shall be in addition to any other privacy right afforded Customers pursuant to federal or state law.

## **SECTION 23.           REPORTS AND ADVERSE INFORMATION**

The parties acknowledge that City will require reporting at various intervals by which information important to City can be compiled and analyzed. Throughout the Term the parties agree to work together to address City's needs with respect to the information to be contained in reports prepared by Republic. The following is intended as a starting point in order to have established an objective baseline for reporting, but the frequency and content of the reports called out below may be changed by agreement of the parties; provided any such change is approved by the City Manager in writing. Records related to performance of this Agreement shall be maintained by Republic in forms and by methods that facilitate flexible use of data contained in them to structure reports, as needed. The format of each report shall be approved by City. In addition to submitting all reports on paper, Republic agrees to submit all reports in an electronic format approved by the City, compatible with City's software/computers at no

additional charge. Monthly reports shall be submitted within twenty (20) calendar days after the end of the report month. Quarterly reports shall be submitted within twenty (20) calendar days after the end of the calendar quarter.

### 23.1 Monthly Reports

At a minimum, Republic shall report the following to City on a monthly basis: Solid Waste Collected from Residential Premises (excluding MFRFs) by Republic for each month, sorted by type of Solid Waste in tons, broken down at a level acceptable to City (which at a minimum shall include: refuse, Green Waste, e-waste and universal waste item counts, types of recyclables including PET, HDPE, mixed plastics, aluminum, cardboard, and mixed paper), as well as by customer type (i.e., single family, multi-family, etc.); Solid Waste Collected from commercial and industrial Customers (including MFRFs) by Republic for each month, sorted by tonnage and loads, broken down at a level acceptable to City; the Facilities where all Solid Waste Collected was processed or disposed; warning notices issued for contaminated Recyclable Materials, and Green Waste Containers; and a narrative summary of problems encountered (including scavenging) and actions taken with recommendations for City, as appropriate.

### 23.2 Quarterly Reports

At a minimum, Republic shall report the following to City on a quarterly basis: the information required in the monthly reports; the complaint summary for the quarter summarized by nature of complaints; copies of promotional and public education materials sent during the quarter; description of Republic outreach activities conducted the previous quarter; and such other information or reports that the City may reasonably request or require. Republic shall, upon demand by City, provide true and accurate copies of landfill disposal (tipping) receipts and similar such documents in order to enable City to verify Republic's quarterly reports.

### 23.3 Annual Reports

On or before June 30 of each year during the Term of this Agreement and within fifteen (15) days prior to the end of the Term, Republic shall submit a written annual report, at its sole expense, in a form approved by City, which includes, but is not limited to, the following information:

(A) A summary of the previous year's activities including, but not limited to, services begun or discontinued during the reporting year, and the number of Customers broken down on a monthly basis;

(B) A summary of the total tons of Solid Waste Collected in City in the preceding year as well as a summary of the total tonnage diverted from the State's landfill systems during that time frame;

(C) Information and reports required by City to meet its reporting obligations imposed by AB 939 and the regulations implementing AB 939, in a form and content approved by the City Manager;

(D) A revenue statement, certified by the chief financial officer of Republic, setting forth Franchise Fees paid, if any, and the basis for the calculation thereof, including specifically a breakdown of sources of revenue included in Gross Receipts and the amount of revenue derived from each such source comprising Gross Receipts;

(E) A list of Republic's officers and the members of its Board of Directors (if any), as well as a list identifying all Persons holding a greater than five percent (5%) ownership interest in Republic, as well as a copy of its annual report, if any; and

(F) A list of Republic Services, Inc.'s officers and members of its Board of Directors (if any), as well as a list identifying all Persons holding a greater than five percent (5%) ownership interest in Republic Services, Inc. as well as a copy of its annual report, if any.

#### 23.4 Adverse Information

(A) Republic shall provide City two copies of all reports and other written material affecting this Agreement submitted by Republic to the United States Environmental Protection Agency, the California Department of Resources, Recycling & Recovery, the California Regional Water Quality Control Board, and any other federal, state, regional, or local regulatory agency. Copies shall be submitted to City simultaneously with Republic's filing of such matters with said agencies. Republic's routine correspondence to said agencies need not be automatically submitted to City, but shall be made available to City upon written request.

(B) Republic shall submit to City copies of all pleadings, applications, notifications, communications, and documents of any kind submitted by Republic to, as well as copies of all decisions, correspondence, and actions by, any Federal, State, and local courts, regulatory agencies, and other government bodies relating in any manner to Republic's performance of services pursuant to this Agreement. To the degree authorized by law, any confidential data exempt from public disclosure shall be retained in confidence by City and its authorized agents and shall not be made available for public inspection.

(C) Republic shall submit to City such other information or reports in such forms and at such times as City may reasonably request or require.

(D) All reports and records required under this or any other Section hereof shall be furnished at the sole expense of Republic.

#### 23.5 Disaster Plan

Upon request of City, Republic shall assist City in the preparation of an updated draft disaster debris cleanup implementation plan that sets forth procedures for collection of debris following a major disaster such as an earthquake, flood, fire or other similar event. The disaster plan shall address priorities for cleanup at critical facilities, procedures for reimbursement for costs, describe communication plans, list key contact persons, and provide maps showing

proposed sites for stockpiling of disaster debris that cannot be transported to the landfill. Republic shall coordinate the implementation of the plan with City's emergency service teams.

#### 23.6 Failure to Report

The refusal of Republic to file any of the reports required, or the inclusion of any materially false or misleading statement or representation made knowingly by Republic in such report shall be deemed a material breach of the Agreement, and shall subject Republic to all remedies, legal or equitable, which are available to City under this Agreement or otherwise.

### **SECTION 24. COMPENSATION**

#### 24.1 Service Provider Rates

Republic shall provide services to Customers pursuant to this Agreement at rates it sets, charges to, and collects from Customers, which rates shall not exceed those set forth in the attached Exhibit A, which sets out the maximum rates that may be charged by Republic, as such maximum rates may be adjusted from time to time pursuant to the terms hereof. The maximum rates set forth in Exhibit A are inclusive of all services to be provided, including transportation, disposal, and Container costs, and no other charges shall be imposed by Republic for such services.

#### 24.2 Limitations On Rate Adjustments

At least forty-five (45) days prior to adjusting any rate(s) charged to Customers, Republic shall provide written notice to the City Manager of its intent to adjust such rate(s) and the amount of such adjustment. Republic shall be entitled to implement the intended adjustment to such rate(s) unless the City Manager determines that the adjusted rates will exceed the then-current maximum rates as set forth on Exhibit A.

#### 24.3 Discount for Disabled or Low Income Senior Customers

Republic shall develop and adopt a program to provide a discounted rate for qualified disabled or low income senior Customers. The program shall, at a minimum, meet the standards and conditions set forth in Exhibit D attached hereto and incorporated herein by reference. If, at any time during the Term of this Agreement, the number of Customers receiving a discounted rate pursuant to such a program exceeds one percent (1%) of the total number of residential Customers receiving Solid Waste Handling Services from Republic, Republic and City shall meet and confer in good faith to determine a fair and reasonable adjustment to the standards and conditions of the program and/or the maximum rates for such Customers set forth in Exhibit A, in order to ensure that Republic is fairly compensated for the additional costs incurred in continuing to provide the program.

#### 24.4 Resolution of Disputes Regarding Rate Adjustments

Any dispute regarding an adjustment to the maximum rates Republic may charge, or the computation thereof, shall be decided by the City Manager. The rates in effect at the time such

dispute is submitted to the City Manager shall remain in effect pending resolution of such dispute. The effective date of the adjusted maximum rate following the resolution of any such dispute, whether retroactive or prospective, shall be determined by the City Manager.

#### 24.5 Annual Consumer Price Index Adjustments to Service Component of Maximum Rates

Commencing on July 1, 2011, the service component associated with any of the maximum rates as set forth in Exhibit A may be adjusted by Republic, and such rates may be adjusted by Republic annually thereafter on each subsequent July 1st during the Term hereof (the "Adjustment Dates"), by multiplying such service component by a percentage equal to the change in the Consumer Price Index ("CPI") for All Urban Consumers, CUURA421SA0 not seasonally adjusted, all items index (CPI-U) – Los Angeles County, Riverside County, Orange County average for the twelve (12) month period ending on the date of January 31 immediately prior to the applicable Adjustment Date (the "CPI Adjustment"). Notwithstanding the foregoing, the CPI Adjustment shall not exceed five percent (5%) in any given year. At least forty-five (45) days prior to each Adjustment Date, Republic shall provide the City Manager with a revised Exhibit A reflecting the CPI Adjustment, along with data supporting the basis for its calculations, so that City may review and verify the accuracy of Republic's calculations. No CPI Adjustment shall become effective until the City Manager confirms the accuracy of Republic's calculations and the submitted revised Exhibit A.

#### 24.6 Annual Adjustments to Landfill Disposal Component of Maximum Rates

It is the intention of the Parties that the Landfill Disposal Component associated with any of the maximum rates as set forth in Exhibit A shall be adjusted no more often than annually on each Adjustment Date such that they reflect each Customer's pro-rata share of any increase or decrease in the actual landfill disposal (tipping) fees incurred by Republic for disposal of Solid Waste Collected pursuant to this Agreement. To arrive at an appropriate adjustment formula to satisfy this intent, Republic warrants and represents that the "Landfill Disposal Component Tonnage Basis" set forth in Exhibit A is a fair estimate of the amount of Solid Waste generated and ultimately disposed of by each applicable Customer and/or service type. In accordance with Section 28 of this Agreement, Republic shall maintain and make available to the City and/or its auditor or examiner records and data relating to landfill disposal costs incurred by Republic and calculation of the Landfill Disposal Component Tonnage Basis applicable to each Customer and/or service type set forth on Exhibit A. If, at any time during the Term of this Agreement, the City Manager determines or agrees that, based on such records and data, the Landfill Disposal Component Tonnage Basis for any Customer and/or service type should be adjusted to more accurately reflect a fair estimate of Solid Waste generated and ultimately disposed of by such Customer and/or service type, Exhibit A shall be revised accordingly. The initial maximum rate associated with the Landfill Disposal Component for various services set forth in Exhibit A has been arrived at by multiplying the Landfill Disposal Component Tonnage Basis for each applicable Customer and/or service type by \$29.95 which is the current per ton tipping fee charged by the Orange County Landfill System (where as of the Effective Date Solid Waste must be delivered for disposal per the County Agreement). If prior to any Adjustment Date a change occurs in the tipping fees charged to Republic by the landfill to which it delivers Solid Waste Collected hereunder, the Landfill Disposal Component associated with any of the maximum

rates set forth in Exhibit A shall be adjusted as of the Adjustment Date by similarly multiplying the Landfill Disposal Component Tonnage Basis for each applicable Customer and/or service type by the per ton tipping fee then in effect, subject to the City Manager's verification and concurrence with Republic's calculations. In the event an increase occurs in applicable landfill tipping fees at a time other than an annual Adjustment Date, Republic may request an adjustment to the maximum rates applicable to the Landfill Disposal Component set forth on Exhibit A pursuant to Section 24.7 hereof, subject to the City Manager's verification and concurrence with Republic's calculations.

#### 24.7 Discretionary Amendments

Republic may request an amendment to this Agreement at any time in the event of unusual changes in its costs of providing service under this Agreement. For each request for an amendment sought pursuant to this Section, Republic shall prepare a schedule documenting the extraordinary costs it has incurred or is incurring. Such request shall be prepared in a form acceptable to City with support for the requested amendment and any assumptions made by Republic in conjunction with any proposed adjustments to the maximum rates. City's determination whether to agree to any proposed amendment shall be in its sole judgment and absolute discretion, and no amendment may be made unless mutually agreed upon by the parties in writing.

#### 24.8 Grants

From time to time, Federal, State or local agencies including the City may provide to Republic grants to assist in financing qualified programs provided by Republic in the City (including, without limitation, grants for diversion programs and related equipment, alternative fuel vehicles and equipment, and household Hazardous Contaminant Collection and Disposal). Republic shall notify City upon receipt of any such grant funds that may be used to fund services provided pursuant to the terms of this Agreement. With the exception of grants already received by Republic as of the Effective Date, and grants for either household Hazardous Waste Collection and Disposal or Collection Vehicles, Republic shall meet and engage in good faith negotiations with City regarding how any funds received through grants for services in the City should be used or shared to benefit City and its residents and businesses.

### **SECTION 25. IDENTIFICATION OF REPUBLIC**

Republic has agreed to use the name "Republic Waste Services of Southern California, LLC" dba Garden Grove Disposal to identify itself to the public as the specific organization that shall provide all services under this Agreement. Unless otherwise approved in writing by City, this name shall be used for all correspondence, billing statements, directory listings, references, signs, and vehicle and Bin identification.

## SECTION 26. CITY'S FLOW CONTROL OPTION/COUNTY AGREEMENT

### 26.1 Flow Control Option

City shall have the absolute ability to choose the location for the delivery and/or disposal of all Solid Waste (including Recyclable Material, Green Waste, and construction and demolition waste) Collected pursuant to this Agreement (hereinafter City's "Flow Control Option"). Republic expressly consents to City's ability to direct the location for disposal of Solid Waste hereunder, and waives any and all rights to challenge City's ability to do so, including without limitation any rights under the Commerce Clause of the United States Constitution. As of the Effective Date, City shall be deemed to have exercised its Flow Control Option so as to require delivery of all Solid Waste Collected hereunder to the Orange County landfill system in a manner consistent with its obligations under the County Agreement (including, without limitation, its obligations related to Solid Waste that is delivered to a processing/transfer facility prior to being delivered to a landfill for disposal), and Republic has agreed to handle all Solid Waste Collected hereunder in a manner consistent with City's exercise of its Flow Control Option as noted above. At any time during the Term of this Agreement the City Manager may notify Republic in writing that City no longer desires to exercise its Flow Control Option. In the event City so notifies Republic of its desire to cease exercising its Flow Control Option, Republic shall have the absolute discretion to utilize any disposal facility, transfer station, recycling facility, material recovery facility, landfill, or other facility of its choosing to retain, recycle, process, and dispose of Solid Waste generated within the City, provided the use of such facility by Republic enables it to meet all other requirements of this Agreement.

### 26.2 County Agreement

Republic expressly acknowledges its awareness and understanding of the County Agreement which has been adopted and entered into by City. Moreover, Republic acknowledges that it has had an opportunity to review the County Agreement, and is aware of the provisions thereof that require all Solid Waste collected in the City and District Limits to be disposed of in the Orange County landfill system. Republic further acknowledges that the County of Orange is an intended third party beneficiary of Republic's obligations relating in any way to the disposal of Solid Waste pursuant to this Agreement and the County Agreement. Republic hereby adopts as its obligations hereunder such provisions of the County Agreement that require action or inaction by it as City's Solid Waste franchisee. Republic represents and warrants that it can and will perform its duties in connection with this Agreement in such a manner as to ensure that City does not breach the terms of the County Agreement as a result of Republic's actions or inaction. In the event City advises Republic in writing that the County Agreement has been terminated, or that it no longer wishes to exercise its Flow Control Option in a manner consistent with the County Agreement, then Republic's obligations pursuant to this paragraph shall be terminated.

## SECTION 27. INDEMNIFICATION

### 27.1 General

(A) Republic hereby agrees to and shall indemnify and hold harmless City and District, and their respective elected and appointed boards, commissions, officers, employees, agents and volunteers (collectively the indemnitees) from and against any and all loss, liability, penalty, forfeiture, claim, demand, action, proceeding or suit in law or equity of any and every kind and description (including, but not limited to, injury to and death of any Person and damage to property, or for contribution or indemnity claimed by third parties) arising out of, resulting from, and/or in any way connected with this Agreement including, but not limited to (1) the negligence or willful misconduct of Republic, its officers, employees, agents, Companies and/or subcontractors in performing services under this Agreement; (2) the failure of Republic, its officers, employees, agents, Companies and/or subcontractors to comply in all respects with the provisions of this Agreement (including without limitation Republic's obligation to ensure City complies with the requirements of the County Agreement), applicable laws (including, without limitation, the Environmental Laws), ordinances and regulations, and/or applicable permits and licenses; (3) the acts of Republic, its officers, employees, agents, Companies and/or subcontractors in performing services under this Agreement for which strict liability is imposed by law (including, without limitation, the Environmental Laws); and (4) any challenge to the approval and execution of, or any provisions hereof in this Agreement (including any claim that the application of any provision hereof violates any provision of the California Constitution).

(B) The foregoing indemnity and hold harmless provisions shall apply regardless of whether such loss, liability, penalty, forfeiture, claim, demand, action, proceeding, suit, injury, death or damage is also caused in part by any of the indemnitees negligence, but shall not extend to matters resulting from the indemnitees sole negligence, or willful misconduct.

(C) Republic further agrees to and shall, upon demand of City and District, at Republic's sole cost and expense, defend (with attorneys acceptable to City) City and District, and their respective elected and appointed boards, commissions, officers, employees, agents and volunteers against any claims, actions, suits in law or equity or other proceedings, whether judicial, quasi-judicial or administrative in nature, arising or resulting from any of the aforementioned events, and to reimburse the City and District for any and all costs and expenses City and District incurs in providing any such defense, either before, during or after the time Republic elects to provide such defense, including any and all costs incurred in overseeing any defense to be provided herein by Republic.

(D) Republic further agrees, upon demand of the City and District, made by and through the City Attorney, that it shall protect City and District and appear in and defend the City and District and their respective elected officials, officers, employees, contractors, agents and volunteers, in any claims or actions by third parties, whether judicial, administrative or otherwise, including, but not limited to disputes and litigation over the definitions of "Solid Waste" or "Recyclable Material," the scope of the rights granted herein, conflicts between the rights granted herein and rights asserted by other Persons, or the limits of City's and/or District's authority with respect to the grant of licenses, or agreements, exclusive or otherwise, asserting

rights under the Dormant Commerce Clause or any other federal or state laws to provide Solid Waste Handling Services in the City and/or District.

(E) In addition, Republic's duty to defend, indemnify and hold harmless herein, includes all fines and/or penalties imposed by CalRecycle, subject to the restrictions set forth in California Integrated Waste Management Act, Public Resources Code section 40000 et seq., if the requirements of the Act are not met by Republic with respect to the waste stream collected under this Agreement, and such failure is (1) due to the failure of Republic to meet its obligations under this Agreement, or (2) due to Republic delays in providing information that prevents Republic or City and/or District from submitting reports required by the Act in a timely manner.

(F) In addition, Republic's duty to defend, indemnify and hold harmless herein, includes payment of costs, attorney fees and damages incurred by and judgments entered against City and/or District relating to claims or allegations that City is setting rates for service under this Agreement or in connection with the application of Article XIIC and Article XIID of the California Constitution (Proposition 218) to the imposition, payment or collection of rates and fees for services provided by Republic under this Agreement.

(G) Claims included within the scope of this paragraph include, but are not limited to, claims for refunds of Solid Waste rates paid by Customers, and all claims by Republic against City and/or District for funds to replace revenue lost as the result of an invalidation of the rate increase, or for breach of contract if any rate increase implemented by Republic is invalidated, enjoined or prohibited in any manner or to any extent.

(H) The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation and shall survive the expiration or earlier termination of this Agreement.

## 27.2 Hazardous Contaminant, Substances or Waste Indemnification

(A) Without regard to any insurance coverage or requirements, and without limiting the above general indemnification obligation in any way, Republic specifically agrees to and shall, to the maximum extent permitted by law, defend (with counsel acceptable to City) reimburse, indemnify, and hold City and District and its past and present officials, officers, employees, contractors and agents (hereinafter "Indemnified Parties") harmless from and against any and all claims, actions, liabilities, damages, demands, judgments, losses, costs, liens, expenses, suits, actions, attorneys' fees, consultant fees, penalties and any and all other losses, damages, fees and expenses of whatever kind or nature ("Claims") (including but not limited to response costs, investigative costs, assessment costs, monitoring costs, treatment costs, cleanup costs, removal costs, remediation costs, and similar costs, damages and expenses) that arise out of or are alleged to arise out of or in any way relate to any action, inaction or omission of Republic that:

(1) results in any demand, claim, notice, order, or lawsuit, asserting that any Indemnified Party is liable, responsible or in any way obligated to investigate, assess, monitor,

study, test, treat, remove, remediate, or otherwise cleanup, any Hazardous Contaminant, Substance or Waste; or

(2) relates to material collected, transported, recycled, processed, treated or disposed of by Republic.

(B) Republic's obligations pursuant to this Section shall apply, without limitation, to:

(1) any Claims brought pursuant to or based on the provisions of the Environmental Laws as defined in Section 2.17 above;

(2) any Claims based on or arising out of or alleged to be arising out of the ownership, use, lease, sale, design, construction, maintenance or operation by Republic of any facility;

(3) any Claims based on or arising out of or alleged to be arising out of the marketing, sale, distribution, storage, transportation, disposal, processing or use of any materials recovered by Republic;

(4) any Claims based on or arising out of or alleged to be arising out of any breach of any express or implied warranty, representation or covenant arising out of or in connection with this Agreement.

(C) The foregoing indemnity and defense obligations shall apply irrespective of the negligence or willful misconduct of Republic or any Affiliate of Republic.

(D) The provisions of this Section shall not terminate or expire, shall be given the broadest possible interpretation and shall survive the expiration or earlier termination of this Agreement.

## **SECTION 28. REPUBLIC'S BOOKS AND RECORDS; AUDITS**

### **28.1 Maintenance and Inspection of Records**

Republic shall maintain all records relating to the services provided hereunder, including but not limited to Customer lists, billing records, accounts payable records, maps, AB 939 compliance records, records reflecting the number of refuse, Recycling and Green Waste routes and route hours by service category (such as residential, multi-family, commercial, rolloff, and special services), records demonstrating facilities, equipment and personnel used to perform services, records reflecting the number of refuse, Recycling and Green Waste containers in service by frequency of collection for each Customer group (such as single family, multi-family, commercial, rolloff); records reflecting the number of Rolloff Box pulls, and such other documents and materials which reasonably relate to Republic's compliance with the provisions of this Agreement (the "Records"), for the full Term of this Agreement, and an additional period thereafter of not less than three (3) years, or any longer period required by law. City shall have the right, upon five (5) business days advance notice, to inspect the Records. Such Records shall

be made available to City at Republic's regular place of business, but in no event outside the County of Orange.

## 28.2 CERCLA Defense Records

City views the ability to defend against the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) and related litigation as a matter of great importance. For this reason, the City regards the ability to prove where Solid Waste Collected in the City was taken for Disposal, as well as where it was not taken, to be matters of concern. Republic shall maintain data retention and preservation systems which can establish where Solid Waste Collected in the City was landfilled (and therefore establish where it was not landfilled) for not less than five (5) years following the termination of this Agreement, and agrees to notify City's Risk Manager, City Clerk and City Attorney before destroying such records thereafter. At any time, including after the expiration of the Term hereof, Republic shall provide copies of such records to City. The requirements of this Section shall survive the expiration of the Term of this Agreement.

## 28.3 Audits

### 28.3.1 Periodic Examination of Services

From time to time, and anticipated to be at least once every year, City may request Republic to make any or all of its records related to performance hereunder available to an independent auditor or examiner, to be selected by the City, for auditing and examination purposes (a "Discretionary Audit"). City shall bear the cost of any Discretionary Audit, except as otherwise provided herein. Should any Discretionary Audit reveal an underpayment of any Franchise Fee required pursuant to this Agreement, the amount of such underpayment shall become due and payable to City not later than fifteen (15) days after written notice of such underpayment is sent to Republic by City, complete with any additional late charges as set forth herein. If a Discretionary Audit reveals inaccuracies or inconsistencies in more than five percent (5%) of all Customer accounts, either with Republic's operations or billing systems, or an underpayment of Franchise Fees of more than three percent (3%), Republic shall bear the entire cost of such Discretionary Audit and shall pay a sum necessary to cover such costs to the City within thirty (30) days of demand.

### 28.3.2 Route Audit

Republic shall complete an audit at its expense of its Collection routes for all Customers at such times as may be requested by City; provided, however, that while City may request that such an audit occur at any time, it may not request such audits at Republic's expense more than six (6) times during the Term. The timing of such audits is at the City's discretion and may be required to be timed with the issuance of a request for proposals for a new agreement. The route audit, at minimum, shall consist of an independent physical observation by Person(s) other than the route driver or route supervisor of each Customer in the City. The route audit shall include, as a minimum, the following information for each account:

- Route Number;
- Truck Number;
- Account Name;
- Account Number;
- Account Service Address;
- Service Level per Billing System (quantity, size, frequency);
- Service Level per Routing System;
- Observed Containers (quantity, type and size);
- Bin condition; and
- Proper signage.

Within thirty (30) days after the completion of the route audit, Republic shall submit to City a report summarizing the results thereof which shall include:

- Identification of the routes;
- Truck numbers;
- Number of accounts, by route and in total;
- Types of exceptions observed;
- Number of exceptions by type;
- Total monthly Billing, pre-audit;
- Total monthly Billing, post-audit (subsequent to corrections of identified exceptions);
- Percentage of the number of accounts with errors to the total number of accounts served; and
- Percentage of the "net" change in monthly Billing as a result of the audit to the total pre-audit monthly Billing.

The report shall include a description of the procedures followed to complete the audit, and shall include the names and titles of those supervising the route audits and the name and titles of those performing the observations. Additionally, the report shall include a description of the pre-audit training of the route auditors, particularly if temporary personnel are used. The report shall also include a description of the changes and Republic's plans to resolve any exceptions. The results of the audit shall be available for review by the City or its representative.

## **SECTION 29.           TRANSITION OBLIGATIONS**

At the end of the Term, or in the event this Agreement is terminated for cause prior to the end of the Term, Republic shall cooperate fully with City and any subsequent solid waste enterprise it designates to assure a smooth transition of services. Republic's cooperation shall include, but not be limited to, providing route lists, billing information and other operating records needed to service all premises covered by this Agreement. The failure to cooperate with City following termination shall be conclusively presumed to be grounds for specific performance of this covenant and/or other equitable relief necessary to enforce this covenant. Republic shall provide any new solid waste enterprise with all keys, security codes and remote controls used to access garages, gates and bin enclosures. Republic shall be responsible for coordinating transfer immediately after its final collection activities, so as to not disrupt services.

Republic shall provide City with detailed route sheets containing service names and addresses, billing names and addresses, monthly rate and service levels (number and size of containers and pickup days) at least 90 days prior to the transition date, provide an updated list two weeks before the transition, and a final updated list with any changes the day before the transition. Republic shall provide means of access to the new solid waste enterprise at least one full business day prior to its first day of collection, and within sufficient time so as to not impede in any way the new solid waste enterprise from easily servicing all containers.

Prior to the termination date, Republic shall, in writing, provide City or its designee with the right to purchase any or all of Republic's containers used in the Franchise Area at specified prices or alternatively provide City or its designee the right to use all of said containers for a period of sixty (60) days at specified rental prices.

## **SECTION 30. GENERAL PROVISIONS**

### **30.1 Force Majeure**

Republic shall not be in default under this Agreement in the event that its ability to provide Solid Waste Handling Services or Temporary Services, in compliance with its obligation to do so hereunder, is temporarily interrupted or discontinued for any of the following reasons: riots, wars, sabotage, civil disturbances, insurrections, strikes or other labor disturbances lasting less than 14 days, explosion, natural disasters such as floods, earthquakes, landslides, and fires, or "other catastrophic events" which are beyond the reasonable control of Republic. The term "other catastrophic events" does not include: (i) the financial inability of Republic to perform; (ii) failure of Republic to obtain any necessary permits or licenses from other governmental agencies; (iii) the failure to obtain the right, or the loss of the right, to use the facilities of any public utility where such failure is due in substantial part to the acts or omissions of Republic; or (iv) strikes or other labor disturbances lasting 14 days or longer.

### **30.2 Independent Contractor**

Republic is an independent contractor and not an officer, agent, servant, or employee of City. Republic is solely responsible for the acts and omissions of its officers, agents, employees, and subcontractors, if any. Nothing in this Agreement shall be construed as creating a partnership or joint venture between City and Republic. Neither Republic nor its officers, employees, agents, or subcontractors shall obtain any rights to retirement or other benefits which accrue to City employees.

### **30.3 Pavement Damage**

Republic shall be responsible for the cost of repair of any extraordinary damage to the public streets located within the City resulting from providing the services required hereunder. Ordinary wear and tear and shorter life expectancy of street improvements are not included as "extraordinary."

30.4 Property Damage

Any physical damage caused by the negligent or willful acts or omissions of employees, agents, or subcontractors of Republic, to private or public property, shall be promptly repaired or replaced at Republic's expense.

30.5 Right of Entry

Republic shall not have the right, until Republic receives permission from the property owner, to enter or drive on any private street, court, place, easement, or other private property for the purpose of providing Temporary Services and/or Solid Waste Handling Services pursuant to this Agreement.

30.6 Law to Govern; Venue

The laws of the State of California shall govern this Agreement. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Orange.

30.7 Amendment

This Agreement is intended to carry out City's obligations to comply with the provisions of AB 939, as implemented by regulations of the Department of Resources, Recycling & Recovery ("Regulations"), as they may be amended from time to time. Notwithstanding the provisions of Section 24.7 above, in the event that AB 939 or other state or federal laws or regulations enacted after this Agreement has been enacted, prevent or preclude compliance with one or more provisions of this Agreement, such provisions of the Agreement shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations. Except as otherwise expressly stated herein, no other amendment of this Agreement shall be valid unless in writing duly executed by the parties and approved by action of the governing body of both City and District.

30.8 Notices

If mailed, notice shall be deemed given three (3) business days from the date such notice is deposited in the United States mail in the manner prescribed above.

### 30.9 Guarantee of Republic's Performance

Pursuant to a guarantee in substantially the form attached as Exhibit E, Republic Services, Inc., a Delaware corporation ("Guarantor"), has agreed to guarantee Republic's performance of its obligations pursuant to this Agreement, and Republic shall insure that Guarantor shall provide a fully executed copy of the Guarantee required by this provision concurrently with Republic's delivery of this Agreement to City.

### 30.10 Savings Clause

If any non-material provision of this Agreement is for any reason held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the validity and enforceability of any of the remaining provisions of this Agreement.

### 30.11 Exhibits Incorporated

Exhibits A through E are attached to and incorporated in this Agreement by reference.

### 30.12 Joint Drafting

This Agreement shall be interpreted as if it were drafted jointly by the parties to the Agreement.

### 30.13 Attorneys' Fees and Litigation Costs

In the event either party brings any action or proceeding to enforce or interpret the terms or provisions of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees and other litigation costs and expenses, including without limitation expert witness fees, consultant fees and costs. Without limiting its scope in any way, this provision is expressly intended to, and shall, apply to fees and costs incurred in any appeal.

### 30.14 City's Authorized Agent

Notwithstanding anything contained herein to the contrary, and excepting amendments hereto and such actions set forth herein specifically calling for City Council action or approval, the City Manager is designated as the City's authorized agent to take any action with regard to any matter, or enforce any right, set forth herein requiring action by the City.

30.15 Integrated Agreement

This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the Parties, whether written or oral. The Parties acknowledge this document has been executed with the consent and upon the advice of counsel. Each of the Parties acknowledges that no party or agent or attorney of any other party has made any promise, representation, or warranty, express or implied, not contained in this Agreement, to induce the other party to execute this instrument. The Prior Agreement is superceded hereby except as expressly provided otherwise.

30.16 Section Headings

The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

30.17 Compliance with Law

In providing the services required under this Agreement, Republic shall at all times, at its sole cost, comply with all applicable laws and regulations of the United States, the State of California, the provisions of the Municipal Code, District's Regulations and any federal, state, regional or local administrative and regulatory agencies, now in force and as they may be enacted, issued or amended.

30.18 Change of Franchise Area Boundaries

The Parties acknowledge that as of the Effective Date, there are certain areas with the District limits, but are outside of and not included in the City limits. These areas will be included in Republic's service area. It is possible that in the future, some or all of these areas will be legally detached and removed from the District limits and accordingly will not be part of Republic's Franchise Area. Thereafter, Republic agrees it will not be entitled to maintain Solid Waste Handling Service within any detached area under the terms of this Franchise Agreement. Further, Republic waives any right or claim of damages in tort or contract for the loss of Customers within its area of service due to the legal reorganization of the District.

### CORPORATE GUARANTY

THIS GUARANTY (the "Guaranty") is given as of the 1st day of July 1, 2010, and is made with reference to the following facts and circumstances:

A. Republic Waste Services of Southern California LLC, a Delaware Limited Liability Company ("Republic") dba Garden Grove Disposal is an affiliate of Republic Services, Inc., a Delaware corporation (Guarantor).

B. Republic has entered a franchise agreement with the City of Garden Grove and the Garden Grove Sanitary District with an Effective Date of July 1, 2010, entitled "Agreement Between The City of Garden Grove/Garden Grove Sanitary District and Republic Waste Services of Southern California , LLC, dba Garden Grove Disposal for Solid Waste Handling Services" (the "Franchise").

C. It is a requirement of the Franchise that Guarantor guarantee Republic's performance of the Franchise, including any ongoing obligations in the "Prior Agreement" (as that term is defined in the Franchise).

D. Guarantor is providing this Guaranty to induce the City and District to approve the Franchise.

E. For purposes of this Surety and the convenience of all persons, the term "City" shall mean the City of Garden Grove and/or the Garden Grove Sanitary District. District, being a subsidiary district as defined in Government Code Section 56078, is governed by City's City Council as the ex officio Board of Directors of District. The terms "City" and "City Council" when used herein singularly shall refer to the powers, rights, duties or actions of both City and District, unless the content indicates otherwise.

NOW, THEREFORE, in consideration of the foregoing, Guarantor agrees as follows:

1. **Guaranty of the Franchise.** Guarantor hereby irrevocably and unconditionally guarantees to the City and District the complete and timely performance, satisfaction and observation by Republic of each and every term and condition of the Franchise which Republic is required to perform, satisfy or observe. In the event that Republic fails to perform, satisfy or observe any of the terms and conditions of the Franchise, Guarantor will promptly and fully perform, satisfy or observe them in the place of Republic (including by causing the services required of Republic to be performed by a Solid Waste Enterprise acceptable to City and District). Guarantor hereby guarantees payment to the City and District of any damages, costs or expenses which might become recoverable by the City and District from Republic due to its breach of the Franchise. Included in the forgoing Guaranty, is a guarantee by Guarantor of any ongoing obligations of Republic under the Prior Agreement.

2. **Guarantor's Obligations Are Absolute.** The obligations of the Guarantor hereunder are direct, immediate, absolute, continuing, unconditional and unlimited, and, with respect to any payment obligation of Republic under the Franchise, shall constitute a guarantee of payment and not of collection, and are not conditional upon the genuineness, validity, regularity or enforceability of the Franchise. In any action brought against the Guarantor to enforce, or for damages for breach of, its obligations hereunder, the Guarantor shall be entitled to all defenses, if any, that would be available to Republic in an action to enforce, or for damages for breach of the Franchise (other than discharge of, or stay of proceedings to enforce, obligations under the Franchise under bankruptcy law).

3. **Waivers.** Except as provided herein the Guarantor shall have no right to terminate this Guaranty or to be released, relieved, exonerated or discharged from its obligations under it for any reason whatsoever, including, without limitation: (1) the insolvency, bankruptcy, reorganization or cessation of existence of Republic; (2) the actual or purported rejection by a trustee in bankruptcy of the Franchise, or any limitation on any claim in bankruptcy resulting from the actual or purported termination of the Franchise; (3) any waiver with respect to any of the obligations of the Franchise guaranteed hereunder or the impairment or suspension of any of the City's or District's rights or remedies against Republic; or (4) any merger or consolidation of Republic with any other corporation, or any sale, lease or transfer of any or all the assets of Republic. Without limiting the generality of the foregoing, Guarantor hereby waives the rights and benefits under California Civil Code Section 2819.

The Guarantor hereby waives any and all benefits and defenses under California Civil Code Section 2846, 2849, and 2850, including without limitation, the right to require the City to (a) proceed against Republic, (b) proceed against or exhaust any security or collateral the City may hold now or hereafter hold, or (c) pursue any other right or remedy for Guarantor's benefit, and agrees that the City may proceed against Guarantor for the obligations guaranteed herein without taking any action against Republic or any other guarantor or pledgor and without proceeding against or exhausting any security or collateral the City may hold now or hereafter hold. City may unqualifiedly exercise in its sole discretion any or all rights and remedies available to it against Republic or any other guarantor or pledgor without impairing the City's rights and remedies in enforcing this Guaranty.

The Guarantor hereby waives and agrees to waive at any future time at the request of the City to the extent now or then permitted by applicable law, any and all rights which the Guarantor may have or which at any time hereafter may be conferred upon it, by statute, regulation or otherwise, to avoid any of its obligations under, or to terminate, cancel, quit or surrender this Guaranty.

The Guarantor hereby expressly waives diligence, presentment, demand for payment or performance, protest and all notices whatsoever, including, but not limited to, notices of non-payment or non-performance, notices of protest, notices of any breach or default, and notices of acceptance of this Guaranty. If all or any portion of the obligations guaranteed hereunder are paid or performed, Guarantor's obligations hereunder shall continue and remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise, irrespective

of (a) any notice of revocation given by Guarantor or Republic prior to such avoidance or recovery, and (b) payment in full of any obligations then outstanding.

4. **Term.** This Guaranty is not limited to any period of time, but shall continue in full force and effect until all of the terms and conditions of the Franchise have been fully performed or otherwise discharged and Guarantor shall remain fully responsible under this Guaranty without regard to the acceptance by the City of any performance bond or other collateral to assure the performance of Republic's obligations under the Franchise. Guarantor shall not be released of its obligations hereunder as long as there is any claim by the City against Republic arising out of the Franchise based on Republic's failure to perform which has not been settled or discharged.

5. **No Waivers.** No delay on the part of the City in exercising any rights under this Guaranty or failure to exercise such rights shall operate as a waiver of such rights. No notice to or demand on Guarantor shall be a waiver of any obligation of Guarantor or right of the City to take other or further action without notice or demand. No modification or waiver of any of the provisions of this Guaranty shall be effective unless it is in writing and signed by the City and by Guarantor, nor shall any waiver be effective except in the specific instance or matter for which it is given.

6. **Attorney's Fees.** In addition to the amounts guaranteed under this Guaranty, Guarantor agrees in the event of Guaranty's breach of its obligations including to pay reasonable attorney's fees and all other reasonable costs and expenses incurred by the City in enforcing this Guaranty, or in any action or proceeding arising out of or relating to this Guaranty, including any action instituted to determine the respective rights and obligations of the parties hereunder.

Guarantor agrees that any action brought by the City to enforce this Guaranty may be brought in any court of the State of California and Guarantor consents to personal jurisdiction over it by such courts, with venue resting in Orange County, California.

8. **Severability.** If any portion of this Guaranty is held to be invalid or unenforceable, such invalidity will have no effect upon the remaining portions of this Guaranty, which shall be severable and continue in full force and effect.

9. **Binding On Successors.** This Guaranty shall inure to the benefit of the City and its successors and shall be binding upon Guarantor and its successors, including transferee(s) of substantially all of its assets and its shareholder(s) in the event of its dissolution or insolvency.
