Same beige with maroon horizontal striped motorhome is parked in the northwest portion of the same parking lot. Right side door was open. I contacted the occupant and advised him I had issued a warning notice on Thursday, May 12 and he was parked there again. The subject came out and spoke with me, said he was gonna be heading out in about 15 minutes. He then said he comes in and parks in the lot late at night and leaves early in the morning. I advised him he cannot use the parking lot as a place to sleep overnight and if he continues to stay there or return this evening, he would be cited. He then asked about the other cars and motorhomes parked there overnight. I advised him I receive the complaints about this motorhome and others and they are being addressed.

05/12/16 - 09:31 AM

Rita Cramer

8:50 AM - I observed a beige with a maroon horizontal stripe motorhome backed into a parking stall in the north west corner of the parking lot. Motorhome had drapes on the front and side windows drawn and pop-out style windows were open on both right and left sides of the motor home. Rear license plate only of [redacted]. The letters spelling WINNEBAGO were stenciled onto the front hood of the motorhome. I called the Police Records. This license plate comes back to the 1986 Chevy registered to Robert Johnson [redacted], Garden Grove 92840 registration current through 10-10-16 last four of VIN: [redacted]. Issued warning notice. 2nd motor home, a beige with orange and gray horizontal stripes was parked in the southwest portion of the parking lot. Front and rear license plates of [redacted]. A male subject was working from an exterior panel on the right side. I advised the subject he could not do repairs in this lot. He said he would stop shortly.
