Dear Mr. Mayor,

Thank you for your recommendation to the Garden Grove Planning ! Commission and subsequent approval vote. I will do my best to live up to your recommendation.

I'm sorry that I did not get the opportunity to thank you personally after the meeting. I've had a stomach bug all day and really needed t! o get home when I did. I look forward to thanking you in person soon. I doubt that you remember but we met and spoke briefly last year at the Central Garden Grove Little League Opening Day Ceremonies.

Thank you again for your support.

Subject: Fwd: OCTA Project V Information

From: Scott Stiles <sstiles@ci.garden-grove.ca.us>

Date: Thu, 18 Feb 2016 10:51:46 -0800 (PST)

To: Omar Sandoval <omars@ci.garden-grove.ca.us>, Maria Stipe <marias@ci.garden-grove.ca.us>, Bill Murray <wem@ci.garden-grove.ca.us>

Mayor and Councilmembers:

The City staff are considering applying for OCTA's Project V community circulator grant program in conjunction with the City of Westminster. The grant would fund a bus circulator route running from Bolsa-Magnolia-Westminster-Brookhurst. I've placed this item on the Tuesday agenda as a discussion item. The application deadline for the City to offer a Letter of Support, in conjunction with Westminster, is February 29. However, the cities would have until March 18 to obtain their Resolution from city council. I've included the Guidelines, Scoring Criteria, and Funding Application, that Andrea West, with OCTA, has sent me. There are still many details to work out with Westminster (i.e., location of stops, fare cost, matching funds). If you need anything else or have questions on the application process, please don't hesitate to contact me. We will have more details to talk about on Tuesday. Councilmembers are blind-copied on this email to avoid Brown Act violations.

Regards,
Scott

Scott C. Stiles, ICMA-CM

Project V – Community-Based Transit/Circulators Program Guidelines

1.0 Overview

The Measure M2 (M2) Project V- Community-Based Transit/Circulators Program establishes a competitive process to enable local jurisdictions to develop community based local transit services that complement regional transit services, and meet needs in areas not adequately serviced by regional transit. Projects must meet specific criteria in order to compete for funding through this program. In addition, local jurisdictions will be required to demonstrate the ability to provide funding match for capital and ongoing local share of operations and maintenance using non-Orange County Transportation Authority (OCTA) resources¹. Public-private partnerships² are encouraged but not required. Local jurisdictions may partner with each other.

Regional Transit: Regional Transit services are provided by OCTA, specifically through routes 1 through 99 (and excluding those route sections that perform less than 10 boardings per revenue vehicle hour). Additional information on OCTA routes and schedules can be accessed from OCTA website at www.octa.net.

2.0 Objectives

- To provide community transit service that is safe, clean and convenient.
- To encourage new, well-coordinated, flexible transportation systems customized to each community's needs.
- To develop local bus transit services such as community-based circulators, shuttles, and bus trolleys that complement regional bus and rail service.
- To meet transportation needs in areas not served by regional transit.

3.0 Project Participation Categories

Transit needs may differ from one location to the next, and projects pursued under this program have significant latitude on how the challenge of delivering community based transit will be delivered. The program categories listed below identify key project elements that can be pursued through the Project V funding source. The program categories eligible for funding through Project V are:

3.1 Planning for new service (Up to \$50,000 per agency)

- Need for Community-Based Transit/Circulator Services
- Origin and Destination Studies
- Surveys and Marketing Research
- Development of Proposed Service Plans
- Transit Coordination Studies

¹ Fairshare revenues are considered non-OCTA resources.

² Public-private partnerships are defined as direct financial contributions or sponsorships for eligible program activities.

3.2 Capital

- Bus and vehicle leases/purchases for the purposes of providing community based circulators, shuttles, and trolleys
- Equipment for the deployment, implementation and use of Project V-funded services, including but not limited to:
 - Bike racks
 - Software
 - Communications equipment
 - Fare collection equipment
 - Passenger amenities
 - Americans with Disabilities Act (ADA) equipment for vehicles
- Maintenance facilities and fueling stations required for the new transit service
- Bus stop improvements (including signage, furniture, and shelters) for Project V funded service stops only.

3.3 Operations and Maintenance

- Fixed route, deviated fixed route, demand responsive, seasonal community transit and shuttle services including administration, operations and maintenance of services
- Services to be operated by OCTA. Local agencies may propose an alternate service provider which will be considered at the discretion of OCTA
- Parking leases needed in response to expanded transit services
- Special event shuttle services for events that will create significant congestion
- Other flexible and innovative transit services contingent on the service plan and anticipated service performance
- Marketing efforts including expenditures related to service schedules, marketing materials such as flyers and brochures, and community outreach efforts. Project V contributions for marketing will be capped at \$25,000 for the startup cost and up to \$10,000 annually thereafter for the remaining grant period.

Agencies may be awarded a total from all project categories of no more than \$550,000 annually for a period of up to seven years per project.

4.0 **Ineligible Categories**

Project V funds may not be used for the following:

- right of way acquisition
- to supplant existing transit services (subject to the Regional Transit definition in Section 1)
- fare subsidies

5.0 **Project Category Requirements**

All projects funded through Project V must comply with the Comprehensive Transportation Funding Programs Guidelines, unless specifically noted in the agreement

with the local agency and must comply with applicable state and federal laws, including American with Disabilities Act (ADA) requirements for transit services.

5.1 Planning for new service

Cities must provide a scope of work for the proposed planning document requesting Project V funds. The scope must include project need and goals and objectives for the proposed or considered service. OCTA transit planning staff must be included in the development of any planning documents funded through the Project V planning category. Planning documents must include specific recommendations for community-based transit/circulator services that can be implemented within the operating subsidy provided through Project V and must consider coordination with existing services. Plans may also consider ways to eliminate duplication of service or to improve service by combining resources. Progress on planning projects must be reported to OCTA through the semi-annual review process. Agencies will be required to submit all data and planning documents to OCTA in order to receive final payment.

5.2 Capital

Project V funding is available to offset the costs of purchasing or leasing vehicles, equipment and other amenities as described in Section 3.2. Progress on capital projects must be reported to OCTA through the semi-annual review process. Agencies must inspect vehicle purchases to ensure they meet specifications prior to final acceptance and withhold retention until warranty issues and/or final acceptance is met. If vehicles are sold before the end of their useful life or if service is discontinued, agencies shall repay OCTA the same percentage of the sale price or estimated value based on straight line depreciation of asset consistent with the Project V percentage of the initial purchase.

5.3 Operations and Maintenance

OCTA has established an operating reserve as part of this program that may be used to support the costs of operations and maintenance. The operating reserve is subject to the following requirements:

- For seasonal community shuttles, fixed route service, event shuttle and similar services, the project must meet a minimum performance standard. The Project V funded service must achieve the performance standard of 6 passenger boardings per revenue vehicle hour (RVH) within the first 12 months of operations and must achieve the 10 passenger boardings per RVH within the first 24 months of operations and every year thereafter. For other proposed transit services such as vanpool, demand responsive, deviated fixed route service or another innovative service delivery model, a different ridership service standard may be required consistent with the type of service being proposed. Local agencies may propose an alternative ridership measure or standard, other than those listed above, which would be considered on a case by case basis.
- As part of the Project V service, local agencies must develop strategies to measure ridership satisfaction and on-time performance and must achieve a 85% on-time

performance on an ongoing basis and rider satisfaction must be 90% satisfied based on customer surveys.

- Awarded agencies must submit operations and maintenance costs and ridership and fare performance data to OCTA on a quarterly basis. The OCTA Transit Committee will be provided with summarized information from these reports on a quarterly basis.
- OCTA will reimburse awarded agencies on a pro-rata basis but not to exceed \$9 per boarding, not to exceed 90 percent of net operating and maintenance costs whichever is less. The \$9 per boarding may increase annually by an OCTA-approved inflationary factor.
- Consistent with Federal Transit Administration guidelines, Americans with Disabilities Act (ADA) complementary paratransit service is required for certain types of transit operations. For Project V funded services, paratransit services will be covered with Project V funds through the OCTA Board policy. Agencies receiving Project V funds will be required to adopt a paratransit plan prior before starting operations.

6.0 Agency Match Requirements

Local funding are required to provide a minimum 10% non-OCTA match for all Project V components (see section 5.3 for instances where a higher match may be required for operations and maintenance) . The match may be comprised of any combination of private contributions, advertising revenues, local discretionary funds and farebox revenue. Farebox revenue cannot be used for capital match. The match may not be made up of in-kind services. Capital match funding commitments in excess of ten percent are eligible for additional points. The OCTA contribution for Operations and Maintenance will not exceed \$9 per boarding, therefore actual match provided by the local agency may be greater than 10% depending on the ridership. Agency match commitments will be incorporated into the funding agreement.

7.0 Eligibility Requirements

Minimum eligibility and participation requirements must be considered before a project funding application should be submitted. Adherence to strict funding guidelines is required by the M2 Ordinance. Additional standards have been established to provide assurance that M2 funds are spent in the most prudent, effective manner. There is no guarantee that funding will be approved during a particular call for projects. If no acceptable project is identified during a funding cycle, a subsequent call for projects will be scheduled at an appropriate time.

- Applicant must be eligible to receive M2 funding (established on an annual basis) to participate in this program
- Support recommendations from Transit System Study, OCTA Short Range Transit Plan, Go Local planning efforts and goals of the Sustainable Communities Strategy
- Supplement rather than supplant existing transit services and emphasize service to areas not served by transit
- Demonstrate local share of operations and maintenance funding for specific time horizon

- Demonstration of cost reasonableness for new bus stop improvements
- Agency must have a financial plan outlining a funding strategy for ongoing operations and maintenance (minimum of five years)
- The service operator is OCTA. Local agencies may propose an alternate service provider which will be considered at the discretion of OCTA
- Local agency will be required to enter into a cooperative funding agreement with OCTA
- All projects must include meeting ADA requirements, and these costs must be included in the project application
- Complete applications must be approved by the city council and partner jurisdictions prior to submittal to OCTA to demonstrate adequate community and elected official support for initial consideration
- Local agencies will be required to submit appropriate National Transit Database data to OCTA or local agency's operator must submit directly to the National Transit Database.

8.0 Application Process

Project V allocations are determined through a competitive application process. Local agencies seeking funding must complete a formal application and provide supporting documentation that will be used to fully evaluate the project proposal. An application for any proposed service must include a detailed funding/operations plan. Note that as described in Section 3.1, Project V funds are eligible for the development of a detailed funding/operations plan prior to submittal of an application for operation of the proposed service.

The project application for capital and operations and maintenance shall include, at a minimum, the following information:

- Project need, goals and objectives
- Project development and implementation schedule
- Funding plan (funding needs, match funding availability, operations funding assurances, and public-private partnership arrangements)
- Ongoing service and operations plan
- Operations and maintenance facility management
- Any additional information deemed relevant by the applicant
- Ridership Projection
- Coordination with existing services such as OCTA transit services, existing Project V services, Metrolink, I-Shuttle, Anaheim Transportation Network and/or Senior Mobility Program

The project application for planning for new projects shall include a scope of work for the proposed planning document requesting Project V funds. The scope must include project need and goals and objectives for the proposed or considered service.

Complete project applications must be submitted by the established due date to be eligible for consideration.

Applications will be reviewed by OCTA for consistency, accuracy, and concurrence. For applications completed in accordance with the program requirements, the projects will be scored, ranked and submitted to the Executive Committee, and the Board for consideration and funding approval. The process is expected to be concluded by June 30, 2016.

The final approved application (including funding plan) will serve as the basis for any funding agreement required under the program. The approved projects will be subject to the Comprehensive Transportation Funding Programs (CTFP) Guidelines for project delivery requirements.

9.0 Application Guidelines

Project selection is based upon merit utilizing a series of qualitative and quantitative criteria. Candidate projects are required to submit a financial plan with sufficient data to enable an adequate evaluation of the application. Each jurisdiction is provided broad latitude in formatting, content, and approach. However, key elements described below must be clearly and concisely presented to enable timely and accurate assessment of the project.

9.1 Financial Details

Each candidate project application must include all phases through construction of facilities. The financial plan will include, at a minimum, the following information:

- Estimated project cost for each phase of development (planning, environmental, permitting, design, right-of-way acquisition, equipment and vehicle acquisition, construction, and project oversight)
- Preliminary cost estimates for operations and maintenance should be coordinated with OCTA.
- Funding request for each phase of project implementation with match funding amounts and funding sources clearly identified
- Demonstrated financial commitments for match funding and ongoing operations
- Discussion of contingency planning for revenue shortfalls
- Revenue projections and methodology where commercial activity is expected to support implementation and/or operations costs
- Project readiness status
- Realistic project schedule for each project phase

9.2 Scoring Criteria

Specific selection criteria will be used to evaluate the competitive program project applications. Emphasis is placed on projects with firm financial commitments and overall project readiness as shown in the Project V scoring criteria. In addition, projects will be evaluated based upon ridership projections, areas served, cost effectiveness and local/regional benefits.

The formal application must include feasibility and efficacy components to demonstrate transportation benefit to ensure the selected project(s) meet the spirit

and intent of M2. Merit will be demonstrated through technical attributes and industry standard methodologies. The following data will be included and fully discussed in the application:

- Matching funds
- Level of commitment from non-applicant partners
- Operating cost per boarding for opening year
- Annualized cost per incremental passenger trip for opening year
- Project readiness including projected opening year and phase readiness
- Projected daily boardings with projection methodology fully presented
- Community connections; connections to fixed route bus and rail
- Planned employment densities per square mile for opening year
- Planned population densities per square mile for opening year
- Projected annual visitors served by seasonal route
- Other Local and Regional Benefits
- Agency experience

9.3 Other Application Materials

Supporting documentation will be required to fully consider each project application. In addition to the information described above, local agencies will be required to submit the following materials:

9.3.1 *Council Resolution*: A council resolution authorizing request for funding consideration with a commitment of project match funding (local sources) and operating funds as shown in the funding plan.

9.3.2 *Lease/Cost Sharing Agreements*: Copies of leases, sponsorship, and/or advertising revenue documents. Confidential agreements may be included for reference when accompanied by affidavit from city treasurer or finance director.

9.3.3 *Project Documentation*: If the proposed project has completed initial planning activities (such as project study report or equivalent, environmental impact report, or design), evidence of approval should be included with the application. Satisfactory evidence includes project approval signature page, engineer-stamped site plan, or other summary information to demonstrate completion or planning phases. The applicant will be asked for detailed information only if necessary to adequately evaluate the project application.

9.3.4 *Operations Plan*: In addition to the financial details indicated in 8.1, the operations plan submitted shall include the following technical data: a route map, draft time table, headways, stop location listing, summary of vehicle types and characteristics, speed profile, fleet size, and any other applicable supporting documentation.

10.0 Reimbursements

The planning, capital and marketing and outreach programs are administered on a reimbursement basis. Planning, capital and marketing and outreach reimbursements will be disbursed upon review and approval of a complete expense report, performance

report, and consistent with the cooperative funding agreement. Local agency revenues provided to OCTA for ongoing operating assistance will be in accordance with terms identified in the cooperative funding agreement. If the agency uses an operator other than OCTA, then operations will be administered on a reimbursement basis.

11.0 Project Cancellation

Projects deemed infeasible during the planning process will be cancelled and further expenditures will be prohibited except where necessitated to bring the current phase to a logical conclusion.

Cancelled projects will be eligible for re-application upon resolution of issues that led to original project termination.

12.0 Audits

All M2 payments are subject to audit. Local agencies must follow established accounting requirements and applicable laws regarding the use of public funds. Failure to submit to an audit in a timely manner may result in loss of future funding. Misuse or misrepresentation of M2 funding will require remediation which may include repayment, reduction in overall allocation, and/or other sanctions to be determined. Audits shall be conducted by the OCTA Internal Audit Department or other authorized agent either through the normal annual process or on a schedule to be determined by the OCTA Board.

Project V - Community-Based Transit/Circulators Scoring Criteria for Eligible Projects

A. Measure M2 Eligible	Yes	No
B. In Go Local planning and/or 2011 Transit Study, supports goals of Sustainable Communities Strategy	Yes	No
C. Minimum five-year operations and maintenance plan	Yes	No
D. Total project cost (information only)	\$ _____ (Capital)	

Financial Commitment/Partnership (15 points maximum)

Match Funding (Capital)	
≥50%	10 points
40% - 49%	8 points
30% - 39%	6 points
20% - 29%	4 points
11% - 19%	2 points

Level of Commitment from Non Applicant

Binding agreement	5 points
Commitment letter	2 points

Cost-Effectiveness (20 points)

Operating Cost per Boarding Opening Year	
<\$6.00	10 points
\$6.01 - \$8.99	8 points
\$9.00 - \$11.99	6 points
\$12.00 - \$15.00	4 points

Annualized Operating and Capital Cost per Boarding Opening Year

<\$7.00	10 points
\$7.01 - \$10.00	8 points
\$10.01 - \$13.00	6 points
\$13.01 - \$16.00	4 points
\$16.01 - \$20.00	2 points

Project Readiness (20 points)

Estimated Opening Year	
By 2017	10 points
By 2018	8 points
By 2019	4 points
By 2020	2 points

Phase Readiness

Planning and environmental complete	10 points
Right-of-way acquired or not applicable	5 points
Maintenance facilities available	1 point

Community Connections (Maximum 10 points)

Connectivity/Activity Centers Served by Project	
Senior center(s)	2 points
Schools	2 points
Retail centers	2 points
Major employment centers (over 250 persons)	2 point
Medical centers	2 points
Train stations	2 points

Fixed-Route Bus/Rail Connections (8 points)

Number of Fixed-Route Bus/Rail Connections (w/in 1/4 mile)	
≥8 connections	8 points
6 - 7 connections	6 points
3 - 4 connections	4 points
1 - 2 connections	2 points

Transit Usage (10 points)

Projected Average Daily Boardings (first year)	
>300	10 points
201 - 299	8 points
101 - 200	6 points
50 - 100	4 points

Local/Regional Benefit (15 points maximum)

Planned Employment Densities per Square Mile (within 1/4 mile of route) Opening Year	
>10,001	4 points
5,001 - 10,000	2 points
1,001 - 5,000	1 point

Planned Population Densities per Square Mile (within 1/4 mile of route) for Opening Year	
>7,000	4 points
4,001 - 7,000	2 points
501 - 4,000	1 point

Projected Annual Visitors Served by Seasonal Route (4 points)	
>500,000	4 points
250,000-100,000	3 points
249,000-100,000	2 points
99,000-50,000	1 points

Other Local and Regional Benefits (3 points)

Innovative service delivery model	1 point
Creative solutions to community needs	1 point
Combining local and regional resources	1 point

Agency Experience (2 points)

Currently Operated Community Based Service	
Shuttles or trolleys	1 point
Vans or community circulator	1 point

To: <baon@garden-grove.org>, <kbeard@garden-grove.org>, <chrisp@ci.garden-grove.ca.us>, <phatb@garden-grove.org>, <stevej@garden-grove.org>

Good Morning Garden Grove city council members,

Please take positive action to educate your constituents who are irresponsible pet owners. They are causing taxpayers money, your city

Money and unnecessary suffering to animals. I am sure you know Garden Grove has the 3rd largest amount of animals impounded at the 75 year Orange county animal shelter.

Notice this dog from Garden Grove is unneutered and eight years old. If she is not rescued, she will be killed. This is just one example.

Has your FOAB (Financial Operations Advisory Board) representative been keeping you advised of the status of a purported new shelter? If not, this Board may be a waste of taxpayers and city money.

91 closure 2016.pdf	Content-Type: application/pdf Content-Encoding: base64
----------------------------	---

SPECIAL ALERT

RIVERSIDE COUNTY TRANSPORTATION COMMISSION

#91steerclear

A full closure of eastbound and westbound 91 between the 71 and I-15 will occur from **Friday, February 19, 2016 at 9 pm to Monday, February 22, 2016 at 4 am.**

The 55-hour weekend closure of the 91 will allow crews to consolidate three major construction activities and help ensure the safety of project crews and motorists by eliminating the possibility of conflicts. In case of rainstorms or inclement weather, the closure will be postponed to the next weekend, weather permitting.

Because of the impact that a full closure will have on this heavily traveled roadway, motorists are urged to “steer clear” of the area during this closure. To minimize major travel delays and impacts during the closure, RCTC strongly recommends that motorists plan ahead, avoid travel in the area or stay home. Motorists traveling on the 91, the 71 or I-15 near the project area during the closure period can expect travel delays of three to four hours. If travel cannot be avoided, motorists can use the 57, 60 and I-10 as alternate routes.

For more detailed information, visit www.sr91project.info, call the helpline at 877-770-9191 or email sr91project@rctc.org

Hi Bao,

I'll follow-up with Pam Haddad on this first thing on Monday. I believe a City Council resolution is required to support the Convention on the Elimination of all forms of of Discrimination Against Women. We were waiting on feedback from Steve to see if he had interest in bringing this forward.

Hi! Maria,

You may remember me from a few weeks ago. I was there to meet Mayor Nguyen. He introduced us. I am following up to see if I can answer any questions regarding the resolution he wanted GG City Council to review.

I will call you tomorrow to see if I can help answer any questions. Passing a resolution is the easiest part.

Have a great rest of the afternoon.

Thank you

To: <baon@ci.garden-grove.ca.us>

To Mayor Bao Nguyen:

Hello, my name is Aaron Sulick. I am 22 years old and I live in Phillipsburg, New Jersey. I am a college student extremely interested in government and politics. I spend a lot of time researching different individuals who have played various roles in those areas. I have read a lot about you online and enjoyed learning about your career. I think it is great how you have served as Mayor of Garden Grove, California since 2015. I also read that you are the first Vietnamese-American mayor in Garden Grove's history (as well as its youngest), which I thought was quite interesting while I was researching your career.

If possible, could you please send me an autograph of yours (on a photo, a piece of stationery, a business card, etc.) to my address below? For a while now, I have been collecting autographs from those in government and politics, both past and present. It would be an honor to be able to add something signed of yours to my collection. I would appreciate it very much. Thank you for your time and consideration. Best wishes!

To: "Bao Nguyen (baon@ci.garden-grove.ca.us)" <baon@ci.garden-grove.ca.us>

Hi Bao. The good news is I get to keep up with all your events, community support and work with students through your Facebook page. I saw most recently you visited Adriana Alba's Mexican American Literature class. What a great opportunity!!

I have a huge favor that I was wondering if you could give me insight on. We were in our district facilities planning meeting and getting ready to have our memorial/dedication for Michael Monsoor the former Garden Grove High School student who was killed in the line of duty while in the Navy. We will be hosting this event to unveil the dedication of the Garden Grove High School stadium to him and his family on March 15th. Invitations will go out soon to invited dignitaries and guests like you. :-)

However, an ongoing issue that I have been trying to work with our facilities team on and they said they have been working with the city on is removing the very ugly chain link fence the city put up on the median of grass on Stanford that goes all the way down Stanford and basically blocks the school from the library and city buildings. It reminds me of West Side Story where they try to keep "those kids" out. It looks like we are trying to separate or keep GGHS and students apart from the city. We have been asking for a long time for the city to take the chain link fence down but with no luck. Now that we have a very important VIP event in front of the school with military guests, Assemblyman, Orange County veterans council and the family of Michael Monsoor, we don't want everyone to see a long huge chain link fence along Stanford. It detracts from the beauty of the school and just doesn't look like the Garden Grove way.

The committee said since I worked with you and know you to try as a last effort to see if you can help us. We just want the chain link fence down. It was put up I believe to stop students from walking across the street but the principal Steve Osborne has assured us we will continue to have staff out there to monitor the cross walk areas.

If there is any help or assistance you can give us we all would appreciate it. You can call Steve, me or Margie Brown our Facilities Director any time to work with you on this.

Thanks again for listening,

Kelly

Subject: City Council Meeting Feb 23, 2016 - item 10b.

Sent: Mon, Feb 22, 2016 8:20:11 PM

Hi,

My name is Andy Ngo. I am a residence of City of Garden Grove. As for the next City Council Meeting on February 23, 2016; I would like to make a comment on the Meeting Agenda item 10b Excerpt from the Agenda:

"10.b. Discussion regarding letter of support for the City of Westminster and the City of Garden Grove's Project V application to OCTA for a new shuttle route in the Little Saigon area, as requested by the City Manager."

My comment is as follow:

I am in support of this Project V. However, Garden Grove Boulevard. was not including in the new shuttle route. City of Garden Grove is benefits financial from 2 business communities, Vietnamese community and Korean community. Garden Grove Blvd is a main business corridor of the Korean community. I think if you include Garden Grove Boulevard into the new shuttle bus route this will be an international recognition for tourist destination, including ease of traffic congestion for residences, and an environment friendly project

Please include Garden Grove Boulevard route from Westminster Avenue to Brookhurst Street in to your "City of Garden Grove Project V" application to OCTA

Thank You for your consideration.

Sincerely,

Andy Ngo

To: "baon@ci.garden-grove.ca.us" <baon@ci.garden-grove.ca.us>

Mayor Bao

Again the city has a open position on the planning commission. The agenda for tomorrow's council meeting has no mention of nominating an appointee. As a concerned citizen I find this upsetting such an important issue is not being addressed with the urgency it deserves. The recent request for applications to fill this position should have given viable applicants to expedite this process. With all the current and future development in the city I feel no need to reiterate the importance of a varied voices representing the people of garden grove in this process to the council. Let this please be taken care of soon.

We were in our district facilities planning meeting and getting ready to have our memorial/dedication for Michael Monsoor the former Garden Grove High School student who was killed in the line of duty while in the Navy. We will be hosting this event to unveil the dedication of the Garden Grove High School stadium to him and his family on March 15th. Invitations will go out soon to invited dignitaries and guests like you. :-)

However, an ongoing issue that I have been trying to work with our facilities team on and they said they have been working with the city on is removing the very ugly chain link fence the city put up on the median of grass on Stanford that goes all the way down Stanford and basically blocks the school from the library and city buildings. It reminds me of West Side Story where they try to keep "those kids" out. It looks like we are trying to separate or keep GGHS and students apart from the city. We have been asking for a long time for the city to take the chain link fence down but with no luck. Now that we have a very important VIP event in front of the school with military guests, Assemblyman, Orange County veterans council and the family of Michael Monsoor, we don't want everyone to see a long huge chain link fence along Stanford. It detracts from the beauty of the school and just doesn't look like the Garden Grove way.

The committee said since I worked with you and know you to try as a last effort to see if you can help us. We just want the chain link fence down. It was put up I believe to stop students from walking across the street but the principal Steve Osborne has assured us we will continue to have staff out there to monitor the cross walk areas.

If there is any help or assistance you can give us we all would appreciate it. You can call Steve, me or Margie Brown our Facilities Director any time to work with you on this.

Thanks again for listening,

Kelly

Hi Pam,

I was wondering if there was any way to get The Lamp Lighter Luncheon and Fashion Show event on the city calendar? I tried using the link but it will only accept events in Garden Grove. Our guild is a Garden Grove Guild, but our event is at The Anaheim White House. Any help or suggestion is appreciated!

Thank you so much!

Hi Bao,

Thank you for cc'ing Pam on my email. As soon as I get more info, I'll send it to you both.

We do have a website, however, the event is not listed yet, it'll take approximately 10 days to get it on our page. CHOC Foundation manages the Guild sites, so we are at their mercy J
<http://www.choc.org/giving/guilds/lamp-lighter-guild/>

We do have a Facebook page that I admin and I try to post as much as I can, do a search for **CHOC Children's Lamp Lighter Guild** and you should find our page and LIKE us J I will start promoting the event as soon as we iron out a few more details....

Again, thank you for agreeing to participate.

Hi Bao,

It was so nice to see you this evening and chat a little, thanks for all you do for our City!!

I am so happy that you will be able to attend the luncheon and participate in the Fashion Show and I am beyond happy with your offer to help with press, etc. regarding our event. This means a lot to me and our Guild.

Below is all the info regarding the luncheon and fashion show:

Lamp Lighter Guild Luncheon and Fashion Show

- Ø Monday, May 2
- Ø Anaheim White House
- Ø 11:30a-2:00p

Specifics regarding the fashion show have not been worked out completely; we are still working out the details. As soon as we have more info, I'll let you know.

Please have Pam contact me with any questions or I can contact her, however, I don't have her contact info. She can contact me via email or cell phone, 714-333-7128.

Again, thank you for your help and willingness to participate!!

Andrea

Hi Bao,

I just wanted to introduce you to our new Orange County Regional Director, Sylvia Kim.

I know you're pretty busy right now, but I was wondering if you and Hugh had any time to meet with her in the next few weeks. She is doing a round of meet and greets to important people in the county.

Please let her know when you can and hope you are doing well.

Jacqueline

To: "baon@ci.garden-grove.ca.us" <baon@ci.garden-grove.ca.us>

Dear Mr. Nguyen,

My name is Jamie Pham, I work with Boys & Girls Clubs of Garden Grove, I am e-mailing in hopes that you can help me recognize our AmeriCorps members. These AmeriCorps members commit themselves to serve our organization and community a minimum of 1700 hours in 11 months. AmeriCorps is a nation-wide program, and we are lucky enough to have 4 of our very own AmeriCorps members.

All organizations that have AmeriCorps members are reaching out to their local mayor to help us recognize them for all they do in our community. I know your schedule is busy, but we would appreciate it if you could have a lunch with us in April to help us recognize and thank our members for everything they have done. Thank you for your time, I look forward to hearing from you soon.

Best,
Jamie Pham

To: Bao Nguyen <baon@ci.garden-grove.ca.us>

No issue other than the chain link fence was put up and we didn't know. Then we asked to have it down but the city said it was a way to stop students from crossing on Stanford instead of putting a traffic light. They said the traffic light was too much money. We understood that. They said the fence would come down after strawberry festival but it hasn't. All we want to do is have it come down because it's not our fence and then have our facilities team build and install the pretty fencing / median like the picture. That way we are helping to curb jay walking and have student safety but in a community friendly nice visible structure. ;-)

Dear Mayor Bao Nguyen,

My name is Johnny Le, and I am considering to go towards the political science field. I am in the Health Academy in Westminster High School. I would like to have information on your view as a politician on health care or the medical field for the betterment of our people.

Also on the pain and hardship that people are going through just for basic health care to stay healthy throughout his or her potential life. A good majority of Americans are paying a high price for basic health care. When high price is suppose to be paid for advance health care or insurance.

Also many Americans are paying for drugs that could save their lives, but they can't afford it since drugs are now \$500 to \$1,000+ a month to take. For an example, HIV patients has to pay about \$700-\$1,000 for one pill to prevent HIV from getting worst in their daily lives. There are many corrupt industries or companies not willing to cut down the amount of drug prices or the cost of insurance.

So I would like to know from your views, and plans to fight these problems. I hope this conversation will lead me to use it to advocate for less prices on drugs and healthcare when I become more eligible to run for a seat in the senate or any government seat. Not just me, but I would also like to know how you can help students like me to help our community to stop these high drug prices from rising or from getting into the American people's bills. I would like to know about your perspective to show students like me, so that they can take on your job to advocate into these topics.

Thank you for your time to read this email. Your help is greatly appreciated, and as a Mayor from Garden Grove.

Sincerely,
Johnny Le

Subject: Parking information--Holocaust Art & Writing Contest on Friday, March 4

Greetings, distinguished guests.

We are delighted that you will be able to join us for the 17th Annual Holocaust Art & Writing Contest Awards Ceremony at Chapman University on Friday, March 4.

For your convenience I am attaching an electronic visitor parking permit which you must print and place directly on your dashboard. We kindly request that you park in the Lastinger underground structure (LA on the attached campus map) located off Glassell and Walnut Ave. If the Lastinger structure is full, alternative parking is available in the Barrera structure located behind the Law School off Glassell and Sycamore.

VIP registration and check-in begins at 10:30 a.m. In the Memorial Hall lobby (building #30 on the attached campus map). We will have greeters stationed in the lobby area to welcome you to the ceremony and escort you to the reserved seating section in front. Our program begins promptly at 11 a.m. and will be followed by an informal reception on the Bert Williams Mall which should conclude around 2:00 p.m.

Please feel free to contact me directly if you have any additional questions or concerns.

We look forward to welcoming you to our campus next week for what should be a truly memorable occasion.

Regards,

Ashley

On Feb 22, 2016, at 12:26 PM, Kelly McAmis <kmcamis@ggusd.us> wrote:

Hi Bao. The good news is I get to keep up with all your events, community support and work with students through your Facebook page. I saw most recently you visited Adriana Alba's Mexican American Literature class. What a great opportunity!!

I have a huge favor that I was wondering if you could give me insight on. We were in our district facilities planning meeting and getting ready to have our memorial/dedication for Michael Monsoor the former Garden Grove High School student who was killed in the line of duty while in the Navy. We will be hosting this event to unveil the dedication of the Garden Grove High School stadium to him and his family on March 15th. Invitations will go out soon to invited dignitaries and guests like you. :-)

However, an ongoing issue that I have been trying to work with our facilities team on and they said they have been working with the city on is removing the very ugly chain link fence the city put up on the median of grass on Stanford that goes all the way down Stanford and basically blocks the school from the library and city buildings. It reminds me of West Side Story where they try to keep "those kids" out. It looks like we are trying to separate or keep GGHS and students apart from the city. We have been asking for a long time for the city to take the chain link fence down but with no luck. Now that we have a very important VIP event in front of the school with military guests, Assemblyman, Orange County veterans council and the family of Michael Monsoor, we don't want everyone to see a long huge chain link fence

along Stanford. It detracts from the beauty of the school and just doesn't look like the Garden Grove way.

The committee said since I worked with you and know you to try as a last effort to see if you can help us. We just want the chain link fence down. It was put up I believe to stop students from walking across the street but the principal Steve Osborne has assured us we will continue to have staff out there to monitor the cross walk areas.

If there is any help or assistance you can give us we all would appreciate it. You can call Steve, me or Margie Brown our Facilities Director any time to work with you on this.

Thanks again for listening,

Kelly

No issue other than the chain link fence was put up and we didn't know. Then we asked to have it down but the city said it was a way to stop students from crossing on Stanford instead of putting a traffic light. They said the traffic light was too much money. We understood that. They said the fence would come down after strawberry festival but it hasn't. All we want to do is have it come down because it's not our fence and then have our facilities team build and install the pretty fencing / median like the picture. That way we are helping to curb jay walking and have student safety but in a community friendly nice visible structure. ;-)

Hi, Scott,

I'd like to connect you with Kelly McAmis, assistant superintendent of secondary education, GGUSD. Kelly is also a proud Garden Grove city resident in addition to being an education expert. I'd like us to work together to remove the chain link fence on the median on Stanford between Garden Grove High School and the CMC/Senior Center. Kelly is cc'd.

I hope the city and school district will collaborate to remove the fence and replace it with a more aesthetic fence, especially because it's our civic center and our city's namesake high school is very much a part of our civic center and community.

It is my understanding that the school district is willing to assist with building and installing a more aesthetic fence. I hope we can remove the fence as soon as possible. I want to have a beautiful civic center again, before welcoming dignitaries to our city for the dedication and renaming of Grove Grove High School stadium after Michael Monsoor, our local hero who was posthumously awarded the Medal of Honor. And having the chain link fence removed and replaced with a beautifully constructed fence before the reopening of our CMC and 60th year anniversary events would be the icing on the cake.

Kelly is a good neighbor and model city resident, so I know she is eager to work with us. Please connect and happy collaborating!

Thanks,
Bao

> Red Ribbon Week will take place during the week of 23 to 31 October 2015 and the Tustin Young Marines are looking for your support in issuing a proclamation as we will be actively participating in this nationally recognized illicit drug awareness event. You can assist us in publicizing and promoting this week by issuing a proclamation that boldly declares our support and commitment in the fight against illegal drugs and those that promote their use.

> We have young marines in our unit from several different cities in Orange County.

>

>

>

> The mission of the Young Marine program is to develop good citizenship and promote a healthy, drug-free lifestyle in our youth. Drug awareness and education are vital and key elements in the Young Marine's fight against illicit drug use and trafficking in our communities. To win this war on drugs, we must reduce the demand for illicit drugs and one of the best ways to accomplish this mission is through education and awareness. Red Ribbon Week is an

excellent opportunity to promote illicit drug Awareness and we hope that you will join with us in this campaign. Young Marines will actively and aggressively participate in the Red Ribbon Week campaign. Having our Mayor's support in this Young Marine project will greatly assist us in getting our anti-drug message out. In addition to showing your support with your proclamation, your participation by wearing a red ribbon is even more important. I will be sending red ribbons for you and some of your staff. Please wear your ribbon, show your support, and let's work together to rid our communities of illicit drug use and those that traffic and profit from them The Young Marine program is having a positive impact in our youth and our communities; we are developing responsible citizenship in our youth.

YM GtSgt Smith Article.pdf	Content-Type: application/pdf Content-Encoding: base64
-----------------------------------	---

I Was Working For More Than Just A Piece of Paper

By YM/Cpl Jake Flynn
Upstate (SC)

Each year we celebrate Red Ribbon Week, and each year I speak to a local elementary school on the importance of living a drug-free lifestyle. I speak from that heart, hoping that my message to the students I encounter is clear and something they will remember.

This year I decided that I would seek a proclamation from the city where I live and go to school. So, I requested a proclamation for the City of Easley, SC from Mayor Bagwell. In my request, I told him about Young Marines, our beliefs, our

mission, and why Red Ribbon Week was important to me and the community.

I was able to receive the proclamation, just as many other Young Marines do each year; However, this was not just a piece of paper to me. It was a learning experience. It was a chance to be involved on a larger scale with my community. I believe in everything that the Young Marines do to promote Red Ribbon Week, but this year, I understood that the words on the paper were important in bringing together young people and city leaders to address the nation's drug problem and bring awareness. If I were not involved in the Young Marines, I may have never spoken out on behalf of the youth of my city. It was an honor and an unforgettable experience.

Self-Respect: A Key Part of Living a Drug-Free Lifestyle

By YM/SSgt Tyler Smith
Chino Valley (CA)

Self-respect is very important, and something everyone should have. I believe that for many teenagers, self-respect is something they struggle to find. When you are young, you try so hard to fit in or be accepted by your peers that you'll do anything at all, even drugs, in order to fit in. Often, you forget about the values that matter, and if you lose sense of these values, it's difficult to have self-respect.

This year, as units across the nation participated in Red Ribbon week activities, I brought an idea to my dad and with his help, we began working on implementing the idea.

When this project started, I was with the Tustin (CA) unit and within the unit, there are Young Marines from many different cities. My idea was to contact each mayor of each city that our Young Marines represent and ask the mayor to

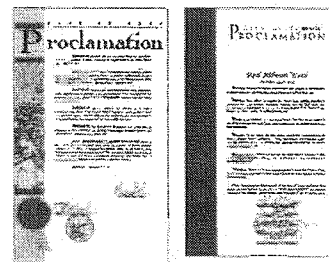

support us with a proclamation. We saw each mayor and their cities learning about our efforts at "Closing the Gate on Drugs".

By the end of Red Ribbon Week, we were able to get the following mayors and their cities to support the Young Marines with their proclamations: Mayor Tait, City of Anaheim; Mayor Brown, City of Buena Park; Mayor Simonoff, City of Brea; Mayor Mensinger, City of Costa Mesa; Mayor Nguyen, City of Garden Grove; Mayor Pulido, City of Santa Ana; Mayor Puckett, City of Tustin; Mayor Ta, City of Westminster; Mayor Hernandez, City of Yorba Linda.

For me, I'll always remember attending these city council meetings and personally receiving the proclamations. It showed me that our public officials are willing to make a difference in the war against drugs.

It was a pleasure to stand together with my fellow Young Marines, not only

in my unit but across the nation in honoring Enrique "Kiki" Camerena; his sacrifice was the reason why Red Ribbon Week began. Since then, I'm now with the Chino Valley (CA) Young Marines. This unit worked very hard in putting together a video that is very moving; The video can be seen on YouTube: Chino Valley Young Marines Red Ribbon Week Project (*Be a Hero not a Zero*). I hope that everyone will view it. So, respect yourselves and continue to live a drug free lifestyle.

Just two of many proclamations from communities in California.

OPSO YMs Receive a Proclamation

Last November was special for the Orleans Parish Young Marines, who were presented with a Proclamation for excellence in drug prevention and youth services by the City of New Orleans. This was presented by Julius Feltus, Senior Advisor for community relations, to Latoya Cantrell, Council Member, District B.

Our Young Marines and staff were very motivated after receiving Proclamation from Mr. Feltus and the City Of New Orleans as proof positive that we are contributing to our community.

> Red Ribbon Week will take place during the week of 23 to 31 October 2015 and the Tustin Young Marines are looking for your support in issuing a proclamation as we will be actively participating in this nationally recognized illicit drug awareness event. You can assist us in publicizing and promoting this week by issuing a proclamation that boldly declares our support and commitment in the fight against illegal drugs and those that promote their use. We have young marines in our unit from several different cities in Orange County.

>

>

>
> The mission of the Young Marine program is to develop good citizenship and promote a healthy, drug-free lifestyle in our youth. Drug awareness and education are vital and key elements in the Young Marine's fight against illicit drug use and trafficking in our communities. To win this war on drugs, we must reduce the demand for illicit drugs and one of the best ways to accomplish this mission is through education and awareness. Red Ribbon Week is an excellent opportunity to promote illicit drug Awareness and we hope that you will join with us in this campaign. Young Marines will actively and aggressively participate in the Red Ribbon Week campaign. Having our Mayor's support in this Young Marine project will greatly assist us in getting our anti-drug message out. In addition to showing your support with your proclamation, your participation by wearing a red ribbon is even more important. I will be sending red ribbons for you and some of your staff. Please wear your ribbon, show your support, and let's work together to rid our communities of illicit drug use and those that traffic and profit from them The Young Marine program is having a positive impact in our youth and our communities; we are developing responsible citizenship in our youth.

Subject: Parking information--Holocaust Art & Writing Contest on Friday, March 4

Greetings, distinguished guests.

We are delighted that you will be able to join us for the 17th Annual Holocaust Art & Writing Contest Awards Ceremony at Chapman University on Friday, March 4.

For your convenience I am attaching an electronic visitor parking permit which you must print and place directly on your dashboard. We kindly request that you park in the Lastinger underground structure (LA on the attached campus map) located off Glassell and Walnut Ave. If the Lastinger structure is full, alternative parking is available in the Barrera structure located behind the Law School off Glassell and Sycamore.

VIP registration and check-in begins at 10:30 a.m. In the Memorial Hall lobby (building #30 on the attached campus map). We will have greeters stationed in the lobby area to welcome you to the ceremony and escort you to the reserved seating section in front. Our program begins promptly at 11 a.m. and will be followed by an informal reception on the Bert Williams Mall which should conclude around 2:00 p.m.

Please feel free to contact me directly if you have any additional questions or concerns.

We look forward to welcoming you to our campus next week for what should be a truly memorable occasion.

Regards,
Ashley

Hi, Scott,

I'd like to connect you with Kelly McAmis, assistant superintendent of secondary education, GGUSD. Kelly is also a proud Garden Grove city resident in addition to being an education expert. I'd like us to work together to remove the chain link fence on the median on Stanford between Garden Grove High School and the CMC/Senior Center. Kelly is cc'd.

I hope the city and school district will collaborate to remove the fence and replace it with a more aesthetic fence, especially because it's our civic center and our city's namesake high school is very much a part of our civic center and community.

It is my understanding that the school district is willing to assist with building and installing a more aesthetic fence. I hope we can remove the fence as soon as possible. I want to have a beautiful civic center again, before welcoming dignitaries to our city for the dedication and renaming of Grove Grove High School stadium after Michael Monsoor, our local hero who was posthumously awarded the Medal of Honor. And having the chain link fence removed and replaced with a beautifully constructed fence before the reopening of our CMC and 60th year anniversary events would be the icing on the cake.

Kelly is a good neighbor and model city resident, so I know she is eager to work with us. Please connect and happy collaborating!

Thanks,
Bao

Their both pdf files, maybe that's why you couldn't open them. If you need me to print them, I will. Just let me know. Thanks.

Mayor,

I also copied the info below into your calendar. But the parking permit is attached as well as a map. Thanks.

Subject: Parking information--Holocaust Art & Writing Contest on Friday, March 4

Greetings, distinguished guests.

We are delighted that you will be able to join us for the 17th Annual Holocaust Art & Writing Contest Awards Ceremony at Chapman University on Friday, March 4.

For your convenience I am attaching an electronic visitor parking permit which you must print and place directly on your dashboard. We kindly request that you park in the Lastinger underground structure (LA on the attached campus map) located off Glassell and Walnut Ave. If the Lastinger structure is full, alternative parking is available in the Barrera structure located behind the Law School off Glassell and Sycamore.

VIP registration and check-in begins at 10:30 a.m. In the Memorial Hall lobby (building #30 on the attached campus map). We will have greeters stationed in the lobby area to welcome you to the ceremony and escort you to the reserved seating section in front. Our program begins promptly at 11 a.m. and will be followed by an informal reception on the Bert Williams Mall which should conclude around 2:00 p.m.

Please feel free to contact me directly if you have any additional questions or concerns.

We look forward to welcoming you to our campus next week for what should be a truly memorable occasion.

Regards,
Ashley

Hi Bao,

Thank you so much for your quick response! Unfortunately 3/9 is the one day I am completely booked up with meetings in LA. I'm so sorry but is there any other time you would have that week? I am available all day anytime on 3/10 and 3/11 and also available in the morning on 3/7.

Thanks again and I am very excited to meet you in person!
Sylvia

Hi Bao,

I just wanted to introduce you to our new Orange County Regional Director, Sylvia Kim.

I know you're pretty busy right now, but I was wondering if you and Hugh had any time to meet with her in the next few weeks. She is doing a round of meet and greets to important people in the county.

Please let her know when you can and hope you are doing well.

Jacqueline

Subject: Re: Planning commission
From: Bao Nguyen <baon@ci.garden-grove.ca.us>
Date: Tue, 23 Feb 2016 12:16:56 -0800 (PST)
To: Dale Soeffner <dsoeffner@msn.com>

Dear Mr. Soeffner,

Thanks for writing to me to express your concern. I assure you that it's also a priority of mine and we will have it on the next agenda. Unfortunately, I didn't get the qualified list from our clerk until yesterday, after she checked the voter registration status of each applicant. Thank you.

Yours truly,
Bao Nguyen
Mayor of Garden Grove, California

On Feb 22, 2016, at 2:00 PM, Dale Soeffner <dsoeffner@msn.com> wrote:

Mayor Bao

Again the city has a open position on the planning commission. The agenda for tomorrow's council meeting has no mention of nominating an appointee. As a concerned citizen I find this upsetting such an important issue is not being addressed with the urgency it deserves. The recent request for applications to fill this position should have given viable applicants to expedite this process. With all the current and future development in the city I feel no need to reiterate the importance of a varied voices representing the people of garden grove in this process to the council. Let this please be taken care of soon.

Subject: Re: UNAVSA Keynote Invitation, Th 7/21 - Sun 7/24 2nd REQUEST

Hi!

I understand the confusion! I actually emailed Bao Nguyen on January 11th, but I never received a response from him. I know that he is very busy and cannot look through each and every individual email so the following week, I called his office every two or three days but the lines were always busy. I actually got into contact with another woman at that time, who said she would leave him a message. I waited, and did not receive a response. Luckily, I found your number, and was able to get in contact with you.

I was very interested in pursuing Bao Nguyen as a keynote speaker, but the programming committee from UNAVSA can only find three keynote speakers. We were actively seeking speakers every week, and the committee members were able to locate their own. A week ago, I had already confirmed with another speaker. With that being said, we had to proceed along to meet deadlines in this planning process.

I think he's a great and impactful individual in our community, so I hope he seeks more involvement with UNAVSA. There are many ways to get involved such as being a workshop presenter, or being a part of the Resource Fair. The possibilities are endless, and I think that he would be a great in each and every role. I do strongly believe he would find the organization very beneficial because it has been empowering and inspiring young Vietnamese-Americans across the nation for nearly thirteen years now, and in return, the attendees would benefit from great his life experience and career. I'm honestly beyond ecstatic to hear that he's interested in learning more about the organization since he's taking huge steps in progressing our Vietnamese-American community, so I hope we can continue that discussion and interest.

I hope you understand. I can answer any questions from you or from Bao Nguyen as well!

Thank you so much,

Natalie Doan-Dunnum

Subject: Re: UNAVSA Keynote Invitation, Th 7/21 - Sun 7/24 2nd REQUEST

Dear Pam,

Thank you so much for responding. We are honored that Bao Nguyen is interested in seeking more information about UNAVSA. However due to his late response, and the planning schedule — we had to proceed with another keynote speaker. If Bao Nguyen is still interested in UNAVSA and hosting a workshop, he can apply to be a presenter because we would still love to have him.

Unfortunately, we can no longer extend the keynote speaker invitation for this year's conference but we sincerely hope Bao Nguyen is still interested in UNAVSA, and its' mission to empower young Vietnamese-American leaders across the country.

Kind Regards,
Natalie Doan-Dunnum

Subject: UNAVSA Keynote Invitation

Hello,

It was nice speaking to you on the phone this morning, and I appreciate your help in giving this invitation to Bao Nguyen.

"Dear Bao Nguyen,

I hope this finds you well. My name is Natalie Doan-Dunnum, and I am currently serving as a member of the Programming Committee for the UNAVSA-13 (Union of North American Vietnamese Student Associations) Leadership Conference. After being held in twelve different cities in the past twelve years, this year's conference will be held in Boston, Massachusetts from Thursday, July 21 to Sunday, July 24, 2016. UNAVSA has brought Vietnamese youth together within the United States and Canada with one shared goal: to progress the North American Vietnamese community by empowering the next generation of Vietnamese leaders.

We would like to formally invite you to be one of our keynote speakers at this year's conference. In the past, we have had the pleasure of having exceptional keynote speakers such as Elizabeth Dinh, a reporter from CBS 11 News in Dallas-Fort Worth, and Cuc Vu, the Director of the Office of Immigrant and Refugee Affairs in Seattle. Our attendees have thoroughly enjoyed the keynotes we have featured in the past, while simultaneously gaining inspiration and motivation from their personal stories. UNAVSA and I believe you have valuable insight and knowledge to share with our attendees from both a professional and personal standpoint.

UNAVSA is a non-profit organization comprised of over 200 Vietnamese Student Associations across North America. Our mission is to empower the next generation of Vietnamese leaders with a passion for service, propensity for leadership, and self-awareness with the intent of advocating for progress in the North American Vietnamese community. UNAVSA proudly hosts a continental leadership conference every year that aims to inspire and motivate students and young professionals to be leaders within their respective North American Vietnamese communities. Our conference focuses on personal growth, cultural awareness, leadership development, and a family-like atmosphere for the attendees. We hope that empowering our attendees as individuals will lead to positive changes in Vietnamese communities across the United States and Canada.

Stemming from our mission, the theme for this year's conference is "Light the Way." We're aiming to create an experience for our attendees that brings to mind the leaders who have helped them grow and develop. At the same time, we want to encourage them to be a beacon of growth for others in their life and their community. UNAVSA is proud to have produced hundreds of passionate leaders, who are not only the light for others, but are charting new developments within our community.

We feel you demonstrate lighting the way of your career. With all of these goals in mind, we would be honored to have you as a keynote speaker for our thirteenth annual leadership conference this upcoming July.

Please feel free to contact me with any questions, comments, or concerns through natalie.doandunnum@unavsa.org or [919-641-5911](tel:919-641-5911). Thank you for your time, and I look forward to hearing from you soon!

Kind Regards,
Natalie Doan-Dunnum"

Thank you so much once again! I look forward to speaking to you in the future. Best,
Natalie Doan-Dunnum

Subject: Phone Interviews to be Scheduled In Preparation For Council Retreat

From: Maria Stipe <marias@ci.garden-grove.ca.us>

Date: Tue, 23 Feb 2016 15:35:11 -0800 (PST)

CC: Scott Stiles <sstiles@ci.garden-grove.ca.us>, Pam Haddad <pamha@ci.garden-grove.ca.us>

Mayor and City Council Members,

As you know, we have scheduled a City Council Priority Setting/Planning Retreat for Friday, March 11, 8:00 am -3:00 pm at the Sheraton Hotel. Nancy Hetrick, Senior Manager, with Management Partners will be working with us to facilitate the meeting. Nancy would like to schedule a short phone interview with each of you to get your initial thoughts regarding what you see as priorities for the upcoming fiscal year. She will be reaching out to you in the next several days. The information you share will be integrated into a discussion presentation similar to the format used last year. At the end of the planning meeting, we hope to identify an approved list of City Council priorities that staff will subsequently develop into a strategic action plan for FY 2016-17. I have attached an updated copy of the current strategic plan for your reference.

Please call or email me or Scott if you have any questions. (Members of the Council have been blind copied.)

Maria

Subject: Re: UNAVSA Keynote Invitation, Th 7/21 - Sun 7/24 2nd REQUEST
From: Bao Nguyen <baon@ci.garden-grove.ca.us>
Date: Tue, 23 Feb 2016 15:47:08 -0800 (PST)
To: Pam Haddad <pamha@ci.garden-grove.ca.us>

No big deal. Thanks.

On Feb 23, 2016, at 1:12 PM, Pam Haddad <pamha@ci.garden-grove.ca.us> wrote:

Sorry for the confusion. I received the email from you on 1/28. But for future reference, my direct email and contact info is pamha@ci.garden-grove.ca.us and 714-741-5104. I don't know how you could ever get a busy signal, as our phones roll to voice mail when we are on them or when we are away from the desk. But no matter. You have my info correctly in case you want to invite the Mayor in the future.

Hi!

I understand the confusion! I actually emailed Bao Nguyen on January 11th, but I never received a response from him. I know that he is very busy and cannot look through each and every individual email so the following week, I called his office every two or three days but the lines were always busy. I actually got into contact with another woman at that time, who said she would leave him a message. I waited, and did not receive a response. Luckily, I found your number, and was able to get in contact with you.

I was very interested in pursuing Bao Nguyen as a keynote speaker, but the programming committee from UNAVSA can only find three keynote speakers. We were actively seeking speakers every week, and the committee members were able to locate their own. A week ago, I had already confirmed with another speaker. With that being said, we had to proceed along to meet deadlines in this planning process.

I think he's a great and impactful individual in our community, so I hope he seeks more involvement with UNAVSA. There are many ways to get involved such as being a workshop presenter, or being a part of the Resource Fair. The possibilities are endless, and I think that he would be a great in each and every role. I do strongly believe he would find the organization very beneficial because it has been empowering and inspiring young Vietnamese-Americans across the nation for nearly thirteen years now, and in return, the attendees would benefit from great his life experience and career. I'm honestly beyond ecstatic to hear that he's interested in learning more about the organization since he's taking huge steps in progressing our Vietnamese-American community, so I hope we can continue that discussion and interest.

I hope you understand. I can answer any questions from you or from Bao Nguyen as well!

Thank you so much,

Natalie Doan-Dunnum

Dear Pam,

Thank you so much for responding. We are honored that Bao Nguyen is interested in seeking more information about UNAVSA. However due to his late response, and the planning schedule — we had to proceed with another keynote speaker. If Bao Nguyen is still interested in UNAVSA and hosting a workshop, he can apply to be a presenter because we would still love to have him.

Unfortunately, we can no longer extend the keynote speaker invitation for this year's conference but we sincerely hope Bao Nguyen is still interested in UNAVSA, and its' mission to empower young Vietnamese-American leaders across the country.

Kind Regards,

Natalie Doan-Dunnum

Subject: UNAVSA Keynote Invitation

Hello,

It was nice speaking to you on the phone this morning, and I appreciate your help in giving this invitation to Bao Nguyen.

"Dear Bao Nguyen,

I hope this finds you well. My name is Natalie Doan-Dunnum, and I am currently serving as a member of the Programming Committee for the UNAVSA-13 (Union of North American Vietnamese Student Associations) Leadership Conference. After being held in twelve different cities in the past twelve years, this year's conference will be held in Boston, Massachusetts from Thursday, July 21 to Sunday, July 24, 2016. UNAVSA has brought Vietnamese youth together within the United States and Canada with one shared goal: to progress the North American Vietnamese community by empowering the next generation of Vietnamese leaders.

We would like to formally invite you to be one of our keynote speakers at this year's conference. In the past, we have had the pleasure of having exceptional keynote speakers such as Elizabeth Dinh, a reporter from CBS 11 News in Dallas-Fort Worth, and Cuc Vu, the Director of the Office of Immigrant and Refugee Affairs in Seattle. Our attendees have thoroughly enjoyed the keynotes we have featured in the past, while simultaneously gaining inspiration and motivation from their personal stories. UNAVSA and I believe you have valuable insight and knowledge to share with our attendees from both a professional and personal standpoint.

UNAVSA is a non-profit organization comprised of over 200 Vietnamese Student Associations across North America. Our mission is to empower the next generation of Vietnamese leaders with a passion for service, propensity for leadership, and self-awareness with the intent of advocating for progress in the North American Vietnamese community. UNAVSA proudly hosts a continental leadership conference every year that aims to inspire and motivate students and young professionals to be leaders within their respective North American Vietnamese communities. Our conference focuses on personal growth, cultural awareness, leadership development, and a family-like atmosphere for the attendees. We hope that empowering our attendees as individuals will lead to positive changes in Vietnamese communities across the United States and Canada.

Stemming from our mission, the theme for this year's conference is "Light the Way." We're aiming to create an experience for our attendees that brings to mind the leaders who have helped them grow and develop. At the same time, we want to encourage them to be a beacon of growth for others in their life and their community. UNAVSA is proud to have produced hundreds of passionate leaders, who are not only the light for others, but are charting new developments within our community.

We feel you demonstrate lighting the way of your career. With all of these goals in mind, we would be honored to have you as a keynote speaker for our thirteenth annual leadership conference this upcoming July.

Please feel free to contact me with any questions, comments, or concerns through natalie.doandunnum@unavsa.org or [919-641-5911](tel:919-641-5911) . Thank you for your time, and I look forward to hearing from you soon!

Kind Regards,
Natalie Doan-Dunnum"

Thank you so much once again! I look forward to speaking to you in the future. Best,
Natalie Doan-Dunnum

MAYOR'S REMARKS
H. LOUIS LAKE SENIOR CENTER
40TH ANNIVERSARY CELEBRATION

Wednesday, Feb. 24, 2016; 10:00 a.m.
H. Louis Lake Senior Center Dining Room
11300 Stanford Avenue

- Good morning, everyone.
- Today is a very special day for Garden Grove. A day to celebrate the 40th anniversary of the H. Louis Lake Senior Center.
- Since 1976, the center has been a welcoming place for local seniors to enjoy a better quality of life.
- From free to low-cost health education opportunities; fun activities including exercise classes, holiday parties, and field trips; to most importantly, lasting friendships.
- In a way, this is a community in itself, made up of unique individuals who come together to stay active and social.

-more-

- The programs and services offered at the center help seniors find new vitality in life.
- It's a safe and friendly haven that serves many different people from a variety of backgrounds and cultures.
- Over the past 40 years, the Senior Center has built a reputation for itself in the community.
- Today, the center serves an average of 175 to 200 seniors daily, by staff that takes great pride in making a difference in the lives of many.
- On behalf of the City of Garden Grove, congratulations on the Senior Center's 40th anniversary!
- I look forward to the continued success and longevity of the H. Louis Lake Senior Center.
- Thank you!
