RE: Off-Road Park Proposal – Mountain Park area aka Gypsum Car

Dear Supervisor:

One of my fellow Santa Ana High School graduates, Jim Berry, I brought to the members of the Board of Supervisors regarding a proposal to lease land in the Mountain Park area, aka, Gypsum Canyon area and create an off-road park for motorcycles, ATC's, Mountain Bicycles, etc. Jim has had discussions with the Parks and Recreation staff regarding this proposal. It is my understanding that this area is in your District.

I have known Jim Berry for over 60 years and I used to do a lot of off-road riding with Jim and our group of friends. There used to be multiple off-road roads and gradually they all closed up and those that wanted to continue to travel out to the desert to do so. For quite a while now, there has been no off-road riding in OC.

Recently, in the OC Register on February 13, 2016, it was reported that Dianne Feinstein acknowledged the need for more off-road recreation proposals and that the County should provide more help for all those off-road riders in OC and would love to have a local area to ride on.

I would like to set up a meeting with you and Jim Berry, at your convenience you can get a first-hand proposal from Jim and see how the County stands to gain steady income from such an off-road recreation area. Whomever you would like to have at the meeting would be fine. Maybe someone from the Parks and Rec

RE: Off-Road Park Proposal – Mountain Park area aka Gypsum Canyon

Dear Supervisor:

One of my fellow Santa Ana High School graduates, Jim Berry, I believe recently sent all the members of the Board of Supervisors regarding a proposal to lease some land from the County in the Mountain Park area, aka, Gypsum Canyon area and create a local Off-Road Park for motorcycles, ATC's, Mountain Bicycles, etc. Jim has had several meetings with the Parks and Recreation staff regarding this proposal. It is my understanding that this area is in your District.

I have known Jim Berry for over 60 years and I used to do a lot of off-road motorcycle riding with Jim and our group of friends. There used to be multiple places in OC to ride off-road and gradually they all closed up and those that wanted to continue to ride off-road had to travel out to the desert to do so. For quite a while now, there has been no off-road areas in OC.

Recently, in the OC Register on February 13, 2016, it was reported that even Senator Dianne Feinstein acknowledged the need for more off-road recreation areas, but those proposals are for the Mojave Desert, not much help for all those off-road riders that live in OC and would love to have a local area to ride on.

I would like to set up a meeting with you and Jim Berry, at your convenience, so that you can get a first-hand proposal from Jim and see how the County stands to get a relatively steady income from such an off-road recreation area. Whomever you would like to bring to the meeting would be fine. Maybe someone from the Parks and Recreation Department would also be helpful.

I have a week trip planned to be out of state for the week of March 6, otherwise we should be able to agree on a time. Whatever you prefer – coffee – lunch, etc. Please email me or call me with some proposed dates and times and I will make sure that Jim is also available.

Looking forward to our meeting.

Mayor Nguyen,

My name is Nancy Hetrick and I am a Senior Manager with Management Partners. I will be the facilitator of the Council's Priority Setting/Planning Retreat on Friday, March 11, 8:00 am - 3:00 pm at the Sheraton Hotel. The goal of the session is to identify an approved list of City Council priorities that staff will subsequently develop into a strategic action plan for FY 2016-17. As part of the preparation for the session, I would like to schedule a time for a short phone or video interview with you to get initial thoughts regarding what you see as priorities for the upcoming fiscal year. Please let me know if one of the following blocks of time will work for you and if not, please suggest a time that would. We will need approximately 30 minutes. My preference is to arrange for a video conference if you have a camera on your laptop or tablet device; however, a phone call also works fine.

Here are a few blocks of time for consideration:

Monday, Feb 29 3:00 – 3:30  
Monday, Feb 29 3:45 – 4:15  
Monday, Feb 29 4:30 – 5:00  
Monday, Feb 29 any time after 5pm if evenings are better

Tuesday, March 1 any time

Wednesday, March 2 any time after 10:30am

I look forward to talking with you next week.

Best,

Nancy

Mayor,

I scanned it. But in case you can't open the pdf I attached, here's the gist of it. It's an off-road park proposal. And while it's in Irvine, he is sending it to all the Mayor's to encourage the Board of Supervisors to back it also. Thanks.

RE: Off-Road Park Proposal – Mountain Park area aka Gypsum Canyon

Dear Supervisor:

One of my fellow Santa Ana High School graduates, Jim Berry, I believe recently sent all the members of the Board of Supervisors regarding a proposal to lease some land from the County in the Mountain Park area, aka, Gypsum Canyon area and create a local Off-Road Park for motorcycles, ATC's, Mountain Bicycles, etc. Jim has had several meetings with the Parks and Recreation staff regarding this proposal. It is my understanding that this area is in your District.

I have known Jim Berry for over 60 years and I used to do a lot of off-road motorcycle riding with Jim and our group of friends. There used to be multiple places in OC to ride off-road and gradually they all closed up and those that wanted to continue to ride off-road had to travel out to the desert to do so. For quite a while now, there has been no off-road areas in OC.

Recently, in the OC Register on February 13, 2016, it was reported that even Senator Dianne Feinstein acknowledged the need for more off-road recreation areas, but those proposals are for the Mojave Desert, not much help for all those off-road riders that live in OC and would love to have a local area to ride on.

I would like to set up a meeting with you and Jim Berry, at your convenience, so that you can get a first-hand proposal from Jim and see how the County stands to get a relatively steady income from such an off-road recreation area. Whomever you would like to bring to the meeting would be fine. Maybe someone from the Parks and Recreation Department would also be helpful.

I have a week trip planned to be out of state for the week of March 6, otherwise we should be able to agree on a time. Whatever you prefer – coffee – lunch, etc. Please email me or call me with some proposed dates and times and I will make sure that Jim is also available.

Looking forward to our meeting.

Sincerely,

Ted Millard, (714) 473-9316, tedmillard@gmail.com

Hi Omar,

I am looping you in with Bao Nguyen, mayor of my lovely city, Garden Grove CA. Unfortunately, the city council did not support signing on to the amicus brief but Bao, is still very interested in any other role he might play on this very important and personal issue.

Bao,

Omar works with the city of New York Office of Immigrant Affairs. They are one of the cities leading the amicus brief in the US v TX case in support of expanded DACA and DAPA.

Regards,

Nora

Good Morning Honorable Mayors and city council members.

The county recently awarded a contract to JVR Shelter Strategies for \$150,000 for services at the Orange County Animal Shelter which could be performed more effectively by other consultants at no cost to the cities and taxpayers. In fact, the name of these consultants had been provided to the county. In addition, it is felt this was a violation of county contract policy.

Here are the concerns.

**Subject:** Meeting with Mayor Nguyen

Hello Pam,

I just spoke to you about meeting with Mayor Nguyen. I recently purchased a car wash at Beach Bl and Garden Grove Bl. It has been renamed Aquazoom Express Car Wash, but was originally established in Garden Grove back in 1998. I have been in the car wash industry for 35 years developing and promoting very successful car washes. Though I have improved the facility a great deal the last six months I have had difficulty in attracting new business patrons from the surrounding area, i.e. Garden Grove and Stanton. I would like to discuss the demographic aspects of Garden Grove and hope to gain insight from the Mayor on how to best provide service and attract Garden Grove residents to my business.

I am available to meet most any time with the exception of tomorrow, Thursday 3/3.

Thank you for your attention to this request.

Ron Jones

Mayor and Councilmembers:

I will be leaving town early tomorrow to attend my father's memorial service, and I will be back late Sunday evening. The City is closed on Friday. Kingsley and Maria will be available to assist with any items that may come up.

I also wanted to let you know that we had a homicide late last night at the 13000 block of Casa Linda. A husband-wife domestic dispute. The victim was a 40-year old female, and the husband has been placed under arrest. Our investigation is continuing.

Tomorrow evening is the Great Wolf VIP reception. I hope many of you can attend. I have sent a note to Chad McWhinney and to Phil Cunningham (the Great Wolf GM) letting them know I will be there in spirit, and thanking them for their commitment to our City. Enjoy the event.

Councilmembers are being blind-copied to avoid Brown Act violations.

I'm writing you today on behalf of Shotokan Karate of Garden Grove. Our dojo has been located in Garden Grove for 30 years. The owner, Greg Scott, was a long time resident of Garden Grove and has taught at the dojo for the duration of its existence. Recently, the dojo celebrated its 30th anniversary. Opening in 1986, Shotokan Karate of Garden Grove has trained locals and transplants alike. It is a great source of pride for local residents and engenders a sense of community spirit and discipline to young and old alike.

I was wondering if the Garden Grove City Council offers any form of official recognition for local business like these that seek to serve the community and help build the characters of the youth. It seems fitting to request something like this as we have just celebrated our 30th anniversary in the city.

If there is anything you or the council could do it would be greatly appreciated and proudly displayed in our dojo.

Thanks.

I really can't thank you enough for taking time out of your busy day to come and read to our students for Read Across America Day! It was such a special day for them and a wonderful opportunity to see how reading impacts the adults they look up to. I know the students had a great time and I hope you did too!

## Memorandum

**DATE:** March 4, 2016  
**TO:** Member Agencies – MWDOC Divisions Two & Three  
**FROM:** Larry Dick, Director – Division Two  
Wayne S. Osborne, Director – Division Three  
**SUBJECT:** Monthly Water Usage Data, Tier 2 Projection & Water Supply Information

---

The attached figures show the recent trend of water consumption in Orange County (OC), an estimate of Tier 2 volume for MWDOC, and selected water supply information.

- Fig. 1 OC Water Usage, Monthly by Supply OCWD Groundwater water was the main supply in January.
- Fig. 2 OC Water Usage, Monthly, Comparison to Previous Years Water usage in January 2016 was about very low compared to the last 5 years. Lower usage is primarily due to strong conservation efforts and mandatory restrictions set by the governor. Rainfall for January 2016 was also close to the historical average which helped with conservation efforts.
- Fig. 3 Historical OC Water Consumption OC water consumption was 571,000 AF in FY 2014-15 (*this includes ~17 TAF of agricultural usage and non-retail water agency Usage*). This is about 50,000 AF less than FY 2013-14 but is about 16,000 AF higher than FY 2010-11 (Fiscal year with lowest usage). Water usage per person was the lowest it has been for Orange County at 164 gallons per day. Although OC population has increased 20% over the past two decades, water usage has not increased, on average. A long-term decrease in per-capita water usage is attributed mostly to Water Use Efficiency (water conservation) efforts. High Temperature, precipitation and the economy all remain indicators to O.C. water consumption.
- Fig. 4 MWDOC "Firm" Water Purchases, 2016 "Firm" water above the Tier 1 limit will be charged at the higher Tier 2 rate. Our current projection of Tier 2 purchases is zero in 2016.

Water Supply Information Includes data on: Rainfall in OC; the OCWD Basin overdraft; Northern California and Colorado River Basin hydrologic data; the State Water Project

(SWP) Allocation, and regional storage volumes. The data has implications for the magnitude of supplies from the three watersheds that are the principal sources of water for OC. Note that a hydrologic year is Oct. 1<sup>st</sup> through Sept. 30<sup>th</sup>.

- Orange County's accumulated rainfall through February was below average for this period. This continues the impact of the previous four hydrologic years' below-normal rainfall in reducing those local supplies that are derived from local runoff. El Nino conditions are present but unfortunately there has not been amounts of precipitation for Southern California.
- Northern California accumulated precipitation in February was around 101% of normal for this period. The Northern California snowpack is 90% of normal. This follows three below-average hydrologic years. The State of California has been in a declared Drought Emergency since January 2014. The State Water Project Contractors Table A Allocation is only 30% as of the end of February.
- Colorado River Basin accumulated precipitation in February was 97% average for this period. The Upper Colorado Basin snowpack was 100% of average for this time period. However, this follows two below-average hydrologic years, and this watershed is in a long-term drought. Lake Mead and Lake Powell combined have about 61% of their average storage volume for this time of year. If Lake Mead's level falls below a "trigger" limit at the end of a calendar year, then a shortage will be declared by the US Bureau of Reclamation (USBR), impacting Colorado River water deliveries for the Lower Basin states. As of Late July Lake Mead Levels were hovering around the "trigger" limit but fortunately levels are expecting to increase from the large amounts of precipitation that hit the Colorado River Basin this summer and spring. The USBR predicts that the "trigger" level will not be hit by the end of 2016.

**Fig. 4 MWDOC's Firm Water Purchases in CY 2016**  
 Monthly Actual and Projected to CY Total

**Notes**

- "Firm" includes Full Service (both Treated and Untreated) and Barrier water.
- Basin Pumping Percentage (BPP) is the percentage of a retail water agency's total water demand that they are limited to pump from the OCWD-managed groundwater basin. BPP pertains to Basin agencies only. For example, if a Basin agency's total demand is 10,000 AF/yr and OCWD sets the BPP at 72%, then the agency is limited to 7,200 AF of groundwater that year. There may be certain exceptions and/or adjustments to that simple calculation. OCWD sets the BPP for the Basin agencies, usually as of July 1st.

Mayor and Ana:

Superintendent Mafi called me back and we spoke about the Mayor presenting the Proclamations at the upcoming Stadium Dedication. Dr. Mafi stated that the Program has already been printed and the only speaker will be a veteran speaking about service to country.

She has told Supervisor Do and others who have requested speaking time that they will not be able to speak. I did share with her that we would be brief and only present the Proclamations, not a drawn out speech.

She said she has sent a request to the Board and she'll let me know early next week. Since the program is already printed it doesn't look promising, but I'll let you know as soon as I know.

Good news is it's the week after next March 15, not this Tuesday, so we still have some time.

Have a good weekend both of you,

Kim

Dear Mayor Nguyen,

My name is Shawta Singh. I am a teacher at Doig Intermediate School on Trask Avenue. I am also the coordinator of a club called Doig Action Committee where students try to make change in their community. Last year, we spoke at a city council meeting to advocate for a stop sign or stop light at the intersection of Roxey and Trask. Recently, there has been another crash at that same intersection which destroyed the home of a Garden Grove resident. We would like to urge you once again to look into the issue of installing a traffic light or stop sign at that intersection to keep our residents and students safe. We hope to hear a response from you soon.

Take care,

Dear Honorable Mayor Nguyen,

On April 5, 2016, mayors, tribal leaders, and county executives from across the country will highlight the impact of AmeriCorps and Senior Corps and thank all those who volunteer on the **Fourth Annual Mayors Day of Recognition for National Service**. Your participation will spotlight the importance of citizen engagement, recognize the dedication of national service members, and inspire more residents to get involved in their communities. This initiative is led by the Corporation for National and Community Service, the National League of Cities, the National Association of Counties, and Cities of Service.

We hope you will sign up this year to join thousands of city and county leaders across the country who already signed on to recognize the impact of national service and thank those who serve. Last year, over 140 mayors and county supervisors from across California supported this initiative and we hope you'll sign on this year to make this day an even greater success! **Please sign on to support national service!**

The day's success depends on you, and we want to help you make the most of this opportunity. We have put together several resources (below) that you can use now and during the event.

If you have any questions, please let me know. Thank you for being a champion of national service.

Dear Sir,

I am a director for the Whaler's Point H.O.A. which is a small condo community in the City of Garden Grove. We are stuck with the original farm house being our clubhouse due to a variance use permit issued at the time of construction in the 1970s. How hard would it be to have it changed to have our small community not have a clubhouse? Please see attachment of my proposal that was made to the board in February. If you think it won't be a problem, do you know of a realtor that could shepherd a sale through for us?

# **RECOMMENDATION FOR WHALERS POINT H.O.A.**

**By Director Lance Ferm**

**February 24, 2016**

**Whalers Point Home Owners Association should sell the existing clubhouse within the community thereby bringing up the membership to 20 homes based on the following conditions.**

- **Buyer will need to have a new Variance Use Permit approved by the City of Garden Grove whereby the Whalers Point H.O.A. will not be required to have a clubhouse.**
- **Buyer will need to bring up to existing building codes for the City of Garden Grove the clubhouse before occupancy occurs.**
- **Buyer will need to build a new 2-car garage for the home within the community before occupancy occurs.**
- **If the building cannot be brought up to code then new owner will need to demolish the existing building.**
- **Any new construction must be in conformity with the existing buildings within Whalers Point H.O.A.**
- **The existing basketball court will be the location of the 2-car garage.**
- **Building plans must be approved by all governmental agencies that have jurisdiction and the Whalers Point H.O.A. directors.**
- **Close of escrow will NOT be dependent upon obtaining building permits and the new Variance Use Permit by the new owner and be limited to 60 days.**
- **Escrow deposit will be 10% of selling price and will be non-refundable.**
- **After escrow is closed, building will still be used as clubhouse until a new Variance Use Permit has been issued by the City of Garden Grove.**
- **Buyer will be solely responsible for all costs relating to obtaining the new Variance Use Permit, building permits, construction costs, and damage to existing Whalers Point H.O.A. property outside of the building during construction.**
- **Buyer will be required to abide by the rules and regulations of the Whalers Point H.O.A.**

**It will be the determination of the directors of Whalers Point H.O.A. to set the selling price and pick the real estate agent to list the property with the above conditions.**

**It is my estimation that the existing clubhouse has the potential of bankrupting Whalers Point H.O.A. as it is old and deteriorating.**

**With the addition of several hundred thousands of dollars and a new paying member, Whalers Point P.O.A. will be well funded for the remainder of our lives.**

Mayor Nguyen -

I hope all is well. I wanted to reach out and see if could get a press statement (1-3 sentences long) from you about why the DACA/DAPA programs are important and why it's important for the Supreme Court to rule in favor of these programs.

We have been working with many immigration coalition partners in the last couple of weeks to file amicus briefs in favor of DACA+/DAPA. They briefs come from various communities (business, law enforcement, city/county elected officials, etc). The intention for these briefs is to show the broad support that these programs have from many different communities. We'd like to see if you'd be interested in commenting on this. We are collecting quotes from these other communities as well and will be putting together a press release.

The deadline to submit the amicus briefs is this Monday, March 8th and we wanted to capitalize on this great opportunity to showcase the broad support for DACA/DAPA.

Let me know if you have any questions.

All the best,

Josh

Good evening Bao

Sorry to be a pain about this again but I see no mention of nominating an appointee for the planning commission on the city council meeting agenda. As I have stated before with all the building projects now and in the future in the city this seems an important issue to address. Another issue that concerns me is the contract with police department and the 4% raise to H level salaries and added commissary benefits and medical at a cost of over \$700,000 this year. This is an issue that should not hidden and just passed through at least explained to the people. With a 4.5 million structural deficit already I ask were is the money coming from to pay for this and if it is there already why do we not have more police officers instead of giving raises to the top echelon?

Thanks for your concern to these issues

Dale Soeffner

**Subject:** OC DA Broadwater/Barlag 2.24.2016: Cure and Correct Action Taken

2/28/2016

Dear Mr. Stiles,

The citizens of Garden Grove respectfully request that you and the City Council cure and correct the **action** taken by the City Council, specifically the 9/30/2014 agreement and the provisions contained therein between the City of Garden Grove and Mr. Dave Barlag. This request is being made before the citizens of Garden Grove commence an action by mandamus or injunction for the purpose of obtaining a judicial determination under California Government Codes 54960.1(a) and 54960.1(b)

As you are aware, on 2/24/2016 the Orange County District Attorney's office determined "**that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act**" and that appears to mean that since the 9/30/2014 agreement with Mr. Barlag was a large part of the **action** taken, the agreement itself now seems to be null and void. The People of Garden Grove believe that our above request is valid under California Government Codes 54960.1(a) and 54960.1(b) since the City Council only cured and corrected the **reporting** of their agreement with Mr. Barlag but at no time did the City Council ever withdraw, rescind or void the **action** also known as **the agreement** and/or any of the provisions contained therein.

Since the OC DA's office issued their determination and findings on 2/24/2016 "that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act", the People of Garden Grove believe that we are within the time requirements outlined in California Government Code 54960.1.

We thank you in advance for your timely response.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was

noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 has been cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

Re: Allegations of Brown Act Violations  
District Attorney Investigations Case # S.A. 14 -130

The Office of the Orange County District Attorney (OCDA) has completed an investigation regarding Ralph M. Brown Act violations by the City Council for the City of Garden Grove.

The district attorney is authorized not only to prosecute violations of the Brown Act, but short of litigation, the district attorney's office may issue public findings concerning, and/or admonitions, to offending local agencies.

The Brown Act [codified in Government Code §54950 *et seq*] is intended to ensure the public's right to attend the meetings of public agencies.... The Act thus serves to facilitate public participation in all phases of local government decision making and to curb misuse of the democratic process by secret legislation of public bodies. *Mckee v. Los Angeles Interagency Metropolitan Police Apprehension Crime Task Force* (2005) 134 Cal. App. 4<sup>th</sup> 354, 358.

## OVERVIEW

This letter contains a description of the scope and legal conclusions resulting from the OCDA investigation into the allegations that the Garden Grove City Council violated the Brown Act in August and September of 2014. This letter includes an overview of the OCDA's investigative methodology and procedures employed, as well as a description of the relevant evidence examined, witnesses interviewed, factual findings, and legal principles applied in analyzing the allegations and determining whether there is sufficient evidence to prove beyond a reasonable doubt that a crime was committed.

In early December 2014, the OCDA received information from law enforcement regarding possible violations of the Brown Act by the Garden Grove City Council in connection with creating the new position of Public Safety Administrative Officer and appointing David Barlag to this newly created position. Subsequently, OCDA also received a complaint from a resident of Garden Grove regarding similar allegations.

The OCDA conducted an independent and thorough investigation of the facts and circumstances surrounding these allegations and impartially reviewed all available evidence and legal standards. The scope and findings of this investigation and legal review are expressly limited to determining whether the Brown Act was violated during the process of creating the position of Public Safety Administrative Officer.

## PROCEDURAL BACKGROUND

The initial information OCDA received alleged that the City of Garden Grove violated the Brown Act by creating the position of Public Safety Administrative Officer in a closed session meeting of the City Council. It was further alleged that the Garden Grove City Council appointed Garden Grove Fire Department (GGFD) Chief Barlag to this newly created position as part of an agreement between the City and Barlag after Barlag resigned his position as the Fire Chief of GGFD, and that this agreement was entered into in order to compensate Barlag for his resignation as Fire Chief of GGFD after a vote of no-confidence by the Firefighters' Union (Union). Any reference in this letter to "City Council" is intended to mean the Garden Grove City Council members and the mayor. The following is a list of individuals referenced in this letter:

- Bruce Broadwater: Then-Mayor of Garden Grove. He was voted out of office in November 2014 with his term ending in December 2014.
- Matthew Fertal: Then-City Manager of Garden Grove. Fertal was appointed the City Manager in February 2004, and he retired in December 2014.
- David Barlag: Public Safety Administrative Officer of Garden Grove. Prior Fire Chief of GGFD.
- Jeremy Broadwater: GGFD firefighter. Prior Garden Grove Park Ranger for approximately seven years. Son of former Mayor Bruce Broadwater.
- Steve Jones: Councilmember, City of Garden Grove.
- Kris Jones: Councilmember, City of Garden Grove.
- Dina Nguyen: Then-Councilmember, City of Garden Grove.
- Chris Phan: Councilmember, City of Garden Grove. Chris Phan is currently an Orange County deputy district attorney. The OCDA consulted with the California Attorney General's Office (CAG) prior to the commencement of this investigation, and the CAG concluded that it was appropriate for OCDA to investigate this matter notwithstanding the fact that Chris Phan is also employed as an Orange County deputy district attorney.
- Thomas Nixon: Then-Garden Grove City Attorney.

During this investigation and legal review, the OCDA obtained and considered a wide range of documents, including but not limited to the following documents:

- Agreement and release between the City of Garden Grove and Barlag;
- Garden Grove Resolution – salary plan for the position of Public Safety Administrative Officer;
- Emails and City documents belonging to Fertal;
- 35 emails and attachments from Barlag;
- Copies of all California Public Record Act requests filed with the City of Garden Grove from June 1, 2014, to March 9, 2015, relating to Barlag, and any responsive documents or letters submitted by the City of Garden Grove in response to such Public Record Act requests;
- Expense reports for Barlag;
- Statements of earnings for Barlag;
- Personnel records relating to Jeremy Broadwater's application to become a GGFD firefighter as well as records relating to his interviewing process;
- The letter communicating the Union's Vote of No Confidence in Barlag;
- All written correspondence between the City of Garden Grove and Barlag;
- Work product generated by Barlag from Sept. 30, 2014, to March 20, 2015; and
- City of Garden Grove records relating to City Council meetings and agendas.

In addition to reviewing records and documents, OCDA interviewed in excess of 20 individuals connected to the subject matter of the investigation.

On Feb. 6, 2015, prior to attempting to interview any official from the City of Garden Grove, OCDA requested that the Garden Grove City Council waive any potential attorney-client privilege relating to the subject matter of this investigation. This waiver was requested so that OCDA could interview all involved officials without having any such official refuse to answer questions on the grounds that the answers would violate the attorney-client privilege. Six days later, on Feb. 12, 2015, then-interim City Manager Allan Roeder confirmed to our office that the Garden Grove City Council agreed to the OCDA's request and waived the attorney-client privilege as it relates to the subject matter of this investigation. We thank them for their cooperation.

### **FACTUAL BACKGROUND**

In November 2012, Barlag was appointed the Fire Chief of GGFD. The position of Fire Chief was an "at-will" position within the City of Garden Grove as detailed in a resolution approved by the City Council. An "at-will" appointment can be terminated by the City without cause. Barlag did not have a contract with the City guaranteeing him the position of Fire Chief for any specified period of time. As the Fire Chief of the GGFD, Barlag earned an annual salary of \$226,599.96. Prior to his appointment as Fire Chief, Barlag had worked for GGFD for about 30 years and rose through the ranks of the department after starting as a firefighter. Barlag was appointed Fire Chief by Garden Grove City Manager Fertal, who had the authority to make the appointment.

In October 2013, Jeremy Broadwater, who had previously worked for about seven years as a Garden Grove park ranger, was hired, at Barlag's direction, as a Garden Grove firefighter.

In June 2014, the Garden Grove Firefighters' Union held a "Vote of No Confidence" in Barlag as their Fire Chief. The Union notified the City Manager and the City Council of their vote of no confidence in Barlag, and also cited internal issues over the hiring of Jeremy Broadwater by Barlag as one of the reasons for their lack of confidence in Barlag's leadership. As a result of the management related issues at GGFD and the vote of no confidence as reported by the Union, the City Manager with the approval of the City Council retained the services of Management Partners, an independent management consulting firm, to conduct an audit of GGFD and identify problems within the department.

Between August 2014 and October 2014, a verbal report compiled by Management Partners was given to the City Manager. The City Manager subsequently verbally relayed the conclusions of the report to the members of the City Council. The report compiled by Management Partners identified the following issues at GGFD:

- Barlag not exercising appropriate managerial control;
- Lack of appropriate discipline within GGFD; and
- An appearance of favoritism by Barlag in hiring Jeremy Broadwater as a firefighter.

In early August 2014, Barlag contacted the Garden Grove City Attorney and notified him that he (Barlag) had spoken to a lawyer. In his conversation with the City Attorney, Barlag threatened litigation against the City of Garden Grove if he were removed as Fire Chief of the GGFD. Barlag also notified the City Manager of his intent to sue the City of Garden Grove if removed as Fire Chief. On Aug. 12, 2014, after speaking to Barlag earlier in the month, the City Attorney and the City Manager briefed the City Council in a closed session meeting about Barlag's threat of litigation. After they briefed the City Council on what they

described as a credible threat of litigation by Barlag, and without any meaningful discussion about the fact that Barlag was an "at-will" employee or the fact that the City could terminate Barlag's appointment without cause, the City Council directed the City Manager to find a resolution to Barlag's threat of litigation. It also became apparent that some members of the City Council concluded that Barlag should no longer remain the Fire Chief of GGFD because they lost confidence in his ability as well as his effectiveness in leading the department.

Thereafter, the City Manager proposed a solution to the City Council to the situation they were confronting in a closed session meeting. The City Manager proposed creating a new position for Barlag with the City of Garden Grove in exchange for removing him as the Fire Chief of the GGFD. Acting on Fertal's recommendation, the City Council directed the City Manager, in a closed session meeting, to move forward with his proposal and negotiate a resolution with Barlag. The City Manager and the City Attorney drafted a settlement agreement between Barlag and the City of Garden Grove. The agreement included the following terms:

- Barlag's resignation as Fire Chief of GGFD;
- The creation of the position of Public Safety Administrative Officer in the City of Garden Grove;
- Upon Barlag's resignation as the Fire Chief of GGFD, Barlag would be appointed as the City's first Public Safety Administrative Officer;
- Barlag's new salary as the City's Public Safety Administrative Officer would be the salary he was earning as the Chief of GGFD (\$226,599.96) plus a training premium of five percent;
- Barlag would no longer receive a vehicle allowance, which he was receiving as the Fire Chief of GGFD;
- Barlag would be able to hold the position of Public Safety Administrative Officer for over two years and will retire from the City on Dec. 31, 2016;
- Barlag's enhanced salary as the City's Public Safety Administrative Officer would continue to count toward the calculation of his pension from the City upon his retirement in December 2016;
- The City would pay Barlag's attorney's fees in the amount of \$3,750; and
- A confidentiality non-disclosure clause will be included as part of the agreement.

The Public Safety Administrative Officer position was a new position in the City of Garden Grove. This position did not previously exist, and there was never a discussion about any need for such a position prior to the settlement agreement between the City and Barlag. This new position was created without a resolution of the City Council prior to the settlement agreement with Barlag. In total, the City Council held three closed session meetings in connection with this matter. The three closed session meetings were held on Aug. 12, 2014; Aug. 26, 2014; and Sept. 23, 2014. On Sept. 29, 2014, Barlag notified the City Manager in an email of his intent to resign as Fire Chief of GGFD after 32 years of service with the City.

On Sept. 30, 2014, the settlement agreement reached between the City of Garden Grove and Barlag was signed by both parties and it became effective immediately; Barlag was appointed as the City's Public Safety Administrative Officer and he was also referred to as the City's Public Safety Director. Barlag immediately started drawing an increased salary. None of these actions were properly created or approved on that date. Not until there was public inquiry was the position of Garden Grove Public Safety Administrative Officer, along with increased salary and benefits, properly created or authorized through open deliberations.

On or about Oct. 14, 2014, Management Partners completed and submitted their final written report regarding the management of GGFD. The written report included the above listed points from the verbal review previously provided to the City Council by the City Manager.

Acting under the pressure of multiple Public Records Act requests by members of the media, on Nov. 25, 2014, the City Council, in an open public session, adopted and ratified an amendment to Resolution Number 9251-14, publicly creating the new position of Public Safety Administrative Officer. This was the first public act by the City Council regarding the secret creation of a new position that paid over a quarter million dollars annually in public money.

On Dec. 8, 2014, the above detailed allegations relating to possible Brown Act violations were reported to OCDA by the Garden Grove Police Department. Shortly thereafter, in a conversation covertly taped by OCDA, Barlag stated that he (Barlag) and the City Manager had an understanding about Barlag's new position as Public Safety Administrative Officer. Barlag stated that his understanding with the City Manager was that Barlag will not be required to report to the City for work and it was based on this specific understanding that Barlag was no longer collecting a car allowance as part of the agreement signed on Sept. 30, 2014.

After his interview with OCDA on Feb. 19, 2015, and at the request of OCDA, the City Attorney provided OCDA with a legal memorandum detailing his legal position for why he felt it was legally appropriate for the City Council to hold closed session meetings in connection with the creation of the new position of Public Safety Administrative Officer, and why he felt it appropriate to keep such action secret until the City was forced to reveal it under the pressure of multiple Public Records Act Requests. We do not agree with that analysis with respect to the creation of a new job.

## LEGAL ANALYSIS

### 1. Open Meetings

The Brown Act is codified in Government Code section 54950 *et seq.* Broadly, the Brown Act requires legislative bodies, including City Councils, to conduct the public's business in public. (Preamble, Government Code section 54950.) With certain limited exceptions, all meetings of the legislative body must be open to any member of the public to attend. (Government Code section 54953.) Before any decisions are made, members of the public must be given notice, by putting the item on the agenda, that the topic will be discussed at a particular meeting. (Government Code section 54954.2.) If an item is not on the agenda, it may not be discussed or voted on in the public meeting. (Government Code section 54954.2.) Furthermore, members of the public must be given the opportunity to comment on the matter before a vote is taken or a decision is made. (Government Code section 54954.3.) Under the Brown Act, private or secret meetings between a majority of the members of the legislative body are prohibited. (Government Code section 54952.2.) However, under certain limited circumstances, a legislative body may meet in "closed session" to discuss certain matters, such as labor or real property negotiations (Government Code sections 54957.6 & 54956.8), certain personnel matters (Government Code section 54957,) and to confer with legal counsel regarding "pending litigation," (Government Code section 54956.9.)

### 2. Anticipated/Pending Litigation Exception

In order for OCDA to file criminal charges for a violation of the Brown Act, the OCDA must be able to prove beyond a reasonable doubt a specific intent and mental state on the part of the accused. Government Code section 54959 requires that each "member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member **intends to deprive the public** of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor."

Based on the position taken by the City Attorney, it appears that the Garden Grove City Council, on the advice of the City Attorney, relied on the "pending litigation" exception by holding multiple closed session

meetings to discuss Barlag and the creation of the new position of Public Safety Administrative Officer. Regarding the "pending litigation" exception to the Brown Act requirements, Government Code section 54956.9 (d) provides the following:

"Litigation shall be considered *pending* when any of the following circumstances exist:

- (1) Litigation, to which the local agency is a party, has been initiated formally.
- (2) A point has been reached where, *in the opinion of the legislative body of the local agency on the advice of its legal counsel*, based on existing facts and circumstances, *there is a significant exposure to litigation against the local agency*.
- (3) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (2).
- (4) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation."

The courts have also recognized the need for a legislative body to confer in closed session with legal counsel when contemplating taking action which will likely result in litigation. In *County of Los Angeles v. Superior Court* (2005) 130 Cal.App.4<sup>th</sup> 1099, the Court of Appeal agreed with the County Board of Supervisors' conclusion that the "pending litigation" exception applied to a closed session discussion of the County's decision to cut Medicare funding to the King/Drew Medical Center, even though no lawsuit had yet been filed as a result of the decision.

### 3. Civil/Criminal Enforcement

#### a. Civil Litigation

As to civil enforcement, the allegation of Brown Act violations were submitted to the OCDA on Dec. 8, 2014, more than 90 days after the first closed session meeting on Aug. 12, 2014. In addition, by the time the allegations were submitted to the OCDA, the City Council had already cured the alleged violation by holding a public meeting and taking a public vote on the matter. Therefore, seeking a civil remedy is not an option since the City of Garden Grove had already taken corrective action on Nov. 25, 2014, by voting publicly on the creation of the position of Public Safety Administrative Officer.

#### b. Criminal Prosecution

In order to prove a Brown Act violation beyond a reasonable doubt, we must fairly consider the arguments and information provided to OCDA at our request by the Garden Grove City Attorney. The City Attorney's legal position is essentially that the City Council was allowed to discuss Barlag's situation in closed session, without reporting their actions, because Barlag had threatened to sue the City. The City Attorney argues that these closed session discussions pertaining to a pending litigation are authorized by Government Code section 54957.1(a)(3). The claimed legal reason for the City Attorney's assertion that the action taken in the closed session meetings did not need to be reported out is because the action was, ostensibly, to authorize the City Manager to offer employment to Barlag in exchange for Barlag waiving any legal claims he may have against the City. Therefore, the City Attorney took the position that the City Council's action did not settle the lawsuit *per se*, and therefore it was not required to be reported out in a public session because the offer to settle still had to be accepted by Barlag before it went into effect. This position was asserted by the City Attorney because if the City Council approved a settlement already agreed to by Barlag in a closed session, the Brown Act would have required this action to be disclosed to the public in open session, at the conclusion of the closed session.

In deciding if OCDA can prove beyond a reasonable doubt that this reliance on the "pending litigation" exception was a ruse or a pretext, we have to fairly and reasonably consider the following two legal points.

First, the open session requirements of Government Code section 54957.1(a)(5) apply only to actions taken as a result of a complaint or charges made against the affected City employee in accordance with Government Code section 54957, and only when an open session is requested by the affected employee. In this case, the affected employee is Barlag and he never made such a request. In *Furtado v. Sierra Community College* (1998) 68 Cal.App.4<sup>th</sup> 876, a former employee of the community college challenged the decision of the college's board of trustees to not renew her contract. The superior court ruled against her and she appealed, arguing that the board's decision violated the Brown Act. The court of appeal rejected her argument and held that the open session requirement applies only to the portion of the meeting pertaining to specific complaints or charges brought against the employee. (*Furtado, supra*, at pp. 880-882.) And even then, the Brown Act only requires that the discussions take place in open session when requested by the affected employee. (*Ibid.*) The court went on to note that in drafting the Brown Act, "the Legislature has drawn a reasonable compromise, leaving most personnel matters to be discussed freely and candidly in closed session ... ." (*Id.* at p. 882.)

In the present case, even if the City Council's reliance on the pending litigation exception was a ruse, and its primary objective was to discuss Barlag's employment, the discussion would only need to be held in an open session if it were a result of a complaint or charge brought against Barlag. Even then, the discussion would only need to be held in an open session if Barlag specifically requested that the complaint or charges be discussed in open session. While it could easily be argued that the City Council's discussion came about as a result of a complaint or charge pertaining to Barlag's recent personnel related decisions while at the helm of the GGFD, there is no indication whatsoever that Barlag requested a public airing of the grievance in an open session. Quite the contrary, there is every indication that Barlag wanted this matter resolved quietly and privately.

Accordingly, because there was no request by Barlag to discuss the complaints or charges in an open session, the requirements of Government Code section 54957.1(a)(5) do not apply, and OCDA cannot rely on this section to prove, beyond a reasonable doubt, that the City Council's actions violated the Brown Act.

Secondly, we have to take into account the fact that the action taken by the City Council did **not immediately affect** Barlag's employment status. The Brown Act only requires immediate reporting of a closed session action when the action immediately affects the employment status of the employee. In *Gillespie v. San Francisco Public Library Commission* (1998) 67 Cal.App.4<sup>th</sup> 1165, the plaintiff sued to block the Library Commission's nomination of candidates for City Librarian. The plaintiff argued that the Brown Act (as well as the City of San Francisco's *Sunshine Ordinance*) required that the Commission's discussion be held in open session. In the alternative, the plaintiff argued that the Commission's decision, made in closed session, should have immediately been reported out. In rejecting the plaintiff's arguments, the court of appeal reasoned that because the Commission's decision was to *nominate* candidates for City Librarian, only one of which was to be *appointed* at a later date by the mayor, the closed session discussion was proper and the action taken need not be reported out. The court of appeal noted that the "plain reading of these statutes compels the conclusion that only actions taken in closed session which **immediately** affect the employment status of a public official are to be reported the same day." (*Gillespie, supra*, at p. 1175; *emphasis in original.*) The court of appeal relied heavily on an Attorney General's Opinion (*Compensation of Hospital Administrator*, Attorney General's Opinion No. 79-1110, 63 Ops.Cal.Atty.Gen. 215 (1980)) which concluded that "to require a public report on all 'action taken' in executive [closed] session on 'personnel matters' could effectively destroy the 'personnel exception.'" (*Id.*, at p. 1176, quoting from page 220 of the Attorney General's Opinion.)

In the present case, the action taken by the Garden Grove City Council was to authorize the City Manager to offer a new position with the City to Barlag, and this new position was to take effect at a future date after the closed session meeting. In addition, the offer of new employment to Barlag was conditional upon Barlag resigning as Fire Chief of GGFD and waiving any legal claims he may have against the City of Garden Grove. Like the decision made by the library commission in *Gillespie*, there is an argument to be made that the action taken by the Garden Grove City Council did not *immediately* affect the employment status of Barlag. The new employment of Barlag did not take effect immediately on any of the days of the closed session meetings, and the terms and conditions still needed to be agreed to by Barlag. As a result, even if the City's pending litigation argument was simply a ruse to take action on Barlag's employment status, the way in which the City Council went about it, whether intentional or not, appears to give the City Council a defense against the applicability of the reporting requirements of the Brown Act. Consequently, because the courts have been inclined to show a deference to a City Council handling employment matters in closed sessions, the conclusion that the Garden Grove City Council's action was primarily an employment decision, and only tangentially related to a pending litigation, and the OCDA would likely come up short of being able to prove a violation of the Brown Act beyond a reasonable doubt.

Accordingly, it is our opinion that there is a lack of sufficient evidence to prove a violation of the Brown Act beyond a reasonable doubt, and therefore, it will not be appropriate for the OCDA to file criminal charges alleging a violation of the Brown Act under the anticipated/pending litigation exception.

### OCDA'S FINDINGS AND CONCERNS

OCDA believes it is necessary to make findings and recommendations. It is the position of OCDA that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act. Even though there are no litigation remedies available to us, it is important that the OCDA makes public findings.

We do not believe the City Attorney's legal analysis on this topic to be convincing. It is our opinion that there is a reasonable inference that the City Council simply used the pending litigation exception as a ruse or a pretext to get around the disclosure requirements of the Brown Act with respect to actions taken in closed session which affect employment status in accordance with Government Code section 54957.1(a)(5).

Our investigation concluded, and the City of Garden Grove has acknowledged, that it is the City Manager who makes employee decisions as to hiring, evaluation and termination, not council members. Garden Grove's City Council only governs the appointment of the City Manager. All other employee decisions are made by the City Manager. In that the City Manager makes employee decisions, previous California Attorney General Opinions have held that in those situations, the governing body (city council) has no authority to meet in closed session concerning the staff. (Attorney General's Opinion, 85 Ops.Cal.Atty.Gen. 77 (2002).)

What we have learned in our investigation is as follows:

- Closed session held Aug. 12, 2014, under the "Anticipated Litigation" exception, discussed employment status of Barlag.
- Closed session held Aug. 26, 2014, under the "Anticipated Litigation" exception, discussed employment status of Barlag.
- Closed session held Sept. 23, 2014, under the "Anticipated Litigation" exception, discussed employment status of Barlag.

- Councilmembers in closed session discussed the creation of a job that previously did not exist, Public Safety Administrative Director.
- Councilmembers in closed session discussed Barlag being made the Public Safety Administrative Director effective immediately upon signing the agreement.
- Councilmembers, along with the City Manager and City Attorney, in closed session did not discuss nor remember discussing the fact that Barlag was an “at-will” employee.
- Councilmembers, along with the City Manager and City Attorney, in closed session did not discuss nor remember discussing if there were any merits to Barlag’s threat of litigation.
- No councilmember in closed session, along with the City Manager and City Attorney, objected to any of the above-described actions.
- On Sept. 30, 2014, Barlag signed “CITY OF GARDEN GROVE SETTLEMENT AGREEMENT AND GENERAL RELEASE”.
- On Sept. 30, 2014, Barlag started receiving salary and benefits in the position of Public Safety Administration Officer.
- Until public and press inquiries, there was no requirement that Barlag report to work in the City of Garden Grove.
- The position of Public Safety Administration Officer was not officially created until the city council meeting on Nov. 25, 2014, in open session, on a vote of four votes for and one against.

It is our perception that the “Anticipated Litigation” exception to the Brown Act was manipulated in such a way to allow the Garden Grove City Council to go into closed session to allow the City Council to delay the public from finding out what their elected officials were doing with respect to the resignation of Barlag as Fire Chief, the creation of a highly paid new position, and the selection of Barlag to that position.

Based on the entirety of all the available evidence in this case, there appears to be reasonable cause to believe that the reliance by the former City Attorney and the former City Manager on this exception to the Brown Act requirement of Open Public Meetings is merely a pretext to keep this situation a secret for reasons not allowed under the Brown Act. Barlag was an “at-will” employee who could be terminated without cause. It is true that Barlag, just like any other “at-will” employee, could not be terminated for an “illegal cause.” An employee’s national origin, ethnic background, or sexual orientation are some of the examples of “illegal causes.” However, in Barlag’s situation, the need for terminating his employment had nothing to do with any illegal cause. In addition, the City Council was also aware of an independent audit prepared by an outside consulting firm showing ample cause to doubt the effectiveness of Barlag as the Fire Chief of GGFD.

## RECOMMENDATIONS

In light of the above detailed facts and circumstances, OCDA is recommending that the Garden Grove City Council consider adopting the following steps in the interest of promoting public transparency:

1. To record any and all future closed session meetings for a period of at least two years, effective immediately, in accordance with the provisions of Government Code section 54690;
2. If a new employment position is created in the future by the Garden Grove City Council, the City Council commits to disclose the creation of the new position in public before filling the position;
3. The Garden Grove City Council commits to refrain from relying on the ‘pending litigation’ exception, provided for in Government Code Section 54956.9, to create a new City position in closed session, without reporting this action immediately at the conclusion of the closed session meeting; and

4. The City audits the work and performance of the newly created "Public Safety Administrative Officer" to assure the public that the position is not a "no show" job.

Accordingly, the OCDA is closing its inquiry into this matter.

Just FYI I shared the proposal with my attorney, he had some proposal changes as far language and he also felt that the offer could be enhanced as far as value. I understand that you are limited as far as what you can do. Don't take it personal but this is my last shot to negotiate for the rest of my life. I have suffered a lot of professional and personal damage because of the situation.

Having worked in the fire service for the past 32 years, it has been my pleasure to serve as Fire Chief in Garden Grove. My resignation comes as a means for the department to begin to rebuild.

I will like to thank all the persons, in the City that have been there, providing me support over the years. Garden Grove is and will continue to be a wonderful place to work and the Fire Department will and has always provided an excellent service to its citizens.

Dear Central Management,

With much regret, I have accepted Fire Chief Barlag's resignation. It goes without saying that this was a unpleasant situation without any good outcomes for positive resolution. Dave recognized that the situation with the Fire Labor Group had deteriorated to a point that it would have been very difficult for him move the department forward. I hope we can continue to support Dave in anyway we can. Dave has had a distinguished career within the Fire Service. He is a dedicated member of our City family and a great member of our Central Management team.

Although I have just informed the City Council, official notice is still pending. Please keep this information confidential until a formal notice is made public.

Thanks for your support during this difficult time.

Dear Mayor and City Council,

This morning I met with the Fire Labor Group and presented the resignation of Fire Chief Dave Barlag. The resignation will become effective immediately.

I also informed the Labor Group that the City would commence a nationwide search for the best candidate to fill the Fire Chief position. The Labor Group did suggest that I consider former Garden Grove Fire Chief Warren Hartley, as an Interim Chief. The Labor Group believes that appointing Warren Hartley Interim Chief would be the best option to transition into a positive environment moving forward. I told them that I would take their suggestion into consideration.

Please contact me if you have any questions. Thank you for your support, input and patience with this very complex matter.

As part of the preparation for the session, I would like to schedule a time for a short phone or video interview with you to get initial thoughts regarding what you see as priorities for the upcoming fiscal year. Please let me know if one of the following blocks of time will work for you and if not, please suggest a time that would. We will need approximately 30 minutes. My preference is to arrange for a video conference if you have a camera on your laptop or tablet device; however, a phone call also works fine.

Here are a few blocks of time for consideration:

Monday, Feb 29 3:00 – 3:30

Monday, Feb 29 3:45 – 4:15

**Subject:** Illegally operating marijuana dispensaries - Update

**From:** Song Shin <gatmc@hotmail.com>

**To:** "citymanager@ci.garden-grove.ca.us" <citymanager@ci.garden-grove.ca.us>, "baon@ci.garden-grove.ca.us" <baon@ci.garden-grove.ca.us>

On October 22, 2015, I emailed you to ask for your help in the eviction of two marijuana dispensaries operating illegally in the City of Garden Grove.

At the same time, I contacted the Garden Grove Police Department, which sent police vehicles with loudspeakers to discourage the patrons of the dispensaries. However, this was driving away clientele from my business, and I asked the Police Department to stop this practice.

I am still experiencing the problems described in my original email. I have contacted the building owner, but he refuses to address my problems with the dispensaries. At this time, I would like to directly appeal to the City of Garden Grove to assist me in the eviction of the illegally-operating dispensaries. If the Mayor or City Council or Police Department cannot intervene directly, does the City have resources (such as free legal service) available to me?

Please re-read the original email posted below, and contact me when possible. I appreciate your time and attention to this matter.

Hello,

I am the owner of GG Body and Foot Massage, located at New Seoul Plaza in Garden Grove.

Earlier this year, a marijuana dispensary opened in our plaza in Suite 103. Shortly thereafter, a second marijuana dispensary opened in Suite 105. The Garden Grove Police Department is aware of the illegal dispensaries and has raided both establishments. Despite this, the dispensaries continue to operate.

The odor of marijuana is present in our suite, as all suites are in a building with a shared attic space. The clientele attracted by the two dispensaries often display inappropriate behavior: littering, playing loud music, and driving recklessly. Our customers have found scratches on their cars from careless patrons.

I believe that my business has lost many customers due to the loss of amenity resulting from the existence of the dispensaries and their clients. I am therefore requesting your assistance in compelling the owner to evict the two dispensaries from New Seoul Plaza at 8831 Garden Grove Boulevard.

Thank you.

On October 22, 2015, I emailed you to ask for your help in the eviction of two marijuana dispensaries operating illegally in the City of Garden Grove.

At the same time, I contacted the Garden Grove Police Department, which sent police vehicles with loudspeakers to discourage the patrons of the dispensaries. However, this was driving away clientele from my business, and I asked the Police Department to stop this practice.

I am still experiencing the problems described in my original email. I have contacted the building owner, but he refuses to address my problems with the dispensaries. At this time, I would like to directly appeal to the City of Garden Grove to assist me in the eviction of the illegally-operating dispensaries. I hope all is well. I wanted to reach out and see if could get a press statement (1-3 sentences long) from you about why the DACA/DAPA programs are important and why it's important for the Supreme Court to rule in favor of these programs.

We have been working with many immigration coalition partners in the last couple of weeks to file amicus briefs in favor of DACA+/DAPA. They briefs come from various communities (business, law enforcement, city/county elected officials, etc). The intention for these briefs is to show the broad support that these programs have from many different communities. We'd like to see if you'd be interested in commenting on this. We are collecting quotes from these other communities as well and will be putting together a press release.

The deadline to submit the amicus briefs is this Monday, March 8th and we wanted to capitalize on this great opportunity to showcase the broad support for DACA/DAPA.

Let me know if you have any questions.

All the best,

My name is Nancy Hetrick and I am a Senior Manager with Management Partners. I will be the facilitator of the Council's Priority Setting/Planning Retreat on Friday, March 11, 8:00 am - 3:00 pm at the Sheraton Hotel. The goal of the session is to identify an approved list of City Council priorities that staff will subsequently develop into a strategic action plan for FY 2016-17. As part of the preparation for the session, I would like to schedule a time for a short phone or video interview with you to get initial thoughts regarding what you see as priorities for the upcoming fiscal year. Please let me know if one of the following blocks of time will work for you and if not, please suggest a time that would. We will need approximately 30 minutes. My preference is to arrange for a video conference if you have a camera on your laptop or tablet device; however, a phone call also works fine.

Here are a few blocks of time for consideration:

Monday, Feb 29 3:00 – 3:30

Monday, Feb 29 3:45 – 4:15

Monday, Feb 29 4:30 – 5:00

Monday, Feb 29 any time after 5pm if evenings are better

Tuesday, March 1 any time

Wednesday, March 2 any time after 10:30am

I look forward to talking with you next week.

My parents escaped Vietnam illegally, because they could not live under the conditions of an oppressive and corrupt government. I was born in a refugee camp without citizenship to any nation and came to the U.S. at 3 months of age.

Hi Mayor Bao!

This is Dung Trinh ("Iggyigette" on FB).

I would like to invite you to attend and be one of our speakers for our "Honor Our Veterans" dinner program at 6 pm Saturday April 30.

As you may know, April 30 is the Anniversary of "The Fall of Saigon". This dinner is a "reunion" for Vietnam Veterans and former Vietnamese refugees and their families to meet, share a meal together, share their stories, and an opportunity to express our appreciation to our veterans.

I was a 5 year old boy at the time, and was rescued from a American chinook helicopter a few hours before "the Fall" at the Saigon airport. Like you, I have a passion to show appreciation to our veterans and hopefully bring honor to their service and healing to any hearts still hurting.

This event is co-sponsored by 7 Day Hero, The American Legion, and Kiwanis Club.

If this event works out for you, we would be delighted to have you represent the Vietnamese American Community.

Sincerely,

Dung Trinh, MD  
Chairman of the Board

Mr. Sandoval,

Thank you for your response and while we understand that your position is that "Government Code section 54960.1(c) requires that any demand for cure be made within 90 days from the date the action was taken unless the action was taken in open session, in which case the written demand must be made within 30 days from the date the action was taken. In addition to the City Council having taken corrective action, the time periods within which to demand it have long expired in this case".

Unfortunately, the OC DA's office didn't make their determination until 2/24/2016 "that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act" and therefore the People of Garden Grove believe that we are still within the requirements of Government Codes 54960.1(a) & 54960.1(b). Based on this the People of Garden Grove assert that the agreement between the City of Garden Grove and Mr. Barlag should be considered null and void, as this particular action was undertaken while the Brown Act was being violated.

The People of Garden Grove are well aware that this matter is on the 3/08/2016 agenda before three out of the five council members who were directly involved in "violating the spirit and intent of the Brown Act".

While the People of Garden Grove understand your position and your reasoning for same, we respectfully disagree and would like to have this e-mail chain and contents made part of the record relating to tonight's agenda item 7.d.

Thank you again for your response and for your time.

Respectfully submitted,

Tony Flores

Dear Mr. Flores, City Manager Stiles asked me to respond to your e-mail demanding a cure of the action taken

by the City Council in approving the September 30, 2014, Settlement Agreement and General Release between the City of Garden Grove and David Barlag. Please note that the City Council already took action publicly on November 25, 2014, ratifying the Agreement. A copy of the staff report and minutes of the November 21, 2014, City Council action is attached for your reference. Furthermore, Government Code section 54960.1(c) requires that any demand for cure be made within 90 days from the date the action was taken unless the action was taken in open session, in which case the written demand must be made within 30 days from the date the action was taken. In addition to the City Council having taken corrective action, the time periods within which to demand it have long expired in this case.

Respectfully,

Omar Sandoval

**Subject:** OC DA Broadwater/Barlag 2.24.2016: Cure and Correct Action Taken

2/28/2016

Dear Mr. Stiles,

The citizens of Garden Grove respectfully request that you and the City Council cure and correct the **action** taken by the City Council, specifically the 9/30/2014 agreement and the provisions contained therein between the City of Garden Grove and Mr. Dave Barlag. This request is being made before the citizens of Garden Grove commence an action by mandamus or injunction for the purpose of obtaining a judicial determination under California Government Codes 54960.1(a) and 54960.1(b)

As you are aware, on 2/24/2016 the Orange County District Attorney's office determined "that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act" and that

appears to mean that since the 9/30/2014 agreement with Mr. Barlag was a large part of the **action** taken, the agreement itself now seems to be null and void. The People of Garden Grove believe that our above request is valid under California Government Codes 54960.1(a) and 54960.1(b) since the City Council only cured and corrected the **reporting** of their agreement with Mr. Barlag but at no time did the City Council ever withdraw, rescind or void the **action** also known as **the agreement** and/or any of the provisions contained therein.

Since the OC DA's office issued their determination and findings on 2/24/2016 "that the actions taken by the City of Garden Grove in this instance violated the spirit and intent of the Brown Act", the People of Garden Grove believe that we are within the time requirements outlined in California Government Code 54960.1.

We thank you in advance for your timely response.

Said revocation must be in writing, must specifically revoke this Agreement, and must be received by the City's Human Resources Director, prior to the end of the seventh day following Employee's execution. Upon expiration of the seven-day period, this Agreement becomes effective, enforceable and irrevocable.

11. Complete Agreement. This is the entire agreement between Employer and Employee with respect to the subject matter herein and this Agreement supersedes all prior and contemporaneous oral and written agreements and discussions.

12. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Any Party may execute this Agreement by way of a facsimile or electronic signature, a copy of which will operate as an original. The party executing a facsimile or electronically scanned and transmitted copy shall promptly transmit a copy thereof to all other parties.

Just FYI I shared the proposal with my attorney, he had some proposal changes as far language and he also felt that the offer could be enhanced as far as value. I understand that you are limited as far as what you can do. Don't take it personal but this is my last shot to negotiate for the rest of my life. I have suffered a lot of professional and personal damage because of the situation.

Having worked in the fire service for the past 32 years, it has been my pleasure to serve as Fire Chief in Garden Grove. My resignation comes as a means for the department to begin to rebuild.

I will like to thank all the persons, in the City that have been there, providing me support over the years. Garden Grove is and will continue to be a wonderful place to work and the Fire Department will and has always provided an excellent service to its citizens.

Dear Central Management,

With much regret, I have accepted Fire Chief Barlag's resignation. It goes without saying that this was a unpleasant situation without any good outcomes for positive resolution. Dave recognized that the situation with the Fire Labor Group had deteriorated to a point that it would have been very difficult for him move the department forward. I hope we can continue to support Dave in anyway we can. Dave has had a distinguished career within the Fire Service. He is a dedicated member of our City family and a great member of our Central Management team.

Although I have just informed the City Council, official notice is still pending. Please keep this information confidential until a formal notice is made public.

Thanks for your support during this difficult time.

**Subject:** Fire Chief

Dear Mayor and City Council,

This morning I met with the Fire Labor Group and presented the resignation of Fire Chief Dave Barlag. The resignation will become effective immediately.

I also informed the Labor Group that the City would commence a nationwide search for the best candidate to fill the Fire Chief position. The Labor Group did suggest that I consider former Garden Grove Fire Chief Warren Hartley, as an Interim Chief. The Labor Group believes that appointing Warren Hartley Interim Chief would be the best option to transition into a positive environment moving forward. I told them that I would take their suggestion into consideration.

Please contact me if you have any questions. Thank you for your support, input and patience with this very complex matter.

**54960.1. (a)** The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that **an action taken** by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c) (1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

Mayor Nguyen,

My name is Nancy Hetrick and I am a Senior Manager with Management Partners. I will be the facilitator of the Council's Priority Setting/Planning Retreat on Friday, March 11, 8:00 am - 3:00 pm at the Sheraton Hotel. The goal of the session is to identify an approved list of City Council priorities that staff will subsequently develop into a strategic action plan for FY 2016-17. As part of the preparation for the session, I would like to schedule a time for a short phone or video interview with you to get initial thoughts regarding what you see as priorities for the upcoming fiscal year. Please let me know if one of the following blocks of time will work for you and if not, please suggest a time that would. We will need approximately 30 minutes. My preference is to arrange for a video conference if you have a camera on your laptop or tablet device; however, a phone call also works fine.

Here are a few blocks of time for consideration:

Monday, Feb 29 3:00 – 3:30

Monday, Feb 29 3:45 – 4:15

Monday, Feb 29 4:30 – 5:00

Monday, Feb 29 any time after 5pm if evenings are better

Tuesday, March 1 any time

Wednesday, March 2 any time after 10:30am

I look forward to talking with you next week.

Best,

Nancy

Hi Mayor Bao!

This is Dung Trinh ("Iggyigette" on FB).

I would like to invite you to attend and be one of our speakers for our "Honor Our Veterans" dinner program at 6 pm Saturday April 30.

As you may know, April 30 is the Anniversary of "The Fall of Saigon". This dinner is a "reunion" for Vietnam Veterans and former Vietnamese refugees and their families to meet, share a meal together, share their stories, and an opportunity to express our appreciation to our veterans.

I was a 5 year old boy at the time, and was rescued from a American chinook helicopter a few hours before "the Fall" at the Saigon airport. Like you, I have a passion to show appreciation to our veterans and hopefully bring honor to their service and healing to any hearts still hurting.

This event is co-sponsored by 7 Day Hero, The American Legion, and Kiwanis Club.

If this event works out for you, we would be delighted to have you represent the Vietnamese American Community.

Sincerely,

Dung Trinh, MD  
Chairman of the Board

Mayor:

I heard back from Superintendent Mafi this afternoon regarding the District Michael Monsoor Stadium Announcement Tuesday, March 15, 2016. Due to the overwhelming number of elected officials who have asked to speak at the event, the Board has decided to simply announce the dignitaries who are present, but no one will be allowed to speak. There will be a table for Proclamation's to be displayed, but that will be all. Ana is preparing two (2) Mayoral Proclamations for you to bring with you, one for the District and one for the family. City Council proclamations will be presented at the actual Stadium Dedication.

Please call me if you have any questions,

Hi Bao,

I know we are planning to meet on Thursday but something came up that I wanted to flag for you before our meeting. Not sure if you've heard of this: <http://blog.angryasianman.com/2016/03/who-is-spray-painting-this-racist.html>

We came across this in our social media networks and wanted to see if there is anything we can do to help. Apparently the graffiti (with the same racist slurs) has been seen around Garden Grove in more than one location throughout the past month. We find this extremely upsetting and wanted to check in with you about whether there are already efforts underway to address this (from the city, the GG police, etc.).

Thanks Bao and I look forward to meeting you in person on Thursday.

Thank you, Bao, your quick response and getting the city folks on top of this!

Does the city want to say anything publicly about it? Not sure if you know Phil Yu (Angry Asian Man) but I'm sure he'd love to post an update or statement from you if you wanted to share something.

Hope you're doing well! Look forward to seeing you at the conference in a few weeks!

Thank you all again for your timely responses.

According to the FBI ([https://m.fbi.gov/#https://www.fbi.gov/about-us/investigate/civilrights/hate\\_crimes/overview](https://m.fbi.gov/#https://www.fbi.gov/about-us/investigate/civilrights/hate_crimes/overview)), vandalism - with the added element of racial bias - can be defined as a hate crime.

Is there any possibility of opening an investigating this incident as a potential hate crime - particularly since there are allegations that this type of racist graffiti has occurred in multiple locations across the city?

Dear Mayor Nguyen:

My name is Thao Hoang. I live in 9522 Skylark Blvd, Garden Grove City. We am very proud of you, because we have a first Vietnamese Mayor in this city.

Today I write this letter to you, because my community where I live now I feel not safe anymore. My area had a lot of stealing, accidents. We are very worry about these.

For example: we have had been stolen our car on Sunday March 5, 2016. And this morning my neighbor had been stolen somethings in his car. And some accidents happened before. I think my area has not enough lights. If you have time, you can check the police's reports. We wish you can do some things for us. We wish we have street lights for our community. No more stealing in this area. I am very appreciate if you can do some thins for us  
Thank you for listening.

I wish you will be successful of political path.  
Best regards,

Thao Hoang

Thank you, Mr. Stiles. We really appreciate the city's swift response to this issue, upon being raised.

I also wanted to echo my colleague Sylvia's request for the city to investigate this as a potential hate crime. As you may know, we are a Southern California-based civil rights organization, and we are concerned that there have been a number of race-based attacks or threats against Asian Americans in the past year across both LA and Orange Counties. It would send a very strong and reassuring message to Asian Americans in Garden Grove and the larger region that the Garden Grove police and city officials will not tolerate any apparent hate-based activity targeting the Asian American community. If there's anything we can do to help with this matter, please let us know.

Thank you,

Mayor: GGPD is taking this very seriously and they will be working to apprehend any suspects. If they have reason to believe that a hate crime has been committed, we will proceed accordingly. Below are Omar's comments re the CA Penal Code.

"We need to identify the vandal to determine whether this act of vandalism is a hate crime. Under California law, a perpetrator commits a hate crime if he/she damages or destroys another person's property because of the victim's disability, gender, nationality, race or ethnicity, religion or sexual orientation. Thus, there's the added element of determining whether the vandal was targeting the wall in question because of the property owner's or resident's protected characteristics. (Penal Code sections 422.55 and 422.6)."

Omar: please advise all of us if I got any of this wrong.

Thanks.

We came across this in our social media networks and wanted to see if there is anything we can do to help. Thank you, Mr. Stiles. We really appreciate the city's swift response to this issue, upon being raised.

I also wanted to echo my colleague Sylvia's request for the city to investigate this as a potential hate crime. As you may know, we are a Southern California-based civil rights organization, and we are concerned that there have been a number of race-based attacks or threats against Asian Americans in the past year across both LA and Orange Counties. It would send a very strong and reassuring message to Asian Americans in Garden Grove and the larger region that the Garden Grove police and city officials will not tolerate any apparent hate-based activity targeting the Asian American community. If there's anything we can do to help with this matter, please let us know.

Mayor: GGPD is taking this very seriously and they will be working to apprehend any suspects. If they have reason to believe that a hate crime has been committed, we will proceed accordingly.

Below are Omar's comments re the CA Penal Code.

"We need to identify the vandal to determine whether this act of vandalism is a hate crime. Under California law, a perpetrator commits a hate crime if he/she damages or destroys another person's property because of the victim's disability, gender, nationality, race or ethnicity, religion or sexual orientation. Thus, there's the added element of determining whether the vandal was targeting the wall in question because of the property owner's or resident's protected characteristics. (Penal Code sections 422.55 and 422.6)."

Omar: please advise all of us if I got any of this wrong.

Thanks.

Dear Mayor Bao Nguyen,

I wrote to u last month with an attachment of a petition to stop the closing of FOUR STAR CINEMA at Valley View and Chapman in your city for Housing. I know I am not a member of your community but I am one of many who bring tax dollars to your city for years because of this theater and the bowling ally and surrounding eateries. You got to understand the need for this long standing place of entertainment for your city and community. Many in your city will end up taking the tax dollars they spend here to other city's do to a lack of entertainment in their own areas. You will also loose all the tax dollars coming in from neighboring city's from citizens trying to find affordable entertainment for their family's and dinning while in your fair city. Most from your community that have signed say the added housing would add unwanted traffic to a already heavily traveled street. I hope u will take the time and read their comments on the petition. We have gotten to date, 3/9/16, 2,786 supporters/ signatures. I do thank you for replying back the first time with a thank you, but would like to know what You and the rest of the City Council plan to do. So do all those that have signed the petition.

Sincerely  
Brent Hickman  
Buena Park, Ca  
Starter of the petition.

Hi Pam,

If you can reply to this email on possible dates & times, I'll give you a call back to confirm.

All's well here . . . maybe I'll see you at OCTA's Harbor Blvd Transit Corridor Open House Thursday evening at GGHS?!! I know Erin Webb will be there, so I'm looking forward to engaging with everyone . . . and advocating for the "garden" in Garden Grove!

As far as the PICH grant goes—it's a 3-year grant acquired and administrated by the Community Action Partnership of OC to advance improvements in community health in GG, Anaheim, and Santa Ana. The grant ends by Oct. 1, 2017 (22 months away), so the cities and I have grant deliverable terms we need to collaborate on and meet. Some of those are in progress and some are just beginning.

Please let me know what times are available for meetings with the Mayor and Councilmembers Jones and Beard. You're welcome to attend the meetings, too.

Thanks a lot for the quick response!

This is to inform the city of Tustin, CA that Don Bren, the Irvine Company, Jim McBee and Universal Protection Services continue to act in a negligent manner when I'm on Tustin Market Place property. This security company continues to play provocation games. I've already described exactly what the negligence entails and how it creates a public safety risk.

Similar criminal negligence has occurred at the Main Place mall, South Coast Plaza, The Block, Fashion Island etc. How many of these other properties is Don Bren and the Irvine Company responsible for?

This criminal act began in the 1990's under the leadership of Stan Knee, Randall Gaston, Brad Gates etc.

If it's possible to get "Certificate of Appreciation" for our Vietnam Veterans who will be honored at the event, that would be awesome.

We can send you a list of veteran names for the certificates once we confirmed our guest attendance. How much lead time would you need?

Good Morning Honorable Mayors and City Council members,

This is on the OC Board of Supervisors meeting for March 22. [Take a look at page 9.](http://cams.ocgov.com/Web_Publisher/Agenda03_22_2016_files/images/O00316-000263A.PDF)  
[http://cams.ocgov.com/Web\\_Publisher/Agenda03\\_22\\_2016\\_files/images/O00316-000263A.PDF](http://cams.ocgov.com/Web_Publisher/Agenda03_22_2016_files/images/O00316-000263A.PDF)

What's in question, it appears the FOAB (Financial Operations Advisory Board) is making decisions for the contract cities without consulting the city council members and constituents.

*"Up to this point in time, the contract cities have not expressed a desire to move forward with additional regional shelters located throughout the County"*

This FOAB committee meets monthly on site at the county animal shelter.

*Don White [Laguna Hills assistant City Manager] is one of several designees to the OC City Manager's Association Animal Care Subcommittee, which we refer to as FOAB (Finance & Operations Advisory Board). This group reflects representatives from our 17 Contract Cities and provides input regarding OC Animal Care issues, and the designees are selected by the OC City Managers Association. We meet on a monthly basis, and Don was elected Chair of the FOAB.*

Why was the county animal shelter allowed to deteriorate to the conditions pointed out in the scathing Orange County Grand Jury Report????

There is an agenda created but there are no minutes produced and the public is prohibited from attending. In 2008 it originally consisted of the County Director of Community Resources, the Director of Orange County Animal Care, and a few Assistant City Managers of the contract cities. However, the last agenda indicates additional members/attendees, see below.

There have been two peaceful protests in the last few months, one in front of the County Administration Office where the OC Board of Supervisors meet, and one outside the county animal shelter.

Taxpayers are asking for more transparency at the county shelter and of the FOAB meetings!!!!

Ana,

Veronica gave me your information. I'm the principal of Excelsior Elementary and we are planning a career day for April 7. Attached you'll find a letter that I am sharing with the businesses in my community. I'd like to have 20 career volunteers that would share about what they do. I'm pursuing avenues through my parents, through local businesses, and through you.

Any help would be great.

Dear Community Member:

Excelsior Elementary, in Garden Grove Unified, would like our students to know about the different jobs and careers that are available to them.

To do this, we are having a career day on Thursday, April 7, 2016, from 8:00-10:30. We are looking for volunteers from our community to come and share about their career.

Would you consider being one of our career volunteers? The day will run in rotations. This means that you would be sharing about what you do for 10 minutes. The students will ask you questions for about 5 minutes. Then they will record a short note on a worksheet about your career. This totals about 20 minutes. Then the students will have 5 minutes to rotate to the next class where they will hear from another career. You would then present your same information to another group of students. These rotations will continue until students have completed 4-5 sessions.

8:15 session 1  
8:40 session 2  
9:05 session 3  
9:30 session 4  
(9:55 session 5 possibly)

We would like you to be one of our career volunteers! We want to hear how your position contributes to our community! Please call me at (714) 663-6106 or email me at smershon@ggusd.us. I will follow up with you regarding how you can prepare for event when I hear from you.

Event Location is:

Geneva Presbyterian Church  
24301 El Toro Road  
Laguna Woods

If it's possible to get "Certificate of Appreciation" for our Vietnam Veterans who will be honored at the event, that would be awesome.

We can send you a list of veteran names for the certificates once we confirmed our guest attendance. How much lead time would you need?

As far as the PICH grant goes—it's a 3-year grant acquired and administrated by the Community Action Partnership of OC to advance improvements in community health in GG, Anaheim, and Santa Ana. The grant ends by Oct. 1, 2017 (22 months away), so the cities and I have grant deliverable terms we need to collaborate on and meet. Some of those are in progress and some are just beginning.

Please let me know what times are available for meetings with the Mayor and Councilmembers Jones and Beard. You're welcome to attend the meetings, too.

# About **CAUSE** Programs

Center for Asian Americans United for Self-Empowerment (CAUSE) is a 501(c)(3) nonprofit, nonpartisan, community-based organization with a mission to advance the political empowerment of the Asian Pacific American (APA) community through non-partisan **VOTER REGISTRATION AND EDUCATION, COMMUNITY OUTREACH, and LEADERSHIP DEVELOPMENT.**

---

## **CAUSE & Effects**

CAUSE & Effects is a one-of-a-kind Southern California journal publication covering local, state, and national politics from an Asian American perspective. The journal includes in-depth, opinion-based feature articles and public policy analyses, as well as thought-provoking sidebars.

## **CIVIC ENGAGEMENT LEADERSHIP FELLOWSHIP (CELf)**

The CAUSE Civic Engagement Leadership Fellowship (CELf) is a leadership development fellowship program geared towards graduate students interested in becoming greater civic leaders for the benefit of the APA community. The CELf program was specifically designed in order to address the need to bridge the gap between local government and APA immigrant communities. In this highly intensive fellowship program, fellows are trained to reach out and actively engage APA immigrant citizens by providing an in-language education on the importance of public policy discussion and civic participation through providing increased voter education and outreach services as well as a greater access to local government.

## **LEADERSHIP ACADEMY (Los Angeles & Washington, DC)**

The CAUSE Leadership Academy (CLA) was founded in 1991 in order to develop a pipeline of leadership for the Asian Pacific American (APA) community. CLA teaches students the importance of civic engagement and political participation and prepares its participants to be leaders at the forefront of the democratic process. Through exposure to decision-makers, policy makers, and the issues of the day, students gain a deeper awareness of the political issues facing the APA community in California and the nation. Graduates of this program have gone on to run for political office and have even become leaders in politics, business, and nonprofits.

## **POLITICAL INSTITUTE**

Political Institute provides political skill training as well as policy discussions on issues most pressing to APAs in California for high-potential working professionals interested in learning how to effectively advocate for their communities. While the program is specifically geared towards individuals pursuing public office, the program is also open and highly recommended for individuals with community leadership roles.

## **VETERANS INITIATIVE**

The CAUSE Veterans Initiative is a civic leadership program for veterans and active duty servicemembers who are seeking community leadership roles outside of the military. The Veterans Initiative program was specifically designed for veterans especially interested in increasing the accessibility and awareness of available veteran resources as well as learning how to effectively advocate on behalf of Asian Pacific American (APA) veterans issues.

## **VISIONS FOR LA**

Visions for LA is a series of town hall events that enable community members to engage with political candidates. These events are held around major election dates each year.

## **VOTER REGISTRATION, OUTREACH, AND EDUCATION**

Throughout the year, CAUSE conducts various voter registration, outreach, and education efforts in order to empower the APA community to be active political participants. By ensuring the community has a reliable means to register to vote and also be informed of the issues relevant to the community, CAUSE forms a network of motivated individuals ready to empower others to be civically engaged. CAUSE workshops, outreach programs, and materials also especially cater to limited English proficient voters requiring Asian in-language support.

## **WOMEN IN POWER (WIP)**

The Women in Power program aims to create opportunities for candid discussion regarding issues that women leaders face and to explore strategies for overcoming them. The WIP panel discussions and networking programs help foster a community built on leadership, inspiration, and mentorship. The program helps women professionals achieve their full leadership potential.

How hard would it be to have it changed to have our small community not have a clubhouse? Please see attachment of my proposal that was made to the board in February. If you think it won't be a problem, do you know of a realtor that could shepherd a sale through for us?

To all GGDBA Members and Friends of Main Street,

It is with much sadness and regret that I announce the funeral of one of our long time Main Street Matriarch's; Kaye Silva. Kaye and John operated Kaye's Kitchen for many years, having inherited it from John's father, Tony Silva who originally opened it as Tony's Restaurant back in the early 1950's. For those of you who knew her, she was always a pleasure to be around, especially when she was on-duty, running the restaurant. She always greeted everyone, whether she knew them or not, as if they were her best customers and life-long friends. She was a wonderful employer as well. I personally had the pleasure of working for the family as a busboy while I was in high school and have many fond memories of my time spent there with John, Kaye and Jim Schierberl when he was their lead chef. She will be greatly missed. Service will be next Friday, March 18th at 11:00 am at the Baptist Church at Euclid and Stanford. Our thoughts and prayers go out to Kaye's surviving family. They have asked me to put out this notice and personal invitation to all of you to attend.

Good Morning Pam,

Attached is the invitation for the Lamp Lighter Luncheon & Fashion Show that Mayor Nguyen will be attending as our guest.

Is there any way you can get this on the Calendar of Events for the city? I have tried to input the information into the on-line form, but it won't accept it because the luncheon location is in Anaheim. We are a Garden Grove Guild and we meet monthly in Garden Grove, at Kiwanisland. I am including a link to purchase tickets is you can get it on events page <http://www.choc.org/events/lamp-lighter-guild-luncheon-fashion-show/>

Also, we were wondering if there is any chance to Channel 3 can cover our luncheon? We are a Garden Grove CHOC Guild, in fact, our guild was started by a long time GG resident and her Dr. husband over 50 years ago. I can reach out to Marie or Jeff, if you'd prefer.

Mayor Nguyen also mentioned doing a Press Release, if possible. As a highlight, we will have Miss California (Bree Morse), Miss Garden Grove and her court as our models for the fashion show.

Please let me know if you need any other information regarding our luncheon.

Thank you so much!

Good Morning Pam,  
Attached is the invitation for the Lamp Lighter Luncheon & Fashion Show that Mayor Nguyen will be attending as our guest.

Is there any way you can get this on the Calendar of Events for the city? I have tried to input the information into the on-line form, but it won't accept it because the luncheon location is in Anaheim. We are a Garden Grove Guild and we meet monthly in Garden Grove, at Kiwanisland. I am including a link to purchase tickets is you can get it on events page <http://www.choc.org/events/lamp-lighter-guild-luncheon-fashion-show/>

Also, we were wondering if there is any chance to Channel 3 can cover our luncheon? We are a Garden Grove CHOC Guild, in fact, our guild was started by a long time GG resident and her Dr. husband over 50 years ago. I can reach out to Marie or Jeff, if you'd prefer.

Mayor Nguyen also mentioned doing a Press Release, if possible. As a highlight, we will have Miss California (Bree Morse), Miss Garden Grove and her court as our models for the fashion show.

Please let me know if you need any other information regarding our luncheon.

Thank you so much!

Hi, Andrea,

Pam is cc'd to assist calendaring the event. Once you have more details, we can work on having a city press release go out to show that I'll be participating and encouraging people to support the cause. Do you have a website for this event?

I have forwarded this to the appropriate staff for action. The process involves an informal ballot process to comply with Prop. 218 before we can move forward with replacement or installation. The reason for this is so that one resident cannot increase the taxes for a entire neighborhood. Generally if there is a need the residents for the lights, fyi.

Event Location is:

Geneva Presbyterian Church  
24301 El Toro Road  
Laguna Woods

If it's possible to get "Certificate of Appreciation" for our Vietnam Veterans who will be honored at the event, that would be awesome.

We can send you a list of veteran names for the certificates once we confirmed our guest attendance. How much lead time would you need?

I can't attend tonight's Tustin, CA city council meeting.

This is to inform the city of Tustin, CA that:

Charles Celano and his Tustin police officers, Sandra Hutchens and her deputies , Jim McBee/Don Bren/the Irvine Company and their security personnel Universal Protection Services, Jeff Bowman and his OC fire authority personnel etc. continue to coordinate together for the purpose of harassment and intimidation as I go about my business in your city.

I will follow up with more detailed emails recounting what has occurred since my last visit (complete with photos etc). Your security apparatus no longer gets to act like racist garbage with me behind the backs of the people of this county or country.

Hello Pam,

The charge is for other guests who want to attend our event. The Mayor and his lady are our guests of honor. There are no charge for guests of honor.

Last year, Councilman Phan was so gracious in hosting a lunch for two as his donation to

the Gala. There was a bidding war for that! Would you please check if Mayor Nguyen is willing to host a dinner for 2 to 4 this time? I would dare to rank that at the top demand as Dinner with the Bishop if he would go for it.

As a matter of fact, if you have no plan that night, we would love to have you and a guest too, Pam. Last year was a blast!

Hello Chris,

I hope 2016 starts out well with you and your family. How is your baby daughter (please excuse me if I am mistaken)? Please tell me about your experience as the new father.

Well, last year Auction Gala was so successful and you were such a hit that Christ Cathedral is begging to have you back again for this year. Not only we would like to have the privilege to invite you, but also we would like to invite other City Officials whom you would refer us to. T

This year Gala will be held on Saturday, March 19th, 2016 at 7:00 PM. Would you please let me know if you and Mrs. Phan will be able to attend? We will send the official invitation to you and anyone recommended by you, Chris.

Sincerely,

Eric Nguyen

Hello Pam,

The charge is for other guests who want to attend our event. The Mayor and his lady are our guests of honor. There are no charge for guests of honor.

Last year, Councilman Phan was so gracious in hosting a lunch for two as his donation to the Gala. There was a bidding war for that! Would you please check if Mayor Nguyen is willing to host a dinner for 2 to 4 this time? I would dare to rank that at the top demand as Dinner with the Bishop if he would go for it.

As a matter of fact, if you have no plan that night, we would love to have you and a guest too, Pam. Last year was a blast!
