Celebrate 15 years of struggle and victory with Orange County's janitors.

For 25 years, janitors have fought to raise standards in the industry -- to offer the best quality of service in the buildings they work in and to provide a better future for local families. Last month, OC's janitors, along with their brothers and sisters in Los Angeles, Sacramento, San Diego, Oakland and San Jose ratified a contract that protects healthcare, fosters safety from sexual assault and harassment on the job, as well as provides janitors with yearly raises that better reflect the cost of living in California.

None of this would have been possible without the support of community and elected leaders willing to come to an action, sign a letter or pick up the phone on behalf of janitors.

A car show features entries highlighting the last six decades, along with several public safety antique vehicles. The public is invited to vote for a favorite entry for a chance to win a free bicycle.

A mini-museum created by Parks, Recreation and Arts Commissioners, in collaboration with the Garden Grove Historical Society, will showcase Garden Grove history. Garden Grove Journal founding editor, and author of "Garden Grove: A History of the Big Strawberry," Jim Tortolano, will be selling and signing his book.

Subject: Nhan Hoa Comprehensive Health Care Clinic Back to School Backpack Campaign

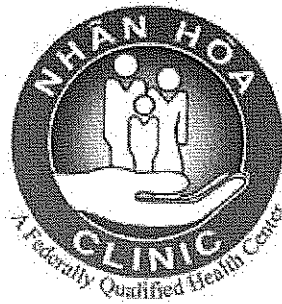

Dear Mayor Nguyen,

My name is Helen Hien Nguyen, I'm the Health Educator and Outreach Manager for Nhan Hoa Comprehensive Health Care Clinic in Garden Grove. Our mission here is to provide affordable and comprehensive family-based health services to the individuals, who may not otherwise have access to healthcare due to financial, language, cultural, lifestyle, or psychological barriers, regardless of their ability to pay. Each month we serve anywhere from 5000-8000 patients. Child obesity is a serious problem in the United States. According to the CDC Approximately 17% (or 12.7 million) of children and adolescents aged 2-19 years are obese. Children of low

income family have the highest prevalence of obesity (CDC, 2016). The purpose of this campaign is to encourage parent to bring their children in for the affordable low cost yearly PE, Eye exam, and Dental Exam. This campaign will promote wellness awareness and prevent chronic complication in children and adolescents. Nhan Hoa would like to partner with sponsors to give out a free backpack with school supplies to each children who participated in the wellness checkup exam. Below I attached more information regarding the Backpack Campaign. Thank you for your time, and I hope to hear from you soon.

Backpack Campaign

Nhan Hoa Comprehensive HealthCare Clinic is a Federally Qualified Health Center which provides low or no cost medical services to the neighboring community. Nhan Hoa Clinic's population served is predominantly of Vietnamese or Hispanic individuals and families who are low income, at, or below the poverty level. Most patients who visit Nhan Hoa Clinic have insurance through Medi-Cal, Covered California, or no insurance at all. Nhan Hoa Clinic does not discriminate and serves all regardless of ability to pay.

At Nhan Hoa Clinic, we strive to ensure that preventative care is the primary care we provide, so the community stays healthy. Child obesity is a serious problem in the United States. According to the Centers for Disease Control and Prevention (CDC) Approximately 17% (or 12.7 million) of children and adolescents aged 2-19 years are obese. Children of low income family have the highest prevalence of obesity (CDC, 2016). The purpose of this campaign is to encourage parent to bring their children in for the affordable low cost comprehensive wellness visit. This campaign will promote wellness awareness and prevent chronic complication in children and adolescents. With this in mind, we are looking to work closely with sponsors to begin our Backpack Campaign. This campaign would target families with school-aged children returning to school in the fall 2016. We will invite the community to bring their children in for a comprehensive wellness visit, which would provide pediatric physical exams, immunizations, dental cleanings, and eye exams to each child in a family. After completing the visit, the children will receive a free backpack including common school supplies such as a spiral notebook, pencils, pens, pencil boxes, binders, etc. We hope to distribute anywhere from 500-1000 units depending on our supplies.

Estimated budget as follows:

- Backpacks: \$12.79
- Notebooks: \$ 1.00

- Pencils: \$1.49
- Pencil Box: \$1.39
- Binders: \$2.59

Total cost per unit: \$19.26 per student

We hope to develop a long term partnership with you as one of our primary sponsors who support our passion for the health and wellness of our community. We ask for your generosity in monetary donations to purchase materials, or by donating the school supplies directly.

For any questions, concerns, or to donate, please contact Helen Hien Nguyen at 714.898.8888 ext. 134 or helen.nguyen@nhanhoa.org

Re: Notice of Termination of Tenancy of Creamer Family

Dear Ms. Burns:

Public Counsel represents Raymond Kent Creamer and his family, who reside at 12911 7th Street, Garden Grove, CA 92840. The City of Garden Grove ("City")¹ served the Creamer family with a 90-Day Notice to vacate his residence, dated June 3, 2016, but has provided no relocation assistance. This despite the fact that the subject property was acquired with Low and Moderate Income Housing Fund, and was subsequently transferred to the City's Housing Authority whose purpose is to provide assistance to low income households. Consequently, the City must rescind the Notice to Vacate.

The California Relocation Assistance Act ("CRAA") prescribes a relocation assistance planning process when displacement is, or will be, caused by the displacing activities of a public entity. Gov't Code §§ 7260 *et seq.*; 25 C.C.R. §§ 6000 *et seq.* No person shall be displaced and no phase of any project resulting in displacement of any person may proceed until the public entity has fulfilled all of the obligations of the CRAA and its implementing Guidelines. Gov't Code §§ 7260, 7260.5; 25 C.C.R. § 6014; *Garcia v. Anthony*, 211 Cal.App.3rd 470, 472 (1989). The CRAA explicitly provides that if the Agency is not substantially fulfilling its relocation obligations, it shall cease displacement and suspend project implementation until it has satisfied its responsibilities. 25 C.C.R. § 6016(a).

The City must adopt a relocation assistance plan. 25 C.C.R. § 6038. This plan should include sufficient information to enable the Agency to decide, based on the human and monetary costs of relocation, whether the destruction of the dwelling *should go forward at all*. *See Id.* Key elements of the plan that are critical to making that decision include projected dates of displacement; an analysis of the relocation needs of all persons to be displaced; a detailed explanation as to how those needs will be met, including an analysis of the housing resources available to meet them. 25 C.C.R. § 6038(b). It also must detail the relocation advisory services, procedures, and relocation payments to

¹ As used herein, the term "City" also refers to the City acting as Successor Agency to the Garden Grove Agency for Community Development, the Garden Grove Housing Authority, including its actions as the housing successor under the Dissolution Law.

be made (which include specific procedures for locating comparable replacement housing) and evaluate those costs and identify the resources that will pay them. *Id.* As a displacing public entity, the Agency also must make a written determination that necessary resources will be available as required. 25 C.C.R. §§ 6010(a)(6), 6038(b).

The City and the Housing Authority must immediately halt plans to displace Mr. Creamer and his family, in order to take the necessary time to fully comply with the law by adopting a Relocation Housing Plan and a Relocation Assistance Plan for them. If the City and the Housing Authority then decide to move forward with its redevelopment plans, it must fulfill its obligations to prioritize locating replacement housing for the Creamers.

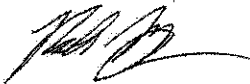

We understand the City claims the Creamer family has waived relocation assistance owing to a provision in their lease. This conclusory statement is incorrect for many independent reasons. First, there is no authority for the City to require tenants to waive their rights under the law. To the contrary, the CRAA has specific provisions limiting circumstances where relocation assistance may be waived, see 25 C.C.R. § 6042(e), such as natural disasters or other emergencies. These are not applicable here, so the purported waiver is ineffective. Second, the post-acquisition provisions cited in the lease do apply to the Creamer family, since they moved as a result of acquisition by a public entity. 25 C.C.R. § 6034(a)(3). Third, the City has provided no information to demonstrate to Mr. Creamer or the public that it was actually authorized to plan to dispose of the property at 12911 7th Street. 25 C.C.R. § 6034(b)(1). Paragraph B of the Lease recites that the property was acquired with Low and Moderate Income Housing Funds, indicating that the subject premises are required to be used for long term affordable housing pursuant to provisions of the Health & Safety Code § 33334.2 *et seq.* Fourth, none of these provisions excuse the City from making prior determinations regarding displacement, eligibility for relocation assistance, provision of information to residents, conducting a housing needs survey, and availability of comparable replacement housing. 25 C.C.R. § 6010. The City cannot now invent post-hoc determinations while the notice of termination is outstanding, and it has failed to provide any information to the residents. Fifth, the City has failed to adopt a relocation plan setting forth what relocation will be available, with opportunity to public comment and review by the residents. 25 C.C.R. § 6038.

Furthermore, even if the City disagrees with all of the forgoing analysis, Mr. Creamer is diagnosed with stage 4 cancer, placing an extreme hardship upon his family to move at this time. Assuming, *arguendo*, that an effective waiver exists, the Creamer family was post-acquisition occupant of an eligible property, and that the City has no other duties under the CRAA when displacing households, it is still required to provide relocation advisory assistance, and is encouraged to provide payment for moving expenses. 25 C.C.R. § 6034(b)(2). No advisory assistance, or any other assistance, has been offered or provided. Accordingly, even under the City's own theories, it cannot proceed with the disposition of the property until it adopts a relocation plan and provides the required advisory assistance.

Regardless of the City's position on the above matters, we request that you accommodate Mr. Creamer's disability owing to his cancer, by providing an extension of time for him and his family to move out. This is a reasonable accommodation request, pursuant to the Fair Housing Act, as amended (42 U.S.C. §§ 3601 *et seq.*), the Fair Employment and Housing Act (Cal. Gov't Code § 12955 *et seq.*), and section 504 of the Rehabilitation Act (29 U.S.C. § 794). This extension is necessary to preserve his health and dignity, and to lessen the trauma on his family. We request that you respond to Mr. Creamer's request for this reasonable accommodation by no later than June 30, 2016.

We would of course prefer to resolve all of these issues sooner than June 30. Please contact me at your earliest convenience to schedule a meeting for the week of June 20, 2016. I can be reached at nvyas@publiccounsel.org or 213.385.2977, ext. 178.

Hello,

I wanted to send my personal thanks for attending and speaking at our event on Monday. We want to extend our deep apologies for the low turn out –we are really scratching our heads on this one and are continuing to reflect on what happened. Yesterday was truly an anomaly as our last forum had an attendance of over 75 community members and our events in general bring hundreds of workers and owners in attendance. We don't believe Monday's turn out reflects the interest of the community on the issues of labor rights, and know that it will take your partnership and collaboration to ensure labor issues and worker rights are addressed within this community. As a next step, Nails TV show and Viet Nails Magazine will be sharing the information you all provided online to thousands of nail salon workers and owners across the country. Dear CLUE and Mayor Bao Nguyen:

Thank you for continued interest in the status of matters between UFCW Local 324 and Cargill.

As we previously indicated to CLUE and its members, the issue of whether the UFCW is the appropriate bargaining representative for workers at our Fullerton location is on appeal in the Eighth Circuit.

Cargill requested that the court system review several irregularities in the election proceedings. For example, more than one Cargill employee testified under oath that during the election process, they were harassed and/or intimidated by people advocating for the Union. The Union and the NLRB also did not follow the NLRB's proper election procedures.

We view these issues as particularly important because there was just a one-vote difference between those who voted for the union and those who voted for no union. Half of our employees do not want to be represented by UFCW Local 324, and we believe they deserve the right to participate fully, freely and fairly in this important decision. The UFCW's tactics impaired their ability to do this.

We ask you to respect this process by allowing the proceedings to take their due course. Cargill intends to accept the courts' ultimate ruling and we believe UFCW Local 324 should do the same. Until this decision is final, we do not have any more information to provide you. Therefore, it is not necessary for you to contact me or other Cargill employees until the decision is finalized and is publicly announced.

Thank you in advance for your understanding and cooperation in respecting the rights of all Cargill Fullerton employees.

Kind regards,

Brett Bohlander
Facility Leader

Just FYI in case you haven't already heard... the Planning Commission unanimously recommended denial of the permit for the crematorium last night. A large crowd of around 400 people showed up to testify. The applicant has 21 days to consider filing of an appeal to the City Council. We do not have any indication if he intends to appeal. Dear Scott Stiles,

In the wake of the Orlando shooting the Interfaith Council of Garden Grove, Stanton & Westminster would like to partner with the Mayor of the City of Garden Grove to host an Interfaith Iftar (breaking of the fast) showing our solidarity to stand united. We would like this to take place on Thursday, June 30, 2016 at 7:30 pm. Along with our partnership with the City of Garden Grove, we will also reach out to The Islamic Society of Orange County, CAIR and the LGBT Center of Orange County and the office of Congresswoman Loretta Sanchez to join us as partners.

I am aware that there is normally a fee to use the community center. If that fee can be waived, the Interfaith Council would take responsibility for paying for staff time.

I would also like to ask that an invitation be extended to all City Council members to be in attendance at this event. I am available to work with City Staff in preparation for that day.

Sincerely,

Subject: Continued problems with Half Way House and/or Board and Care at 12392 Janet Circle

Mayor, Mayor Pro Tem, and Council Members,

We are contacting the City Council because since June 2015, Incident and then Criminal Reports on two people residing at 12392 Janet Circle, have been filed by us with the Garden Grove Police Department. It began with a woman walking up to neighbors' garages and porches without permission, walking a dog off leash, failing to clean up after the dog, and then one morning when found standing in the middle of our property, and asked what she was doing there, the conversation ended with her stating, "Go ahead and call the police." A police incident report was filed by us and apparently nothing was done as that type of behavior continued off and on. Then one year later, another woman, also residing at 12392 Janet Circle, came on the scene. This time bizarre behavior escalated to stealing and harassment. We filed a Criminal Report and the Police said they filed it with the District Attorney, however, to date no action has been taken against that resident, in spite of the fact she confessed to stealing the property from our residence. These concerns of escalation and safety have only increased over time since it appears that even with the filing of a Criminal Report, any expectancy of an investigation and prosecution of the crime, and holding individuals accountable, individuals including those managing and owning the property, has become a thing of the past.

Below is a brief outline of an ongoing problem in our neighborhood. Details are available in Police Report Number 16019247, filed with GGPD, beginning on 4/12/16.

For the last few years, my family, and our neighbors, have had to deal with individuals residing at what we've been told is a locally approved "board and care or half way house," at 12392 Janet Circle. This house has multiple residents and has been allowed to operate in our long established residential neighborhood. It's become apparent by their demeanor and actions that the residents have mental health issues and are allowed to roam the neighborhood, unsupervised. While our neighbors have had their own problems with the residents of this house (the worst being an interrupted break-in that resulted in the poisoning and eventual death of a neighbor's dog) we are specifically addressing our most recent interaction/problem

/reporting with one individual over the past six months. We learned of this woman's name, Rebekah Horowitz, when we filed our initial Crime Report.

Our first encounter with Ms. Horowitz when she was seen on her hands and knees in our yard smelling flowers. Over a short period of time that behavior progressed to walking and singing loudly in our front yard at 4 AM; repeatedly coming up to our door and making incoherent statements; coming to the door and requesting to be driven somewhere; requesting to use the phone to call for a taxi; continually leaving things on our front porch (subsequently learning some items had been picked up from a neighbor's yard). All of these aforementioned acts then reached a peak of a criminal action with the theft of costly Mexican pottery from our front patio. We suspected it was Ms. Horowitz and two weeks later it became conclusive she had done this when she walked, uninvited, onto our property and confessed, "I commandeered" your flowerpots. When asked did she mean she stole the pots, she said, "Yes." At that time we filed a follow-up to our initial criminal police report. The same day, she returned and came up to our door and was told explicitly to leave the property and no longer return. That, however, "did not stick" as she continued to return, ringing our doorbell and making unintelligible statements. I have repeatedly told her to leave and never come back.

We have subsequently learned that at least four other neighbors said she has also come to their door, banging loudly upon it, with one older lady saying she was approached while in her front yard and then, due to the continued bizarre behavior of Ms. Horowitz, she dropped her hose and went into her house as she felt concerned for her safety.

While it would appear that Ms. Horowitz may have mental health issues, that is not an excuse for accepting irrational behavior that can lead to acts and actions that would never be expected. And while such a condition seemed feasible when she was first seen on our lawn smelling flowers, her progression to criminal overt actions as mentioned speaks to a concern that this has become something far beyond any issue we should have to deal with ourselves.

In conclusion, the lack of legal follow-up as well as the lack of accountability of the owner of 12392 Janet Circle for running a "halfway and/or board and care" residence, (likely at taxpayer expense and City approval), and which provides no supervision nor accountability for the residents, has created a situation to where we must now contact our elected representatives to represent us on this matter. The property owners, the taxpayers of Garden Grove, are deserving of nothing less than a swift and prompt remedy before

the criminal behavior escalates.

Thank you. We, and our neighbors, will be looking forward to the soon resolution to this ongoing and unacceptable situation.

Dear Ann and Mayor Bao,

I appreciate the letter inviting ISOC to join in solidarity to remember the victims of the recent Orlando tragedy and the sorrow of their families. As I did indicate to Rida, I will first have to run it by my Board to get approval to partake. I do not see any issue but given that we have our Annual Banquet tomorrow I will not be able to get an answer on this until later part of next week.

As to sponsoring the dinner Iftar (breaking of Fast) we can round up some sponsors to under write the cost. How many guest are you planning on and the type of menu are you looking for. Is Mediterranean fine.

I am also honored to be asked to be the Emcee for the evening. If you have anyone else in mind I am okay to yield.

Thanks and Best Regards,

Fareed

I think it will be a great event for him to attend. I have been told the group may move the date to the 28th. Would that still work for your team? Which day would you prefer?

I will get back to you with a couple points about Goodwin Company. Most primarily that we have been in business since 1922, with our headquarters in Garden Grove for the last 40 years. (I will get actual date for you).

In general, whenever I meet with a Mayor of a major city in China we generally trade nice remarks about our countries and the importance of international cooperation and good partnerships between great companies. That trust and honesty are the most important details of any business partnership and that Goodwin Company operates at the highest level of both.

Any chance I can meet with you and your team beforehand?

Thanks, Don Goodwin

Dog interferences and attacks are issues that we deal with throughout the year but during summer it tends to increase due to the weather and children on summer vacation. The Post Office would like to extend an invitation to City Officials and Channel 3 News to observe and possibly participate the demonstration. Mr. Murphy,

The task force on medical cannabis is still studying the issue. We will have a study session and come back to council with recommendations. Council will have to take action no later than the August 9 meeting in order to propose a measure on the November ballot.

To be clear, the majority of council does not seem to support any ballot measure nor any action towards regulations.

Please advise if you have any input.

Hi Council Members,

Thank you for taking the time to consider my inquiry.

This past Spring the City Council joined a wave of cities banning the cultivation and delivery of Medical Marijuana before the March 1st Deadline whereupon local control of the matter would be forfeited to the state.

My understanding was that this was something of a stop-gap measure, a temporary position taken more to maintain local control than to settle the issue. Now that it is several months on, have there been any additional decisions made regarding the future of Medical Marijuana in Garden Grove?

If so: what are those decisions?

If not: when do you expect to take another look at the issue and how will that process be undertaken?

Thank you again for taking the time to read and respond to this letter.

Dear Pam

This is Audrey. I am extremely sorry for the recent miscommunication and change in personnel. I am will be in contact with you from here on out and you can reach me at this email and or my cell phone (626) 731-0662.

In regards to the last email sent last night, I mean't to write the number 16 but typed 14, my apologies. The tickets you have received are the same ones you will receive when checking in at the booth. You can distribute those tickets and email the names of those who did not receive the tickets to be on the list at the booth.

Public officials will have assigned seating so be aware that the 16 individuals may be placed in different areas. An escort will take everyone to their seating.

The parking instructions are as follows:

VIP designated parking lots are Westminster High School and Webber Elementary - There is a shuttle for both lots which will take the attendees to the temple.

You may drop the attendees at the temple between Chestnut and Goldenwest, at the corner of Chestnut and Maple and then have one driver park at the designated parking lots.

If you have further questions please feel free to contact me.

Thank you.

thank you for all your assistance on this event. I will let the Mayor about the possibility of lunch on Sunday. Yesterday when we spoke, I mentioned that while I won't be attending, that the City Manager's Executive Assistant, Karen Hernandez will attend with Brian Hill. So that would bring the total up to 16. I assume that they will all attend the 8am blessing, but if they arrive later, will they still be able to get their tickets? Also, the temple sent over some tickets that say Free Admission for Sat. and Sun. at 7am. Are these tickets different than the ones they will receive after checking in at the event? Will there be VIP parking? Thank you!

Dear Pam,

I apologize for giving you unclear information. All officials are required to have a ticket to enter the event. I have reserved a total of 14 tickets at the ticket booth ready for pick up. The officials only need to present their names and they will each be given a ticket. After passing the security line, they will be seated in the VIP area.

Lastly, I like to update you on the luncheon. After checking with the temple and speaking with Venerable Master Thich Vien Ly I have confirmed that Saturday seats are completely filled. Venerable Master Thich Vien Ly may have one seat available on Sunday for Bao Nguyen. I will contact you immediately when there is confirmation.

I am deeply sorry for the miscommunication. And if you have any more questions contact me anytime.

Dear Mayor Nguyen,

My name is Helen Hien Nguyen, I'm the Health Educator and Outreach Manager for Nhan Hoa Comprehensive Health Care Clinic in Garden Grove. Our mission here is to provide affordable and comprehensive family-based health services to the individuals, who may not otherwise have access to healthcare due to financial, language, cultural, lifestyle, or psychological barriers, regardless of their ability to pay. Each month we serve anywhere from 5000-8000 patients. Child obesity is a serious problem in the United States. According to the CDC Approximately 17% (or 12.7 million) of children and adolescents aged 2-19 years are obese. Children of low income family have the highest prevalence of obesity (CDC, 2016). The purpose of this campaign is to encourage parent to bring their children in for the affordable low cost yearly PE, Eye exam, and Dental Exam. This campaign will promote wellness awareness and prevent chronic complication in children and adolescents. Nhan Hoa would like to partner with sponsors to give out a free backpack with school supplies to each children who participated in the wellness checkup exam. Below I attached more information regarding the Backpack Campaign. Thank you for your time, and I hope to hear from you soon.

I will get back to you with a couple points about Goodwin Company. Most primarily that we have been in business since 1922, with our headquarters in Garden Grove for the last 40 years. (I will get actual date for you).

In general, whenever I meet with a Mayor of a major city in China we generally trade nice remarks about our countries and the importance of international cooperation and good partnerships between great companies. That trust and honesty are the most important details of any business partnership and that Goodwin

Company operates at the highest level of both.

Any chance I can meet with you and your team beforehand?

Thanks, Don Goodwin

Hello, Chairman Fareed,

I'm so happy that you can help MC and bring sponsors onboard. You'll be a great MC!

I think we'll have a better understanding of the number of guests at the end of next week or the Monday of the following week. I think Mediterranean would be perfect.

Thank you,
Bao

Dear Ann and Mayor Bao,

I appreciate the letter inviting ISOC to join in solidarity to remember the victims of the recent Orlando tragedy and the sorrow of their families. As I did indicate to Rida, I will first have to run it by my Board to get approval to partake. I do not see any issue but given that we have our Annual Banquet tomorrow I will not be able to get an answer on this until later part of next week.

As to sponsoring the dinner Iftar (breaking of Fast) we can round up some sponsors to under write the cost. How many guest are you planning on and the type of menu are you looking for. Is Mediterranean fine.

I am also honored to be asked to be the Emcee for the evening. If you have anyone else in mind I am okay to yield.

Thanks and Best Regards,

60th Anniversary and Celebration of the City of Garden Grove!

Dear Mayor Bao Nguyen,

Thank you for having the courage and willingness recently and since your time as mayor to try your best to put "principles over politics" and to condemn/oppose all violence as well as the politics of fear, hate, bigotry, misinformation, and the lack of truth and accurate information, etc. regarding a number of important issues facing local communities and our City and troubled nation.

In this regard, I have an important request: Please let me know if you and the City Council can consider passing a City Resolution in the near future condemning/opposing all acts of violence including but not limited to, the recent assassination-murder of British MP, Jo Cox as well as the recent murder of the 49 people in Orlando, FL.

Although I may not always agree with you and others about every issue, I respect your willingness and actions to help make Garden Grove even better!

My good friend, Superior Court Judge Jim Gray (retired) whom I have known for many years, addressed the City Council this past Tuesday right after I did. He raised several important points that I was unaware of and should consider or re-consider in order to be better-informed. As such, in the coming days I expect to meet or speak with him further.

On this the City's 60th Diamond Anniversary, my "Best Regards" to you and all of us who enjoy living and working in the City of Garden Grove!

Sincerely,

Dear Fareed Farukhi,

We understand that those participating in the Interfaith Iftar on June 30 come from a variety of backgrounds and faith traditions. We stress that our reason for coming together is to take a stand against violence and to celebrate our shared desire for a peaceful world. Our mission has always been to promote respect and understanding for the integrity of each other's beliefs, cultures, and traditions.

The Interfaith Council of Garden Grove, Stanton, and Westminster would like to invite Dr. Siddiqi to give a brief keynote address. In this time of Ramadan, we would hope that he may address how Islam calls people to live in harmony.

Again, we thank you for your generous sponsorship of the Iftar meal and your agreement to serve as our emcee for the evening. Mediterranean food would be wonderful. The Garden Grove Community Center holds 250 people and we are hoping to have a full house.

Following your meeting with Dr. Siddiqi and the Board of ISOC, we would appreciate your prompt response so that we may give you the appropriate appreciation in our program and invitation.

Please feel free to contact me in regards to any questions/concerns you may have.

Sincerely,

Ann Nguyen

Santa Ana, June 19, 2016

Dear Garden Grove Chairman of Planning Commission, Planning Commission Members, Mayor, City Manager, and Council Members.

cc: Mayor Santa Ana, and Council Members.

We would like to say gratitude for your help and support our neighborhood community that you have heard of our own voices of health concerns, our homes and lands are in substantial loss, our traffics congestion right at the corner of Garden Grove Freeway 22, Fairview Street, Garden Grove Blvd, and Haster Street, and above most of all is the Air Quality Environment Impact that are endangered our community who live right under the Embalming and Cremators' Exhausts process.

With this Heaven's Gate Funeral Home to be built here in our neighborhood, it would become a devastating to entire our neighborhood community, it will definitely and surely affect our health, our children, it surely distracts our daily activities, it will affect our psychological behaviors, and devastates our lives spiritually and mentally, it will depress our lives, and create anxiety affect to our physical bodies.

In the 2nd Public Hearing, all of the concerns were proofed that our neighborhood community with over 400 people show up in three hearing rooms to Oppose Funeral Home being built in our neighborhood. With that in mind, after 2hrs 45mins hearing, we have a turned out with unanimously 7 votes "Yes" for our residential neighborhood - to Deny / Disapprove Case Number CUP-073-2016 (Mr. Tuan Duc Nguyen, owner of Heaven's Gate Funeral Home)

We are gratefully and appreciate with your right decisions in the best interests of our community, with your mercy, and understanding how sensitive matters are meant to us, it would bring back our lives and normal daily activity back a peaceful life.

One most important wish request of our neighborhood is, please SAVE and PROTECT our neighborhood community from harm of Funeral Home Services being located near the corner of Garden Grove Blvd. and Fairview Street. We Do NOT need another one of Mortuary and Crematory in this area.

Lastly, we do appreciate and thank you Mayor Santa Ana, Council Members, and Mrs. Michele Martinez, a Council Woman representative of City Santa Ana who was with us on June 12, 2016 - Sunday rally on Laramore Lane cul-de-sac to give us a speech and hand in hand with us to support our Tri-City neighborhood community.

Thank you all,
God Bless You All, and America!

Dear Mayor and City Council,

I would like to express my appreciation for the opportunity to meet with Steve Jones and Kris Beard on June 14th. I know their schedules are very busy, and our neighborhood coalition is grateful that they made time to talk with us about issues that a mortuary and crematorium on Garden Grove Blvd would bring to our community.

The good news, as I'm sure you're aware of, was that the Planning Commission denied the project with a 7-0 vote. We were so pleased that they heard our voices and agreed with the consensus that the project would have been detrimental to our neighborhood and surrounding schools.

Hopefully this will be the last we hear of the proposed project in this location. I thank each of you sincerely for all you do to serve the people of Garden Grove.

Sincerely,

Susan Shigemasa

Dear Faith Leader,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your faith community to participate in this event. We would also like to ask you as a faith leader to offer a brief two minute prayer or reflection for our community. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

Once we hear from you, we will be able to work on our program. We would appreciate your response via email or phone by June 27. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please feel free to contact me in regards to any questions/concerns you may have.

Dear Faith Leader,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your faith community to participate in this event. We would also like to ask you as a faith leader to offer a brief two minute prayer or reflection for our community. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

Once we hear from you, we will be able to work on our program. We would appreciate your response via email or phone by June 27. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please feel free to contact me in regards to any questions/concerns you may have.

Sincerely,

Ann Nguyen

Mayor Nguyen,

Thank you for your note and invitation regarding the Interfaith Iftar.

Although I am still president of the Interfaith Council of Garden Grove, Westminster and Stanton, I am not replying to you in that role. Unfortunately I was ill last week and unable to participate in any discussions leading to the Interfaith Council deciding to sponsor the "Iftar Dinner."

While I certainly support efforts to reject bigotry, violence, hatred, and religious misunderstanding in our community, I am not convinced that this current proposal is an advisable approach. It seems to me that it is taking a tradition related to a specific religious observance and utilizing it by both a government entity and outside education agencies in an inappropriate fusing of religion, government, and secular entities. It certainly is a confusion of church and state separation.

Rather than a lengthy explanation and response, I will stop with this brief comment.

While well-intentioned, I don't think this particular response to the evil event in Orlando is appropriate or ultimately helpful for understanding and dialogue. I feel it is inappropriate for me to participate. In addition I am already committed to another Muslim sponsored Iftar event that same evening.

I commend your efforts as Mayor to respond in ways that promote peace and understanding for one another in our community.

Cordially,
Rev. Douglas Johnstone

2016 OC Fair on July 29th.

On June 6th, we sent letters to your Mayor, Mayor Pro Tem, Council Members and City Manager inviting them to attend. I haven't heard back from your offices on who might be interested in attending. We hope the City of Garden Grove has a great turnout of representatives.

At the Flag Salute Ceremony, all government officials in attendance will be introduced, however there is no speaking opportunity. They will also be shown on accompanying video monitors

I've attached a helpful document that should help answer any questions regarding when and where to arrive. The ceremony lasts approximately 10 minutes and is standing only (no seats). After the ceremony, official guests are invited to stay and enjoy the OC Fair.

Let me know if you have any other questions.

Thank you,

2016 | *Get Your* **FAIR FACE ON!**

Welcome to the 2016 Cities Flag Ceremony at the OC Fair!

Thank you for helping us celebrate *Garden Grove Day* at the OC Fair by participating in our morning Flag Raising Ceremony on Friday, July 29. Here is some information for that day which we hope will be helpful:

- Please plan to arrive by 11:50am through Gate 4 off Arlington Drive to Lot F (indicated on the attached map). This is not a public gate, so it should be easier for you to get in and out of the parking lot. Proceed to the Parking Attendant who will have your name on a list of authorized guests.
- Please find a parking spot close to the Administration Building which you'll see on your left as you enter the parking lot. Check in with the Receptionist in the lobby of the Administration Building. Beverly Morgan from Community Relations will greet you there and escort you to the flag raising area in front of our Hangar Building where you will be joined by other groups representing your city.
- At 12:30 p.m. an announcer will welcome everyone to the OC Fair and introduce you. Then the National Anthem will be performed while a giant American flag is raised along the face of the Hangar Building. It's our patriotic way of officially opening the fair for the day, and establishing a sense of community for our guests. After the Flag Raising Ceremony is over, you are welcome to stay at the OC Fair as long as you like.
- **Because this is an official visit for you, the OC Fair will provide you with an admission credential when you arrive. You may bring up to 2 additional guests, compliments of the OC Fair. Should you wish to bring more guests, you're welcome to purchase admission tickets at one of our gates.**
- Should you have any questions prior to your visit, or need assistance as you arrive, please contact Beverly Morgan at (714) 773-2864 or bmorgan@ocfair.com.

Hi Ann,

Thanks for having Dr. Siddiqi to be the keynote speaker. I will check with him and get back. As to the contribution or sponsoring the food part I was only checking to see what are the arrangements as to Halal food or seafood for those observing the fast and how is it taken care of. From what Br. Danny Bundakji shared with me in the past ISOC or Dr. Bundakji has sponsored by chipping in towards to over all cost.

Please clarify so there is no confusion. I am not sure if ISOC can taken on the whole cost of doing 250 people. If the Council or anyone is already doing the arrangement that is fine and we will contribute in a humble way towards it.

Best Regards,

Fareed

Noelle,

On Wednesday, June 22 at 8 am the Garden Grove Post Office will be holding a Sit Means Sit Dog demonstration. This demonstration is to help our employees learn safety against potential dog attacks. Dog interferences and attacks are issues that we deal with throughout the year but during summer it tends to increase due to the weather and children on summer vacation. The Post Office would like to extend an invitation to City Officials and Channel 3 News to observe and possibly participate the demonstration. Our own Postal News, Union Branch Officers, and District members are expected as well.

I hope our invitation will be accepted and look forward to a confirmation.

Dear Jasjit,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your faith community to participate in this event. We would also like to ask you as a faith leader to offer a brief two minute prayer or reflection for our community. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

Once we hear from you, we will be able to work on our program. We would appreciate your response via email or phone by June 27. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please feel free to contact me in regards to any questions/concerns you may have.

Hi Bao and Rida,

I lost my phone today so I am phoneless. At the present time I can be contacted by computer only. Just heard that ISOC cannot do all the food donation. Where does that leave us? Can we get enough to make the food. Also I have not sent out the public officials announcement, as I am a little concerned on some parts of the organizing.

I should like to talk to both of you. Firstly, what can we do about the food if it not all donated?? I have had some positive responses back from Interfaith contacts including the Buddhist temple in Stanton, Rev Karen, Jasjit from the Sikh community, Maneck from the Zorastrians, and Suhail from the Muslim community.

Unfortunately, Rev. Doug Johnstone has just resigned as President of our Interfaith Council, and I am at a loss as to what I should do.

I could meet with you tomorrow evening or early Wednesday morning. Please let me know. I have not responded back to Fareed as I wanted to see what you thought.

Hi, Ann, Rida,

I can meet tomorrow after 730pm, can't Wednesday morning.

My mayoral campaign committee can donate \$500 directly to the Interfaith Council to help with food. Let me know where to send the check. Also, let me know how much more money you'll need, and I'll ask around for donations.

In addition to sending invites to electeds, we may want to consider inviting the different city managers, police and fire chiefs, and sending a media advisory.

With the resignation of Rev. Johnstone, as VP, it's your duty to fill the position. Best wishes in your new role as President.

Good night,
Bao

Hi Bao and Rida,

I lost my phone today so I am phoneless. At the present time I can be contacted by computer only. Just heard that ISOC cannot do all the food donation. Where does that leave us? Can we get enough to make the food. Also I have not sent out the public officials announcement, as I am a little concerned on some parts of the organizing.

I should like to talk to both of you. Firstly, what can we do about the food if it not all donated?? Hello Pam,

Here are some slides that we created for the past event.

For this event, it is so close, we won't have the same agenda.

If mayor Bao doesn't have anything to show, I can just show one slide with his name and title in the background as he's speaking. His speech will be 10 minutes or so, he can highlight the Asian's culture or whatever relevance.

I will need to confirm if he is coming or not and his key remarks for commander's approval.

Our location is the Boeing Company in Huntington Beach

5301 Bolsa Ave
Huntington Beach, CA 92647

I will need to talk to him so that I can plan for couple lines to introduce him with the audiences.

Thank you very much for your support.

Asian American & Pacific Islander Heritage Month

“...we remember Asian Americans and Pacific Islanders who have made our country bigger and brighter again and again, from Native Hawaiians to the generations of striving immigrants who shaped our history – reaching and sweating and scraping to give their children something more. Their story is the American story, and this month, we honor them all.”

The History

"I Am Beyond"

Subject: Regarding Your Reelection

Good Afternoon Mayor,

I tried reaching your office yesterday.

We understand the hard work that goes into running a successful campaign and how much effort is involved in getting your message out to the public.

We were part of that effort in 2015, for our city mayor, Mayor Carolyn Goodman.

I have enclosed a link to our magazine featuring Mayor Goodman [Mayor Goodman - 2015](#) This is a magazine that we designed, produced and distributed.

This specific magazine was used by Mayor Goodman as a marketing hand-out throughout the Las Vegas community during her last re-election campaign.

I'd be happy to mail you a courtesy copy, if you would like. We can't take credit for getting her re-elected (J our city loves her!), however, she did say publicly that this was the best, most accurate article ever written about her and her vision for our city since taking public office.

We would like to assist you in getting re-elected by designing a custom magazine for you as a platform to showcase YOUR vision and message to the constituents in your community.

I would truly like to be of assistance to you and your campaign office.

When would be a good time to connect? Or, is there someone else you'd like me to connect with to further discuss this matter?

Please let me know.

Thank you, Mayor!

Hi Grace,

The talk will be about 5-10 minutes due to the fact that we will have to be translating. Here are some bullet points for the mayor:

- 1.) Brief History of Garden Grove
- 2.) Significance of business park
- 3.) Importance of Goodwin in business park (multiple buildings operating since the 1970's employing more than 100 people)
- 4.) Goodwin Company as a family owned and operated business since 1922 is very rare and makes them a special and stable business partner. We are proud of their international expansion to China and know they will be the perfect partner for your growing automotive business.

There will be one media outlet from China here. I have requested that they send me any questions ahead of time that they may want to ask the Mayor.

I look forward to see you on Thursday. Can we please meet at our Manufacturing location – 12361 Monarch Street.

Thanks, Don Goodwin

Hello Don,

Can the Mayor and I come by Goodwin Co. on Thursday at 8:00 a.m. for the briefing? Also, the City's Office of Community Relations is going to be writing up the Mayor's remarks. Do you have additional information on what you'd like the Mayor to say? They would like to finish the remarks by Thursday to give to the Mayor for review.

Thank you.

Hello Pam,

Here are some slides that we created for the past event.

For this event, it is so close, we won't have the same agenda.

If mayor Bao doesn't have anything to show, I can just show one slide with his name and title in the background as he's speaking. His speech will be 10 minutes or so, he can highlight the Asian's culture or whatever relevance.

I will need to confirm if he is coming or not and his key remarks for commander's approval.

Our location is the Boeing Company in Huntington Beach

5301 Bolsa Ave
Huntington Beach, CA 92647

I will need to talk to him so that I can plan for couple lines to introduce him with the audiences.

Thank you very much for your support.

Dear Fareed Farukhi,

We understand that those participating in the Interfaith Iftar on June 30 come from a variety of backgrounds and faith traditions. We stress that our reason for coming together is to take a stand against violence and to celebrate our shared desire for a peaceful world. Our mission has always been to promote respect and understanding for the integrity of each other's beliefs, cultures, and traditions.

The Interfaith Council of Garden Grove, Stanton, and Westminster would like to invite Dr. Siddiqi to give a brief keynote address. In this time of Ramadan, we would hope that he may address how Islam

calls people to live in harmony.

Again, we thank you for your generous sponsorship of the Iftar meal and your agreement to serve as our emcee for the evening. Mediterranean food would be wonderful. The Garden Grove Community Center holds 250 people and we are hoping to have a full house.

Following your meeting with Dr. Siddiqi and the Board of ISOC, we would appreciate your prompt response so that we may give you the appropriate appreciation in our program and invitation.

Please feel free to contact me in regards to any questions/concerns you may have.

Sincerely,

Ann Nguyen

Dear Vicki,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your community group to participate in this event. At this time we believe it is important to bring all in the community together. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

We would appreciate your presence with us on June 30. Please respond to the Eventbrite invitation. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Dear Ann Nguyen,
Thank you for your invitation to me to attend as a keynote speaker in Interfaith Iftar at Garden Grove Community Center on June 30. I am pleased to accept your invitation. Please tell me what time you want me to be there.

Dear Fareed Farukhi,

We understand that those participating in the Interfaith Iftar on June 30 come from a variety of backgrounds and faith traditions. We stress that our reason for coming together is to take a stand against violence and to celebrate our shared desire for a peaceful world. Our mission has always been to promote respect and understanding for the integrity of each other's beliefs, cultures, and traditions.

The Interfaith Council of Garden Grove, Stanton, and Westminster would like to invite Dr. Siddiqi to give a brief keynote address. In this time of Ramadan, we would hope that he may address how Islam calls people to live in harmony.

Again, we thank you for your generous sponsorship of the Iftar meal and your agreement to serve as our emcee for the evening. Mediterranean food would be wonderful. The Garden Grove Community Center holds 250 people and we are hoping to have a full house.

Following your meeting with Dr. Siddiqi and the Board of ISOC, we would appreciate your prompt response so that we may give you the appropriate appreciation in our program and invitation.

Please feel free to contact me in regards to any questions/concerns you may have.

Sincerely,

Ann Nguyen

Dear Vicki,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your community group to participate in this event. At this time we believe it is important to bring all in the community together. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

We would appreciate your presence with us on June 30. Please respond to the Eventbrite invitation. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Dear Tanzila,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your community group to participate in this event. At this time we believe it is important to bring all in the community together. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

We would appreciate your presence with us on June 30. Please respond to the Eventbrite invitation. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please remember to go to Eventbrite to let us know you will be attending <https://www.eventbrite.com/e/interfaith-iftar-dinner-building-bridges-of-peace-tickets-26153455690>. Feel free to contact me in regards to any questions/concerns you may have.

Yes, thank you Bao as well as Ann and Rida. I'm planning to attend insha'Allah. It's a great idea and I hope both the Muslim and LGBT communities will support this iftar.

Bringing people together in a social function is a great way to help them take a step closer to one another. My vision is for these iftars and other gatherings to lead to establishing small dialogue groups where both communities can address prejudices and misconceptions they may have. Both of these communities suffer from bullying. Both of these communities have been marginalized and victimized both on an individual level and collectively. Both are the targets of the same hate groups. Last night at the Anaheim City Council, Muslims and LGBT community members stood shoulder to shoulder calling for the rainbow flag to be flown over City Hall during the month of June. Unity prevailed!

Dear Vicki,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your community group to participate in this event. At this time we believe it is important to bring all in the community together. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

We would appreciate your presence with us on June 30. Please respond to the Eventbrite invitation. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please remember to go to Eventbrite to let us know you will be attending <https://www.eventbrite.com/e/interfaith-iftar-dinner-building-bridges-of-peace-tickets-26153455690>. Feel free to contact me in regards to any questions/concerns you may have.

Yes, thank you Bao as well as Ann and Rida. I'm planning to attend insha'Allah. It's a great idea and I hope both the Muslim and LGBT communities will support this iftar.

Bringing people together in a social function is a great way to help them take a step closer to one another. My vision is for these iftars and other gatherings to lead to establishing small dialogue groups where both communities can address prejudices and misconceptions they may have. Both of these communities suffer from bullying. Both of these communities have been marginalized and victimized both on an individual level and collectively. Both are the targets of the same hate groups. Last night at the Anaheim City Council, Muslims and LGBT community members stood shoulder to shoulder calling for the rainbow flag to be flown over City Hall during the month of June. Unity prevailed!

CC: Chad Budreau <chadb@modelaircraft.org>

The Academy of Model Aeronautics (AMA) is an 80 year old nationwide organization of more than 188,000 model aviation enthusiasts; 23,955 being residents of California. I write today on behalf of our members to address the Orange County grand jury report calling upon cities to adopt drone ordinances.

We agree there needs to be penalties for careless and reckless model aviation activities. Many of the provisions listed in Los Angeles ordinance 183912 address careless and reckless, but a few sections do not comply with federal regulations.

Should your community decide to adopt drone regulations, we agree that modelers always give way to manned aircraft, operate models within line of sight, not violate temporary flight restrictions (TFR) or notice to airmen (NOTAM), and of course never fly in a careless or reckless manner.

Any local restrictions on ceiling height, operating in the airspace near specific locations or airports, and operations during day light hours explicitly is federal jurisdiction. FAA's public statement on December 15, 2015 clarifies federal preemption of state and local drone regulations. There should not be a "patchwork quilt" of different restrictions across the country which will severely limit the flexibility of the FAA and cause confusion among users. "[N]o state or local government may impose an additional registration requirement..." The FAA has preemption over "A city ordinance banning anyone from operating UAS within city limits... or within certain distances of landmarks."

We also ask you consider the five existing AMA flying sites that host hundreds of Orange County residents who have been flying safely and responsibly within the county for decades. These clubs, some being over fifty years old, require AMA membership confirming all pilots have a \$2.5 million dollar insurance policy and are bound to a strict national safety program. While an ordinance maybe well intended, please consider how regulations may inadvertently penalize your residents who have been flying responsibly in a safe setting and are not part of the problem.

Much like FAA's new rules announced yesterday, any ordinance should recognize federal preemption and include the 336 exemption from the 2012 FAA Modernization and Reform Act. Sample language includes

"...nothing in this Section shall be construed to prohibit, limit, or otherwise restrict any person who is authorized by the Federal Aviation Administration to operate small unmanned aircraft in any city air space, pursuant to Sections 331 - 336 of the FAA Modernization and Reform Act of 2012 or certificate of waiver, certificate of authorization, or airworthiness certificate under section 44704 of Title 49 of United States Code or other Federal Aviation Administration grant of authority for a specific flight operation or operations, from conducting such operation(s) in accordance with the authority granted by the Federal Aviation Administration."

We would be happy to continue the conversation and encourage you to contact us anytime.

On almost every Sunday weekend of Masses St Columban's has a prayer against all forms of violence on a global level and in our own country and neighborhoods. This last weekend at all Masses, Vietnamese, English and Spanish, we prayed for those who lost their lives in Orlando and their families. I hope your meeting helps to bring peace to hearts.

I keep you in my prayers.

Dear Father Al,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month

of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your faith community to participate in this event. We would also like to ask you as a faith leader to offer a brief two minute prayer or reflection for our community. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

Once we hear from you, we will be able to work on our program. We would appreciate your response via email or phone by June 27. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please feel free to contact me in regards to any questions/concerns you may have.

Thank you for your leadership at St. Columban and for your prayers. Since you won't be able to make it, please share the invitation so hopefully, we will have some representation from St. Columban.

Thank you for the invitation to the evening of support and stand against violence. I will be out of the county that day. On almost every Sunday weekend of Masses St Columban's has a prayer against all forms of violence on a global level and in our own country and neighborhoods. This last weekend at all Masses, Vietnamese, English and Spanish, we prayed for those who lost their lives in Orlando and their families. I hope your meeting helps to bring peace to hearts.

I keep you in my prayers.

Dear Father Al,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you and your faith community to participate in this event. We would also like to ask you as a faith leader to offer a brief two minute prayer or reflection for our community. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

Once we hear from you, we will be able to work on our program. We would appreciate your response via email or phone by June 27. We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Monica is working on the updated invite. I can meet early Saturday morning if that works for you all. I will find out when Fareed can meet. It would be great if Bao can ask Fresh choice about the food. I will respond to Fareed, and hopefully everyone can let him know their availability. Responses are very slowly coming in to the Eventbrite page.

Dear Jaminson,

In the wake of the Orlando shooting last Sunday, the Interfaith Council of Garden Grove, Stanton, and Westminster in partnership with the City of Garden Grove, the Council on American Islamic Relations, and the LGBT Center of Orange County is coming together in solidarity to stand united against violence and to break fast together during this holy month of Ramadan. This event will take place on Thursday, June 30 at the Garden Grove Community Center at 7:30 pm.

On behalf of the Mayor of Garden Grove Bao Nguyen and the Interfaith Council, we would like to extend an invitation to you to participate in this event. At this time we believe it is important to bring all in the community together. Our goal is to show the face of a community who stands against any forms of violence, united in our efforts to build communities where all can live together in peace.

In this time of tragedy, it is important to remember that it is easy to fall into the traps of fear and hatred. We must work together to speak out against injustice of any form and in any community.

We would appreciate your presence with us on June 30. Please respond to the Eventbrite invitation at <https://www.eventbrite.com/e/interfaith-iftar-dinner-building-bridges-of-peace-tickets-26153455690> . We know that it is important for people to see all of our groups working together, not only in times of great pain and sorrow, but at all times. We do believe that we can change attitudes when we work as one community of love.

Please feel free to contact me in regards to any questions/concerns you may have.

Hi Tony,

Just got off the phone with one of the Zlakets and they have not been able to find a date to meet to discuss your offers yet. They are dealing with several health issues and while they plan on getting together, the don't at this time know when.

I explained that you would be happy to meet with them if they would like to. Sorry that I don't have better news but that is the state of things at this time. I'll let you know as soon as I hear something.

Dear Mayor Bao Nguyen and the City Council members:

Please watch the undercover videos from South Korea's dog meat industry: <http://youtu.be/3uR8R8Mu70Q>

The Korean internet searches resulted in: 169 Health Food Centers which commonly sell dog/cat elixirs (also known as dog soju and cat soju); and 70 dog meat soup restaurants in and around the city of Anyang alone.

Garden Grove should not be a Sister city to any city that allows dogs and cats to be tortured and eaten. Please urge Anyang Mayor Pil-Un Lee to close down all illegal dog farms and slaughterhouses, markets, truckers and restaurants who serve their products.

There is no honor in the torture, slaughter, and consumption of dogs and there is no honor in turning your head to this atrocity. I respectfully ask you to urge your sister city of Yongin to stop this violence or sever your relationship with them. Fullerton should not be a Sister city to any city that allows dogs and cats to be tortured and eaten. Please urge Yongin Mayor Chan-Min Jeong to close down all illegal dog farms and slaughterhouses, markets, truckers and restaurants who serve their products.

To: "Rose Tingle" <roselite@comline.com>

Good Afternoon,

I just sent the email below to the Great Park Board members who are also the city council members of the City of Irvine. I have now "planted the seed" for a nonprofit Humane Society facility/campus in Orange county at the Great Park.

If you like the idea, I encourage to please send your own email to the Irvine city council members indicated in my email below.

According to their recent board meeting, they will be looking for input. I pulled up their last Board meeting of 5/24/2016 in which an agenda item for a RFP to do further public outreach was discussed. (item 2.2) There was quite a bit of discussion on reaching out to the county rather than just to Irvine city residents. You can view it here;

Subject: Ref your Great Park Board meeting
Importance: High

Good Morning Great Park Board members,

As you know, after 20 years of promises, the county will be constructing a new county animal shelter and, last I heard, will break ground in July 2016.

The purpose of this email is to please consider setting aside property at the Great Park for a nonprofit Humane Society facility/campus which would serve the entire Community of Orange county

At this point a Humane Society campus/facility in Orange County would complement and improve municipal animal services . The recent cases I have seen of animal neglect in

Orange county is evidence of the need for more education and assistance. With the recent California State resolution on Humane Education in schools, (again) I think it is doable with the help of individual donors and corporations. The demographics in Orange county are changing, different cultures with different attitudes towards animals.

We (Orange county) can certainly step up to the 21st Century with the emphasis on PREVENTION AND EDUCATION on this subject instead of lagging behind.

For example, take a look at neighboring San Diego County with virtually the same population: San Diego County 2015 population: 3,299,521.
Orange County 2015 population; 3,169,776, (not including estimated 100,000 more dwellings in OC)

San Diego county has 3 county animal shelters, (last I heard, the Bonita county animal shelter location is being renovated at no cost to the contract cities) and San Diego county has 4 nonprofit Humane Society campuses. (see below)

1. **San Diego Campus** M5433 Gaines Street, Ste B
San Diego, CA 92110 619.297.7293
2. **ESCONDIDO CAMPUS** 3450 E. Valley Parkway
Escondido, CA 92027 760.888.2275
3. **OCEANSIDE CAMPUS** MSan Luis Rey Location
(for dogs) 2905 San Luis Rey Road, Oceanside, CA 92058
4. **OCEANSIDE CAMPUS** Airport Road Location
(for cats & small animals) 572 Airport Road, Oceanside, CA 92058

With a MEANINGFUL MISSION

*To promote the humane treatment of animals,
prevent cruelty to animals and provide education
to enhance the human-animal bond.*

PRESIDENT -Gary Weitzman, DVM, MPH, CAWA

*San Diego Humane Society and SPCA
is a private, nonprofit organization, not a
government agency. We are supported by
individual donors and through grants,
bequests, investments, proceeds from our retail store, and small fees for services*

http://www.sdhumane.org/wp-content/uploads/2015/06/Annual_Report_2013-14.pdf

But at this time Orange County has only 1 county animal shelter and NO Humane Society campuses (the facility in Huntington Beach is operated by a vet and is not a Humane Society and the nonprofit Saddleback Valley Humane Society & SPCA does valuable work and is dependent on individual donors, but does not have a facility/campus.

I want to stress how important this is for our children and our community. It is not just about animals.

-
I am aware of your discussion during your Irvine Great Park Board meeting to reach out to the community, but I don't feel "surveys" always reveal the need and desires . It's like asking someone like me, whose child is grown, *do I think we need more schools in Orange County!!*

Therefore, at this time I am asking you to please consider setting aside property at the Great Park for a nonprofit Humane Society facility/campus which would serve the entire Community of Orange county.

Respectfully,

Hi Pam,

Thank you.

Grace,

Below is the email I sent to Jim Durslag with all the details. Please let me know if you need anything else. We're looking forward to the event with all of you.

Christina

Jim,

Visit Anaheim will be launching our Community Engagement efforts with an afternoon at the Orange County Food Bank as follows:

DATE: Tuesday, June 28, 2016

TIME: 12:45 p.m. - 4:00 p.m.

LOCATION: Orange County Food Bank
11870 Monarch Street
Garden Grove, CA 92841

Thank you for coordinating with the GGTPC Board of Directors to join this effort. I have spoken with **Janice Holley, Administrative Assistant** for the OC Food Bank. **Mark Lowry, Director of the OC Food Bank** will be there to meet/greet our group at 1:00pm and to participate in the formal presentation of the GGTPC donation. I have included some additional information regarding the process of packing food boxes and how they handle deliveries etc.

We will be working as one team, packing boxes of food that will be delivered to parks and community centers for distribution to Orange County residents. OC Food Bank staff handle all the deliveries. Currently, the OC Food Bank delivers more than 24,000 boxes of food each month for this purpose. All staff need to wear closed-toe shoes for this event. Staff may also wear jeans on this day. Our Marketing has created a variation of our logo to reflect "Visit Anaheim Cares" that we will be using for this and other similar opportunities. Logoed aprons have been ordered and we will distribute the aprons at the beginning of the event and collect them at the conclusion so we may use them ongoing for future volunteer events.

Parking space in and near the warehouse is limited so they have asked us to carpool. Please coordinate as many carpools as possible.

I have attached a map of the warehouse location.

Janice is going to let me know if there is a specific individual with the Community Action Partnership Department that would handle the PR for this event. I've notified our Communications Department also to see if we may get some additional media coverage and PR.

Please let me know if you have any questions. Looking forward to all of us working together as we giveback to our local communities.

Grace,

Mark Lukas is one of our Graphic Designers and he is working on creating the large check to be used for the donation presentation. Do you have a logo specific to the GGTPC that he may include on the check?

I'm sure he will need it in a high-res format and he can provide any specifics necessary.

Hi Pam,
The email below suggests what the event will be in a nutshell. The Council Members can arrive at 12:45 p.m. if they wish to attend. Please include City Manager in the invite as well.

Thank you.

Grace,

Below is the email I sent to Jim Durslag with all the details. Please let me know if you need anything else. We're looking forward to the event with all of you.

Christina

Jim,

Visit Anaheim will be launching our Community Engagement efforts with an afternoon at

the Orange County Food Bank as follows:

DATE: Tuesday, June 28, 2016

TIME: 12:45 p.m. - 4:00 p.m.

LOCATION: Orange County Food Bank
11870 Monarch Street
Garden Grove, CA 92841

Thank you for coordinating with the GGTPC Board of Directors to join this effort. I have spoken with **Janice Holley, Administrative Assistant** for the OC Food Bank. **Mark Lowry, Director of the OC Food Bank** will be there to meet/greet our group at 1:00pm and to participate in the formal presentation of the GGTPC donation. I have included some additional information regarding the process of packing food boxes and how they handle deliveries etc.

We will be working as one team, packing boxes of food that will be delivered to parks and community centers for distribution to Orange County residents. OC Food Bank staff handle all the deliveries. Currently, the OC Food Bank delivers more than 24,000 boxes of food each month for this purpose. All staff need to wear closed-toe shoes for this event. Staff may also wear jeans on this day. Our Marketing has created a variation of our logo to reflect "Visit Anaheim Cares" that we will be using for this and other similar opportunities. Logoed aprons have been ordered and we will distribute the aprons at the beginning of the event and collect them at the conclusion so we may use them ongoing for future volunteer events.

Parking space in and near the warehouse is limited so they have asked us to carpool. Please coordinate as many carpools as possible.

I have attached a map of the warehouse location.

Janice is going to let me know if there is a specific individual with the Community Action Partnership Department that would handle the PR for this event. I've notified our Communications Department also to see if we may get some additional media coverage and PR.

Please let me know if you have any questions. Looking forward to all of us working together as we giveback to our local communities.

Subject: RE: Briefing w. Mayor

Hello Don,
Can the Mayor and I come by Goodwin Co. on Thursday at 8:00 a.m. for the briefing? Also, the City's Office of Community Relations is going to be writing up the Mayor's remarks. Do you have additional information on what you'd like the Mayor to say? They would like to finish the remarks by Thursday to give to the Mayor for review.

Thank you.

Hi Pam,
The email below suggests what the event will be in a nutshell. The Council Members can arrive at 12:45 p.m. if they wish to attend. Please include City Manager in the invite as well.

Thank you.

Grace,

Below is the email I sent to Jim Durslag with all the details. Please let me know if you need anything else. We're looking forward to the event with all of you.

Christina

Jim,

Visit Anaheim will be launching our Community Engagement efforts with an afternoon at the Orange County Food Bank as follows:

DATE: Tuesday, June 28, 2016

TIME: 12:45 p.m. - 4:00 p.m.

LOCATION: Orange County Food Bank
11870 Monarch Street
Garden Grove, CA 92841

Thank you for coordinating with the GGTPC Board of Directors to join this effort. I have spoken with **Janice Holley, Administrative Assistant** for the OC Food Bank. **Mark Lowry, Director of the OC Food Bank** will be there to meet/greet our group at 1:00pm and to participate in the formal presentation of the GGTPC donation. I have included some additional information regarding the process of packing food boxes and how they handle deliveries etc.

We will be working as one team, packing boxes of food that will be delivered to parks and community centers for distribution to Orange County residents. OC Food Bank staff handle all the deliveries. Currently, the OC Food Bank delivers more than 24,000 boxes of food each month for this purpose. All staff need to wear closed-toe shoes for this event. Staff may also wear jeans on this day. Our Marketing has created a variation of our logo to reflect "Visit Anaheim Cares" that we will be using for this and other similar opportunities. Logoed aprons have been ordered and we will distribute the aprons at the beginning of the event and collect them at the conclusion so we may use them ongoing for future volunteer events.

Parking space in and near the warehouse is limited so they have asked us to carpool. Please coordinate as many carpools as possible.

I have attached a map of the warehouse location.

Janice is going to let me know if there is a specific individual with the Community Action Partnership Department that would handle the PR for this event. I've notified our Communications Department also to see if we may get some additional media coverage and PR.

Please let me know if you have any questions. Looking forward to all of us working together as we giveback to our local communities.

Mark Lukas is one of our Graphic Designers and he is working on creating the large check to be used for the donation presentation. Do you have a logo specific to the GGTPC that he may include on the check?

I'm sure he will need it in a high-res format and he can provide any specifics necessary.

Dear Mayor Bao Nguyen and the City Council members:

Please watch the undercover videos from South Korea's dog meat industry: <http://youtu.be/3uR8R8Mu70Q>

The Korean internet searches resulted in: 169 Health Food Centers which commonly sell dog/cat elixirs (also known as dog soju and cat soju); and 70 dog meat soup restaurants in and around the city of Anyang alone.

Garden Grove should not be a Sister city to any city that allows dogs and cats to be tortured and eaten. Please urge Anyang Mayor Pil-Un Lee to close down all illegal dog farms and slaughterhouses, markets, truckers and restaurants who serve their products. An online petition calling for your support in ending the horrendous South Korean dog and cat meat cruelty is in progress: <https://www.change.org/p/mayor-bao-nguyen-of-garden-grove-california-tell-sister-city-anyang-korea-that-we-re-opposed-to-torture-consumption-of-dogs-cats>

Dear Residents of Garden Grove,

Please urge the residents of your sister city in South Korea to stop eating dogs and cats. These wonderful animals are far too loving and sensitive to be used as a food source. There are other nourishing foods that South Koreans can eat in place of dogs and cats.

Please show your compassion for animals and ask the people of Anyang to stop eating dogs and cats now!!!

Sincerely,
Tina Arnold
