RE: Records Search for 9252 Garden Grove Blvd., Garden Grove CA 92844

Dear Jane Kim:

No Fire Department records were found concerning the history of the above-mentioned site, especially as it pertains to the use, storage, or disposal of hazardous substances, the installation or removal of an aboveground or underground flammable or combustible liquid storage tank, and or environmental records.

The City of Garden Grove Fire Department has utilized its best efforts to locate the records requested. However, the City makes no representation as to the accuracy of the records or that all records requested were retained or located. The City does not provide records on spills, leaks and clean-up, as that information is provided through the County of Orange Health Dept.

Sincerely,
