Candidate's Statement of Qualifications

CITY OF: Garden Grove
OFFICE SOUGHT: City Council
DISTRICT #: 3 (if applicable)

NAME: Clay Bock

AGE: 61
(Optional)

OCCUPATION: Small Business Owner

I am running for city council to give a voice to the residents of District 3, which has been my home for 28 years. We have also had our business here in Garden Grove throughout that time. As a father, husband and longtime member of the Chamber of Commerce, my first priority for our city is public safety. We also need to have the resources and quality management to maintain our streets, parks and other infrastructure.

We already pay enough taxes so we need to bring in outside money to help with these priorities. That can happen by growing our resort area.

While we expand our beautiful resorts, we must keep our residents' best interests first. This is the first year our council members will be elected by districts. The purpose of districts is to have someone who really knows and is grounded in their district, which I am.

As your representative for District 3, I will listen to your concerns and ideas and go to bat for you.

Please join me in making our home a clean, safe and prosperous city. I would appreciate your vote.

Thank you.
