Ms. Marjorie McAfee,

The Garden Grove Police Department assigns all cases where a rape kit had been collected as evidence. The following is a list for the rape kits booked into evidence in the past ten years. The rape kits are processed by the Orange County Sheriff's Department-Crime Lab. The investigators are assigned to each case and determine if the rape kit will be sent to the Crime Lab. There are many reasons that a rape kit would not be sent to the crime lab such as;

- Suspect is known
- District Attorney refused to file the case
- The report was unfounded
- The victim refused to cooperate
