Thurs, 2-23 8:20 a.m. - I heard a rooster in the area but could not tell where it was coming from. I made contact with a female at the residence, she spoke limited English but when I said bird, she shook her head saying yes. When I asked her if she had a rooster, she said no, no birds. I asked if I could see her back yard and she allowed me inside the rear yard through the south side gate. There were several dogs, several cats in the back yard but no roosters. I asked her if the cats belonged to her, she said no, just the dogs. No roosters at this property. As the caller is anonymous I was unable to recontact to get a correct address. Clear, close.
