MINUTE EXCERPTS

GARDEN GROVE ZONING ADMINISTRATOR

February 5, 1992

FOR CONSIDERATION - DAIWA CORPORATION - MINOR MODIFICATION TO PUD-103-76 (MM-120-91) - NORTH SIDE OF CHAPMAN AVENUE, WEST OF WESTERN AVENUE - 7421 CHAPMAN AVENUE

The Zoning Administrator announced that the request was for approval of a six (6) foot high decorative pilaster and wrought iron fence for security purposes in the required front setback on Chapman Avenue.

The City of Garden Grove has determined that this action is exempt pursuant to the California Environmental Quality Act.

The Zoning Administrator asked for staff comments. Staff introduced and reviewed the Development Services Staff Report.

The Zoning Administrator asked for comments from the audience in favor of or in opposition to the application.

Gilbert Hunicutt, representing the applicant, appeared before the Zoning Administrator. Mr. Hunicutt noted that the request for the fence was for security purposes as there had been an auto theft and break-ins in spite of security guards on the premises.

No one else appeared before the Zoning Administrator to offer testimony either in favor of or in opposition to the application. Consideration of MM-120-91 was concluded.

RE: Minor Modification No. MM-120-91

The Zoning Administrator of the City of Garden Grove will consider the above referenced application at 10:00 a.m. on February 5, 1992.

The hearing will be held in the Council Chamber of the Community Meeting Center, 11300 Stanford Avenue, Garden Grove.

If you are unable to be present, please have someone represent you.

Respectfully,

Frank A. Schuma, Director
Development Services Department

Enclosure

GARDEN GROVE

GARDEN GROVE ZONING ADMINISTRATOR

DECISION NO. 1429

MINOR MODIFICATION NO. MM-120-91

DAIWA CORPORATION

FEBRUARY 12, 1992

This decision pertains to a request for a Minor Modification to a Planned Unit Development (PUD) for property located on the north side of Chapman Avenue, west of Western Avenue at 7421 Chapman Avenue.

The applicant is requesting approval to construct a six (6) foot high decorative pilaster and wrought iron fence for security purposes in the required front setback on Chapman Avenue. The City of Garden Grove has determined that this action is exempt pursuant to the California Environmental Quality Act.

The subject request was considered at a hearing of the Zoning Administrator held on February 5, 1992.

At the hearing staff introduced and reviewed the Development Services Planning Staff Report and stated that the applicant is requesting approval of a Minor Modification to Planned Unit Development No. PUD-103-76 to construct a six (6) foot high wrought iron fence for security purposes along Chapman Avenue. Also proposed are concrete block pilasters to be spaced approximately twenty (20) feet apart. The development standards for PUD-103-76 do not permit walls or fences greater than three (3) feet in height in the front setback. In addition, the PUD requires a thirty (30) foot building setback along Chapman Avenue. The restriction in PUD-103-76 prohibiting walls and fences greater than three (3) feet in height was intended to apply to solid walls and fences. The applicant's proposal is for an open type wrought iron decorative pilaster type fence, which permits unrestricted visibility into the site. The applicant's building meets the thirty (30) foot setback requirement.

Staff concluded its comments by stating that it has reviewed the subject request and finds that the requested modification would be in keeping with the spirit

Zoning Administrator Decision No. 1429
Minor Modification No. MM-120-91

2. The applicant shall comply with all other provisions and requirements of the City of Garden Grove.

The applicant shall, within thirty (30) days of the date of this decision, agree to comply with all of the above Conditions of Approval. Failure by the applicant to comply with these Conditions of Approval within the time frames established therefor shall be deemed and operated as a withdrawal and abandonment of the subject application, and said request shall become null and void. Failure by the applicant to maintain the premises in compliance with the provisions of the Garden Grove Municipal Code and above conditions during the term of the approved Minor Modification shall render said approval subject to revocation.

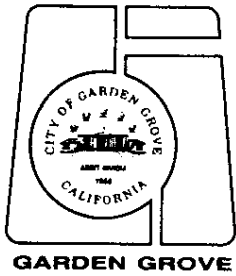

E. JOHN GRAICHEN
ZONING ADMINISTRATOR

The appeal deadline to the Planning Commission for the subject case is March 4, 1992.

PLEASE NOTE: Any request for Court review of this decision must be filed within 90 days of the date this decision becomes final. (See Code of Civil Procedure, Section 1094.6.)

DEVELOPMENT SERVICES DEPARTMENT PLANNING STAFF REPORT

AGENDA ITEM NO. 3.a.
HEARING DATE February 5, 1992
CASE NO. MM-120-91
APPLICANT Daiwa Corporation

SITE LOCATION N/Side Chapman Ave.
W/O Western Av. @ 7421 Chapman Av.
GENERAL PLAN Industrial
ZONE PUD-103-76
CEQA DETERMINATION Exempt

REQUEST

Approval of a minor modification to PUD-103-76 in order to allow a six (6) foot high decorative pilaster and wrought iron fence for security purposes in the required front setback on Chapman Avenue.

DISCUSSION

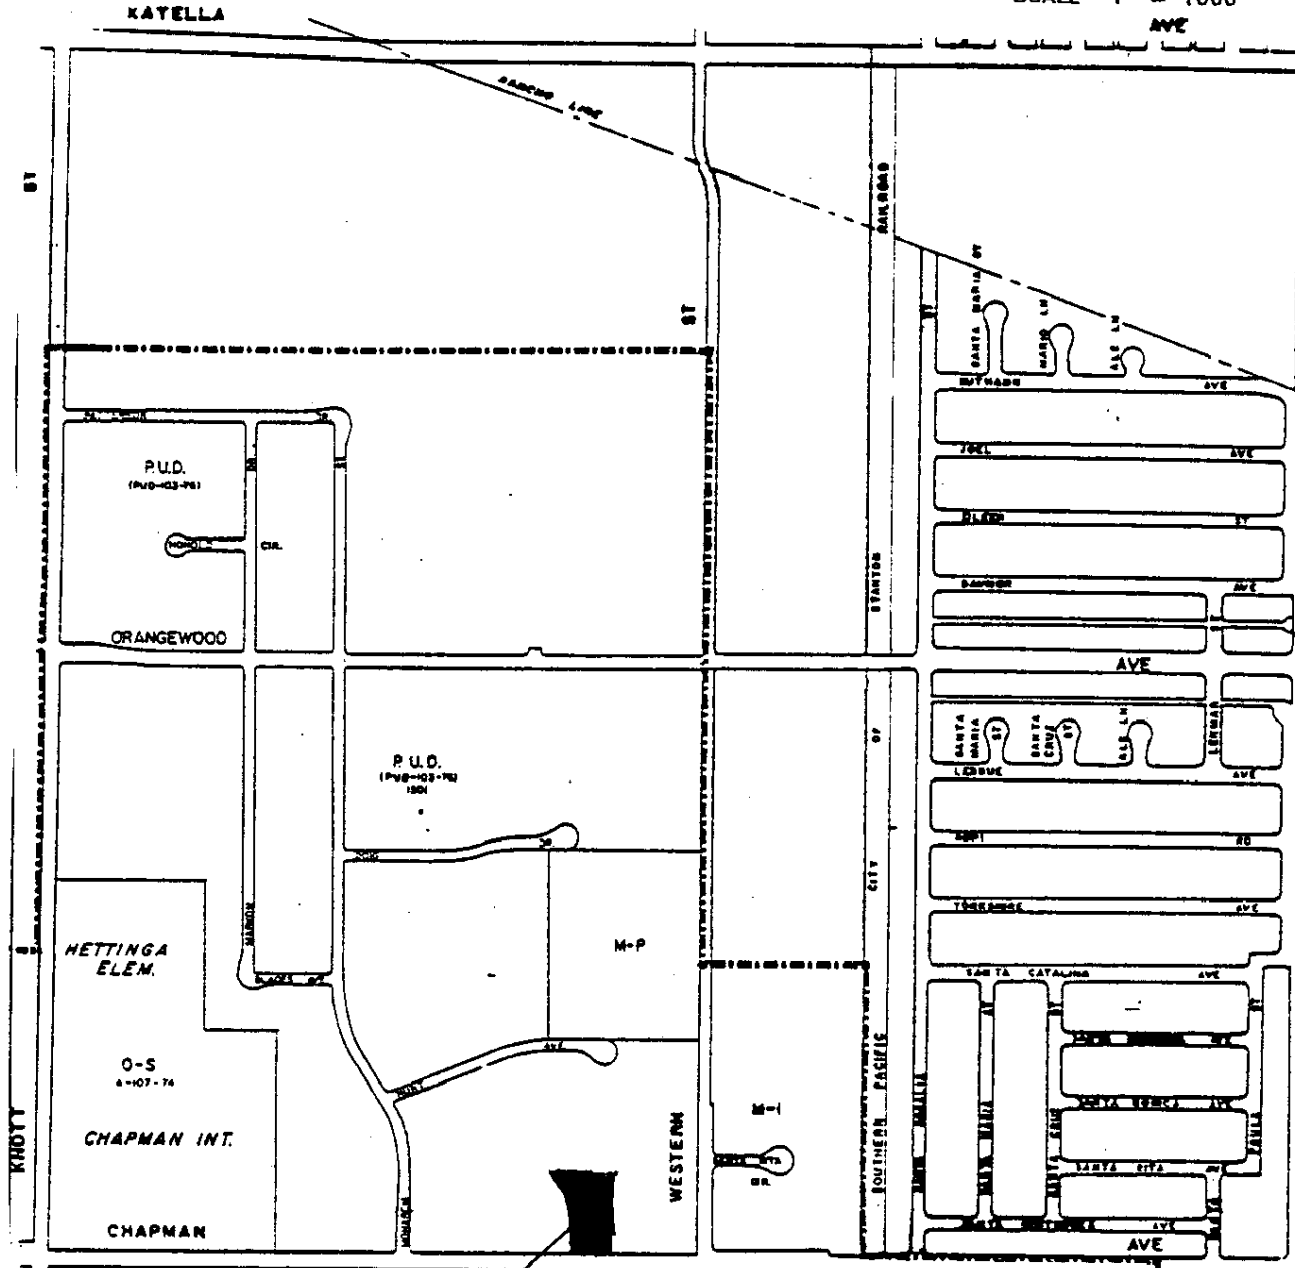

The applicant is proposing to construct a six (6) foot high wrought iron fence for security purposes along Chapman Avenue. Also proposed are concrete block pilasters to be spaced approximately twenty (20) feet apart. The PUD development standards for PUD-103-76 do not permit walls or fences greater than three (3) feet in height in the front setback. In addition, the PUD requires a thirty (30) foot building setback along Chapman Avenue. The restriction in PUD-103-76 prohibiting walls and fences greater than 3 feet in height was intended to apply to solid walls and fences. The applicant's proposal is for an open type, wrought iron, decorative pilaster type fence which permits unrestricted visibility into the site. The applicant's building meets the 30 foot setback requirement.

Staff has reviewed the subject request and finds that the request to construct an open type decorative pilaster wrought iron fence for security purposes would be in keeping with the spirit and intent of the PUD guidelines. The wrought iron fence would prohibit trespassers from entering the site and will allow visibility for public safety purposes.
