Re: Records Search for 12502 Brookhurst St., Garden Grove CA

Dear Leigh Cloven:

No Fire Department records were found concerning the history of the above-mentioned site, especially as it pertains to current occupant fire code violations, hazardous materials disclosure, permits, and or environmental records.

The City of Garden Grove Fire Department has utilized its best efforts to locate the records requested. However, the City makes no representation as to the accuracy of the records or that all records requested were retained or located. The City does not provide records on spills, leaks and clean-up, as that information is provided through the County of Orange Health Dept.

Sincerely,
