Dear Applicant:

Our records indicate that Permit No. 11329 ^{10871 FORBES} has expired. The Permit Section staff will be pleased to assist you in obtaining new permits for this project. Unfortunately, as a result of space limitations, the City can not retain the plans for your project indefinitely.

If you wish to continue with the project, please contact the Permit Section for information on obtaining new permits within 30 days of the date of this letter. If we don't hear from you, the plans will have to be destroyed at the end of the 30 day period. In either case, the approved City set of plans can not be returned to you.

Your project is important to the City of Garden Grove. We encourage you to obtain new permits and continue working. If you have any questions regarding this matter, please contact the Permit Section at (714) 741-5307.
