COMMENTS

***** GE2 *****

MEDICAL - ETOH

Responded to the above location on a female with ETOH odor found with a decreased level of consciousness in a supine position on the floor. Witnesses and restaurant staff stated that she came into the restaurant, had two beers and became belligerent after she was refused additional beers. She went into the restroom where witnesses could hear yelling. Then the restroom door opened and she came crawling out, lying down in the position she was found. She began to respond to us only after the word "police" was used.

She was assessed & transported BLS to WAMC via Care Ambulance.
