9/13/17 Went to location early am-no indication of workers gathering or commercial vehicles this date-JC 8/31/17 Called back the CP -her son has a running feud with Tom Curran and has exaggerated in the past about the number of employees coming to the house and the number of commercial trucks in the rear yard. She stated one tree trim truck and trailer sometimes are parked in the rear yard overnight, leaving early morning about 6:00 am with employees who live there or meet there-told her I would open a complaint based on that information-JC
