Release & Assumption of Risk of Real Property After Emergency Response

The Garden Grove Fire Department, at: 0955 (Time) 02/15/18 (Date) responded to the real property located at: 13861 Brookhurst St

The reason for responding to the real property was: STRUCTURE FIRE

The real property is released back to (Name): HUY TRIEU who has represented her/him self as the responsible party: Owner () Owner's representative () or Tenant ().

The following Fire Department items were left on the property: NONE

PLEASE TAKE NOTE OF THE FOLLOWING CONDITIONS:

(Check applicable conditions)

- The Fire Department recommends that a fire watch should be posted for not less than 24 hours.
- The following utilities: electricity () gas () water () serving the property have been shut off. It is advisable to contact the appropriate utility company before restoring the service.
- The structure may have been weakened by the incident. Until a structural survey can be made, it is advisable to keep all unnecessary people out and away from the building until such time the building is deemed safe by the City of Garden Grove Building Department or other city representatives.
- Buildings that cannot be locked or secured by normal means should be secured by alternative means. Boarding of openings, barricades and/or fencing may be necessary to prevent unauthorized entry. It may also be necessary to provide a security guard.
- Repairing the damage may require permits (e.g., building, electrical, etc.) from the City of Garden Grove Building Services Department. They may be contacted at (714) 741-5307 during normal working hours.
- Do not disturb, destroy or remove any items from the following rooms until your insurance company has been advised of the fire and gives you permission to do so: _____

Other precautions/conditions (specify): Sprinkler system shut down. Do NOT TURN ON UNTIL LICENSED TECHNICIAN EVALUTES. Post 24 hour fire watch

The party signing below acknowledges that the real property should not be occupied until the above stated items have been complied with and that the Garden Grove Fire Department has so instructed, unless otherwise directed by the Fire Department. The party signing this form further acknowledges that failure to adhere to the conditions listed herein will place such party in a position of assuming the risk of any potential personal or property damages that could result therefrom.

Copies of reports for this incident can be ordered by calling the Garden Grove Fire Department at (714) 741-5600 during normal business hours. Reports will need to be obtained in person. Please refer to incident # 91802914
