RE: Public Records Act Request

Dear Ms. Pomeroy,

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to obtain copies of the following, which I understand to be held by your agency:

A current estimate of the labor costs associated with all city staff who have worked on what is now known as Measure O.

If you determine that any or all of the information qualifies for an exemption from disclosure, I ask you to note whether, as is normally the case under the Act, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information.

If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested.

In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed.

Thank you for your time and attention to this matter.
