Subject: Request for Public Records – Notice of Determination

Dear Nguyen,

Garden Grove Police Department completed its review of your request regarding information for property address 8622 Mac Alpine, Garden Grove, CA 92841. This Notice of Determination will document our response in writing.

The purpose of the department receiving and maintaining reports is to identify criminal activity and to develop information that will lead to the arrest of perpetrators. This information includes any deaths reported in our jurisdiction.

In this instance, the department has considered California Civil Code Sections 1710.2 and Civil Codes Sections 1102. We have taken into account Section 1710.2(A) and disclose no occupants have died upon the real property. California Civil Code Section 1710.2 (d) states that "direct inquiry" from a "transferee" or a "prospective transferee" "shall" be informed. We are determining that you have received a "direct inquiry" from one of these primary parties, therefore, release of information is permissible. Our determination is that no deaths have been reported to the Garden Grove Police Department for the specific address named in request #4029.

Very Truly Yours,

Jennifer Rombough
