Dear Mr. Blodgett,

I am emailing you to inquire about the procedure status of the following developments in Garden Grove:

1. The Nickelodeon Resort (please specify the exact address of this development - it is unavailable on the Garden Grove website)
2. 'Site C' hotel campus

For both projects, can you please specify the following:

1. What level of environmental reviews do you anticipate/have been confirmed?
2. What entitlements have been requested for both projects? Have they been approved?

3. Are there any hearings or meeting scheduled for the projects?

Additionally, can you please tell me who the planner is for the 13650 Harbor Blvd project and/or any information you might know about the procedure status of the project?

Thank you so much. Please let me know if you have any questions.
