City Clerk - FOIA Request
City of Garden Grove
11222 Acacia Pkwy
Garden Grove, CA 92840

Greetings,

I, Kevin Weigant, acting as the President of Municipal Auditing Services LLC would like to make a FOIA data request.

Specifically, we would be interested in the following "public" facing data elements of the business entity registration file:

- Business License Number
- Business Name
- Owner First and Last Name (the first if there are multiples)
- Status (we are interested in the "active" at Dec 2018)
- Inside (we are interested in the "in city" license holders)
- Business Situs Address (complete street address and/or their components)
- Business Situs City, Situs State, Situs Zip
- Mail address (complete street address and/or their components)
- Mail City, Mail State, Mail Zip

We prefer an excel file, however we can also accept TEXT delimited. We prefer data transmission via the internet and suggest this email (kevin@mastax.org), or your preferred transfer site.

Municipal Auditing Services LLC is a Municipal Business Tax consulting firm serving California's Municipal Jurisdictions since 1999. We will use the above information in marketing our services to the City of Garden Grove, and for no other purpose. Once our proposal is submitted to the City of Garden Grove, the data will be deleted, with no copies retained.

I trust you will find our request and usage as a permitted disclosure. If you have any questions, please feel free to contact me. Again - my email works best.

Sincerely
Kevin Weigant
President / Director of Audit
