To whom it may concern:

On April 5th, 2017 TASER International, Inc. will change our corporate name to Axon Enterprise, Inc. Based on our evolution as a business over the last 23 years, as well as the continuously evolving needs of law enforcement, we see the future of policing as demanding a connected approach to technology. The Axon network of devices, apps and people is that connected approach, and is the natural umbrella for our expanded offerings today and in the future. We're very proud of the TASER weapons that remain an important part of the network, and that brand will live on as a product name.

Please be advised that all contracts will be honored in their existing form, and all invoices will be issued or paid as usual, just reflecting the new legal name of Axon Enterprise, Inc.

Please direct inquiries regarding the name change to Public Relations via email at PR@axon.com. We will be happy to update you on the name change and answer any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Josh Isner', written in a cursive style.
