RE: Garden Grove Blvd Complete Street– Utility “A” Letter

Dear Mr. Ruitemschild:

The City of Westminster has contracted with Mark Thomas, to provide engineering services for the construction of The Mendez Historic Trail and Garden Grove Blvd Complete Street Projects in the City of Westminster.

The proposed project will add new bike lanes, curb and gutter, landscaping and drainage along the corridor.

Please send a copy of your City of Garden Grove Record Maps and land use agreements within the proposed construction area. Also, please indicate any pending new facilities that are expected to be installed.

Please submit the following information to Jonathan Hernandez within 14 days.

- Record/as-built mapping within project area
- Related easement mapping and new easement requirements
- Any planned or future facilities within project area

We appreciate your prompt attention to our requests. Please forward your responses to the address shown below.

Attn. Jonathan Hernandez
Mark Thomas
701 University Ave, Suite 200
Sacramento, CA 95825

Your input is critical; your immediate response would be greatly appreciated. If you desire further information concerning the proposed work, feel free to contact Jonathan Hernandez at (916) 381-9100 or jhernandez@markthomas.com.

Sincerely,

Jonathan Hernandez
Project Engineer
MARK THOMAS
