Mr. R. Fitch

Subject: Permit # 6-15-1111
1330 La. Bunker
Address:

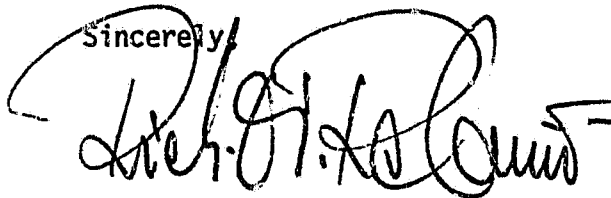

While reviewing our records we have noted that more than 120 days have passed since your last contact with us for work authorized under this permit.

Provisions of our Code require that a permit is to be expired if work is stopped or abandoned for more than 120 days, and that a new permit be obtained prior to continuing with any work.

An inspector has been sent to your premises in an effort to check the progress of the work and to assist you to keep your permit active; unfortunately we did not find you at home, nor was there anyone on the work site.

We will maintain your permit in our active files for ten more days from the date of this letter. Please contact the Department of Public Works & Development at 638-6661 and discuss your future plans regarding this permit, otherwise your permit will expire on 5/1/76 and it will be necessary to pay an additional fee while reapplying for a new permit.

Sincerely,
