PRA Request #4465  
Requestor: Leland Sisk

In response to the PRA request and obtaining the information:

#### **4. I would like to know the total amount of monies paid to the companies listed in (1)**

The Garden Grove Police Department does not pay the rotational tow companies for services provided. The services provided by the rotational tow companies listed are conducted through a contractual on-call basis which was approved by the City Council and are designated as a “Contractor.”

Whereas, Contractor and City are parties to a Professional Services Agreement entered into on January 28, 2014, pursuant to which contractor agreed provide towing and storage services an on-call basis for the City of Garden Grove.
