This is a building permit when properly filled out, signed and validated, and is subject to expiration if work thereunder is suspended for 180 days.

Permit Type: BLDG

ORIGINAL

PERMIT NO.: 18-2527

OWNER / BUILDER DECLARATION

Section 7031.5 of the California Business and Professions code provides as follows:

"Each county or city which requires the issuance of a permit as a condition precedent to the construction, alteration, improvement, demolition or repair of any building or structure shall also require that each applicant for such a permit file as a condition precedent to the issuance of a permit a statement which he has prepared and signed stating that the applicant is licensed under provisions of this chapter, giving the number of his license and stating that is in full force and effect, or, if the applicant is exempt from the provisions of this chapter, the basis of the alleged exemption. Any violation of this section by any applicant for a permit shall be subject to a civil penalty of not more than five hundred dollars (\$500.00)."

I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale. (Section 7044, Business and Professions Code: The contractor's license law does not apply to owner of property who builds or improves thereon, and who does such work himself or through his employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvements is sold within one year of completion, the owner/builder will have the burden of proving that they did not build or improve for the purpose of sale.)

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project. (Section 7044 of the Business and Professions Code: The contractor's license law does not apply to owner of property who builds or improves thereon, and who contracts for such projects with a contractor(s) licensed pursuant to the contractor's license law.)

RIGHT OF ENTRY (READ CONDITIONS BELOW)

The work authorized by this permit is subject to all rules and regulations set forth in the ordinances and amendments of the City of Garden Grove, and the laws of the State of California in regard to such work, and all amendments thereto.

This permit becomes null and void if work is not commenced within one hundred eighty (180) days from date of issuance, or if work is suspended at any time during construction for the same period of time, or if any work is done in violation of the City or State laws governing same.

I acknowledge that a fee may be charged for re-inspection due to negligence, incomplete work, or failure to make corrections.

I certify that I am the property owner or authorized to act on the property owner's behalf. I certify that I have read this application and state that the above information is correct. I agree to comply with all City and applicable County ordinances, and State laws relating to building construction, and hereby authorize representatives of the City to enter upon the above mentioned property for the purpose of inspections.

Due to the possible presence of lead-based paint, lead safe work practices are required for all repairs in pre-1979 buildings that disturb paint. Failure to do so could create lead hazards that violate California Health and Safety Code Sections 17920.10 and 105256 and may be subject to a \$1000 fine or criminal prosecution.
