Contractor is required to present evidence to support performed work.
2. **Services to be Provided.** The services to be performed by CONTRACTOR shall consist of tasks as set forth in the Proposal. The Proposal is attached as Attachment A, and is incorporated herein by reference. The Proposal and this Agreement do not guarantee any specific amount of work.
3. **Compensation.** CONTRACTOR shall be compensated as follows:
 - 3.1 **AMOUNT.** Total Compensation under this agreement shall not exceed (NTE) amount of Thirty Five Thousand Dollars (\$35,000.00), per year, payable in arrears and in accordance with proposal in Attachment "A".

4. Insurance requirements.

- 4.1 COMMENCEMENT OF WORK. CONTRACTOR shall not commence work under this Agreement until all certificates and endorsements have been received and approved by the CITY. All insurance required by this Agreement shall contain a Statement of Obligation on the part of the carrier to notify the CITY of any material change, cancellation, or termination at least thirty (30) days in advance.

The only exception to CONTRACTOR'S responsibility to protect, defend, and hold harmless CITY, is due to the sole negligence, recklessness and/or wrongful conduct of CITY, or any of its elective or appointive boards, officers, agents, or employees.

This hold harmless agreement shall apply to all liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by CONTRACTOR.

17. **Appropriations.** This Agreement is subject to and contingent upon funds being appropriated therefor by the Garden Grove City Council for each fiscal year covered by the term of this Agreement. If such appropriations are not made, this Agreement shall automatically terminate without penalty to the CITY.

PROPOSAL Stray Cat Alliance and Garden Grove Animal Care Services

This proposal outlines roles and responsibilities among Stray Cat Alliance ("SCA"), the City of Garden Grove (CITY) for Feral and Community Cats in Garden Grove

About Stray Cat Alliance

SCA is a nonprofit organization with a mission "to educate and empower the community to advocate for every cat's right to be safe, healthy, and valued." SCA currently runs the Return-To-Field program for The City of Long Beach Animal Care services with excellent results.

PURPOSE & SCOPE

Spay and neuter continues to be one of the most effective methods of reducing shelter intake and subsequent euthanasia, especially for cats. SCA and CITY wish to work together to create a multi-pronged cat program in order to decrease the number of cats entering and thus euthanized at the contracted shelter: Orange County Human Society ("OCHS). We also wish to decrease the number of cats and kittens living on the streets and decrease the number of complaint calls being made to CITY.

Together, the SCA and CITY wish to enter into an agreement to decrease shelter euthanasia, decrease the number of free roaming cats on the streets, and decrease complaint calls to CITY. Accordingly, the parties operating under this proposal agree as follows:

PROGRAMS

There are two components to the program included in this proposal:

1. Return-To-Field ("RTF") Program This program involves stray cats that are brought to the shelter by the public and animal control by means of a carrier or trap. Stray cats that qualify for this program will be brought to a contracted veterinary clinic, medically evaluated, altered, microchipped, vaccinated, and treated for fleas. SCA will then retrieve the cats after medical treatment, spay/neuter, and return them to their homes at the address provided. It is CITY's desire to see lower populations of cats in the community served, resulting in lower shelter intake of cats and kittens, lower shelter euthanasia of cats, and lower field services calls regarding cats.
2. Targeted Trap Neuter Return ("TTNR") Program When cats are returned to their address, the remaining cats in that colony are also trapped and sterilized to prevent breeding and stabilize the area. This will ultimately reduce the number of kittens born and possibly brought to the shelter. SCA will also use data provided by CITY to determine areas of higher impounds of cats and kittens to target hot spots resulting in high kitten and cat impound (Dependent on Funding).

PROGRAM TASKS

The parties agree to the following tasks:

SCA will appoint a representative(s) with appropriate knowledge and decision-making authority to attend monthly program update meetings. In addition, **SCA** will:

1. **RTF**: Utilize best efforts to return approximately 450 cats in the first twelve months of the program (greater than three months of age) impounded by **CITY** to their known address/home; and maintain agreed upon data.
2. **TTNR**: Utilize best efforts to **TTNR** 900 cats for the first twelve months of the program. It has been estimated that the most successful **RTF** programs sterilize two times the amount of cats that are **RTF** (450 shelter cats **RTF** x 2= 900). **SCA** will work to secure funding for personnel and spay/neuter.
3. **Public Information**: **SCA** will provide information to the public on **RTF** and **TTNR** when and where appropriate.

CITY will appoint a representative(s) with appropriate knowledge and decision-making authority to attend monthly program update meetings. In addition, **CITY** will:

1. Allow **SCA** to **RTF** 450 cats from the City of Garden Grove;
2. Allow **SCA** to Target **TNR** 900 cats from the City of Garden Grove;
3. **CITY** officers will remotely impound healthy community cats and bring them to a **SCA** approved spay/neuter provider;
4. **CITY** will allocate **SCA** \$35,000 for this program for services.
5. **CITY** and its current contracted shelter will cooperate with **SCA** and its needs for a successful, life-saving program;
6. **CITY** will instruct **OCHS** to treat any cats impounded at **OCHS** with a good, fair, or guarded prognosis. Ailments including but not limited to mange, ringworm, URI, abscesses, shall be treated and cats retrieved when healthy for **RTF**; and
7. **CITY** will provide any and all intake and outcome data needed to design the program and assess the program's success, including but not limited to geographical data for intake location of kittens and cats for the past three years (Data is being coordinated between **CITY**, **SCA**, and **OCHS**).

TERM

The term of this **PROPOSAL** is one (1) year from (Dates to be determined). The **PROPOSAL** shall be reviewed each year to ensure that all terms are being met and to make any necessary revisions. The **PROPOSAL** will automatically renew each year upon mutual agreement of both parties. The **PROPOSAL** may be terminated by either party with 60 days written notice.

PUBLICITY

In connection with the Programs and Tasks described above, no party will use another party's name, marks, or logos in any advertising, promotional material, press release, publication, public announcements, or through other media, whether written or oral, without prior consent of the other parties.

ACCOUNTABILITY

Except where the parties have expressed a clear intent to be bound, the provisions set forth will not be legally binding, and no party will have any liability or obligation to the other party/parties with respect to such provisions.

RESPONSIBILITIES

Each party will appoint a person to serve as the official contact and coordinate the Program Tasks of each organization in carrying out the proposal:

Name Of Additional Insured Person(s) Or Organization(s):

Any person or organization that you are required to add as an additional insured on this policy, under a written contract or agreement currently in effect, or becoming effective during the term of this policy. The additional insured status will not be afforded with respect to liability arising out of or related to your activities as a real estate manager for that person or organization.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

A. SECTION II – WHO IS AN INSURED is amended to include any public entity as an additional insured for whom you are performing operations when you have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury” caused, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations.

No such public entity is an additional insured for liability arising out of the “products-completed operations hazard” or for liability arising out of the sole negligence of that public entity.

B. With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.

This insurance does not apply to “bodily injury” or “property damage” occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of “your work” out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. The following is added to **SECTION III – LIMITS OF INSURANCE:**

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

D. With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

4. Other Insurance

a. Primary Insurance

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in **c.** below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)’ own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph **b.** below.

b. Excess Insurance

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
 - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE.**
 - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
 - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
 - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Methods of Sharing

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
