NARRATIVE (2)

Narrative Title: Outside Trash Fire

Narrative Author: Garcia, Drew

Narrative Date: 04/21/2019 15:33:49

Narrative Apparatus ID: GE5

Narrative:

GE5 responded to the reported address with CB1 on scene reporting an outside fire. The fire was on the side yard of the reported address. GE5 pulled an 1 3/4" pre-connect and extinguished the fire. GE5 noticed some a small area of bubbling paint and a cracked window by the area of origin on the reported address from radiant heat. No extension was present to either homes.

GE5 spoke with the homeowner and found, upon investigation, the area of origin was a trash can storage area. The homeowner stated that he threw oily rags in the trash can yesterday. This was consistent with rags found in the debris pile left over from the burnt trash cans.

GE5 had the homeowner sign a property release stating to post a 24 hour fire watch, and to secure the building by alternative means due to GE5 having to break down a fence and a cracked window cause by the fire. GE5 complete.
