**NARRATIVE (2)****Narrative Title:** Structure Fire**Narrative Author:** Garcia, Drew**Narrative Date:** 04/24/2019 18:33:37**Narrative Apparatus ID:** GE1**Narrative:**

GE1 responded to a correct address of 10181 Larson to find a detached garage fully involved to the rear of the main house. GE1 went into the attack mode and pulled a 1 3/4' preconnect along the delta side of the house and attacked the fire. GE1 was assigned Fire Attack and noticed power lines down to the rear alley, along with small explosions heard in the detached garage. GE1 pulled back and hit the fire from a safe area and requested Edison. GE3 assumed DIV C and denied access to the rear alley. The fire was extinguished and fire damage was limited to the backyard. The back yard contained the detached garage, and several sheds. One shed was fully destroyed, along with copious amounts belongings in the rear yard. GI3 was on scene and conducting the investigation. See GI3's report for full investigation information.

The building department arrived on scene and red tagged the building. GE1 met with the owner and had her sign a property release stating to post a 24 hour fire watch, and not occupy the building due to the red tagging. The owner was advised to coordinate with the building department as to when they could reoccupy the structure. GE1 complete.
