Re: Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

To Whom It May Concern:

In 1991 Congress passed the Campus Security Act requiring universities to provide statistics regarding crimes that are committed on-campus, at facilities off-campus that are owned or operated by the university, and facilities frequented by student that are used for educational purposes. This letter is to request information regarding crime and arrest statistics as required by the Jeanne Clery Act. Brigham Young University-Idaho has utilized property in your jurisdiction for a University sponsored student trip. These statistics are essential in our effort to provide accurate information to the campus community, and comply with federal law.

BYU-Idaho utilized the following facility between (3/26/19) and (3/28/19):

Holiday Express & Suites by Garden Grove  
12867 Garden Grove Blvd  
Garden Grove, CA 92843

Enclosed is a form to assist with identifying crime statistics being requested that need to be reported per the Clery Law guidelines. I would appreciate it if you could return this completed form to me by March 16, 2020.

Thank you for your time and assistance in this matter.

Sincerely,

Doug Barker
