All,

Thank you for meeting today.

Meeting Summary:

- ü Cardiac Monitors are deployed in all 4 ambulances
 - Wall chargers for the ambulance stations are on order
- ü Metro Net is dispatching via AVL
 - If AVL down, back up is ambulance assigned districts
- ü Garden Grove Ambulance 2 & 3 station lease is signed
 - Moving forward with city process
- ü Oxygen ordered and expected next week
- ü Committed to up-staffing ambulance for city events such as Strawberry Festival
 - Extended city event staffing to be discussed as needed

Care Follow Up:

- ü Attached to email is an updated Care OC Operations Contact List
- ü ePCR
 - Confirmed with OCEMS, Laurent Repass ePCR download will be updated by image trend on 7/13.
 - § This should resolve ePCR issue
 - A change request to Image Trend to include Garden Grove Ambulances in Metro Net's interface was needed by OCEMS
- Monitor battery chargers will be deployed upon arrival to ambulance stations
 - Crews will be educated to have one battery in the monitor and one in the pouch
- Follow up with Care mechanics to determine if inverter can be turned on with the ignition
- Re-educate crews to stay in districts due to AVL dispatching

- Locate a Garden Grove Ambulance 4 location
- Marc and Cheyne to coordinate Oxygen tank holders
- Re-educate crews to use lights and sirens on Delta and Echo responses only

Garden Grove Fire Follow Up:

- Forward ambulance assigned response districts
- Contact Rick with McKesson to coordinate supplies
- Forward ALS supplies par levels to be posted in the ambulances
- Forward any specific Metro Net dispatching challenges (Example: ambulance out of area resulting in another ambulance being dispatched due to AVL showing closer)

If I missed anything or an item needs correction, please advise.

Best regards,

Robert Viera, Division Manager
