Hi Sandy,

I spoke with Heidi Janz a few minutes ago about one issue related to the insurance requirements stated in the contract, specifically the \$25,000 maximum deductible. She asked I write to you so you have a record and discuss it within proper procedures.

Care Ambulance insurance coverage comes within the Falck USA insurance program. The deductible under the auto liability insurance is \$250,000 per occurrence, obviously much larger than the \$25,000 stated in the contract. The \$250,000 deductible has been in place for several years and has never been an issue for Care Ambulance or Falck USA.

Care Ambulance requests an agreement with the City of Garden Grove that the \$250,000 will be accepted.

Please feel welcome to call with any questions or you would like to discuss.

Thank you,

**William Goodman**

Gentleman –

Here is the draft GG Fire contract. As usual, we are on a tight deadline. We go to Council next Tuesday. They need this signed days before.

Mitch – They have very specific insurance requirements that need to be addressed.

Thanks.

Bill,

Thank you for your patience. Please see the attached contract for the City of Garden Grove. Please print **one copy** and have the authorized party sign it with an original signature. **The City also requires your corporate seal on the last page of the contract or the contract will be returned to you until complete.** Please review Section 4 of the attached contract for the required insurance certificates and endorsements. I have also attached samples of the certificates and endorsements for your reference. These may help you and your agent to provide me with the insurance documents that are being requested. All insurance certificates should be emailed to me directly, **within 10 City working days**, to avoid any delay in getting the contract executed. Please note that the City is closed alternating Fridays. ***Please return the original signed contract to the following address as soon as possible since we are taking this to the City Council for approval on April 11, 2017.***
