Lets send them to the front of Garden Grove Station 5. There is adequate parking there....

Chief, that is a hotel with very limited parking and difficult access. There is also no way to grant another unit access to the station room.

Metro Net has been advised to move them to Care Ambulance 4's station. I believe that at Trask and Beach

We will pass this information along to crews. Can we be more specific for a move up post location on the West end of the city. If we leave it up to crews to decide, I'm confident we won't like the outcome. My suggestion would be Knott and Lampson near the High School.

Thanks.

Bill,

Just an FYI, (so you can pass on to your Garden Grove Care Ambulances). In the next day or 2, when Care Ambulance #4 is committed or Out of Service, Metro Net will be moving up 1 of the available Grove Ambulance to Care Ambulances #4's first due area. (On the West end of the city).

Thanks, TJ
