Chiefs McGovern and Whittaker:

We have searched all the areas that we previously identified as a desirable location for a centrally located station to house two units with no success. This includes the area of the old AMR station and the locations near Euclid.

We expand our search area and found a possible suitable station location for lease at 12942 Galway Street, Suites D and E. We are checking with the City Planning Department to ensure it lawful to occupy.

In the meantime, does this possible station location meet your needs?

As soon as we hear from the City Planning Department, I will keep you in the loop.

Thanks.

Bill / Paul,

The FSO's for the 4 Care Ambulances are completed. It will take Metro Net 3 days to complete the install. When should we start to have them input? This is based off the 4 ambulances.

Thanks, TJ
