Chief, its not an issue for us, I'm just trying to confirm the needs. So, if I get this correct, you want an extra unit stationed at Fire Station 1 from 3pm to 8pm or end of event if it goes longer?

Dave, can you add a dedicated unit and see if you can fill with GG EMTs on OT first before opening to all EMTs?

No problem Chief.

Just confirm, you want to use one of your dedicated GG units, with 800 mghz radios and the event is from 10 am to 8pm?

Hi Bill,

I first want to reintroduce myself, I'm TJ McGovern and will be the new Division Chief of Operation for Garden Grove. Jeff Spargur has moved over to Division Chief of Administration. Below is my contact info. We have a couple of City events coming in the next few months and I just want to give you a heads up and see if we could have a dedicated Care ambulance assigned to the events. Both events are city related and not an outside party.

1. Open Streets. April 1, 2017 @ 1200 - 1800 hrs. Ambulance will be staged at Fire Station 1
2. Strawberry Day Festival:
May 27th, 2017 - 5K @ 0700 - 1000. Ambulance will be staged with GM2 at Fire Station 1
May 27, 28, 29 - Carnival / Festival @ 1200 - 2200. Ambulance will be staged at Carnival ICP.

If your good with the request, I will be working on an EAP and keep you advised. Also, let me know if you guys have done it differently in the past. We will make it work out...

Thanks, TJ
