City Clerk City of Garden Grove, Teresa Pomeroy

My name is Robert L. Harrison, and together with Jill Freshour on behalf of our neighborhood on Jetty Street, request under the "Freedom of Information Act" concerning our neighborhoods filing of a petition for permit parking and our on going request for permit parking, request a crime report with complete transparency, Criminal Activity – Vicinity of Haster/Lampson September 2014 to the present.

Know there is a time element in the number of days you have to respond; however, we have scheduled with the Garden Grove Police Department, a Neighborhood Watch meeting to include covering Situational Awareness, Tuesday, February 18, 2020 at 6:00 PM and were wondering if your Criminal Activity report could be available by that date to share.

Thank you in advance. You can e-mail the documents to bobchris3@aol.com.
