

Response to Open Records Request

Date: March 17, 2020
To: City of Garden Grove, CA for Jim Lissner
From: Sarah Rutherford, Custodian of Records – Redflex Traffic Systems, Inc.
Re: Records Request

We are in receipt of the records request you forwarded and, in response, submit the following:

- A) Signed copies of all 12-1-19 or later updates, amendments, extensions, renewals, or revisions to the City's contract with Redflex (I previously have requested a copy of everything prior to then), and copies of all correspondence relating to same regardless of whether the update, etc. was finalized or only proposed, where the date of the correspondence was 12-1-19 or later.

We do not have any updates, amendments, extensions, renewals or revisions responsive to this request and for this reason we are unable to comply with this request.

Redflex Traffic Systems, Inc. does not have custody and/or control of the jurisdiction's correspondence in any format and for this reason, we are unable to comply with this request.

- B) For each "intersection approach" or "approach" (defined as a red light camera or cameras monitoring any or all lanes of traffic entering an intersection from a single compass direction) within your jurisdiction, the tabulation or tally of violations recorded and discarded, and of citations issued (report title: Customer Management Report), during the following calendar months (separately, one calendar month per report): Nov19, Dec19, Jan20, Feb20, Mar20.

The requested Customer Management Reports for the periods of November 2019 through March 16, 2020 (date this request was received) are attached to this response.

For each "intersection approach" or "approach" (defined as a red light camera or cameras monitoring any or all lanes of traffic entering an intersection from a single compass direction) within your jurisdiction, the tabulation or tally of violations recorded and discarded, and of citations issued (report title: Customer Management Report), during the entire calendar year 2019.

The requested Customer Management Report for 2019 is attached to this response.

- T) All documents or materials created or amended 1-1-16 or later (including, but not limited to work orders, memos, reports, emails regarding changes, even if only proposed, to the signal timing at Harbor/Trask.

The requested information is not in the custody or control of Redflex Traffic Systems and for this reason we are unable to comply with this request.

I appreciate the opportunity to be of service and trust the information provided will be of use to you.

Sincerely,

Sarah Rutherford | Staff Attorney, Custodian of Records
