AGREEMENT

THE PARTIES MUTUALLY AGREE AS FOLLOWS:

- 5.1 General Conditions.** CONTRACTOR certifies and agrees that all the terms, conditions and obligations of the Contract Documents as hereinafter defined, the location of the job site, and the conditions under which the work is to be performed have been thoroughly reviewed, and enters into this Contract based upon CONTRACTOR'S investigation of all such matters and is in no way relying upon any opinions or representations of DISTRICT. It is agreed that this Contract represents the entire agreement. It is further agreed that the Contract Documents including the Notice Inviting Bids, Special Instructions to Bidders, if any, Plans, Specifications and CONTRACTOR's Proposal, are incorporated in this Contract by reference, with the same force and effect as if the same were set forth at length herein, and that CONTRACTOR and its subcontractors, if any, will be and are bound by any and all of said Contract Documents insofar as they relate in any part or in any way, directly or indirectly, to the work covered by this Contract.

"Project" as used herein defines the entire scope of the work covered by all the Contract Documents. Anything mentioned in the Specifications and not indicated in the Plans, or indicated in the Plans and not mentioned in the Specifications, shall be of like effect as if indicated and mentioned in both. In case of discrepancy in the Plans or Specifications, the matter shall be immediately submitted to DISTRICT'S Engineer, without whose decision CONTRACTOR shall not adjust said discrepancy save only at CONTRACTOR'S own risk and expense. The decision of the Engineer shall be final.

SECTION 5 - AGREEMENT (Continued)

- 5.2 Materials and Labor.** CONTRACTOR shall furnish, under the conditions expressed in the Plans and Specifications, at CONTRACTOR'S own expense, all labor and materials necessary, except such as are mentioned in the Specifications to be furnished by the DISTRICT, to construct and complete the project, in good workmanlike and substantial order. If CONTRACTOR fails to pay for labor or materials when due, DISTRICT may settle such claims by making demand upon the surety to this Agreement. In the event of the failure or refusal of the surety to satisfy said claims, DISTRICT may settle them directly and deduct the amount of payments from the Contract price and any amounts due to CONTRACTOR. In the event DISTRICT receives a stop notice from any laborer or material supplier alleging non-payment by CONTRACTOR, DISTRICT shall be entitled to deduct all of its costs and expenses incurred relating thereto, including but not limited to administrative and legal fees.
- 5.3 Project.** The PROJECT is described as: **WARD STREET SEWER LINE IMPROVEMENT – PROJECT NO. 7824.**
- 5.4 Plans and Specifications.** The work to be done is shown in a set of detailed Plans and Specifications entitled: **WARD STREET SEWER LINE IMPROVEMENT– PROJECT NO. 7824.**

Said Plans and Specifications and any revision, amendments or addenda thereto are attached hereto and incorporated herein as part of this Contract and referred to by reference. The work to be done must also be in accordance with the General Provisions, Standard Specifications and Standard Plans of the DISTRICT, which are also incorporated herein and referred to by, reference.

- 5.5 Time of Commencement and Completion.** CONTRACTOR shall have **twenty-one (21) calendar days from the award of the Contract** to execute the Contract and supply DISTRICT with all of the documents and information required by the Instruction to Bidders and the other Contract Documents, including but not limited to, the necessary bonds and insurance certificates and endorsements. Once the District receives the executed Contract and all of the other properly drafted and executed documents and information, it may issue a Notice to Proceed to the Contractor. If CONTRACTOR refuses or fails to execute the Contract or refuses or fails to provide the required documents and information within the twenty-one (21) calendar days, the DISTRICT may then rescind the award of the Contract and then award the Contract to the next lowest responsive and responsible bidder.

Upon receipt of the Notice to Proceed, CONTRACTOR agrees to submit shop drawings and traffic control plans **within fourteen (14) calendar days**. Further, upon receipt of the Notice to Proceed the CONTRACTOR shall diligently prosecute the work to completion within **seventy five (75) working days** excluding delays caused or authorized by the DISTRICT as set forth in Sections 5.7, 5.8 and 5.9 hereof.

SECTION 5 - AGREEMENT (Continued)

5.6 **Time is of the Essence.** Time is of the essence of this Contract. As required by the Contract Documents, CONTRACTOR shall prepare and obtain approval of all shop drawings, details and samples, and do all other things necessary and incidental to the prosecution of CONTRACTOR'S work in conformance with an approved construction progress schedule. CONTRACTOR shall coordinate the work covered by this Contract with that of all other CONTRACTORS, subcontractors and of the DISTRICT, in a manner that will facilitate the efficient completion of the entire work in accordance with Section 5.5 herein. DISTRICT shall have complete control of the premises on which the work is to be performed and shall have the right to decide the time or order in which the various portions of the work shall be installed or the priority of the work of other subcontractors, and, in general, all matters representing the timely and orderly conduct of the work of CONTRACTOR on the premises.

5.7 **Excusable Delays.** CONTRACTOR shall be excused for any delay in the prosecution or completion of the Project caused by acts of God; inclement weather; damages caused by fire or other casualty for which CONTRACTOR is not responsible; any act of negligence or default of DISTRICT; failure of DISTRICT to make timely payments to CONTRACTOR; late delivery of materials required by this CONTRACT to be furnished by DISTRICT; combined action of the workers in no way caused by or resulting from default or collusion on the part of CONTRACTOR; a lockout by DISTRICT; or any other delays unforeseen by CONTRACTOR and beyond CONTRACTOR'S reasonable control.

DISTRICT shall extend the time fixed in Section 5.5 herein for completion of the Project by the number of days CONTRACTOR has thus been delayed, provided that CONTRACTOR presents a written request to DISTRICT for such time extension within fifteen (15) days of the commencement of such delay and DISTRICT finds that the delay is justified. DISTRICT'S decision will be conclusive on the parties to this Contract. Failure to file such request within the time allowed shall be deemed a waiver of the claim by CONTRACTOR.

No claims by CONTRACTOR for additional compensation or damages for delays will be allowed unless CONTRACTOR satisfies DISTRICT that such delays were unavoidable and not the result of any action or inaction of CONTRACTOR and that CONTRACTOR took all available measures to mitigate such damages. Extensions of time and extra compensation as a result of incurring undisclosed utilities would be determined in accordance with SPECIAL PROVISIONS and Section 3-3 of the Standard Specifications for Public Works Construction 2018 Edition (GREEN BOOK). The DISTRICT'S decision will be conclusive on all parties to this Contract.

5.8 **Extra Work.** The Contract price includes compensation for all work performed by CONTRACTOR, unless CONTRACTOR obtains a written change order signed by a designated representative of DISTRICT specifying the exact nature of the extra work and the amount of extra compensation to be paid all as more particularly set forth in Section 5.9 hereof.

DISTRICT shall extend the time fixed in Section 5.5 for completion of the Project by the number of days reasonably required for CONTRACTOR to perform the extra work, as determined by DISTRICT'S Engineer. The decision of the Engineer shall be final.

SECTION 5 - AGREEMENT (Continued)

5.9 Changes in Project.

- 5.9.1 DISTRICT may at any time, without notice to any surety, by written order designated or indicated to be a change order, make any change in the work within the general scope of the Contract, including but not limited to changes:
- a. In the Specifications (including drawings and designs);
 - b. In the time, method or manner of performance of the work;
 - c. In the DISTRICT furnished facilities, equipment, materials, services or site;
or
 - d. Directing acceleration in the performance of the work.

If CONTRACTOR believes that the written order issued as part of this Section 5.9.1 has caused an increase in costs or time, the CONTRACTOR shall submit a written request for equitable adjustment to the DISTRICT that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the DISTRICT to analyze the request. Said notice shall be submitted via certified mail within twenty (20) days of the CONTRACTOR'S receipt of the written order. CONTRACTOR'S failure to submit the written request for equitable adjustment within the required twenty (20) days shall constitute a waiver of any potential change order or claim for said alleged change. The DISTRICT shall review CONTRACTOR'S request and shall provide a written response within thirty (30) days of receipt of the request either approving or denying the request.

- 5.9.2 A change may also be any other conflict, difficulty or issue which the CONTRACTOR believes caused any change to the CONTRACTOR'S costs or project schedule, provided CONTRACTOR gives the DISTRICT written notice and a request for equitable adjustment that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the DISTRICT to analyze the request. The notice shall also state the date the CONTRACTOR became aware of the issue, circumstances and source of the issue and that CONTRACTOR regards the issue as a change order. Said written notice shall be delivered to the DISTRICT via certified mail within twenty (20) days of CONTRACTOR'S first notice of the issue. CONTRACTOR'S failure to submit the notice, which includes the written request for equitable adjustment within the required twenty (20) days shall constitute a waiver of any potential change order or claim for said alleged change. The DISTRICT shall review CONTRACTOR'S request and shall provide a written response within thirty (30) days of receipt of the request either approving or denying the request.
- 5.9.3 Except as provided in this Section 5.9, no order, statement or conduct of the DISTRICT or its representatives shall be treated as a change under this Section 5.9 or entitle CONTRACTOR to an equitable adjustment.
- 5.9.4 Except for claims based on defective specifications, no claim for any change under paragraph 5.9.1 or 5.9.2 above shall be allowed for any work performed more than 20 days before the CONTRACTOR gives written notice as required in paragraphs 5.9.1 and 5.9.2. In the case of defective specifications for which the DISTRICT is responsible, the equitable adjustment shall include any increased

SECTION 5 - AGREEMENT (Continued)

direct cost CONTRACTOR reasonably incurred in attempting to comply with those defective specifications.

- 5.9.5 If CONTRACTOR intends to assert a claim for an equitable adjustment under this Section 5.9, it must, within thirty (30) days after receipt of a denial of a request for equitable adjustment under paragraphs 5.9.1 and 5.9.2, submit a written statement to the DISTRICT setting forth the general nature and monetary extent of such claim. The DISTRICT may extend the 30 day period. CONTRACTOR'S failure to submit the notice of a claim, within the required thirty (30) days shall constitute a waiver of the claim by the CONTRACTOR.
- 5.9.6 No claim by CONTRACTOR for an equitable adjustment shall be allowed if made after final payment under this Agreement.
- 5.9.7 CONTRACTOR hereby agrees to make any and all changes, furnish the materials and perform the work that DISTRICT may require without nullifying this Contract. CONTRACTOR shall adhere strictly to the Plans and Specifications unless a change there from is authorized in writing by the DISTRICT. Under no condition shall CONTRACTOR make any changes to the Project, either in additions or deductions, without the written order of the DISTRICT and the DISTRICT shall not pay for any extra charges made by CONTRACTOR that have not been agreed upon in advance in writing by the DISTRICT. CONTRACTOR shall submit immediately to the DISTRICT written copies of its firm's cost or credit proposal for change in the work. Disputed work shall be performed as ordered in writing by the DISTRICT and the proper cost or credit breakdowns therefore shall be submitted without delay by CONTRACTOR to DISTRICT.
- 5.10 **Liquidated Damages for Delay.** The parties agree that if the total work called for under this Contract, in all parts and requirements, is not completed within the time specified in Section 5.5 herein, plus the allowance made for delays or extensions authorized under Sections 5.7, 5.8, and 5.9 herein, the DISTRICT will sustain damage which would be extremely difficult and impractical to ascertain. The parties therefore agree that CONTRACTOR will pay to DISTRICT the sum of **One Thousand Five Hundred dollars (\$1,500.00) per calendar day** during which completion of the Project is so delayed. CONTRACTOR agrees to pay such liquidated damages and further agrees that CITY may offset the amount of liquidated damages from any monies due or that may become due CONTRACTOR under the Contract.
- 5.11 **Contract Price and Method of Payment.** DISTRICT agrees to pay and the CONTRACTOR agrees to accept as full consideration for the faithful performance of this Contract, subject to any subsequent additions or deductions as provided in approved change orders, the sum of **Seven Hundred Nineteen Thousand Eight Hundred Nine dollars and 00/100 (\$719,809.00)** as itemized in the bid proposal.

Progress payments shall be made to the CONTRACTOR on a monthly basis for each successive month as the work progresses. The CONTRACTOR shall be paid such sum as will bring the total payments received since the commencement of the work up to ninety-five percent (95%) of the value of the work completed, less all previous payments, provided that the CONTRACTOR submits the request for payment prior to the end of the

SECTION 5 - AGREEMENT (Continued)

day required to meet the payment schedule. The DISTRICT will retain five percent (5%) of the amount of each such progress estimate and material cost until 30 days after the recordation of the Notice of Completion.

Payments shall be made on demands drawn in the manner required by law, accompanied by a certificate signed by the DISTRICT'S Engineer, stating that the work for which payment is demanded has been performed in accordance with the terms of the Contract. Partial payments of the Contract price shall not be considered as an acceptance of any part of the work.

5.12 Substitution of Securities in Lieu of Retention of Funds. Pursuant to California Public Works Contract Code § 22300, the CONTRACTOR will be entitled to post approved securities with the DISTRICT or an approved financial institution in order to have the DISTRICT release funds retained by the DISTRICT to ensure performance of the Contract. CONTRACTOR shall be required to execute an addendum to this Contract together with escrow instructions and any other documents in order to effect this substitution.

5.13 Completion. Within 10 days after the contract completion date of the Project, CONTRACTOR shall file with the DISTRICT'S Engineer its affidavit stating that all workers and persons employed, all firms supplying materials, and all subcontractors upon the Project have been paid in full, and that there are no claims outstanding against the Project for either labor or material, except those certain items, if any, to be set forth in an affidavit covering disputed claims, or items in connection with Stop Notices which have been filed under the provisions of the statutes of the State of California. To the extent that the insured's rights to recover all or part of any payment made under this Coverage Part have not been waived, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

This condition does not apply to Coverage C.

Schedule

Person or Organization

Job Description

WHEN REQUIRED BY WRITTEN CONTRACT

- b. To sue us on this insurance unless all of its terms have been fully complied with.
2. A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured. We will not be liable for damages that:
 - a. Are not payable under the terms of this insurance; or
 - b. Are in excess of the applicable limit of insurance.

An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

L. MAINTENANCE OF UNDERLYING INSURANCE

1. The insurance afforded by each policy of "underlying insurance" will be maintained for the full policy period of this Excess Follow-Form And Umbrella Liability Insurance. This provision does not apply to the reduction or exhaustion of the aggregate limit or limits of such "underlying insurance" solely by payments as permitted in Paragraphs 4.a.(1), (2) and (3) of **COVERAGE A - EXCESS FOLLOW-FORM LIABILITY OF SECTION I - COVERAGES**. As such policies expire, you will renew them at limits and with coverage at least equal to the expiring limits of insurance. If you fail to comply with the above requirements, Coverage A is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had you complied with the above requirements.
2. The first Named Insured shown in the Declarations must give us written notice of any change in the "underlying insurance" as respects:
 - a. Coverage;
 - b. Limits of insurance;
 - c. Termination of any coverage; or
 - d. Exhaustion of aggregate limits.
3. If you are unable to recover from any "underlying insurer" because you fail to comply with any term or condition of the "underlying insurance", Coverage A is not invalidated. However, we will pay for any loss only to the extent that we would have paid had you complied with that term or condition in that "underlying insurance".

M. OTHER INSURANCE

This insurance is excess over any valid and collectible "other insurance" whether such "other insurance" is stated to be primary, contributing, excess, contingent or otherwise. This provision does not apply to a policy bought specifically to apply as excess of this insurance.

However, if you specifically agree in a written contract or agreement that the insurance provided to any person or organization that qualifies as an insured under this insurance must apply on a primary basis, or a primary and non-contributory basis, then insurance provided under Coverage A is subject to the following provisions:

1. This insurance will apply before any "other insurance" that is available to such additional insured which covers that person or organization as a named insured, and we will not share with that "other insurance", provided that the injury or damage for which coverage is sought is caused by an "event" that takes place or is committed subsequent to the signing of that contract or agreement by you.
2. This insurance is still excess over any valid and collectible "other insurance", whether primary, excess, contingent or otherwise, which covers that person or organization as an additional insured or as any other insured that does not qualify as a named insured.

N. PREMIUM

1. The first Named Insured shown in the Declarations is responsible for the payment of all premiums and will be the payee for any return premiums.
2. If the premium is a flat charge, it is not subject to adjustment except as provided in Paragraph 4. below.
3. If the premium is other than a flat charge, it is an advance premium only. The earned premium will be computed at the end of the policy period, or at the end of each year of the policy period if the policy period is two years or longer, at the rate shown in the Declarations, subject to the Minimum Premium.
4. Additional premium may become payable when coverage is provided for additional insureds under the provisions of **SECTION II - WHO IS AN INSURED**.

O. PREMIUM AUDIT

The premium for this policy is the amount stated in Item 5. of the Declarations. The premium is a flat

INTER-DEPARTMENT MEMORANDUM

To:	Scott C. Stiles	From:	William E. Murray
Dept.:	General Manager	Dept.:	Public Works
Subject:	Award a contract to Paulus Engineering, Inc., for Project No. 7824 - Ward Street Sewer Line Improvement. (Cost: \$719,809) (<i>Action Item</i>)	Date:	10/22/2019

OBJECTIVE

To recommend that the Garden Grove Sanitary District (GGSD) Board award a contract to Paulus Engineering Inc. for the construction of Project No. 7824 - Ward Street Sewer Line Improvement.

BACKGROUND

The Sewer Improvement Project at Ward Street is one of many projects designed to minimize sewer capacity issues throughout the City. The improvements also comply with the Regional Water Quality Control Board's Waste Discharge requirements. The GGSD System Evaluation and Capacity Assurance Plan identified the Ward Street Sewer Improvement Project as one of the high priority projects. A location map is attached identifying this project.

The project will relieve capacity deficiencies on Ward Street from McFadden Avenue to Davit and Bolsa Avenue to 200 feet north of Bolsa Avenue, with the installation of a sewer main larger than existing (from 8-inch to 10-inch or 12-inch) replacing 820 feet of sewer main. The scope of work for this project also includes the replacement of seven (7) manholes.

DISCUSSION

Six (6) bids were received and opened by the City Clerk's Office on September 19, 2019 at 11:00 a.m. (see Bid Summary Sheet). The lowest responsive bidder is Paulus Engineering Inc. with a total bid of \$719, 809. This bid is within the project budget. The licenses and references of the Contractor have been reviewed and verified. The anticipated contract schedule is as follows:

Award Contract October 22, 2019

Begin Construction *November 25, 2019*
Complete Construction *March 20, 2020*

FINANCIAL IMPACT

There is no impact to the General Fund. This project was included in the 2019/2020 Capital Improvement Budget, and will be financed with Sewer Funds in the amount of \$719,809.

RECOMMENDATION

It is recommended that the Garden Grove Sanitary District Board:

- Award a contract to Paulus Engineering, Inc. for the construction of the Ward Street Sewer Line Improvement Project No. 7824 for the amount of \$719,809; and
- Authorize the General Manager to execute the agreement on behalf of the Sanitary District.

CONSTRUCTION AGREEMENT

THIS AGREEMENT is made this 22nd day of **October, 2019**, by the **GARDEN GROVE SANITARY DISTRICT**, a California Special District ("DISTRICT"), and **Paulus Engineering, Inc.**, hereinafter referred to as ("**CONTRACTOR**")

RECITALS:

The following recitals are a substantive part of this Agreement:

1. This Agreement is entered into pursuant to Garden Grove Sanitary District Board of Directors Authorization dated **October 22, 2019**.
2. DISTRICT desires to utilize the services of CONTRACTOR to furnish material, equipment, and labor for the **WARD STREET SEWER LINE IMPROVEMENT – PROJECT NO. 7824**.
3. CONTRACTOR is qualified by virtue of experience, training, education, and expertise to accomplish services.

AGREEMENT

THE PARTIES MUTUALLY AGREE AS FOLLOWS:

- 5.1 General Conditions.** CONTRACTOR certifies and agrees that all the terms, conditions and obligations of the Contract Documents as hereinafter defined, the location of the job site, and the conditions under which the work is to be performed have been thoroughly reviewed, and enters into this Contract based upon CONTRACTOR'S investigation of all such matters and is in no way relying upon any opinions or representations of DISTRICT. It is agreed that this Contract represents the entire agreement. It is further agreed that the Contract Documents including the Notice Inviting Bids, Special Instructions to Bidders, if any, Plans, Specifications and CONTRACTOR's Proposal, are incorporated in this Contract by reference, with the same force and effect as if the same were set forth at length herein, and that CONTRACTOR and its subcontractors, if any, will be and are bound by any and all of said Contract Documents insofar as they relate in any part or in any way, directly or indirectly, to the work covered by this Contract.

"Project" as used herein defines the entire scope of the work covered by all the Contract Documents. Anything mentioned in the Specifications and not indicated in the Plans, or indicated in the Plans and not mentioned in the Specifications, shall be of like effect as if indicated and mentioned in both. In case of discrepancy in the Plans or Specifications, the matter shall be immediately submitted to DISTRICT'S Engineer, without whose decision CONTRACTOR shall not adjust said discrepancy save only at CONTRACTOR'S own risk and expense. The decision of the Engineer shall be final.

SECTION 5 - AGREEMENT (Continued)

- 5.2 **Materials and Labor.** CONTRACTOR shall furnish, under the conditions expressed in the Plans and Specifications, at CONTRACTOR'S own expense, all labor and materials necessary, except such as are mentioned in the Specifications to be furnished by the DISTRICT, to construct and complete the project, in good workmanlike and substantial order. If CONTRACTOR fails to pay for labor or materials when due, DISTRICT may settle such claims by making demand upon the surety to this Agreement. In the event of the failure or refusal of the surety to satisfy said claims, DISTRICT may settle them directly and deduct the amount of payments from the Contract price and any amounts due to CONTRACTOR. In the event DISTRICT receives a stop notice from any laborer or material supplier alleging non-payment by CONTRACTOR, DISTRICT shall be entitled to deduct all of its costs and expenses incurred relating thereto, including but not limited to administrative and legal fees.
- 5.3 **Project.** The PROJECT is described as: **WARD STREET SEWER LINE IMPROVEMENT – PROJECT NO. 7824.**
- 5.4 **Plans and Specifications.** The work to be done is shown in a set of detailed Plans and Specifications entitled: **WARD STREET SEWER LINE IMPROVEMENT– PROJECT NO. 7824.**

Said Plans and Specifications and any revision, amendments or addenda thereto are attached hereto and incorporated herein as part of this Contract and referred to by reference. The work to be done must also be in accordance with the General Provisions, Standard Specifications and Standard Plans of the DISTRICT, which are also incorporated herein and referred to by, reference.

- 5.5 **Time of Commencement and Completion.** CONTRACTOR shall have **twenty-one (21) calendar days from the award of the Contract** to execute the Contract and supply DISTRICT with all of the documents and information required by the instruction to Bidders and the other Contract Documents, including but not limited to, the necessary bonds and insurance certificates and endorsements. Once the District receives the executed Contract and all of the other properly drafted and executed documents and information, it may issue a Notice to Proceed to the Contractor. If CONTRACTOR refuses or fails to execute the Contract or refuses or fails to provide the required documents and information within the twenty-one (21) calendar days, the DISTRICT may then rescind the award of the Contract and then award the Contract to the next lowest responsive and responsible bidder.

Upon receipt of the Notice to Proceed, CONTRACTOR agrees to submit shop drawings and traffic control plans **within fourteen (14) calendar days**. Further, upon receipt of the Notice to Proceed the CONTRACTOR shall diligently prosecute the work to completion within **seventy five (75) working days** excluding delays caused or authorized by the DISTRICT as set forth in Sections 5.7, 5.8 and 5.9 hereof.

SECTION 5 - AGREEMENT (Continued)

5.6 Time is of the Essence. Time is of the essence of this Contract. As required by the Contract Documents, CONTRACTOR shall prepare and obtain approval of all shop drawings, details and samples, and do all other things necessary and incidental to the prosecution of CONTRACTOR'S work in conformance with an approved construction progress schedule. CONTRACTOR shall coordinate the work covered by this Contract with that of all other CONTRACTORS, subcontractors and of the DISTRICT, in a manner that will facilitate the efficient completion of the entire work in accordance with Section 5.5 herein. DISTRICT shall have complete control of the premises on which the work is to be performed and shall have the right to decide the time or order in which the various portions of the work shall be installed or the priority of the work of other subcontractors, and, in general, all matters representing the timely and orderly conduct of the work of CONTRACTOR on the premises.

5.7 Excusable Delays. CONTRACTOR shall be excused for any delay in the prosecution or completion of the Project caused by acts of God; inclement weather; damages caused by fire or other casualty for which CONTRACTOR is not responsible; any act of negligence or default of DISTRICT; failure of DISTRICT to make timely payments to CONTRACTOR; late delivery of materials required by this CONTRACT to be furnished by DISTRICT; combined action of the workers in no way caused by or resulting from default or collusion on the part of CONTRACTOR; a lockout by DISTRICT; or any other delays unforeseen by CONTRACTOR and beyond CONTRACTOR'S reasonable control.

DISTRICT shall extend the time fixed in Section 5.5 herein for completion of the Project by the number of days CONTRACTOR has thus been delayed, provided that CONTRACTOR presents a written request to DISTRICT for such time extension within fifteen (15) days of the commencement of such delay and DISTRICT finds that the delay is justified. DISTRICT 'S decision will be conclusive on the parties to this Contract. Failure to file such request within the time allowed shall be deemed a waiver of the claim by CONTRACTOR.

No claims by CONTRACTOR for additional compensation or damages for delays will be allowed unless CONTRACTOR satisfies DISTRICT that such delays were unavoidable and not the result of any action or inaction of CONTRACTOR and that CONTRACTOR took all available measures to mitigate such damages. Extensions of time and extra compensation as a result of incurring undisclosed utilities would be determined in accordance with SPECIAL PROVISIONS and Section 3-3 of the Standard Specifications for Public Works Construction 2018 Edition (GREEN BOOK). The DISTRICT'S decision will be conclusive on all parties to this Contract.

5.8 Extra Work. The Contract price includes compensation for all work performed by CONTRACTOR, unless CONTRACTOR obtains a written change order signed by a designated representative of DISTRICT specifying the exact nature of the extra work and the amount of extra compensation to be paid all as more particularly set forth in Section 5.9 hereof.

DISTRICT shall extend the time fixed in Section 5.5 for completion of the Project by the number of days reasonably required for CONTRACTOR to perform the extra work, as determined by DISTRICT'S Engineer. The decision of the Engineer shall be final.

SECTION 5 - AGREEMENT (Continued)

5.9 Changes in Project.

- 5.9.1 DISTRICT may at any time, without notice to any surety, by written order designated or indicated to be a change order, make any change in the work within the general scope of the Contract, including but not limited to changes:
- a. In the Specifications (including drawings and designs);
 - b. In the time, method or manner of performance of the work;
 - c. In the DISTRICT furnished facilities, equipment, materials, services or site;
or
 - d. Directing acceleration in the performance of the work.

If CONTRACTOR believes that the written order issued as part of this Section 5.9.1 has caused an increase in costs or time, the CONTRACTOR shall submit a written request for equitable adjustment to the DISTRICT that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the DISTRICT to analyze the request. Said notice shall be submitted via certified mail within twenty (20) days of the CONTRACTOR'S receipt of the written order. CONTRACTOR'S failure to submit the written request for equitable adjustment within the required twenty (20) days shall constitute a waiver of any potential change order or claim for said alleged change. The DISTRICT shall review CONTRACTOR'S request and shall provide a written response within thirty (30) days of receipt of the request either approving or denying the request.

- 5.9.2 A change may also be any other conflict, difficulty or issue which the CONTRACTOR believes caused any change to the CONTRACTOR'S costs or project schedule, provided CONTRACTOR gives the DISTRICT written notice and a request for equitable adjustment that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the DISTRICT to analyze the request. The notice shall also state the date the CONTRACTOR became aware of the issue, circumstances and source of the issue and that CONTRACTOR regards the issue as a change order. Said written notice shall be delivered to the DISTRICT via certified mail within twenty (20) days of CONTRACTOR'S first notice of the issue. CONTRACTOR'S failure to submit the notice, which includes the written request for equitable adjustment within the required twenty (20) days shall constitute a waiver of any potential change order or claim for said alleged change. The DISTRICT shall review CONTRACTOR'S request and shall provide a written response within thirty (30) days of receipt of the request either approving or denying the request.
- 5.9.3 Except as provided in this Section 5.9, no order, statement or conduct of the DISTRICT or its representatives shall be treated as a change under this Section 5.9 or entitle CONTRACTOR to an equitable adjustment.
- 5.9.4 Except for claims based on defective specifications, no claim for any change under paragraph 5.9.1 or 5.9.2 above shall be allowed for any work performed more than 20 days before the CONTRACTOR gives written notice as required in paragraphs 5.9.1 and 5.9.2. In the case of defective specifications for which the DISTRICT is responsible, the equitable adjustment shall include any increased

SECTION 5 - AGREEMENT (Continued)

direct cost CONTRACTOR reasonably incurred in attempting to comply with those defective specifications.

- 5.9.5 If CONTRACTOR intends to assert a claim for an equitable adjustment under this Section 5.9, it must, within thirty (30) days after receipt of a denial of a request for equitable adjustment under paragraphs 5.9.1 and 5.9.2, submit a written statement to the DISTRICT setting forth the general nature and monetary extent of such claim. The DISTRICT may extend the 30 day period. CONTRACTOR'S failure to submit the notice of a claim, within the required thirty (30) days shall constitute a waiver of the claim by the CONTRACTOR.
- 5.9.6 No claim by CONTRACTOR for an equitable adjustment shall be allowed if made after final payment under this Agreement.
- 5.9.7 CONTRACTOR hereby agrees to make any and all changes, furnish the materials and perform the work that DISTRICT may require without nullifying this Contract. CONTRACTOR shall adhere strictly to the Plans and Specifications unless a change there from is authorized in writing by the DISTRICT. Under no condition shall CONTRACTOR make any changes to the Project, either in additions or deductions, without the written order of the DISTRICT and the DISTRICT shall not pay for any extra charges made by CONTRACTOR that have not been agreed upon in advance in writing by the DISTRICT. CONTRACTOR shall submit immediately to the DISTRICT written copies of its firm's cost or credit proposal for change in the work. Disputed work shall be performed as ordered in writing by the DISTRICT and the proper cost or credit breakdowns therefore shall be submitted without delay by CONTRACTOR to DISTRICT.
- 5.10 **Liquidated Damages for Delay.** The parties agree that if the total work called for under this Contract, in all parts and requirements, is not completed within the time specified in Section 5.5 herein, plus the allowance made for delays or extensions authorized under Sections 5.7, 5.8, and 5.9 herein, the DISTRICT will sustain damage which would be extremely difficult and impractical to ascertain. The parties therefore agree that CONTRACTOR will pay to DISTRICT the sum of **One Thousand Five Hundred dollars (\$1,500.00) per calendar day** during which completion of the Project is so delayed. CONTRACTOR agrees to pay such liquidated damages and further agrees that CITY may offset the amount of liquidated damages from any monies due or that may become due CONTRACTOR under the Contract.
- 5.11 **Contract Price and Method of Payment.** DISTRICT agrees to pay and the CONTRACTOR agrees to accept as full consideration for the faithful performance of this Contract, subject to any subsequent additions or deductions as provided in approved change orders, the sum of **Seven Hundred Nineteen Thousand Eight Hundred Nine dollars and 00/100 (\$719,809.00)** as itemized in the bid proposal.

Progress payments shall be made to the CONTRACTOR on a monthly basis for each successive month as the work progresses. The CONTRACTOR shall be paid such sum as will bring the total payments received since the commencement of the work up to ninety-five percent (95%) of the value of the work completed, less all previous payments, provided that the CONTRACTOR submits the request for payment prior to the end of the

SECTION 5 - AGREEMENT (Continued)

day required to meet the payment schedule. The DISTRICT will retain five percent (5%) of the amount of each such progress estimate and material cost until 30 days after the recordation of the Notice of Completion.

Payments shall be made on demands drawn in the manner required by law, accompanied by a certificate signed by the DISTRICT'S Engineer, stating that the work for which payment is demanded has been performed in accordance with the terms of the Contract. Partial payments of the Contract price shall not be considered as an acceptance of any part of the work.

5.12 Substitution of Securities in Lieu of Retention of Funds. Pursuant to California Public Works Contract Code § 22300, the CONTRACTOR will be entitled to post approved securities with the DISTRICT or an approved financial institution in order to have the DISTRICT release funds retained by the DISTRICT to ensure performance of the Contract. CONTRACTOR shall be required to execute an addendum to this Contract together with escrow instructions and any other documents in order to effect this substitution.

5.13 Completion. Within 10 days after the contract completion date of the Project, CONTRACTOR shall file with the DISTRICT'S Engineer its affidavit stating that all workers and persons employed, all firms supplying materials, and all subcontractors upon the Project have been paid in full, and that there are no claims outstanding against the Project for either labor or material, except those certain items, if any, to be set forth in an affidavit covering disputed claims, or items in connection with Stop Notices which have been filed under the provisions of the statutes of the State of California. DISTRICT may require affidavits or certificates of payment and/or releases from any subcontractor, laborer or material supplier.

5.14 CONTRACTOR'S Employees Compensation

DISTRICT has ascertained from the State of California Director of Industrial Relations, the general prevailing rate of per diem wages and the general prevailing rate for legal holiday and overtime work in the locality in which the work is to be performed for each craft or type of work needed to execute this Contract, and copies of the same are on file in the Office of the City Engineer. The CONTRACTOR agrees that not less than said prevailing rates shall be paid to workers employed on this public works contract as required by Labor Code Section 1774 of the State of California.

5.14.2 Forfeiture for Violation. CONTRACTOR shall, as a penalty to the DISTRICT, forfeit one hundred dollars (\$100.00) for each calendar day or portion thereof for each worker paid (either by the CONTRACTOR or any subcontractor under it) less than the prevailing rate of per diem wages as set by the Director of Industrial Relations, in accordance with Sections 1770-1780 of the California Labor Code for the work provided for in this Contract, all in accordance with Section 1775 of the Labor Code of the State of California.

CONTRACTOR shall keep an accurate record showing the name and actual hours worked each calendar day and each calendar week by each worker employed by CONTRACTOR in connection with the Project.
- 5.14.5 **Record of Wages: Inspection.** CONTRACTOR agrees to maintain accurate payroll records showing the name, address, social security number, work classification, straight-time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by it in connection with the Project and agrees to require that each of its subcontractors does the same. The applicable CONTRACTOR or subcontractor or its agent having authority over such matters shall certify all payroll records as accurate.
