INTENT

1. This addendum is issued prior to receipt of proposals to provide for modifications in plans and/or specifications. Acknowledgment of this addendum shall be made and cost for work included in proposer's submittal.

2. Pages 1 and 4, Proposal Submittal Date, Revise item as follows:

The Proposal Submittal Date is hereby changed from 4:00 p.m., local Pacific (PST) time, on Friday, August, 11, 2017, to a new Proposal Submittal Date of **4:00 p.m., local Pacific (PST) time, on Wednesday, August, 16, 2017**. Please be advised that the deadline for submitting questions on August 3, 2017 will remain the same. *All other deadlines such as the on-site demonstrations from October 9, 2017-October 26, 2017, as per page 28 of the RFP document, will be strictly adhered to.*

3. The following questions were asked during the mandatory telephone conference call on July 25, 2017. ***The City's response can be found in bold and italicized font.***

1. On the conference call yesterday, it was confirmed that best of breed as it pertains to this comment above on page 17, will not Win the Award even if they are able to integrate with all other Vendors responding and the Vendor the City of Garden Grove Awards the Bid to? ***The City will accept best-of-breed, but there must be a primary vendor in order to make contract negotiations, schedule coordination, project management, etc. more manageable for the City. For example, if one vendor submits a proposal for Financials but partners up with another vendor for HR/Payroll and yet another vendor for Time***

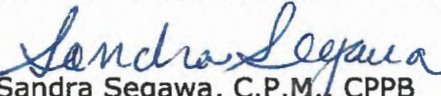

Entry/Scheduling, this would be acceptable as long as the plan is submitted in a single proposal by the primary vendor.

2. Would you also be able to provide the minutes and the participants from the conference call on an Addendum? ***The City does not provide minutes for pre-proposal meetings. As stated during the conference call, the only information that the City would be posting as an addendum were responses to those questions that were not answered during the conference call.***

The list of companies that participated in the mandatory telephone conference call is attached. The list has also been posted on the City's PlanetBids site.

4. The contractor is hereby notified that Addenda 1, 2, 3 and 4 must be acknowledged and submitted as part of the proposal. Failure to do so could result in the City designating said proposal as "Non Responsive". All the terms and conditions of the PROPOSAL shall remain the same.
