Thank you for your interest in the City's golf course property. The City has not made any determination of use under the Surplus Land Act. If you wish to respond to the Notice of Availability, the City would appreciate a term sheet summarizing your proposal.

Hi Grace,

CBH received the notice of land availability and extension notice for the property at 3017 W. 5th Street. I was wondering if you had any more information on what the City of Garden Grove has envisioned for the property. Responding to Surplus Land Act NOFAs is something we are still learning how best to do since the law is still relatively new. If you have any additional information you are able to share on what the City is looking for that would help us in determining if an LOI for the land is something we are interested in pursuing.

Feel free to give me a call (cell is best during this time) if that is easier for you. I am looking forward to your response.

Thank you,

Audrey Peterson | Director of Housing Development*She/her/hers*
