DISCLAIMER: West Coast Arborists, Inc. insures the quality of work performed, however, we do not insure the City's entire tree population from failure. Arborists are tree specialists who use their education to reduce the risk of living near trees. Trees are living organisms that fail in ways we do not fully understand. Conditions are often hidden within trees and below ground. Arborists cannot guarantee that a tree will be healthy or safe under all circumstances. To live near trees is to accept some degree of risk. The only way to eliminate all risk associated with trees is to eliminate all trees.
