2. SALARY INCREASES

a. Salary Step Increases

All salary step increases will become effective on the first day of the pay period in which the employee's anniversary date occurs, unless there is a postponement.

In the event of a postponement, the effective date of the step increase will be the first day of the pay period in which the increase is authorized.

In the event that an employee is filling in for the employee(s) regularly assigned to such functions, the employee filling in will be eligible to receive such premium pay only under the criteria and limitations set forth in Section 14 of this Article (Acting Pay).

An additional two percent (2%) of base salary shall be paid to the regularly assigned position(s) referred to above for obtaining a Pest Control Advisor license.

10. ASSIGNMENT PAY - EFFECT OF ABSENCES

During an absence from duty for a period in excess of 30 calendar days, excluding vacations, an employee receiving assignment pay or lead person pay shall not be entitled to such compensation. This reduction in pay shall be implemented in the first full pay period following such absence and shall be reinstituted upon the employee's return to his former position.

11. ACTING PAY

Whenever an employee is assigned by the department director to fulfill, in an acting capacity, the full responsibilities of a vacant position within the unit that is a higher level than the employee's present position, he shall be compensated in accordance with Municipal Code Section 244.230, as clarified in Section 2(c) of this Article.

Those employees currently receiving benefits from the Educational Incentive Program may continue to participate in the program until they become ineligible or elect to participate in the Tuition Reimbursement Program. Once an employee who had been receiving benefits from the Educational Incentive Program

becomes ineligible to participate in the former Educational Incentive Program, they may not requalify for that program.

13. BILINGUAL PAY

Effective July 6, 2002, the City will pay seventy dollars (\$70) per pay period to a designated bilingual employee required to utilize his full-range of bilingual abilities (Vietnamese, Korean, Spanish and/or any other language designated by the City Manager) on City business. Determination of capability shall be made by qualifying tests established by the City of reading, writing and speaking ability in the given language. An employee so designated by the City shall be required to translate at any time. An employee may cease to be in a designated position as a result of transfer, promotion, or other reassignment.

Effective the first full pay period following July 1, 2009, the City will pay fifty dollars (\$50) each pay period to a designated bilingual employee required to utilize his verbal-only bilingual abilities (Vietnamese, Korean, Spanish and/or any other language designated by the City Manager) on City business. Determination of capability shall be made by qualifying tests established by the City of speaking ability in the given language. An employee so designated by the City shall be required to translate at any time. An employee may cease to be in a designated position as a result of transfer, promotion, or other reassignment.

14. COMPENSATION STUDY REQUESTS

During the month of January, the League may request on behalf of its membership up to five (5) compensation studies to be conducted by the City within 90 days of the request. Each study shall compare the highest salary step of one (1) specific Garden Grove classification with the highest normal salary step of substantially similar classifications, if they exist, in Anaheim, Buena Park, Costa Mesa, Fullerton, Huntington Beach, Irvine, Newport Beach, Orange, Santa Ana, and Westminster only. A finding that the median salary for these ten comparator cities is more than 5% above or below the Garden Grove salary affords the League the opportunity to request to meet and confer with the City on that particular issue only. Both parties agree that a substantially similar classification must exist in at least five of the above comparator cities to be conclusive. The League acknowledges that any findings of variation from the market of more than 5% from the median will not automatically result in a recommended change of salary for a specific classification.

15. RECLASSIFICATION REQUESTS

During the month of July, the League may request on behalf of its membership up to five (5) reclassification studies be conducted by the City within 120 days of the request. The League acknowledges that reclassification studies may result in a recommendation for a lower classification of a position, a higher classification of a position, or a revision of duties for a position, or a combination thereof. The League further acknowledges that receiving assignment pay is not a basis for a reclassification.

ARTICLE III

FRINGE BENEFITS

1. RETIREMENT PLAN

- a. Every employee in the competitive service shall participate in the Public Employees' Retirement System retirement plan as adopted by the City Council. Participation shall begin immediately upon employment. Such participation in the retirement plan continues until the employee terminates employment with the City for any reason, and shall then cease under the terms of said plan.
- b. Effective November 19, 1994, the City will no longer pay the employee's seven percent (7%) contribution to the Public Employees' Retirement System.

Effective November 19, 1994, the employee shall begin to pay the "Employee's Contribution" to the Public Employees' Retirement System (PERS). The City shall allow these contributions to be treated as "pick-up" in accordance with Section 414(h)2 of the Internal Revenue Service and applicable Government Code sections. These "pick-up" contributions, to the extent permissible, shall be treated as deferred income to the employee for federal and state tax purposes.

The Garden Grove Employees League and each and all of its members shall indemnify and hold the City harmless from any and all claims, demands, suits, actions, liabilities, or judgments of any kind whatsoever arising out of or in connection with the actions to be taken and/or the "pick-up" contributions to be made by the City pursuant hereto.

Any future income tax obligations resulting from the "pick-up" contributions shall be the exclusive responsibility of the employee. In the event the Internal Revenue Service shall change its current position and determine that such contributions constitute salary, not deferred compensation, any resulting tax obligations shall be the exclusive responsibility of the employee and the City shall not be held responsible therefore.

- c. The City currently contracts with PERS for the following benefits to the miscellaneous retirement plan.
 - (1) Section 21251.132 (2% at 55 Full formula for local miscellaneous members).
 - (2) Section 20024.2 (Highest Year).
 - (3) Section 20862.8 (Credit for Unused Sick Leave).
 - (4) Employee pays the entire "Employee Contribution."
- d. By June 30, 2006 of Fiscal Year 2005-2006, the City shall amend its contract with PERS to add the following benefits to the miscellaneous retirement plan.

Section 21354.4 (2.5% at 55 Full formula for local miscellaneous members - Active Members Only).

Effective at the time of this amendment, miscellaneous employees will pay an additional one percent (1%) employee contribution with the total employee contribution increasing to eight percent (8%).

2. HEALTH INSURANCE

Except as provided in Section 4 of this Article, the City shall contribute on behalf of each employee and each eligible retiree, the PERS mandatory amount per month toward the payment of premiums for health insurance under the PERS Health Insurance program. For calendar year 2006, the amount is \$64.60, for 2007 the amount will be \$80.80, and for 2008 the amount will be \$97.00. Beginning January 2009, the amount will be adjusted annually to reflect any change in the medical care component of the Consumer Price Index

Retiring employees and their dependents shall have available the ability to continue to participate in the PERS Health Insurance program. The eligibility of participation shall be determined by the PERS program.

3. CAFETERIA PLAN

The City shall make a monthly fringe benefit contribution to each eligible member of the unit to be used toward the cafeteria plan. These funds shall only be used for eligible plans included within the cafeteria plan. The plan includes health, dental, flexible health and child care reimbursement, deferred compensation, supplemental LTD plans and cash.

All employees must enroll in one of the PERS health program plans unless they submit to the City both (1) proof of health coverage and (2) sign a health insurance waiver. Employees who fail to complete both requirements shall not be allowed to utilize their cafeteria plan contributions for any other eligible plans.

An employee who selects the option of not enrolling in one of the PERS health program plans and who meets the conditions outlined in (3-b) above shall receive a \$100.00 per month credit either payable in cash, contributed to the employee's account with the City's deferred compensation plan, flexible health and child care reimbursements, or supplemental LTD plan. This credit shall be provided to such employee once a year in December.

4. CITY FRINGE BENEFIT CONTRIBUTION

- a. The City shall provide a "base" \$756.50 per month composite fringe benefit contribution, which includes the PERS mandatory monthly contribution described in Section 2 of this Article.
- b. The League agrees to annually modify the City's monthly composite contribution as outlined in Exhibit B.
- c. Those employees who select the cafeteria plan option of cash or deferred compensation shall be provided the difference once a year in December, either through a cash payment or contribution to the employee's account with the City's deferred compensation plan.

- d. The City and League agree to share the PERS mandatory monthly contribution for retirees (as described in 2 above). The League will pay, from their fringe benefit contribution, \$5.00 per month per retiree and the City will pay the remaining contribution. The League's contribution will be made as an adjustment to their annual composite rate.

5. CITY FRINGE BENEFIT CONTRIBUTION - REOPENER

During fiscal year 2010-11 and/or fiscal year 2011-12, the League may request that the City meet and confer in good faith on the City's cafeteria contribution if the most recent preceding average increase for the PERS Health Plan (Public Employees' Medical and Hospital Care Act; "PEMHCA") is more than 5% as announced by PERS.

6. LIFE INSURANCE

The City will provide term life insurance benefits equal to the individual's annual salary rounded to the next \$1,000.

7. LONG-TERM DISABILITY

The City will provide a long-term disability insurance program which will provide up to 2/3 of base salary (\$6,000 maximum) after the employee has been disabled for 90 calendar days or has used all of his accrued sick leave, whichever is longer.

8. MEDICARE

Effective April 1, 1986, all newly hired employees must be covered under MEDICARE. All newly hired employees will have a deduction from their paycheck to cover the cost of MEDICARE. The deduction and salary requirements are determined by federal regulations.

In the event that any or all of the provisions of MEDICARE are no longer applicable to local government, due to either legislation or judicial action(s), the benefits set forth in this section so effected shall be null and void and the City's requirement to provide those benefits shall cease.

9. SOCIAL SECURITY (FICA)

In the event that all or part of the employees in this unit become covered by Social Security (FICA), Medicare, or any similar system during the term of the MOU, nothing in this MOU shall be construed to require the City to pay any contribution on behalf of any employee or to furnish any related benefits. Nothing in this MOU shall be construed to require the employee to pay any contribution on behalf of the City. The City and the League will meet and confer to discuss the impact of such action.

Should Federal legislation mandate Social Security (FICA) upon "new" hires into the bargaining unit, the City and the League acknowledge that the current PERS retirement plan will not be available to those new hires, and the City and the League will immediately begin to meet to discuss alternative retirement plans for these "new" hires.

10. MILEAGE REIMBURSEMENT

When an employee is authorized to use his vehicle, the City agrees to guarantee a minimum of one dollar (\$1.00) per round trip when an employee represented by the League uses his private vehicle to perform call-back duty functions. After the first four miles, the employee will be compensated at the rate of thirty-seven and one-half cents (\$.375) per mile. This amount equals the allowable IRS reimbursement rate and will not be reported as taxable income. Should the IRS reimbursement rate be adjusted, the amount listed above shall be similarly adjusted, prospectively, to the new IRS rate, but only after the City has received official notification of the new IRS rates.

11. REQUIRED CERTIFICATIONS

The City shall reimburse the employee for the cost of obtaining and/or renewing certificates or licenses required by the City during the period the employee is employed by the City. This reimbursement shall only be paid for test(s) which are passed and for which a certificate is either issued or renewed. Any required driver's license, however, is specifically excluded from this section.

12. DRIVER'S LICENSE

The City will reimburse to the employee the difference between the cost of a commercial driver's license (Class A, B or C) and the cost of a non-commercial Class C driver's license when required by the department director to obtain and/or maintain such commercial license.

13. CONTINUATION OF FRINGE BENEFITS

The City shall continue to pay its designated cafeteria contribution toward the cost of the medical and dental insurance premiums for up to 12 weeks in a 12-month period of a leave of absence without pay for employees who are on such status due to illness, injury, or pregnancy disability only. This time is not in addition to the time provided for under the FMLA or CFRA. Should such leave continue longer than 12 weeks, or in the case of any other type of leave of any length, the employee shall become liable for the full cost of these insurance premiums in order to continue uninterrupted coverage.

If an employee fails to return to work after his leave entitlement has been exhausted or expires, the City shall have the right to recover its share of health and dental plan premiums for the entire leave period, unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition of the employee.

ARTICLE IV

WORK SCHEDULES AND OVERTIME

1. WORK WEEK

Employees shall be scheduled on the basis of a "9/80" work schedule encompassing a fourteen (14) calendar day period. The City agrees to give five (5) working days notice on scheduled shift changes whenever practical, but in no event will the City give less than three (3) working days notice; unless shorter notice is agreed upon by the employee. This provision does not apply in regard to the City's need to staff the "minimal service crews" needed to work on the Friday off day of the 9/80 work week.

8. WORK DAYS - CHRISTMAS TO NEW YEARS

The majority of City facilities will be closed on the work days between Christmas and New Year's Day. Employees will be required to use holiday, vacation, compensatory time or leave without pay during this period.

When separation is caused by death of an employee, payment shall be made to the estate of such employee or, in applicable cases, as provided by the Probate Code of the State.

h. Illness or Injury During Vacation

i. Vacation Preference

c. Employees Required to Work on Holiday

Any employee whose work schedule and assignment of duties requires him to work on an authorized holiday shall receive additional compensation, either time off or pay, for such work at time and one-half the rate at which he is employed. Determination of when such time off may be taken shall be made by mutual agreement. For purposes of this section, "authorized" holiday is defined as the actual calendar date of the holiday and not necessarily the date the holiday is observed by the City.

d. Eligibility for Holiday Pay

An employee must work or be on paid leave status or regularly scheduled day off on both the work day prior to and work day following an authorized holiday in order to be eligible for holiday pay. The only exception is between the Christmas - New Year's period when an employee may take leave without pay and not lose eligibility for those holidays. When an authorized holiday occurs during an employee's paid leave, the employee shall receive holiday pay for that day which will not be charged against his paid leave.

Should an employee request use of paid sick leave on the day prior to and/or after an authorized holiday, the department director may, where he has reason to believe the employee is abusing sick leave, require a doctor's certificate or other satisfactory proof of illness before holiday pay is granted. In such instance, the department director, or his designee, shall request such certificate and/or proof of illness on the date(s) for which such sick leave is requested.

e. Holiday - "Me Too" clause

Forty-eight (48) hours of normally accrued sick leave may be permitted to be used in any calendar year for family sick leave in lieu of personal sick leave. Only members of the employee's immediate family (legal spouse, dependent children, dependent sibling [residing with employee] and/or dependent parents) who may/may not live in the employee's household, but who require the employee's presence for the purpose of receiving medical care, shall qualify for family sick leave benefit; or, to the extent an employee is required to care for a below school-age child, or a dependent child below ten years of age in the case of school holidays or school breaks, where the spouse who customarily and on a daily basis

is that child's primary caretaker, is medically disabled from performing that function.

c. Proof of Illness

- (1) The Human Resources Director may require a certificate issued by a licensed physician or other satisfactory proof of illness before any type of sick leave is granted for any absence of three (3) consecutive working days or more. If the sick leave request equals five (5) or more working days, the Human Resources Director may also designate a licensed physician to conduct the physical examination and such examination shall be conducted at City expense. Employees shall be required to complete a sick leave verification form when returning to work after utilizing sick leave.
- (2) Notwithstanding (1) above, the Human Resources Director may require a certificate issued by a licensed physician or other satisfactory proof of illness before any type of sick leave pay is granted for absences of any duration if, prior to the beginning of the absence, the Human Resources Director has issued a letter to the individual employee stating that such certification will be required.
- (3) Such a letter may be issued by the Human Resources Director whenever an employee demonstrates any of the following:
 - (a) Excessive use of sick leave

d. Effect of Leave of Absence on Sick Leave Accrual

The granting of any leave of absence without pay exceeding fifteen consecutive calendar days shall cause the employee's normal rate of sick leave accumulation to be extended by the number of calendar days for which such leave of absence has been granted less the first fifteen calendar days of such leave.

e. Annual Sell Back

Once every fiscal year during the month of July, an employee who has accumulated 240 unused sick leave hours, shall be eligible to sell back to the City one-half of his annual accrued but unused sick leave hours (in excess of 240 hours) at the rate of \$.70 on the dollar based upon the hourly rate of pay in effect as of June 30. The remaining one-half of annual accrued but unused sick leave hours will remain in the employee's bank of accumulated sick leave. The

employee may instead convert the equivalent amount of hours, after the \$.70 on the dollar conversion, to vacation pay. (See Exhibit C.)

f. Payoff at Retirement

At the time of an employee's service or disability retirement, the City shall pay to him an amount equal to 50% of his total accumulated but unused sick leave hours, provided that the 50% pay out under this provision may be applied to no more than 1,000 hours accumulated but unused sick leave. b. Temporary Disability

- (1) If an employee is eligible to receive temporary disability payments under the California Workers' Compensation Law, the City shall apply his accumulated unused sick leave in a prorated amount equal to the difference between his regular salary and the temporary disability payment.
- (2) The employee, under such system, shall be entitled to receive a cumulative total of up to six (6) months supplemental compensation for absences following and related to the occurrence of a specific injury regardless of his initial unused accrued sick leave balance. This supplemental compensation shall cease at the end of the cumulative six (6) months, regardless of whether there is any remaining accumulated but unused sick leave balance. At that time, the employee may still be eligible for temporary disability payments under the Workers' Compensation Law.

c. Accrual of Leave Benefits

Any regular employee shall continue to accrue vacation, holidays and sick leave and to earn eligibility for consideration for merit salary increases during an absence resulting from an on-the-job injury, providing he receives compensation payments under the provisions of the California Workers' Compensation Law. A probationary employee shall be entitled to the same benefits as a regular employee except he shall not continue to earn eligibility for consideration for merit salary increases.

5. BEREAVEMENT LEAVE

Whenever any employee, except those with temporary appointments, is compelled to be absent from duty by reason of death or critical illness where death appears imminent, of members of the employee's extended family (father, mother, brother, sister, spouse, children, mother-in-law, father-in-law, step-parent, grandmother, grandfather, grandchildren, legal guardian or ward), such person shall be entitled to a one-time per family member leave of absence with pay, for up to four (4) working days. The department director shall in turn advise the Human Resources Director of such military orders.

7. NON-INDUSTRIAL DISABILITY LEAVE

An employee who is temporarily incapable of performing the full range of duties of his position due to illness, injury, or pregnancy disability must provide a medical certificate from his treating physician certifying that the medical leave is necessary and the employee is unable to perform his job duties, specific limitations/restrictions, the beginning date and anticipated ending date of such limitations/restrictions. Should the employee need to take a leave of absence due to such disability, he must use all accrued paid leave prior to requesting leave without pay, provided that the use of sick leave in the case of pregnancy disability is optional to the employee prior to use of leave without pay. A medical certificate from the employee's treating physician stating the requirement for leave and anticipated length of leave must be submitted to the Human Resources Director prior to authorization for such leave. Upon return to work from a disability leave, a medical certificate with specific comment on limitations/restrictions (or lack of such) must be submitted to the Human Resources Director.

8. JURY DUTY

If he does not remit this compensation and submit certified documentation of attendance, he shall be paid only for the time he actually worked in his City position. DISCIPLINE, GRIEVANCE, LAYOFF AND PROBATIONARY PERIOD

1. DISCIPLINARY ACTIONS

If an employee is a dues-paying member of the League as indicated by City records, the City agrees to contact the League, upon the employee's approval, when a member is either dismissed, suspended or demoted. The City will follow notice and procedures required by law prior to implementing disciplinary proceedings. The appeal procedure is described in Exhibit F.

2. PERFORMANCE

Should any employee be taken to task for such things as judgment, action, or lack of action involving dereliction of duty or behavior, disturbing to the harmonious relations of the group in which the employee works, which, if continued, could lead to disciplinary action or discharge, then Management will discuss such conduct, behavior or omissions with the employee concerned. If it is deemed necessary to attach a statement of these occurrences to the employee's personnel file, the employer will give the employee a written copy. Any document pertaining to disciplinary action and which is placed in the employee's personnel file, shall be subject to the City's grievance procedure.

3. DISCHARGES

In the event an employee is discharged, the employer shall give the employee a copy of the charges in writing and explain the due process for recourse. An employee who has been discharged for any reason shall have the right to contact his steward or League representative immediately. The employer will forward a copy of all charges to the League upon request by the employee.

4. GRIEVANCE PROCEDURE

The grievance procedure is described in Exhibit E.

5. LAYOFF PROCESS

City Code Section 2.44.400 states, in part, "Seniority and competency shall be observed in effecting a reduction in personnel. Layoff shall be made within classes of positions for layoff purposes, competency shall be determined by the head of the department." The layoff process shall be utilized on a departmental basis.

Step 1

Within the classification, employees will be ranked by seniority and ranked by competency in classification. After six months an employee carries seniority in the new position with him into the new classification. Seniority is computed from date of probationary appointment to full-time position, whether City or federally funded.

Step 2

The department director will determine, based on official personnel records and/or qualified testing procedures, where applicable, the individual selected for layoff in the classification. The department director will utilize a combination of the seniority and competency of the individual in making this determination. The Human Resources Director will confer with the League if qualified testing is to take place.

Step 3

An individual laid off from a particular classification may "bump" into a classification for which he is qualified (qualification is presumed where the person has held the position previously with the City or where a lower position is in a normal line of promotion). After an employee is informed of an impending layoff or "bump down", he must inform the Human Resources Director within five working days of his intent to take the option of the layoff or the "bump down".

Step 4

The process will be repeated at the next classification level where an employee bumps in and creates an overage in that classification.

Step 5

When the "bump down" reaches the lowest classification in the series, determination for layoff will be made by seniority and competency.

6. SENIORITY

Seniority is defined as the length of continuous paid employment with the City. Seniority shall be retained but shall not accrue during periods of leave without pay.

7. PROBATIONARY PERIOD

a. Initial Probationary Period

Every person receiving an appointment to the competitive service which has not been designated as a temporary position shall be required to serve a probationary period of twelve (12) months, commencing on the date of appointment.

b. Probationary Period Following Promotion

- (1) **Regular Employee:** A regular employee who is promoted shall serve a probationary period of six (6) months in the new position to which he has been promoted commencing on the date of such promotion. This probationary period may be extended for up to an additional six (6) month period, upon action of the department director.
- (2) **Probationary Employee:** A probationary employee who is promoted to a position in a class with a higher salary range shall complete the probationary period of six (6) months required of employees with regular status who have been promoted. This probationary period may be extended for up to an additional six (6) month period, upon action of the department director.

- (3) When a department manager reasonably concludes that an employee's six (6) month probationary period is insufficient to allow the manager to evaluate the performance of the employee, the department manager may recommend in writing to the department director that the probationary period be extended for up to a six (6) month period. The department director shall have exclusive authority over any such extension. In the event the probationary period is so extended, the affected employee shall have an opportunity to discuss the extension with his department director. During the extension period the employee shall remain in probationary status, unless the department director removes the employee from probationary status prior to the end of the extended probationary period.

If the department director wishes to extend a probationary period, he shall so notify the affected employee in writing before the end of the original six (6) month probationary period.

c. Extension of Probationary Period - Special Requirements

In addition, the department director may, at his sole discretion, extend the employee's probationary period for periods of time beyond the limits provided above for the sole purpose of allowing an employee to acquire any certification or license required for the employee's position. Under such an extension, the employee will be deemed probationary for the sole purpose of acquiring such certificate or license (i.e., the employee shall have absolutely no expectation, whatsoever, of continued employment if the certificate or license is not acquired within the time frame extension set by the department director). The employee will not be deemed probationary for purposes other than the acquisition of a required certificate or license during this extension period.

ARTICLE IX

CITY FRINGE BENEFIT FORMULA1. CITY COMPOSITE/BASE FIGURE

The composite City cost shall be calculated as of January 1, 2007, to be \$660.00. This "base" figure may be changed as provided in Article III, Section 4, and as set forth below.

2. "NO COST" CONCEPT

The League agrees to modify annually the City's composite health benefit contribution. This shall be known as the "adjusted" composite cost and is based on the costs of the following:

- a. Actives: The actual annual City total cafeteria benefit contribution to all enrolled unit employees and those not enrolled, but eligible for the \$100.00 monthly credit. This amount will be calculated each June by totaling the costs for the previous twelve (12) months.
- b. Retirees: The actual annual City total cost of all enrolled unit retirees in the PERS Health program. This amount will be calculated each June by totaling the City costs for the previous twelve (12) months.
- c. Administration: Fifty percent (50%) of the cost of the PERS administrative charge for both actives and retirees of the unit. This amount will be calculated each June by totaling the costs for the previous 12 months.

3. ADJUSTED COST

These three (3) costs shall be totaled together and divided by 12. The quotient shall then be divided by the number of unit employees to produce the "Adjusted" composite figure for the unit.

4. MODIFYING THE "ADJUSTED" CITY HEALTH BENEFIT COMPOSITE FIGURE

- a. Should the "Adjusted" cost figure from the previous twelve (12) months be more than the "base" figure, the next annual City contribution shall be modified by subtracting the excess from the base figure (see Example #1).

Example #1

Adjusted Cost (\$665.00): Base (\$660.00)

Excess = \$5.00

December 1, 2007 composite figure shall be \$655.00

(\$660.00 - \$5 = \$655.00)

- b. Should the "Adjusted" cost figure from the previous twelve (12) months be less than the "base" figure, the next annual City contribution shall be modified by adding the savings to the base figure (see Example #2).

Example #2

Adjusted Cost (\$655.00): Base (\$660.00)

December 1, 2007 composite figure shall be \$665.00

$(\$660.00 + \$5 = \$665.00)$

SICK LEAVE PAY OFF1. ANNUAL SELL BACK

- a. Employee A has accumulated 328 unused sick leave hours as of June 30. During the fiscal year, he has accrued 96 sick leave hours and used 8 hours. He is eligible to sell back 44 sick leave hours in July at the rate of \$.70 on the dollar or employee may choose to convert this equivalent amount of hours, after the \$.70 on dollar conversion, to vacation hours.

If he elects to sell back all 44 eligible hours, 284 hours will remain in his sick leave bank until used or time of retirement.

Calculation:

328 unused hours in sick leave bank (June 30)

96 hours accrued - 8 hours used = 88 unused hours during fiscal year

88 hours divided by 2 = 44 hours eligible for annual sell back

(30.8 hours converted to vacation hours)

328 hours - 44 hours = 284 hours remaining in sick leave bank

- b. Employee B has accumulated 248 unused sick leave hours as of June 30. During the fiscal year, he has accrued 96 sick leave hours and did not use any. Although he would ordinarily qualify to sell back 48 hours (one-half of 96 accrued but unused sick leave hours), he can actually sell back only 8 hours in order to maintain the qualifying bank of 240 hours. If he elects to sell back all 8 eligible hours, 240 hours will remain in his sick leave bank until used or time of retirement.

Calculation:

248 unused hours in sick leave bank (June 30)

96 hours accrued - 0 hours used = 96 unused hours during fiscal year

96 hours divided by 2 = 48 hours "ordinarily" eligible for annual sell back

248 bank hours - 240 minimum required hours = 8 hours eligible for annual sell back (5.6 hours converted to vacation hours)

248 - 8 hours = 240 hours remaining in sick leave bank

- c. Employee C has accumulated 450 unused sick leave hours as of June 30. During the fiscal year, he has accrued 96 sick leave hours and used 100 hours. Although he has accumulated more than the minimum 240 unused hours required to qualify for this benefit, he has used more than he accrued during the fiscal year. This disqualifies the employee from participating in this benefit for this fiscal year.

Calculation:

450 unused hours in sick leave bank (June 30)

96 hours accrued - 100 hours used = 0 unused hours for fiscal year

2. PAY OFF AT RETIREMENT

- a. At time of retirement, Employee D has 680 accumulated but unused sick leave hours. He will be paid for 340 hours (50% of 680 hours) at his base salary hourly rate and the remaining 340 hours will be reported to PERS for inclusion in calculation of total service period.
- b. At time of retirement, Employee F has 1,050 accumulated but unused sick leave hours. He will be paid for 500 hours (50% of 1,000 hours) at his base salary hourly rate and 550 hours will be reported to PERS for inclusion in calculation of total service period.

TUITION REIMBURSEMENT PROGRAM

1. ELIGIBILITY

All regularly appointed full time employees who have passed their initial probationary period are eligible to receive tuition reimbursement. Courses must commence after passing the initial probationary period.

2. COURSE ELIGIBILITY

Courses must be in excess of the educational standards for the position. An example of this would be job-related college or university courses when the specification for the classification calls for high school graduation.

Courses must be taken at colleges or universities accredited by one of the six regional accreditation bodies for the United States (as approved by the Department of Education), including the Western Association of Schools and Colleges, the Northwest Association of Colleges and Universities, the Middle States Commission on Higher Education, the New England Association of Schools and Colleges, the North Central Association of Colleges and Schools, and the Southern Association of Schools and Colleges. Credits given for non-classroom assignments such as life experiences, military training, and professional training are not reimbursable. While on-line courses from accredited institutions are acceptable, correspondence courses are not eligible for reimbursement.

Coursework must be related to the employee's current occupation or to a City classification to which the employee may reasonably expect promotion.

No coursework beyond the Master's Degree level or any law school coursework is eligible for reimbursement.

Each course must be identified as to whether it is a core course or a recommended elective for the approved major.

Courses that duplicate previously taken courses are not eligible.

Courses are required for the completion of the pre-approved job-related major. An example would be general education or elective requirements to the major as stated in the college/university catalog. Remedial courses or those taken as required for non-approval major shall not be eligible.

Employees who currently have a Bachelor's/Master's degree may be authorized to take an undergraduate/graduate course in a specialized field directly related to the duties of their classification.

Courses are not taken on City time and must be certified that they are taken on the employee's off-duty time.

Courses must be approved by the Department Director and the Human Resources Department before commencement of the class.

3. REIMBURSABLE EXPENSES

The City shall reimburse employees for tuition, registration fees and texts/materials and lab fees required for the eligible courses. Expenses for parking, travel, meals, non-course fees (e.g., student association fees, insurance fees), processing fees, transcript fees, materials and any other costs are not reimbursable.

Employees shall be reimbursed up to the dollar amount charged for the same number of units per term by the California State University system with a maximum of \$2,000 per fiscal year, effective January 1, 2007, for courses completed during that particular fiscal year. Effective January 1, 2008, the maximum of \$2,400 per fiscal year will be available for reimbursement. The difference between the City's maximum reimbursement during any fiscal year and the amount of any actual reimbursement received by the employee during that fiscal year shall not be carried over or be available for use by the employee in any subsequent fiscal year.

Funds received from any outside sources for the same purpose, such as a scholarship, grant or Veteran's Educational Benefits, must be applied toward the cost of the tuition/fees before the City's tuition reimbursement plan shall apply.

Reimbursement shall be made upon completion of the course with a minimum final grade of "C" or its equivalent, i.e., a pass in a pass/fail course will be considered equivalent to a "C." Graduate level courses require a minimum grade of "B" for reimbursement. No reimbursement shall be made for audited or incomplete courses.

Employees must submit from the attendant institution a bona fide certification of fees paid and grade achieved in order to have their application considered for reimbursement. These documents must accompany the reimbursement application form in order to be processed.

Application for reimbursement must be submitted within three months of the completion of the approved course in order to be considered for reimbursement.

Upon separation from employment, employees shall be required to reimburse the City for any funds received under this program for courses completed during the last 12 months of employment. This payback provision does not apply to employees who are laid off by the City.

The tuition reimbursement may be a taxable benefit depending upon the provisions of the Internal Revenue Code. The individual employee will be responsible for any tax liability.

EDUCATIONAL INCENTIVE PROGRAM

The Education Incentive Program is being phased out and is only available to qualified employees receiving this benefit before June 30, 1999.

1) QUALIFICATION - College Units

In order to be eligible to receive the flat-rate incentive bonus of \$50 per month, the employee must satisfactorily complete fifteen (15) semester or equivalent units of career-oriented, college level course work. Satisfactory completion means receiving a grade of "C" or better if course is graded, or "Credit" if no grade is given. These units must have been completed while employed with the City in a classification represented by this unit, must have been taken on the employee's off-duty time and at his own expense, and must be approved by the Personnel Office. Three (3) of the fifteen (15) units must have been earned during the two (2) year period preceding qualification. Units will be approved if they meet the following guidelines: (1) are directly related to the employee's position or normal promotional career opportunities within the City, as determined by the Personnel Office; or (2) are creditable toward a college degree from an accredited college or university. Without prior approval, no guarantee can be given that course work will be accepted.

The date of initial qualification of this incentive bonus pay shall be the date which proof of completion of fifteen (15) units is submitted to the Personnel Office. Compensation of this bonus shall begin at the beginning of the pay period in which proof of qualification is submitted. Forms for application of qualification shall be provided by the Personnel Office and must be completed by the employee and submitted to the Personnel Office with proof of qualification. A grade card, transcript, or appropriate form signed by the instructor shall serve as proof of qualification. Qualification shall continue for a two (2) year period from the date of initial qualification.

2) CONTINUATION OF QUALIFICATION

In order to maintain qualification of this incentive bonus pay, the employee must recertify every two (2) years by satisfactorily completing three (3) career-oriented semester or equivalent units prior to the conclusion of the two (2) year qualification period. Satisfactory completion means receiving a grade of "C" or better if course is graded, or "Credit" if no grade is given. These units must be approved by the Personnel Office and completed on the employee's off-duty time and at his own expense. Units will be approved if they meet the following guidelines: (1) are directly related to the employee's position, as determined by the Personnel Office; or (2) are creditable toward a college degree from an accredited college or university. Without prior approval, no guarantee can be given that course work will be accepted for continuation of qualification in this program. Proof of completion of approved course work must be submitted to the Personnel Office prior to the conclusion of the two (2) year qualification period in order to maintain uninterrupted payment of this incentive bonus pay. Forms for application of qualification for continuation of this bonus pay shall be provided by the Personnel Office and must be completed by the employee and submitted to the Personnel Office with proof of qualification. A grade card, transcript, or appropriate form signed by the instructor shall serve as proof of

qualification. A new two (2) year qualification period will begin from the date of completion of the course used for continuation of qualification.

If qualification for continuation is not maintained every two (2) years, payment of this incentive bonus pay will discontinue at the conclusion of the last-approved continuation period. To be eligible for reinstatement of this incentive bonus pay, the employee must meet the following "Requalification" requirements.

3) REQUALIFICATION

For requalification of eligibility to receive the incentive bonus pay, the employee must complete the requirements as described under "Continuation of Qualification". Requalification and compensation under this incentive bonus pay program will start at the beginning of the pay period in which proof of such requalification is received by the Human Resources Department. This requalification will begin a new two (2) year qualification period.

4) QUALIFICATION - College Degree

An employee may qualify for the flat-rate incentive bonus of \$50 per month if he has obtained a college degree from an accredited college or university in a field directly related to his current position at a level higher than that required of his current position. By way of example, qualification will be approved if the employee's position requires a high school diploma and he obtains an Associate of Arts (AA) or Associate of Science (AS) degree; or obtains a Bachelor of Arts (BA) or Bachelor of Science (BS) when his position requires an AA/AS; or obtains a Master of Arts (MA) or Master of Science (MS) when his position requires a BA/BS.

A diploma or official transcript shall serve as proof of qualification. The date of initial qualification shall be the date which proof of qualification is submitted to the Personnel Office. Qualification shall continue until such time as the employee terminates City employment or is transferred/promoted to another position within the City which requires a higher level educational degree.

GRIEVANCE PROCEDURE

The following procedure is incorporated herein by reference to Resolution No. 4066-71 as amended:

It is the philosophy of the City of Garden Grove that there should be free verbal communication between employee and supervisor. It is the intent of this policy to lay out a normal chain of command grievance procedure, which will preserve the integrity of the organizational structure and at the same time provide employees a known means of voicing a grievance. A grievance may be presented by an individual employee or by a representative of a group of employees.

(a) A grievance is any difference of opinion concerning the interpretation of this Resolution or documents adopted pursuant thereto, or of rules and regulations governing personnel practices or working conditions. The grievance process set out herein shall not be applicable to matters covered by Municipal Code Section 2.44.370 thru 2.44.390 (Disciplinary Actions & Appeal Procedure).

(b) When an employee feels he has a grievance, as defined in Section (a) above, he may initiate formal action to secure review of the grievance by top management. Such action should be used, however, only after informal appeal through discussion with the immediate supervisors has not been successful. It is the spirit and intent of this procedure that all grievances be settled quickly and fairly without any subsequent discrimination against employees who may seek to adjust a grievance, real or imagined.

(c) If the problem cannot be resolved between the employee and the supervisor, the employee may, within seven (7) calendar days from the date of receiving the answer from his supervisor, request and be granted an interview with the division head in order to discuss the grievance.

(d) If the division head and employee cannot reach a solution to the grievance, the employee may, within seven (7) calendar days from the date of receiving the answer from the division head, request and be granted an interview with the department director.

(e) If the department director and employee are unable to arrive at a satisfactory solution, the employee may, within fourteen (14) calendar days from the date of the decision by the department director, submit two (2) copies of the grievance in writing, one copy to the department director and one copy to the employee's immediate supervisor, to be transmitted through the chain of command.

(f) If the department director receives the grievance in writing, he and the City Manager will jointly review the grievance and respond to the employee within fourteen (14) calendar days. The response shall be in writing and will be considered an expression of management's viewpoint, and shall be final.

(g) If the time limit at any step should elapse, the grievance shall be considered withdrawn. Time limits may be extended by mutual consent.

DISCIPLINARY APPEAL PROCEDURE

The following procedure is incorporated herein by reference to Garden Grove Municipal Code Section 2.44.390.

The appeals procedure set forth in Garden Grove Municipal Code Section 2.44.390 ("Appeals Procedure") shall not be available for disciplines of less than a full day; provided, however, that in the event a discipline of a day or more is issued as part of progressive discipline, and such level of progressive discipline relies on a previous incident for which the Appeals Procedure was not available ("Previous Incident"), the employee may raise the propriety of the Previous Incident, but only as part of the determination of the propriety of the discipline of a day or more, and only if the employee, on a timely basis, exhausted the administrative remedies available to them in the Grievance Procedure for the Previous Incident.

2.44.390 Appeal Procedure. The appeal procedure described herein shall apply to cases of disciplinary action or in individual classification problems, resulting in demotion or otherwise affecting the regular full-time employee. It shall not be applicable to those positions which may be deemed exempt by council resolution or to probationary employees.

(1) Following a review of a proposed disciplinary action by the employee's immediate supervisor and department director, the personnel officer, where indicated, shall cause to be served on the employee affected, by registered mail or personal delivery, a statement signed by the department director or personnel officer of the specific charges against the employee or the reason for the classification action. This statement shall clearly inform the employee that he has the right, within seven (7) working days after receipt of this notice, to request a hearing on the charges or classification action by filing the request with the City Manager.

(2) If within the seven (7) day appeal period the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the City Manager shall be considered conclusive and shall take effect as prescribed by him .

(3) If within the seven (7) day appeal period the employee involved files such notice of appeal, there shall be created an ad hoc personnel appeals board, who shall be selected as follows:

(A) The City Council shall appoint one person, not directly or indirectly involved in municipal operations;

(B) The appellant shall appoint one person, not directly or indirectly involved in municipal operations;

(C) Both of the above members of the ad hoc personnel appeals board shall select a third member from a panel submitted by the American Arbitration Association. The board shall select its own chairman;

(D) Both the City and the League acknowledge the right to waive upon mutual agreement the tri-partite ad hoc personnel appeals board, as described in Section 2.44.390 of the Municipal Code.

(4) Within five (5) days after the formation of the ad hoc personnel appeals board it shall fix the hearing date. This hearing shall be a public hearing, unless the employee requests a closed hearing.

(5) At least seventy-two hours prior to the hearing the employee shall have the right to submit to the City Manager the names and addresses of witnesses to testify in his behalf. These witnesses shall be subpoenaed by the City Manager for their presence at the hearing.

(6) The employee shall have the right to be represented at the hearing, which shall not be bound by technical rules of evidence.

(7) Within five (5) days after the conclusion of the hearing, the ad hoc personnel appeals board shall notify the employee involved and the City Manager of its decision. This decision shall be subject to review by the City Manager and City Council, with the review limited to the record regarding hearing procedures.
